anatomy kenzie meaning: Scars of Anatomy Nicole Alfrine, 2025-06-24 A sweet and spicy, opposites attract, sports romance about a star quarterback and a pre-med student, who discover they have more in common than either expected Debut author Nicole Alfrine blends sweet romance with spice to create a book that is a perfect mixture of Hannah Grace and Ali Hazelwood. Hotshot college quarterback Bronx Miller is on track to make it to the NFL, but while he's hyper focused on football, that doesn't mean he doesn't have fun. In fact, he's the most notorious player on and off the field. Even with a zero commitments policy, he's never met a girl who can resist him. However, when he's paired with straight-A, pre-med student Olivia McCausland as his anatomy lab partner, he realizes he may want something more. Olivia is quiet, thoughtful, and unimpressed by his big-man-on-campus status. As the semester unfolds with study sessions and bets based on test scores, the pair grow close. Still, even as Bronx starts to let his guard down and shed his playboy persona, outside forces are determined to rip them apart. While Bronx and Olivia may be more alike than they ever imagined, they'll have to fight for a future together. Along the way, they'll both learn that while scars come in various forms, they don't decide someone's future.

She was a medical professional, after all. But when her postmortem findings cause her to look more deeply into the sometimes dark world of elder care, she is forced to reconsider. *Death of a Corpse* The search for a missing girl comes to a tragic end when her body is found partially submerged in a body of water in the Vermont wilderness. But when Kenzie examines the remains, she finds that it is not the girl they were looking for, but someone who has been dead for much longer than that. *Endowed with Death* The death of a child is always heartbreaking, but what Kenzie Kirsch, assistant to the Medical Examiner, finds on her slab shakes her to the core. Kenzie can't help but feel a surge of anger and sadness as she examines the evidence. *Shattered to Death* As Kenzie Kirsch delves into the mysterious death of a patient, she stumbles upon illicit human experiments preying on the most vulnerable. The exploitation of those seeking solace and healing is a chilling reality Kenzie cannot ignore. *Capture in Death* Follow Kenzie, the assistant medical examiner, as she races against time to unravel the mystery behind photo of a dead man that has been circulating amongst the local teens. □□□□ P.D.
