777 200 american airlines business class: *A Secret Soldier's Confession* Dennis Barger, 2024-12-11 The story features a female protagonist, an international setting, a historical hook, and puzzle-solving escapades. Emma and Jordan are married and recent US Naval Academy graduates who live in Annapolis. They make a trip to Rocky Mount, NC, to join the extended Miller family for Emma's grandfather's funeral. Following the funeral, during the reading of the will, a secret about her grandfather is revealed. This secret sets Emma and Jordan on a journey to discover her

grandfather's unknown family in Germany. They uncover another secret after meeting the family, which launches them on an adventure across Europe, the Canary Islands, and Argentina, uncovering lost Nazi treasure and other Nazi secrets. They are called upon to assist in thwarting terrorist plans by the new Nazi party. Their adventure requires solving multiple clues and codes while encountering several hazards. Their journey weaves them through historical events and WWII locations, unraveling a mystery that bridges past and present. Book Review: Just when you thought a work of fiction couldn't possibly provide any new twists in the search for expat Nazis, Mr. Barger delights us with a tale of suspense, terrorism and espionage with nuance entirely fresh in its delivery. And to think that this all comes to light because Naval Academy grads, Emma and Jordan attend what should have been a simple funeral and reading of a will. With backdrops and locales that are worthy of any Bond escapade, our two heroes find themselves immersed in an adventure of intrigue, while yet enjoying the ambience and culture of those cities where this journey sends them. -- Dana Alioto, Author of *Hey Nineteen; A Memoir of Growing Up in Milwaukee*"
