amex global business travel careers: *Career Planning and Succession Management* William J. Rothwell, Robert D. Jackson, Cami L. Ressler, Maureen Connelly Jones, Meg Brower, 2015-06-30 This timely guide explains how businesses can effectively integrate and coordinate career and succession planning programs to meet the personnel demands of the future. Drawing on their experience and expertise with workforce development, the authors of this book based its content on a single but important premise. With global economic instability, a slowdown in workforce growth, extraordinary competition for the best talent, and the rapid advance of technology, there is an immediate need to integrate career and succession planning programs. Explaining how to do just that, this practical, user-friendly guide is the first to link those critical business tools, showing readers how to prepare for tomorrow—and the many years after. The book presents a systematic approach through which businesses can integrate and coordinate career planning and succession planning programs. Part One makes the business case for moving beyond segregated career and succession planning and shows why they must be integrated. Part Two offers foundations for integration, while Part Three outlines the strategies that can make integration a reality. Part Four addresses the future of career development and succession planning. Other topics include the future of organizational infrastructure and the implications of a diverse workforce. Employee engagement and leadership development are also explored.

amex global business travel careers: CSR and Competitiveness—Essential of the Corporate India and its Sustainability Saurabh Mittal, 2012-04-28 The business landscape is changing fast with the rapid globalization. Society expectations from corporate are increasing and CSR is being perceived as a tool to help secure a sustainable competitive advantage by integrating social and business goals. This book provides an overview and represents current developments in Corporate Social Responsibility and Sustainability, CSR concepts, initiatives, infrastructures and needs, methods, especially focusing on the needs of SMEs. In this book through contributions and chapters we explore the concept of competitiveness in relation to CSR. Research articles and chapters from the practitioners, consultants and academicians would enlighten the readers as to how competitive

advantage can be generated through creating stakeholder engagement through the CSR initiatives. Some real world Case Studies are included elaborating the contribution of CSR to short term profits as well as to long term competitiveness. These Case Studies from Indian Corporate and abroad, well represent the challenges and opportunities for the businesses to implement the CSR initiatives, resulting in community development. Thus, the contributions in this book represent a triangle between the Corporate, Academics and Research; used to implement the CSR Activities in the Indian and Global context. This book is being published as a reference material for all the stakeholders of today's business who have some interest in the area of CSR & Sustainability. It would provide a real world scenario for further exploration of Social Upliftment opportunities and the competitive advantages to the corporate.
