aegean business lounge athens: 65 Years of Friendship George Bizos, 2017-10-19 65 Years of Friendship tells the heartrending story of a remarkable friendship between two remarkable men: world-renowned human-rights lawyer George Bizos, and Nelson Mandela. George and Madiba met as students at the University of the Witwatersrand in the 1940s. They would later become legal colleagues, and Mandela would become George Bizos' most famous client soon after, for it was Bizos who formed part of his legal defence during the famous Treason Trial, and again during the Rivonia Trial, when Mandela and others faced the death penalty for plotting to overthrow the state. After seeing his friend sentenced to life imprisonment instead, Bizos became Mandela's lifeline, navigating the complicated network of the Struggle. Working tirelessly, be it by secretly meeting Oliver Tambo in exile or arguing for the abolishment of the death penalty in the Constitutional Court years later, Bizos offered his unwavering support to Mandela on his long walk towards a democratic South Africa. In this touching homage to their friendship, George Bizos tells a fascinating tale of two men whose work affected the lives of all South Africans.

aegean business lounge athens: Sailing Acts Linford Stutzman, 2006-10-01 For those who love sailing and you-are-there travel literature. Also for those who enjoy studying the life and times of the Apostle Paul. But definitely for those who love adventure, or at least reading about it! Seafaring isn't for the faint of heart. It wasn't for the Apostle Paul in the first century A.D.—shipwrecked, imprisoned, and often a stranger in foreign lands. And it turned out to be a heart-stopping task some two thousand years later, when a religion professor and his wife undertook a 14-month journey by sailboat! They stopped in eight countries, visiting every site where Paul stopped on his tumultuous missionary journeys. Sailing Acts traces this 21st-century voyage from Volos, Greece, to Rome, Italy, by car, by foot, by motorized scooter, but mostly on a 33-foot boat, logging more than 3600 nautical miles over two sailing seasons. Explorers are easy to admire or despise, but very difficult to understand without going on the trip, writes Stutzman. To really appreciate the experiences, the drama, and development of Paul the explorer, you need to sail with him. So begins Sailing Acts, inviting readers to come on board. Stutzman draws thoughtful comparisons from his own travel mishaps and adventures to the ones Paul experienced on his journeys. This book is in the tradition of Bruce Feiler's Walking the Bible. Stutzman's knowledge of the socio-political setting in the first-century Roman empire provides an informative backdrop to understanding Paul and reading his epistles in a new light. The book includes dozens of photos, maps showing the couple's travel routes, a list of all the repairs and replacements Stutzman made to

the aging boat which he bought sight-unseen, and an itinerary of places they visited. aegean business lounge athens: Dance with Demons Greg Lawrence, 2001-05-07 The first biography of the celebrated Broadway and Hollywood choreographer and director—a complex man of extraordinary genius and overwhelming demons. His work on such legendary shows as *The King and I*, *West Side Story*, *Gypsy*, *Funny Girl*, and *Fiddler on the Roof* made him one of the most influential and creative forces in the history of American theater. His collaborators, friends, and enemies were among the greatest celebrities of stage and screen, including Barbra Streisand, Bette Davis, Stephen Sondheim, Natalie Wood, Montgomery Clift, and Mary Martin. His brilliant contribution to the American Ballet Theater and the New York City Ballet established him as one of the century's great choreographic masters of the form. But in 1998, Jerome Robbins died a haunted man. All of his life, he was tortured by private demons: his conflicted feelings about his bisexuality and his Judaism; his bitter relationship with his parents; his betrayals of others during the McCarthy hearings; and a demanding perfectionism that bordered on the sadistic. Now, this groundbreaking biography, based on hundreds of interviews with friends, family, and colleagues, provides the first complete portrait of the man and the artist—a harrowing, heartbreaking, and triumphant work as complicated and fascinating as the legend himself.

This book demands to be read in one sitting. —James Rollins, New York Times bestselling author of *The Last Oracle* Two brothers and a beautiful archaeologist exploring ancient mysteries in the Greek Isles get swept into a deadly maelstrom of Bacchanalian horror.... It was the greatest secret of the ancient world, held under penalty of death. It lasted over millennia. A procession of thousands pouring out from Athens to gather on the plains of Eleusis. The giants of empires all took part---Socrates, Plato, Pericles, Augustus, Hadrian, Marcus Aurelius. A hallucinogenic elixir was poured. Secret, sacred objects revealed. In the great dark Hall of Initiation, an awe-inspiring transformation took place, a profound experience of death and rebirth.... Such was the celebrated pagan rite known as the Eleusinian Mysteries. Midnight. Three figures descend a perilous cliff to the ancient site of the Oracle of Delphi. Jack Duran has joined his older brother, Dan, to perform an unusual---and unauthorized---experiment. With the help of Dan's girlfriend, the brilliant young archaeologist Phoebe Auerbach, the trio will put the famous Oracle to the test. Breathing fumes in the ruins of the Oracle's temple, Phoebe falls into a trance of possession and succumbs to a terrifying vision, a foreboding premonition of horrors to come---and a clue to the secret of the Mysteries. The clue leads Jack and Dan to a magnificent yacht crossing the Aegean. Soon they're plunged into a mind-blowing orgy with a bevy of irresistibly seductive young women. But the unrestrained erotic frenzy ends in a grisly killing. And Dan disappears Now a fugitive on a mysterious island, Jack must enlist Phoebe's help to uncover the islanders' hidden past---and face the diabolical vengeance of the Furies.
