

best business balance transfer credit cards

best business balance transfer credit cards are essential financial tools for entrepreneurs looking to manage their business expenses more effectively. These credit cards allow businesses to transfer balances from higher interest credit cards to new ones with lower rates, giving owners the chance to save on interest payments and improve cash flow. In this article, we will explore the top options available for business owners, detailing their features, benefits, and what to consider when choosing the right card. We will also provide insights on how balance transfers work, their potential pitfalls, and tips for maximizing their benefits.

In the following sections, we will cover:

- Understanding Balance Transfers
- Top Business Balance Transfer Credit Cards
- Key Features to Look For
- How to Maximize Your Balance Transfer
- Common Mistakes to Avoid

Understanding Balance Transfers

Balance transfers are a financial strategy that allows you to move debt from one credit card to another, typically to take advantage of lower interest rates. For business owners, this can mean significant savings, especially if the existing debt is accruing high interest. When considering a balance transfer, it is important to note the terms associated with the new card, including any promotional periods, fees, and ongoing interest rates.

Most balance transfer credit cards offer a promotional interest rate that is significantly lower than standard rates. This promotional period can last anywhere from six months to over a year, depending on the card. However, it is crucial to read the fine print, as missing a payment during this period could result in losing the promotional rate and being charged a higher interest rate on the transferred balance.

Top Business Balance Transfer Credit Cards

There are several credit cards that cater specifically to business owners looking for balance transfer options. Below are some of the best business balance transfer credit cards available today:

1. Chase Ink Business Cash® Credit Card

The Chase Ink Business Cash® Credit Card offers a 0% introductory APR on balance transfers for the first 12 months. After this period, a variable APR applies. This card also provides a cash back rewards program, allowing businesses to earn 5% cash back on the first \$25,000 spent in combined purchases at office supply stores and on internet, cable, and phone services each account anniversary year.

2. American Express Blue Business Plus Credit Card

The American Express Blue Business Plus Credit Card features a 0% introductory APR on balance transfers for the first 12 months, making it a great choice for businesses looking to consolidate debt. Additionally, this card earns 2x Membership Rewards points on everyday business purchases, which can add value for businesses that frequently spend on various categories.

3. Capital One Spark Cash for Business

With the Capital One Spark Cash for Business card, you can enjoy a 0% introductory APR on balance transfers for the first 9 months. This card is particularly appealing due to its unlimited 2% cash back on all purchases, making it suitable for businesses that seek straightforward rewards without worrying about spending categories.

4. Wells Fargo Business Platinum Credit Card

The Wells Fargo Business Platinum Credit Card offers a 0% introductory APR for the first 18 months on qualifying balance transfers. This card is ideal for businesses that need a longer period to pay off transferred balances without accruing interest. Additionally, it provides a flexible rewards program where businesses can choose between cash back or points.

Key Features to Look For

When selecting the best business balance transfer credit card, several key features should be considered to ensure you get the most value:

- **Introductory APR Duration:** Look for cards with a longer promotional period to give you more time to pay off your balance.
- **Balance Transfer Fees:** Many cards charge a fee for balance transfers, usually around 3% to 5% of the transferred amount. Consider this cost when calculating potential savings.
- **Ongoing APR:** After the promotional period, check the standard interest rate to understand what you'll pay if any balance remains.
- **Rewards Program:** Some cards offer rewards for spending, which can help offset costs further.
- **Additional Benefits:** Look for perks such as travel insurance, purchase protection, or extended warranty coverage.

How to Maximize Your Balance Transfer

To get the most out of your balance transfer credit card, consider the following strategies:

- **Create a Payment Plan:** Determine how much you need to pay each month to eliminate your debt within the promotional period.
- **Make Payments on Time:** Avoid late fees and the risk of losing your promotional rate by setting up automatic payments.
- **Avoid New Purchases:** If possible, refrain from using the card for new purchases during the balance transfer period to prevent increasing your debt.
- **Track Your Spending:** Monitor your expenses to ensure you stay within your budget and can pay off your balance.

Common Mistakes to Avoid

While balance transfer credit cards can be beneficial, there are common pitfalls to avoid:

- **Ignoring the Terms:** Always read the fine print to understand the fees and interest rates associated with the card.
- **Not Paying Off the Balance:** Failing to pay off the transferred balance before the promotional rate expires can lead to high interest charges.
- **Missing Payments:** Late payments can trigger higher interest rates and negate the benefits of the balance transfer.
- **Transferring Too Much Debt:** Only transfer what you can realistically pay off within the promotional period.

By understanding the advantages and potential drawbacks of balance transfer credit cards, business owners can make informed decisions that enhance their financial management. Choosing the right card and effectively utilizing it can lead to significant savings and improved cash flow for any business.

Q: What is a balance transfer credit card?

A: A balance transfer credit card allows you to move debt from one or more existing credit cards to a new card, typically with a lower interest rate for a promotional period. This can help save on interest and manage payments more effectively.

Q: Are there fees associated with balance transfers?

A: Yes, most credit cards charge a balance transfer fee, usually ranging from 3% to 5% of the transferred amount. It is important to factor this fee into your calculations when considering a balance transfer.

Q: How long do promotional rates last on balance transfer credit cards?

A: Promotional rates on balance transfer credit cards can last anywhere from six months to 18 months, depending on the card. Always check the specific terms before applying.

Q: Can I transfer balances from multiple cards?

A: Yes, you can typically transfer balances from multiple credit cards to a single balance transfer credit card, as long as you stay within the credit limit of the new card.

Q: What happens if I miss a payment during the promotional period?

A: Missing a payment can result in losing your promotional interest rate and incurring penalties, which may increase your interest rate significantly. It is vital to make payments on time.

Q: Is it possible to transfer balances to personal credit cards?

A: Generally, balance transfer credit cards are aimed at personal debt, but some business credit cards allow for balance transfers from personal accounts. Check the card's terms to confirm.

Q: Will a balance transfer affect my credit score?

A: Yes, transferring balances can affect your credit score. While it may initially lower your score due to increased credit utilization, paying down debt on the new card can improve your score over time.

Q: Can I use my business credit card for personal expenses after a balance transfer?

A: While you can use a business credit card for personal expenses, it is generally not advisable as it can complicate your financial records and may violate the terms of the card agreement.

Q: What should I do after I transfer my balance?

A: After a balance transfer, focus on paying down the transferred balance, monitor your spending, and avoid new debt on the old cards to maximize your savings and improve your financial situation.

Q: Are there cards specifically for startups looking

for balance transfer options?

A: Yes, some credit card issuers provide options tailored for startups, featuring lower fees and introductory rates. Research and compare different cards to find the best fit for your startup's needs.

best business balance transfer credit cards: Heavy Debt Lifts Amelia Green, AI, 2025-02-27 Heavy Debt Lifts offers a practical guide to achieving financial freedom through a combination of strategic budgeting and income augmentation via side hustles. It emphasizes that while budgeting is essential for debt reduction, it might not be enough on its own; similarly, side work without a budget can lead to continued financial stagnation. The book argues that conscious spending aligned with personal values, coupled with diverse income streams, is the key to escaping debt. The approach begins by dispelling budgeting misconceptions, showcasing it as a tool for conscious spending rather than deprivation. Heavy Debt Lifts then explores various side hustles, helping readers identify opportunities based on their skills and interests. The book examines strategies for maximizing earnings and addresses important factors like time management and tax implications. Structured in three parts, the book progresses from core concepts of budgeting and debt management to exploring the world of side hustles, culminating in a step-by-step plan for creating a personalized debt-reduction roadmap. This approach ensures that readers gain a comprehensive understanding of how to combine rigorous budgeting with strategic side work, ultimately empowering them to take control of their financial future and achieve lasting financial security.

best business balance transfer credit cards: Think Like a Breadwinner Jennifer Barrett, 2021-04-06 A new kind of manifesto for the working woman, with tips on building wealth and finding balance, as well as inspiration for harnessing the freedom and power that comes from a breadwinning mindset. Nearly half of working women in the United States are now their household's main breadwinner. And yet, the majority of women still aren't being brought up to think like breadwinners. In fact, they're actually discouraged--by institutional bias and subconscious beliefs--from building their own wealth, pursuing their full earning potential, and providing for themselves and others financially. The result is that women earn less, owe more, and have significantly less money saved and invested for the future than men do. And if women do end up the main breadwinners, they've been conditioned to feel reluctant and unprepared to manage the role. In *Think Like a Breadwinner*, financial expert Jennifer Barrett reframes what it really means to be a breadwinner. By dismantling the narrative that women don't--and shouldn't--take full financial responsibility to create the lives they want, she reveals not only the importance of women building their own wealth, but also the freedom and power that comes with it. With concrete practical tools, as well as examples from her own journey, Barrett encourages women to reclaim, rejoice in, and aspire to the role of breadwinner like never before.

"I did my best to do something" or "I did my best doing something"? I wonder which case the gerund or infinitive is (more) appropriate here: "I did my best to do something" or "I did my best doing something"?

word order - Which is correct 'suits your needs the best' or 'best 4 Either is fine, but (American here) I think "Something that best suits your needs" would be the most common way of saying it

articles - "it is best" vs. "it is the best" - English Language The word "best" is an adjective, and adjectives do not take articles by themselves. Because the noun car is modified by the superlative adjective best, and because this makes

definite article - "Most" "best" with or without "the" - English I mean here "You are the best

at tennis" "and "you are best at tennis", "choose the book you like the best or best" both of them can have different meanings but "most" and

valediction - Does "Bests" mean "Best regards" in emails? - English One of my colleagues (not a native English speaker) always ends his emails like this: Bests Mike I guess he means Best regards with Bests. Could someone help explain?

how to use "best" as adverb? - English Language Learners Stack 1 Your example already shows how to use "best" as an adverb. It is also a superlative, like "greatest", or "highest", so just as you would use it as an adjective to show that something is

grammar - Like best/the best like most/the most - English Language I like chocolate and sweets but i like peanut best.= 'correct' and widely used by English speakers even though may be considered as a little informal. I like chocolate and sweets but i

adverbs - About "best" , "the best" , and "most" - English Language Both sentences could mean the same thing, however I like you best. I like chocolate best, better than anything else can be used when what one is choosing from is not

adverbs - Is the phrase 'the best out of bests' correct? - English Quite commonly used in India, the phrase "the best out of bests" is claimed to denote that you get something that is unmatched and of above-all quality. However, I avoid using this most of the

definite article - I think a/the best friend is a/the person - English The response is defining "a" (unknown, unspecified) best friend, not a specific one (contrast with "the best friend I had in high school", for example). If the second article was
