best airlines for business class: The Luxury Strategy Jean-Noël Kapferer, Vincent Bastien, 2012-09-03 Discover the secrets to successful luxury brand management with this bestselling guide written by two of the world's leading experts on luxury branding, Jean-Noël Kapferer and Vincent Bastien, providing a unique blueprint for luxury brands and companies. Having established itself as the definitive work on the essence of a luxury brand strategy, this book defines the differences between premium and luxury brands and products, analyzing the nature of true luxury brands and turning established marketing 'rules' upside-down. Written by two world experts on luxury branding, The Luxury Strategy provides the first rigorous blueprint for the effective management of luxury brands and companies at the highest level. This fully revised second edition of The Luxury Strategy explores the diversity of meanings of 'luxury' across different markets. It rationalizes those business models that have achieved profitability and unveils the original methods that were used to transform

small family businesses such as Ferrari, Louis Vuitton, Cartier, Chanel, Armani, Gucci, and Ralph Lauren into profitable global brands. Now with a new section on marketing and selling luxury goods online and the impact of social networks and digital developments, this book has truly cemented its position as the authority on luxury strategy.

best airlines for business class: *Mr Sia: Fly Past* Ken Hickson, 2014-10-28 Introducing the life and times of a legend in international aviation — Lim Chin Beng — the man they called Mr SIA. Absorbing the life and work of Lim Chin Beng is like watching a fly past of airlines and aircraft old and new. In this book, his past comes to meet you in many forms — designs, shapes, figures, photographs, episodes, places, people and you discover the connections with business, society and international aviation today and into the future. Here's a man who was instrumental in taking the very basic components of a business — like a potter taking the clay — and creating what has become one of the world's leading brands, Singapore Airlines. But this airline 'specialist', trained as an economist, had more jobs to do. His broad range of interests — arts and sports, property and tourism — led to him being called on to do his 'national service' for Singapore. He was Ambassador to Japan for two terms and trade negotiator, chairman of the Singapore Tourism Board, Changi Airport International, Singapore Airshow, Singapore Press Holdings, Ascott Group, and ST Aerospace. Described as a quiet achiever and a visionary, this modest gentleman was not afraid to make bold decisions and take risks, even to the extent of setting up a budget airline, Valuair. Here was one man, who in his time, played many parts, on the world's stage and at home.

best airlines for business class: The Strategic Planning Process Marios Katsioloudes, Arpi K Abouhanian, 2016-12-14 Strategic management is a field that has diversity in approach and scope, but relative homogeneity in pedagogy. This book, a refreshed edition of its successful predecessor, brings something different to the field, by concisely introducing it with a focus on doing business in the Middle East and North Africa. Supplemented by online case studies and other resources, the reader is exposed to a plethora of concepts, theories, practical implications, and experiential exercises in the strategic management process. The updated text explores key regional issues, including the Arab Spring, economic recession, corporate social responsibility, the role of women in business and the rise of emerging economies. The reader is encouraged to look at the world in light of the challenges many organizations are facing around the globe. Features like Stop and Think Critically and Focus points throughout each chapter encourage and inspire a thoughtful reading of the text. This is a book designed to aid undergraduate and graduate students, as well as managers in both for-profit and non-profit sectors. The authors guide the reader through both new and ongoing issues in the field of strategic management, and allow them to foster a greater understanding of this ever-developing field.

best airlines for business class: **Qatar's World Cup Goals** Danyel Reiche, 2025-04-25 This book examines the goals and impact of Qatar's hosting of the FIFA men's World Cup 2022 in the context of the existing literature on Qatar, small states in international politics, and the use of sports in development and soft power strategies. The ten chapters in this book explore the multifaceted implications of Qatar hosting the FIFA World Cup 2022, positioning it within the context of the country's domestic development and global influence. This book highlights Qatar's rise to global prominence despite its small size, emphasizing its strategic investments in LNG and its successful bid for the FIFA World Cup 2022, and draws attention to the way in which the 2022 World Cup challenged European dominance of the sport. The ten chapters are grouped into three thematic rubrics, all relating directly or indirectly to the 2022 World Cup: Qatar's foreign policy, including the impact of the 2017-2021 Gulf crisis and Qatar's resilience in the face of challenges; the theme of Qatar's soft power and branding efforts; and Qatar's domestic politics and culture, including discussions on football fandom among citizens and migrant communities and Qatar's alcohol policies during the World Cup. This volume will be an invaluable resource for scholars, researchers, and policymakers engaged in the fields of Middle East studies, sport policy and politics, sociology of sports, and cultural studies. It was originally published as a special issue of the Journal of Arabian Studies.
