**best business schools on east coast: Finding the Best Business School for You** Everette E. Dennis, Sharon P. Smith, 2006-06-30 Ultimately, finding the best and most appropriate business school requires more than following trends and assessing rankings. Dennis and Smith offer an approach that is designed to help prospective MBA students cast their nets widely, thinking more expansively, creatively, and strategically, with both short- and long-term implications in mind. Discussing the pros and cons of a formal business education (in the context of evolving attitudes toward management and the role of the MBA in developing successful leaders), the authors help readers identify their underlying motivations for pursuing an MBA, learn how to read between the lines of the popular rankings, and utilize the concept of return on investment (ROI) to evaluate programs on the basis of their contribution to long-term professional and personal goals. At a time when one-fourth of all master's degrees conferred are in business, *Finding the Best Business School for You* offers practical insights for making wise decisions and getting the most out of the MBA experience. The truth is that, in response to changes in the global business environment, many schools are redesigning their curricula, forging closer ties with businesses, and giving students more freedom to customize their degrees. Some of the most innovative programs are being designed at public universities and other institutions out of the spotlight.

**best business schools on east coast: Japanese and Polish Managers** Sławomir Banaszak, Kazunobu Oyama, 2023-03-06 This publication is devoted to management in modern economies and the place and role of managers in contemporary societies. The contributors show the complex problems of managing organisations from the perspective of two countries: Japan and Poland. The comparison brings fascinating conclusions about the essence of management and economic, social and cultural capitals present in these seemingly distant two worlds. However, a more detailed analysis also shows similarities in the functioning of managers, modern leadership, the social role of a manager and the capitalist economy and post-capitalist society of Japan and Poland. The editors of this book have been cooperating for several years; they are trying to combine economic and sociological perspectives in research on contemporary capitalist economies and modern postcapitalist societies.

**best business schools on east coast: *The Golden Season*** Madeline Kay Sneed, 2022-05-31 How do you love a place that doesn't love you back? Emmy Quinn is West Texas through and through: her roots run deep in the sleepy small town of Steinbeck, where God sees all and football is king. She loves her community, but she knows that when she comes out as a lesbian, she may not be able to call Steinbeck—which is steeped in the Southern Baptist tradition—home anymore. After a disastrous conversation with her dad, Emmy meets Cameron, a charismatic, whip-smart grad student from Massachusetts who hates everything Texas. But Texas is in Emmy's blood. Can she build a future with a woman who can't accept the things that make Emmy who she is? Steve Quinn has just been offered his dream job as head coach of the struggling high school football team, the Steinbeck 'Stangs. The board thinks he can win them a state championship for the first time—but they tell him he can't accept the position if he's got any skeletons in his closet. Steve is still wrestling with Emmy's coming-out: he loves his daughter, but he's a man of faith, raised in the Baptist community. How can God ask him to choose between his dreams and his own daughter? This

lush, gorgeously written debut is a love letter to the places we call home and asks how we grapple with a complicated love for people and places that might not love us back—at least, not for who we really are. The Golden Season is a powerful examination of faith, queerness and the deep-seated bonds of family, and heralds the arrival of a striking new voice in fiction. Don't miss Madeline Kay Sneed's next riveting novel, *Today Tonight Forever*, where one wedding weekend results in a dramatic reunion with layers of love, grief, and moving on...

This book tells the inspiring stories of 12 athletes drawn from a variety of backgrounds and sports. Men and women, black and white, Acadian and Mi'kmaq, able-bodied and non able-bodied. The common thread: young people who grow up in the Maritimes, with backgrounds that every reader will recognize, can and do chalk up impressive achievements. And they stay true to their roots in doing so. As CBC broadcaster Bruce Rainnie writes in the book's preface, In every character-defining way, [the featured athletes are exactly the same today as before any money or acclaim entered their lives. No wonder we punch so far above our weight. No wonder so many of our stories are 'unlikely but possible.' And no wonder we relish in hearing these stories told, as Philip Croucher does so tastefully in this book. Quiet confidence, humility, and a rock-solid base. What a mix. What an unbeatable mix. What a Maritime mix.
