Zeufack, Fulbert Tchana Tchana, Aly Sanoh, 2024-04-05 In 2019, African heads of state and governments launched in fanfare the African Continental Free Trade Agreement (AfCFTA), a historic agreement for economic transformation across the continent. Success would mean growth, investment, changing trade patterns, jobs, economic transformation, poverty reduction, and a continental market for services. Driven by concrete, evidence-based strategies for long-term growth, this book is an essential read for policy makers, development practitioners, economics researchers, and everyone with an interest in the future of Africa.
