Key Features of the Chase Business United Credit Card

The Chase Business United Credit Card is designed with the needs of business travelers in mind. It offers several key features that set it apart from other business credit cards. The primary features include:

- **Rewards Structure:** Cardholders earn 2 miles per dollar spent on United purchases and 1.5 miles per dollar on all other purchases.
- **Welcome Bonus:** New cardholders can earn a substantial bonus after meeting a specified spending threshold within the first few months.
- **No Foreign Transaction Fees:** This feature makes it an excellent choice for international business travel.
- **Travel Benefits:** Benefits include priority boarding, free checked bags, and access to United

Club lounges depending on the cardholder's status.

- **Employee Cards:** Additional employee cards can be issued at no extra charge, allowing businesses to earn rewards on all purchases made by employees.

These features collectively make the Chase Business United Credit Card an appealing option for business owners who are looking to earn rewards on their travel-related expenses while enjoying additional benefits.

Benefits of Using the Chase Business United Credit Card

The benefits of the Chase Business United Credit Card extend beyond just earning miles. Here are some of the major advantages:

Travel Rewards

With the ability to earn 2 miles per dollar on United Airlines purchases, business owners can quickly accumulate miles that can be redeemed for flights, upgrades, and other travel-related expenses. This can lead to significant savings for frequent travelers.

Flexible Redemption Options

Miles accrued can be redeemed for various travel options, including flights, hotel stays, car rentals, and even merchandise. This flexibility allows business owners to choose how they want to use their rewards, maximizing the value of each mile earned.

Business Expenses Management

The Chase Business United Credit Card provides detailed spending reports, which can help business owners manage their expenses more effectively. This feature is particularly beneficial during tax season or when preparing financial statements.

Travel Insurance

Cardholders may also benefit from various travel insurance protections, such as trip cancellation insurance, lost luggage reimbursement, and travel accident insurance. These protections can provide peace of mind when traveling for business.
