1. Sign Up or Log In

The first step is to either sign up for a new Yelp account or log in to an existing account. If you're new to Yelp, you will need to provide some basic information such as your name, email address, and a password. Once registered, you can proceed to create your business page.

2. Claim or Add Your Business

Next, you can either claim your existing business or add a new one if it's not already listed on Yelp. To do this:

- Search for your business name in the Yelp search bar.
- If it appears, select it and click on the "Claim this business" button.
- If it does not appear, click on the "Add your business to Yelp" link.

3. Fill in Business Information

- **Phone Number:** Use a local number for better engagement.
- **Categories:** Select relevant categories that describe your business.
