

hobby lobby going out of business 2025

hobby lobby going out of business 2025 has become a topic of concern and speculation among shoppers, investors, and industry analysts alike. As one of the leading craft and home decor retailers in the United States, Hobby Lobby has significantly impacted the retail landscape since its inception. This article delves into the factors influencing Hobby Lobby's potential closure in 2025, examining market trends, operational challenges, and consumer behavior. Furthermore, we will explore the implications of such a significant shift in the retail environment, as well as alternatives for loyal customers and the craft community. Our comprehensive analysis aims to provide clarity and insight into the future of Hobby Lobby.

- Market Overview
- Operational Challenges
- Consumer Trends
- Potential Impact of Closure
- Alternatives for Shoppers
- Conclusion

Market Overview

The retail market has undergone significant changes in recent years, greatly affecting traditional brick-and-mortar stores like Hobby Lobby. With the rise of e-commerce and shifting consumer preferences, many retailers face challenges in maintaining profitability and relevance. Hobby Lobby, primarily focused on arts, crafts, and home decor, must navigate these evolving market dynamics while dealing with competition from both online and traditional retailers.

Current Industry Landscape

The craft and home decor industry has expanded, with numerous players entering the market, including both large chains and niche online retailers. This growth has led to increased competition for Hobby Lobby, requiring the company to innovate and adapt to retain its customer base. Furthermore, the ongoing effects of the COVID-19 pandemic have shifted consumer spending habits, with many shoppers preferring online purchases over in-store experiences.

Financial Performance

Hobby Lobby's financial performance in recent years has shown resilience, yet there are signs of strain. Analysts have pointed out fluctuations in revenue and challenges in inventory management, which have raised concerns about the long-term viability of the business. Understanding these financial metrics is crucial to assessing the likelihood of Hobby Lobby going out of business in 2025. Key performance indicators to monitor include:

- Year-over-year sales growth
- Gross profit margins
- Operating expenses
- Debt levels

Operational Challenges

Operational challenges play a significant role in determining the fate of retail businesses. For Hobby Lobby, several factors contribute to its current operational landscape, impacting its ability to compete effectively.

Supply Chain Issues

The retail industry has faced unprecedented supply chain disruptions, exacerbated by global events such as the pandemic and geopolitical tensions. For Hobby Lobby, these disruptions have led to delays in product availability and increased costs, affecting profitability. Addressing these supply chain issues is crucial for the company to sustain its operations moving forward.

Labor Shortages

Labor shortages have also emerged as a significant challenge for retailers, including Hobby Lobby. With difficulties in hiring and retaining staff, the company may struggle to provide quality customer service and manage its stores efficiently. Maintaining a skilled workforce is essential for enhancing the shopping experience and ensuring operational effectiveness.

Consumer Trends

Understanding consumer trends is vital for any retailer, particularly in the craft and home decor sector. As preferences evolve, Hobby Lobby must align its offerings with the interests of modern shoppers.

Shift to Online Shopping

The shift towards online shopping has accelerated, with consumers increasingly favoring convenience and the ability to shop from home. Hobby Lobby has made strides in enhancing its online presence, yet it still lags behind competitors who offer robust e-commerce platforms. To survive in a changing market, Hobby Lobby must invest in its digital strategy to capture online sales and attract a broader audience.

Focus on Sustainability

Consumers are becoming more environmentally conscious, prompting retailers to adopt sustainable practices. Hobby Lobby's ability to respond to this trend can significantly influence its reputation and sales. By integrating sustainable products and practices into its business model, Hobby Lobby could improve customer loyalty and differentiate itself from competitors.

Potential Impact of Closure

If Hobby Lobby were to go out of business in 2025, the repercussions would extend beyond the company's immediate stakeholders. The potential closure could have wide-ranging implications for employees, customers, and the overall retail landscape.

Impact on Employees

The closure of Hobby Lobby would result in significant job losses, affecting thousands of employees across the country. Many of these individuals have built their careers within the company, and their sudden unemployment would be a considerable blow to local economies. Job placement programs and support for affected workers would be vital in mitigating these impacts.

Effect on Local Economies

Hobby Lobby's presence in many communities contributes to local economies through job creation and tax revenue. The loss of such a retailer could lead to declines in local business activity and diminish the tax base that supports public services. Communities heavily reliant on Hobby Lobby for employment and shopping options would need to adapt quickly to fill the void left by the store's closure.

Alternatives for Shoppers

Should Hobby Lobby go out of business, consumers seeking arts and crafts supplies would have to explore alternative options. Understanding these

alternatives will help customers transition smoothly and continue pursuing their hobbies.

Local Craft Stores

Local craft stores often provide unique products and personalized service, making them an excellent alternative for shoppers. These smaller businesses may offer specialized items that cater to specific crafting needs, fostering a sense of community among local artisans.

Online Retailers

Online retailers present a robust alternative for Hobby Lobby shoppers. Websites like Amazon, Etsy, and dedicated craft supply sites offer a wide range of products, often with the convenience of home delivery. These platforms also provide customer reviews and recommendations, aiding consumers in making informed purchasing decisions.

Conclusion

The speculation surrounding Hobby Lobby going out of business in 2025 raises important questions about the future of retail in the craft and home decor space. While the company has maintained its position as a leader in the market, various factors, including operational challenges and evolving consumer preferences, could threaten its sustainability. As consumers and stakeholders prepare for potential changes, understanding the broader landscape and exploring alternatives will be crucial in navigating this uncertain future.

Q: Is Hobby Lobby going out of business in 2025?

A: While there is speculation about Hobby Lobby potentially going out of business in 2025, the company has not made any official announcements regarding closure. The retail landscape is changing, and the company's ability to adapt will be crucial for its continued operation.

Q: What are the main challenges facing Hobby Lobby?

A: Hobby Lobby faces several challenges, including supply chain disruptions, labor shortages, and increased competition from online retailers. Addressing these issues is essential for the company's survival.

Q: How has consumer behavior changed in recent years?

A: Consumer behavior has shifted towards online shopping, with many shoppers prioritizing convenience. There is also a growing focus on sustainability, prompting retailers to adapt their practices to meet these demands.

Q: What would be the impact of Hobby Lobby's closure on local communities?

A: The closure of Hobby Lobby would likely result in job losses and reduced economic activity in local communities. It could also diminish tax revenue that supports public services and local businesses.

Q: What alternatives do shoppers have if Hobby Lobby closes?

A: If Hobby Lobby were to close, shoppers could explore local craft stores, online retailers, and specialized shops that offer a wide range of arts and crafts supplies.

Q: How can Hobby Lobby improve its online presence?

A: Hobby Lobby can enhance its online presence by investing in a robust e-commerce platform, improving user experience, and effectively marketing its products through social media and digital advertising.

Q: What role do local craft stores play in the community?

A: Local craft stores often provide unique products and personalized service, fostering community engagement and supporting local artisans and crafters.

Q: Are there any signs of improvement in Hobby Lobby's financial performance?

A: Analysts suggest monitoring key financial indicators such as sales growth, profit margins, and operating expenses to assess any signs of improvement in Hobby Lobby's financial performance.

hobby lobby going out of business 2025: American Contradiction Paul Starr, 2025-10-14
How did Americans come to elect Barack Obama--and then Donald Trump? Those choices capture what Paul Starr calls the American contradiction. The whole truth about America, Starr argues in this new history of the United States since the 1950s, has never been contained in one consistent set

of values or interests. Our nation was born in the contradiction between freedom and slavery. Today it is beset by a contradiction between a changing people and a resisting nation, a nation with entrenched institutions that have empowered those who fear the changes and look to restore an old America of their imagining. Starr tells this history from the dual standpoints of the progressive movements that changed the American people and of the movements that emerged in response. Black Americans, he argues, served as a model minority, setting in motion America's twentieth-century revolutions in gender as well as race and rights. With industry's decline and the rise of economic inequality, millions of Americans have felt dispossessed and want the old America back. Trump is their revenge. *American Contradiction* tells the story of how 1950s America became the almost unrecognizable America of the 2020s.

hobby lobby going out of business 2025: *Last Chance Summer* Shannon Klare, 2025-09-23 In Shannon Klare's fun and sexy YA novel *Last Chance Summer*, a teen is shipped off to work as a counselor at a summer camp—only to butt heads with her co-counselor. Alex is a sheriff's daughter with a less than pristine reputation. When she's caught drinking at a party by her dad's deputy, she's in deep trouble. With an already incriminating incident in her past, Alex's parents ship her off to her aunt's summer camp to work as a counselor—lest she spend her senior year at boarding school. What's worse than spending your summer deep in the mosquito-infested woods of Texas? Being paired with an obnoxious co-counselor who wants nothing to do with you. Alex is determined to make the best of her summer, even if it means putting up with Grant, who has secrets of his own that he's determined to protect. Can Alex and Grant put their egos to the side and find the bright side of a summer that neither of them signed up for?

hobby lobby going out of business 2025: *Falwell Inc.* Dirk Smillie, 2016-03-01 *Spiritual Street Fighter*. Radical Educator. Christian Entrepreneur. The late Reverend Jerry Falwell was a controversial and divisive religious and political figure whose legacy will long outlive him. *Falwell Inc.* is the first close examination of how he built his conservative empire, from the inner workings of the fund-raising juggernauts behind his church, university, and conservative causes, to the explosive growth of Liberty University, founded by Falwell to mint conservative lawyers, judges, and politicians. Falwell's religious ventures are now in the hands of his two very different sons. They are expanding their father's empire beyond what he ever achieved. Investigative reporter Dirk Smillie reveals the financial rapids Reverend Falwell and son Jerry Jr. hit when business failures piled up \$100 million in debt and nearly sank his school and ministry. Smillie uncovers the extraordinary impact Falwell, in saving his spiritual enterprises, has had on Lynchburg, Virginia, and how savvy real estate investments and relentless fund-raising saved the empire. *Falwell Inc.* details the spreading influence his legacy continues to exert on our country. *Falwell Inc.* is above all an astonishing behind-the-curtains look at a powerful but flawed man and his multimillion-dollar business, political, religious, and education enterprises, by a reporter with unprecedented access to the family.

hobby lobby going out of business 2025: *The Politics of Hate* Angelia R. Wilson, 2025-01-10
Explores how the Christian Right in the United States has learned to overcome both a lack of political professionalism within national, independent, theologically-based activist groups and theological divides that threatened political collaboration--

hobby lobby going out of business 2025: *The Fight over Choice* Lauren Kukla, 2025-08-01
Learn about the history and future of reproductive justice. Reproductive rights guarantee individuals the freedom to make decisions about their bodies and reproductive health. These rights include access to safe and effective health care, the ability to choose whether or when to have children, the right to express their gender identity how they wish, and more. People, particularly women, have faced extreme barriers to reproductive rights throughout history. The Fight over Choice explores some of these barriers and how people and organizations have fought to overcome them through reproductive justice. By highlighting these efforts, it underscores the significance of empowering individuals to secure their reproductive rights and make informed choices about their bodies and futures.

hobby lobby going out of business 2025: *Small School Theatre* David Richard Corkill, 2025-09-30
This resource uses small schools as a framework for empowering educators and administrators to bring vibrant theatre programs to life, no matter their level of resources. Authored by a seasoned professional in the performing arts field, the book dives into the specific challenges and rewards of establishing, nurturing, and leading a theatrical program. Chapters draw from the author's extensive personal experience as well as insights gleaned from interviews with other successful directors. The chapters are divided into sections for starting, growing, and directing a theatre program, with key takeaways and workbook prompts throughout to provide applicability from first-year teachers to experienced directors and school administrators. Topics include curriculum design, resource allocation, collaborating between stakeholders, evolving to meet the needs of your school, and more. Practical strategies and inspirational approaches guide educators on navigating program development, fostering student growth, and maintaining program excellence. Whether you're a new teacher embarking on your performing arts journey or a seasoned director seeking to refine your program, this book provides a comprehensive resource to cultivate thriving artistic experiences within your school from the ground up.

hobby lobby going out of business 2025: *Corporations and Persons* David Silver, 2025-05-20
We need to reimagine how we think about the firm. The dominant view of today sees corporations as relentlessly driven profit-maximizers; and, while many see this as an unfortunate reality, others maintain that a sophisticated understanding of law, economics, and morality reveals that corporations have a duty to act in this fashion. Either way, the dominant view is out of step with the needs and values of society. People, and especially members of younger generations, are clamoring for more meaningful and ethically engaged work. We also have recent memory of a global financial crisis that shook confidence in the free market system, and relatedly, there has subsequently been a diminution in trust in liberal democratic institutions and values. This work in philosophy and applied ethics responds to these events by presenting a persons-based theory of the firm. It views the for-profit corporation as a corporate person standing in moral relationships with human persons rather than as a purely calculating or even psychopathic actor. It fills out this theory by exploring the normative dimensions of the firm's relationships with key stakeholders such as customers, employees, and shareholders; and, it recognizes a special importance to the relationship between the firm and the citizens of a democratic society, and the role this relationship plays in understanding all of the others. The resulting way of thinking about corporations is more attuned to their duties within democratic society and more ethically empowering for their personnel.

hobby lobby going out of business 2025: *Dirtbag Billionaire* David Gelles, 2025-09-09
New York Times reporter and bestselling author David Gelles reveals how Patagonia became a global leader in doing well by doing good and how other companies are adopting its principles. This is the inside story of one of the most extraordinary brands in the corporate world, the rare company that is

driven by environmental activism instead of cutthroat capitalism. Founded in 1973, Patagonia has grown into a wildly popular producer of jackets, hats, and fleece vests, with a cultlike following among hardcore alpinists and Wall Street traders alike, posting sales of more than \$1 billion a year. But it's not just the clothes that make Patagonia unique. For decades, the company has distinguished itself as a singular beacon for socially responsible business, the rare company that can legitimately claim to be doing its damndest to make the world a better place, while also making a profit. From its early efforts to take exemplary care of its employees, to its extensive work trying to clean up its supply chain, to its controversial activism, Patagonia has set itself apart from its peers with one unorthodox decision after another, proving that there is another way to do capitalism. At the heart of the story is Patagonia's founder, the legendary rock climber Yvon Chouinard. A perennial outsider who forged one of the most impressive resumes in the outdoor world, Chouinard also established himself as a pivotal figure in the history of American business. Guided by his anti-authoritarian streak and his unwavering commitment to preserving the natural world, Patagonia came to exert a powerful influence on other companies, paving the way for a new era of social and environmental responsibility. He started out as a dirtbag—a term affectionately bestowed on poor, itinerant outdoorsmen so uninterested in material possessions they are happy to sleep in the dirt—and he became a billionaire. Chouinard also proved that there was another way to be a philanthropist. In the twilight of his career, he gave away Patagonia, renouncing his wealth and committing all its future profits to fighting the climate crisis. Drawing on exclusive access to Chouinard and the Patagonia team, *Dirtbag Billionaire* offers new insights into the key moments that informed their priorities, shaped the company, and sent ripples across the corporate world.

hobby lobby going out of business 2025: *Biography of Ruth Bader Ginsburg* Nicky Huys, 2025-02-15 *Biography of Ruth Bader Ginsburg* delves into the life and legacy of one of America's most influential legal minds. From her groundbreaking work in advancing gender equality to her tenure as a Supreme Court Justice, this book chronicles Ginsburg's journey against the backdrop of a changing nation. Through personal anecdotes, legal battles, and her unwavering commitment to justice, readers will gain insight into the woman who became a cultural icon. The biography highlights her early struggles as a law student in a male-dominated field, her pioneering legal arguments, and her role in landmark cases that transformed women's rights. With a focus on her resilience and dedication, this book serves as both an inspiring tribute and a comprehensive exploration of RBG's impact on American society. Whether a long-time admirer or new to her story, readers will find inspiration in Ginsburg's unwavering pursuit of equality and justice.

hobby lobby going out of business 2025: *Judicial Process in America* Robert A. Carp, Kenneth L. Manning, Lisa M. Holmes, Jennifer Bowie, 2025-01-30 *Judicial Process in America*, Thirteenth Edition, by Robert Carp, Kenneth Manning, Lisa Holmes, and Jennifer Bowie is a market-leading and comprehensive textbook for both academic and general audiences. The book explains the link between the courts, public policy, and the political environment. Considering the courts from every level, the authors cover judges, lawyers, litigants, and the variables at play in the judicial decision-making process, the impact of those decisions on American citizens, and what the consequences are for the United States today.

In my newest book, *The Goliath Code*, I uncover powerful business and life lessons hidden in one of the Bible's most iconic battles. From the importance of preparation before your defining moment, to the advantage of staying lean and focused, this book offers practical, faith-based principles every entrepreneur needs to slay their own Goliaths. Whether you're building a business, leading a team, or navigating personal battles, this book will equip you to face Market place giants with courage, clarity, and divine confidence. Written from my journey as a speaker, coach, mentor, minister, and entrepreneur—this is more than a book. It's a battlefield guide.

hobby lobby going out of business 2025: *Shock Induction* Chuck Palahniuk, 2025-10-14 From the bestselling author of *Fight Club* comes a dark, satirical parable about a string of mysterious high

school disappearances, the seedy underbellies of billionaires, and the tough choices we make in the face of an uncertain future--

hobby lobby going out of business 2025: Symbiote Michael Nayak, 2025-02-11 Contagion meets The Walking Dead in this new sci-fi thriller where a biological threat ravages scientists and military personnel at the South Pole. As World War III rages, the scientists in Antarctica are thankful for the isolation – until a group of Chinese scientists arrive at the American research base. In their truck is a dead body, the first murder in Antarctica. The potential for a geopolitical firestorm is great, and, with no clear jurisdiction, the Americans don't know what to do. But they soon realize the Chinese scientists have brought far more with them than the body... Within seventy-two hours, thirteen others lie dead in the snow, murdered in acts of madness and superhuman strength. An extremophile parasite from the truck, triggered by severe cold, is spreading by touch. It is learning from them. Evolving. It triggers violent tendencies in the winter crew, and, more insidiously, the beginnings of a strange symbiotic telepathy. Exhausted by suspicion and fear, with rescue impossible for months, the desperate crew members turn on each other. A small group of survivors try to resist the siren call of the growing hive mind and stay alive long enough to solve the mystery of the symbiotic microbe's origins. But the symbiote is more than a disease – it is a biological weapon that can change the balance of power in a time of war. The survivors cannot let anyone infected make it to the summer season, when planes will arrive to take them – and potentially the symbiote – back to civilization.

hobby lobby going out of business 2025: Voices of Liberty Bill Vincent, 2025-01-06 *Voices of Liberty: Navigating and Safeguarding the First Amendment* takes readers on an in-depth journey through the history, evolution, and modern challenges of one of America's most cherished rights. This comprehensive exploration unpacks the core freedoms guaranteed by the First Amendment—speech, religion, press, assembly, and petition—and delves into the pivotal role of the U.S. Supreme Court in defining and defending these liberties. Through historical context, legal analysis, and discussions of current events, the book addresses how technological advancements, digital platforms, and global conflicts over free speech shape the landscape of civil liberties today. From landmark court cases like *Tinker v. Des Moines* to the complexities of political speech in the age of *Citizens United*, the book examines the delicate balance between free speech and its limits, as well as the challenges posed by misinformation, hate speech, surveillance, and corporate control. With a thoughtful look toward the future, *Voices of Liberty* calls for vigilance in protecting the rights that form the foundation of American democracy and offers actionable insights into how we can safeguard the First Amendment for future generations. This book is essential for anyone interested in understanding the dynamic interplay between freedom of speech and modern society, and it serves as a timely reminder of the enduring power and responsibility that come with these fundamental rights.

hobby lobby going out of business 2025: Crush the Woke Overton Window Conrad Riker, 101-01-01 *Fed Up With Feminist Lies Dictating Your Worth as a Man?* Are you exhausted by being labeled toxic for embracing your natural masculine instincts? Do you fear speaking out against feminist hypocrisy without being censored or shamed? Why must men apologize for biology while women weaponize vulnerability to control the narrative? - Expose how feminism manipulates equality to erase male authority. - Debunk the myth of toxic masculinity with hard evolutionary truths. - Uncover the woke agenda's censorship of male-driven societal success. - Learn why fatherhood is under attack—and how to fight back. - Discover why male leadership is non-negotiable for civilization's survival. - Defy media brainwashing that paints masculinity as a crime. - Reject the double bind of be strong but never assert dominance. - Mobilize against policies that prioritize female privilege over male dignity. If you're ready to dismantle the gynocracy and restore masculinity as humanity's cornerstone, buy this book today—before the woke mob bans it.

hobby lobby going out of business 2025: Christian America and the Kingdom of God Richard T. Hughes, Christina Littlefield, 2025-03-11 The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist

agenda. Richard T. Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America. The authors also provide an in-depth examination of the Bible's words on the "chosen nation" and "kingdom of God" that Christian nationalists quote to support the idea of the US as a Christian nation. A timely new edition of the acclaimed work, *Christian America and the Kingdom of God* spotlights how the centuries-long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith, unleashes unchristian behavior, and threatens the nation.

hobby lobby going out of business 2025: Your Shopping Superpower Diane Osgood, 2025-04-22 *Your Shopping Superpower* provides an insightful guide and strategies for shoppers to align the contents in their carts with their personal values. Are there harmful toxins in your food and body care? Who makes the products you purchase and under what conditions? What impact does the production of these items have on the environment? If 70% of the U.S. economy is driven by consumer spending, then every purchase we make has a physical and social impact on the world. Unfortunately, our shopping choices can unintentionally contribute to climate change and social injustice. Many people wish they could do more to combat these unjust and unsustainable outcomes. So what is the connection between our purchases and this impact? *Your Shopping Superpower* explores this important question and offers a comprehensive guide that navigates toward positive and sustainable shopping practices by providing pragmatic tips, tools and revealing how our habits can help reduce climate change, support companies with equitable workplace conditions, and foster diverse, local businesses. Broken into categories including People, Planet, Community, and Health, Diane Osgood expands on key issues regarding climate degradation, labor exploitation, products containing carcinogens and toxins, and the importance of supporting local, women-owned, and minority-owned businesses while covering an array of products that include food, fashion, gifts, household items, and personal care. Addressing shoppers' doubts about whether consumer choices truly have an impact and their concerns about costs and accessibility, Osgood shows how making these easy changes fosters happiness. With helpful diagrams and firsthand stories on climate and social injustice, *Your Shopping Superpower* informs and guides shoppers on how to: Implement one change per week Identify trustworthy certifications, rating systems, and apps Detect greenwashing and other misleading marketing Determine which purchases to switch for maximum impact Handle and approach choices that aren't easy or affordable By changing what we buy, we can initiate the change in our economy's environmental footprint and social impact. To enact change, we must start simple; it's about progress, not perfection.

hobby lobby going out of business 2025: *Rights on the Ground* Bill Vincent, 2025-01-03 *In Rights on the Ground: Practical Audits of American Freedoms*, readers embark on an exploration of constitutional rights as they apply to daily life, while discovering how citizen auditors uphold these rights and safeguard democracy. This book dives deeply into the constitutional foundations of freedom, bringing to life each right's history and modern relevance. Through real-world examples and step-by-step guidance, it outlines how everyday citizens can observe, document, and advocate for critical protections, including free speech, freedom of the press, privacy rights, due process, and fair trial protections. Each chapter focuses on an essential liberty, from First Amendment freedoms to voting rights, gun ownership, and privacy, and culminates in a call to action, inviting readers to become proactive defenders of American freedoms. With insights on navigating legal challenges, the ethics of auditing, and the growing role of technology in today's world, *Rights on the Ground* empowers readers with the knowledge and tools to help secure a fair, transparent, and equitable society for all.

hobby lobby going out of business 2025: *The Mother Wave* Andrea O'Reilly, Fiona Joy Green, 2024-09-01 *Matricentric feminism* seeks to make motherhood the business of feminism by positioning mothers' needs and concerns as the starting point for a theory and politic on and for the empowerment of women as mothers. Based on the conviction that mothering is a verb, it understands that becoming and being a mother is not limited to biological mothers or cisgender women but rather to anyone who does the work of mothering as a central part of their life. The

Mother Wave, the first-ever book on the topic, compellingly explores how mothers need a matricentric mode of feminism organized from and for their particular identity and work as mothers, and because mothers remain disempowered despite sixty years of feminism. The anthology makes visible the power of matricentric feminism as it is theorized, enacted, and represented to realize and achieve the subversive potential of mothers and their contributions to feminist theory and activism. Contributors share the impact and influence of matricentric feminism on families and children, culture, art/literature, education, public policy, social media, and workplace practices through personal reflections, scholarly essays, memoir, creative non-fiction, poetry, and photography. The mother wave of matricentric feminism invites conversations with others and offers a praxis of feminism that aims to coexist, overlap, and intersect with others.
