houston small business attorney: Divine Directions for Deliverance from Debt Darcell Walker, 2022-01-18 Everyone in some way has to deal with debt. Unfortunately for many people, debt is a weight that saddles them down with no end in sight. Debt is a destructive force in the lives of people. In addition to financial difficulties, relentless debt causes health problems, relationship problems, and other challenges that negatively impact society. Some people turn to bankruptcy for relief, but there is no viable solution for the debt situation of many people. Fortunately, there is hope. God has a specific plan that can deliver anyone from debt. God did it in the Bible, and God can do it for you. The Biblical story of God delivering the woman from debt in 2 Kings 4 proves several things, including: 1. God knows how to address a debt situation. 2. Something you already have can be the source of your debt deliverance. 3. Entrepreneurship is a way out of debt. Divine Directions for Deliverance from Debt explores this Biblical passage and provides information to help the reader better assess their assets and develop strategies to use these assets to generate wealth and end their debt. This book also reveals how the directions God gave this woman form the basis for a present-day method for creating commercial products. Finally, this book provides hope to people struggling with debt and encourages the reader to call on God to reveal God's prepared plan for one's debt deliverance.
