how to start a tea business: Boston Tea Party: Phase II John Doe, 2010-04-27 Why is this book titled The Boston Tea Party; PHASE II? The actual Boston Tea Party was because of the Tea Act of 1773. This Act actually made the tea cheaper, but it was creating a government controlled monopoly. The Colonists saw this monopoly as a way to control all items brought into the Colonies. This would also so give the British Parliament complete and total control over their lives. The saying no taxation without representation came out of this movement. So the Boston Tea Party Happened. Our country is at that same point, this Administration does not listen to the people, We the people see this as taxation without representation, they even turn off their phones. The colonists Tea Act is our Health Care Bill. thus the name of the book, The Boston Tea Party; PHASE II.
