- FAQs

Design and Features

Visual Appearance

The Lord Business minifigure is designed to embody the character's authoritative and somewhat tyrannical personality. The minifigure features a unique color scheme dominated by dark gray and metallic gold, reflecting his status as a powerful figure in the LEGO universe. His headpiece showcases a stern expression, complete with a distinctive hairstyle that emphasizes his villainous traits.

Accessories and Attire

Equipped with a variety of accessories, the Lord Business minifigure is often depicted holding a cup representing his penchant for control and order. Additionally, his attire includes a tailored suit design that further

accentuates his role as a corporate overlord in the film. The attention to detail in the minifigure's design makes it a standout piece within any LEGO collection.

Significance in "The LEGO Movie"

Character Background

In "The LEGO Movie," Lord Business is the primary antagonist whose goal is to ensure that everything remains perfectly in place, reflecting his desire for conformity. This character embodies the themes of creativity versus control, as he seeks to maintain order in the LEGO world at the expense of imagination and free expression.

Role in the Plot

The plot of "The LEGO Movie" revolves around the battle between Lord Business and the film's protagonist, Emmet Brickowski. Lord Business's plans to glue the LEGO universe together threaten the creativity of all its inhabitants. This conflict drives the storyline and emphasizes the importance of individuality and imagination.

Sets Featuring Lord Business Minifigure

Notable LEGO Sets

The Lord Business minifigure appears in several LEGO sets that fans and collectors highly value. Some of the most notable sets include:

- LEGO Movie: Lord Business's Evil Lair (70809)
- LEGO Movie: The Batmobile (70810)
- LEGO Movie: The Double-Decker Couch (70818)
- LEGO Dimensions: Lord Business (71215)

Each of these sets features unique elements that enhance the play experience while highlighting Lord Business's character. The minifigure's inclusion adds significant value to these sets, particularly for collectors aiming to complete their collections.

Special Editions and Variants

In addition to the standard Lord Business minifigure, special editions and variants are often released during promotional events or as part of exclusive sets. These variants may feature alternative outfits or accessories that further explore the character's personality and traits. Collectors often seek these special editions due to their limited availability and unique designs.

Collecting Lord Business Minifigures

Tips for Collectors

For those interested in collecting the Lord Business minifigure, there are several strategies to keep in mind:

- **Research:** Stay informed about upcoming LEGO releases and events where exclusive minifigures might be available.
- **Join Collecting Communities:** Engage with online forums and social media groups where collectors share information and trade minifigures.
- **Monitor Auction Sites:** Keep an eye on auction sites and marketplaces for rare or limited edition Lord Business minifigures.
- **Preserve Packaging:** Maintain the original packaging of the minifigure and set to enhance its value over time.

By following these tips, collectors can enhance their chances of acquiring the Lord Business minifigure and adding it to their collections.

Value and Investment

The value of the Lord Business minifigure can fluctuate based on market demand, rarity, and condition. Generally, limited edition or exclusive variants tend to appreciate more significantly over time. Collectors should be aware of trends in the LEGO market and consider the long-term investment potential of their minifigure collections.

Cultural Impact

Influence on LEGO Fan Culture

The Lord Business minifigure has had a considerable impact on LEGO fan culture since the release of "The LEGO Movie." Its embodiment of the tension between creativity and conformity resonates with audiences, making it a popular character for fan art, cosplay, and community discussions.

Merchandising and Promotions

In addition to appearing in various LEGO sets, Lord Business has been featured in numerous promotional materials, including video games, comic books, and animated shorts. This extensive merchandising helps to solidify his place within the LEGO brand and keeps the character relevant for new generations of fans.

lord business minifigure: *Politics for the Love of Fandom* Ashley Hinck, 2019-03-13 *Politics for the Love of Fandom* examines what Ashley Hinck calls “fan-based citizenship”: civic action that blends with and arises from participation in fandom and commitment to a fan-object. Examining cases like Harry Potter fans fighting for fair trade, YouTube fans donating money to charity, and football fans volunteering to mentor local youth, Hinck argues that fan-based citizenship has created new civic practices wherein popular culture may play as large a role in generating social action as traditional political institutions such as the Democratic Party or the Catholic Church. In an increasingly digital world, individuals can easily move among many institutions and groups. They can choose from more people and organizations than ever to inspire their civic actions—even the fandom for children's book series Harry Potter can become a foundation for involvement in political life and social activism. Hinck explores this new kind of engagement and its implications for politics and citizenships, through case studies that encompass fandoms for sports, YouTube channels, movies, and even toys. She considers the ways in which fan-based social engagement arises organically, from fan communities seeking to change their world as a group, as well as the methods creators use to leverage their fans to take social action. The modern shift to networked, fluid communities, Hinck argues, opens up opportunities for public participation that occurs outside of political parties, houses of worship, and organizations for social action. Fan-based citizenship performances help us understand the future possibilities of public engagement, as fans and creators alike tie the ethical frameworks of fan-objects to desired social goal, such as volunteering for political candidates, mentoring at-risk youth, and promoting environmentally friendly policy. *Politics for the Love of Fandom* examines the communication at the center of these civic actions, exploring how fans, nonprofits, and media companies manage to connect internet-based fandom with public issues.

lord business minifigure: *Deconstructing LEGO* Jonathan Rey Lee, 2020-09-08 This book investigates a paradox of creative yet scripted play—how LEGO invites players to build ‘freely’ with and within its highly structured, ideologically-laden toy system. First, this book considers theories and methods for deconstructing LEGO as a medium of bricolage, the creative reassembly of already-significant elements. Then, it pieces together readings of numerous LEGO sets, advertisements, videogames, films, and other media that show how LEGO constructs five ideologies of play: construction play, dramatic play, digital play, transmedia play, and attachment play. From suburban traffic patterns to architectural croissants, from feminized mini-doll bodies to toys-to-life stories, from virtual construction to playful fan creations, this book explores how the LEGO medium conveys ideological messages—not by transmitting clear statements but by providing implicit instructions for how to reassemble meanings it had all along.

lord business minifigure: *We Need to Talk about Family* Roberta Garrett, Tracey Jensen, Angie Voela, 2016-08-17 We are the first generation in recent history to not know if our children will have a better life than us. Over the past thirty years, the dream of upward mobility and stable and securely paid employment has dissipated. This collection draws together insights from the disciplines of cultural studies, literary theory, psychoanalysis, psychosocial studies, social policy and sociology, in order to explore the complex and contested status of “the family” under neoliberalism. At one end of the spectrum, the intensification of work and the normalisation of long-hours working culture have undermined the time and energy available for private family life. At the other end, the fantasy of the nuclear family as a potential “haven in a heartless world” is rapidly unravelling, supplanted with a hypercompetitive, neo-traditionalist, mobile, neoliberal family seeking to capitalise on the uneven spread of resources in order to maximise the futures of its own children. As neoliberalism has always been split between socio-economic realities and the expectations of where we “should” be, we are always living with the anxiety of being left behind and the hope that the best is yet to come. The chapters in this collection signal the troubles of the neoliberal family: in particular, the gulf between the practical conditions of family life and the formation of new fantasies.

The volume addresses the neoliberal family in a range of contexts: from the domestic, reproductive and bio-political regulation of family life, the representations of the neoliberal family on television and across social media, to the negotiation of family dynamics in maternal memoirs. The work provides a much-needed corrective to the critical emphasis on the macrostructures of the neoliberal world.

lord business minifigure: Cultural Studies of LEGO Rebecca C. Hains, Sharon R. Mazzarella, 2019-11-27 This collection examines LEGO from an array of critical and cultural studies approaches, foregrounding the world-renowned brand's ideological power and influence. Given LEGO's status as the world's largest toy manufacturer and a transnational multimedia conglomerate, *Cultural Studies of Lego: More Than Just Bricks* considers LEGO media's cultural messages; creativity with and within LEGO artifacts; and diversity within the franchise, including gender and race representation. The chapters' in-depth analyses of topics including LEGO films, marketing tactics, play sets, novelizations, and fans offer compelling insights relevant to those interested in the LEGO brand and broader trends in the children's popular culture market alike.

lord business minifigure: The Michelangelo Project Isabel Wu, 2019-11-18 The Michelangelo Project explores the evolution of work since the First Industrial Revolution to an uncertain digital future of work. Using Michelangelo's story as a narrative framework, readers will learn to build their value-creating skills and lose their fear of dwindling jobs to pursue their careers with confidence and purpose.

From the first brick to the latest record-breaking build, discover everything there is to know about the LEGO world. ©2022 The LEGO Group.

lord business minifigure: Transgenerational Media Industries Derek Johnson, 2019-11-12 Within corporate media industries, adults produce children's entertainment. Yet children, presumed to exist outside the professional adult world, make their own contributions to it—creating and posting unboxing videos, for example, that provide content for toy marketers. Many adults, meanwhile, avidly consume entertainment products nominally meant for children. Media industries reincorporate this market-disrupting participation into their strategies, even turning to adult consumers to pass fandom to the next generation. Derek Johnson presents an innovative perspective that looks beyond the simple category of “kids’ media” to consider how entertainment industry strategies invite producers and consumers alike to cross boundaries between adulthood and childhood, professional and amateur, new media and old. Revealing the social norms, reproductive ideals, and labor hierarchies on which such transformations depend, he identifies the lines of authority and power around which legacy media institutions like television, comics, and toys imagine their futures in a digital age. Johnson proposes that it is not strategies of media production, but of media reproduction, that are most essential in this context. To understand these critical intersections, he investigates transgenerational industry practice in television co-viewing, recruitment of adult comic readers as youth outreach ambassadors, media professionals’ identification with childhood, the branded management of adult fans of LEGO, and the labor of child YouTube video creators. These dynamic relationships may appear to disrupt generational and industry boundaries alike. However, by considering who media industries empower when generating the future in these reproductive terms and who they leave out, Johnson ultimately demonstrates how their strategies reinforce existing power structures. This book makes vital contributions to media studies in its fresh approach to the intersections of adulthood and childhood, its attention to the relationship between legacy and digital media industries, and its advancement of dialogue between media production and consumption researchers. It will interest scholars in media industry studies

and across media studies more broadly, with particular appeal to those concerned about the current and future reach of media industries into our lives.

lord business minifigure: Understanding Film Theory Ruth Doughty, Christine Etherington-Wright, 2017-08-30 This essential core textbook provides an approachable and extensive introduction to film theory, written by two highly experienced senior lecturers. Bringing a fresh, contemporary and accessible approach to what is often perceived to be a challenging and old-fashioned area of film studies that requires time and effort to grasp, the text illustrates why theory is important and demonstrates how it can be applied in a meaningful way. The book's sixteen chapters are clear and comprehensive and provide an insight into the main areas of debate, using clear definitions and explaining complex ideas succinctly. The ideal entry point for any student studying film, the book is designed for use on courses on film theory on undergraduate and postgraduate degree programmes within film, cinema, media and cultural studies. New to this Edition: - An expanded introduction, plus a new chapter looking at Adaptation - Contemporary case studies exploring popular and topical films, such as *The Hunger Games* (2012), *Blue is the Warmest Colour* (2013) and *The Lego Movie* (2014) - An expanded introduction, plus a new chapter looking at Adaptation - Additional genre-based case study on the British Gangster film - Additional actor-based case study on Ryan Gosling - A greater focus throughout on the relevance of film theory to students undertaking practical film degrees and units

lord business minifigure: *The LEGO Movie Junior Novel (The LEGO Movie)* Kate Howard, 2014-01-07 The first ever LEGO(R) movie hits the big screen February 7, 2014! This animated, family-friendly movie has an all-star voice cast. Now in ebook! Now in ebook! Includes full-color images from the movie. Emmet Brickowski is just your average, everyday LEGO® Minifigure. He's a normal guy who likes to do normal stuff - watch TV, go to work, eat hot wings, and listen to everyone's favorite song, Everything is Awesome. But all that changes one fateful day when Emmet accidentally discovers the Piece of Resistance. It turns out Emmet's not so average after all - there's even a prophecy about him! Does this ordinary guy have what it takes to become an extraordinary hero and save the universe? The LEGO® Movie is being produced and distributed in conjunction with Warner Bros and has an all-star cast including Chris Pratt (Emmet), Will Ferrell (Lord Business), Elizabeth Banks (Wyldstyle), Liam Neeson (Bad Cop), Allison Brie (UniKitty), Nick Offerman (Metal Beard), Morgan Freeman (Vitruvius), and Will Arnett (Batman).

lord business minifigure: Ordinary Michael Horton, 2014-10-07 Radical. Crazy. Transformative and restless. Every word we read these days seems to suggest there's a "next-best-thing," if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be "ordinary." Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There's nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What's needed is not another program or a fresh approach to spiritual growth; it's a renewed appreciation for the commonplace. Far from a call to low expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, Ordinary is not a call to do less; it's an invitation to experience the elusive joy of the ordinary Christian life.

lord business minifigure: Wyldstyle: The Search for the Special (The LEGO Movie) Anna Holmes, 2014-08-26 The LEGO(R) Movie continues to dazzle and delight children everywhere! Join Wyldstyle on an action-packed adventure in this exciting storybook. Now available in ebook! Kids will love this fun storybook featuring Wyldstyle's incredible LEGO(R) Movie adventure. Plus, this storybook features full-color images from the film. The LEGO Movie is the first-ever full-length theatrical LEGO adventure. It follows the story of Emmet (Chris Pratt), an average LEGO minifigure

who is mistaken as the only person who can save the world. He is drafted into a fellowship of strangers on an epic quest to stop the evil tyrant Lord Business (Will Ferrell) from gluing the universe together.

lord business minifigure: Focus On: 100 Most Popular 2010s Adventure Films Wikipedia contributors,

lord business minifigure: *The Crafty Animator* Caroline Ruddell, Paul Ward, 2019-04-03 This collection is a study of the value of craft as it can be understood within the study and practice of animation. The book reconsiders the position of craft, which is often understood as inferior to 'art', with a particular focus on questions of labour in animation production and gendered practices. The notion of craft has been widely investigated in a number of areas including art, design and textiles, but despite the fact that a wide range of animators use craft-based techniques, the value of craft has not been interrogated in this context until now. Seeking to address such a gap in the literature, this collection considers the concept of craft through a range of varying case studies. Chapters include studies on experimental animation, computer animation, trauma and memory, children's animation and silhouette animation among others. The Crafty Animator also goes some way to exploring the relationship craft has with the digital in the context of animation production. Through these varied discussions, this book problematizes simplistic notions about the value of certain methods and techniques, working to create a dialogue between craft and animation.

lord business minifigure: DK Readers L1: The LEGO® Movie: Calling All Master Builders! Helen Murray, 2014-02-03 Who are the Master Builders? Do they have what it takes to stop an evil LEGO tyrant from ending the LEGO world? lord business minifigure: Emmet's Awesome Day (The LEGO Movie) Anna Holmes, 2014-08-26 *The LEGO(R) Movie* continues to dazzle and delight children everywhere! Join Emmet on an awesome adventure in this easy reader retelling the movie. Now available in ebook! Kids can relive the *LEGO(R) Movie* magic with this easy reader retelling of Emmet's incredible adventure. Plus, this reader features full-color images from the film. *The LEGO Movie* is the first-ever full-length theatrical LEGO adventure. It follows the story of Emmet (Chris Pratt), an average LEGO minifigure who is mistaken as the only person who can save the world. He is drafted into a fellowship of strangers on an epic quest to stop the evil tyrant Lord Business (Will Ferrell) from gluing the universe together.

lord business minifigure: LEGO Studies Mark Wolf, 2014-11-13 Since the Automatic Binding Bricks that LEGO produced in 1949, and the LEGO System of Play that began with the release of Town Plan No. 1 (1955), LEGO bricks have gone on to become a global phenomenon, and the favorite building toy of children, as well as many an AFOL (Adult Fan of LEGO). LEGO has also become a medium into which a wide number of media franchises, including *Star Wars*, *Harry Potter*, *Pirates of the Caribbean*, *Batman*, *Superman*, *Lord of the Rings*, and others, have adapted their characters, vehicles, props, and settings. The LEGO Group itself has become a multimedia empire, including LEGO books, movies, television shows, video games, board games, comic books, theme parks, magazines, and even MMORPGs. *LEGO Studies: Examining the Building Blocks of a Transmedial Phenomenon* is the first collection to examine LEGO as both a medium into which other franchises can be adapted and a transmedial franchise of its own. Although each essay looks at a particular aspect of the LEGO phenomenon, topics such as adaptation, representation, paratexts, franchises, and interactivity intersect throughout these essays, proposing that the study of LEGO as

a medium and a media empire is a rich vein barely touched upon in Media Studies.
