Understanding LegalShield

LegalShield is a legal service provider that offers subscription-based legal assistance to individuals and businesses. Founded in 1972, the company has established itself as a leader in the field of legal access, providing clients with a range of services designed to simplify legal processes. LegalShield's business model allows companies to secure legal help without the daunting costs typically associated with hiring a lawyer on an hourly basis. This model is particularly beneficial for small businesses that may not have the resources to retain a full-time attorney.

The platform connects clients with a network of experienced attorneys who specialize in various legal fields, including business law, contract law, and employment law. By subscribing to LegalShield, businesses gain access to legal advice and services that can help them operate more smoothly and securely. The focus is on preventive legal practices, helping businesses avoid legal issues before they escalate.

Services Offered by LegalShield for Business

LegalShield provides a wide array of services tailored to meet the needs of businesses. These services are designed to cover various aspects of business law and ensure that companies can operate within the legal framework.

Legal Consultation and Advice

One of the primary services offered by LegalShield is unlimited legal consultation. Business members can consult with attorneys about any legal question or concern, allowing them to receive timely advice on issues such as contracts, labor laws, and regulatory compliance.

Document Review and Preparation

LegalShield assists businesses in drafting, reviewing, and negotiating contracts. This service is vital for ensuring that all business agreements are legally sound and protect the interests of the business.

Business Formation Services

For new entrepreneurs, LegalShield provides guidance on business formation, helping clients choose the right legal structure, whether it be an LLC, corporation, or partnership. This service also includes assistance with filing the necessary paperwork.

Debt Collection Assistance

LegalShield offers support for businesses facing issues with unpaid invoices or debts. Their attorneys can assist in drafting demand letters and advising on the best course of action for collection.

Employment Law Services

Understanding employment law is critical for any business. LegalShield provides guidance on employee contracts, workplace policies, and compliance with labor regulations, helping businesses avoid potential legal pitfalls.

Benefits of LegalShield for Small Businesses

Utilizing LegalShield can provide numerous advantages for small businesses, particularly in today's litigious environment. Here are some key benefits:

- **Cost-Effective Legal Solutions:** LegalShield's subscription model offers predictable monthly fees, making legal services more accessible and affordable.
- **Proactive Legal Support:** By having regular access to legal advice, businesses can address issues before they escalate into significant legal problems.
- **Access to Experienced Attorneys:** LegalShield connects members with a network of qualified lawyers, ensuring that businesses receive top-notch legal support.
- **Time Savings:** Businesses can save time by having quick access to legal information and assistance, allowing them to focus on their core operations.
- **Peace of Mind:** Knowing that legal help is just a phone call away helps business owners feel more secure in their operations.

Cost Structure and Membership Plans

LegalShield offers various membership plans tailored to different business needs. These plans typically include a range of legal services, with pricing based on the size of the business and the scope of services required.

Individual Plans

For solo entrepreneurs, LegalShield provides individual plans that cover essential legal services at a lower cost. These plans typically include basic legal consultations and document reviews.

Business Plans

Small businesses can choose from various business plans that include a broader range of services, such as contract review and employment law assistance. Pricing for business plans can vary based on the number of employees and specific services included.

Custom Plans

LegalShield also offers custom plans for larger businesses or those with unique legal needs. These plans can be tailored to include specific services that align with business requirements, offering flexibility and comprehensive coverage.

Real-World Applications of LegalShield

The practical applications of LegalShield for businesses are vast. Many companies have successfully utilized LegalShield to navigate complex legal landscapes and ensure compliance with regulations.

Case Studies

Numerous case studies highlight the effectiveness of LegalShield. For instance, a small retail business faced legal challenges regarding employee contracts. By consulting with LegalShield attorneys, the business was able to revise its contracts to comply with labor laws, thereby avoiding potential lawsuits.

Testimonials

Business owners across various industries have reported satisfaction with LegalShield's services, praising the accessibility and quality of legal support. Many have found that the cost savings and preventive advice significantly outweigh the monthly subscription fees.

How to Get Started with LegalShield

Getting started with LegalShield is a straightforward process. Interested businesses can follow these steps:

1. **Visit the LegalShield Website:** Explore the various plans and services available.
2. **Select a Plan:** Choose a membership plan that suits your business needs.
3. **Sign Up:** Complete the online registration process and make your initial payment.
4. **Access Legal Services:** Once registered, you can start utilizing LegalShield's services immediately.

Frequently Asked Questions

Q: What types of businesses can benefit from LegalShield?

A: LegalShield is designed for small to medium-sized businesses across various industries. Any business that requires legal assistance, from startups to established companies, can benefit from its services.

Q: How much does LegalShield for business cost?

A: Pricing varies based on the chosen plan and the size of the business. Typically, business plans start at a low monthly fee, providing access to a range of legal services.

Q: Can I consult with an attorney on any legal issue?

A: Yes, LegalShield members can consult with attorneys on any legal issue within their service coverage, ensuring comprehensive support.

Q: Is there a limit to the number of consultations I can have?

A: LegalShield offers unlimited consultations for members, allowing businesses to seek legal advice as often as needed without incurring additional costs.

Q: What if I need to go to court?

A: While LegalShield covers many legal services, litigation and court representation may incur additional fees. Members will be informed of any costs before proceeding with court actions.

Q: How quickly can I get legal help through LegalShield?

A: Members typically receive prompt responses from attorneys, often within hours for urgent inquiries, allowing businesses to address legal issues without delay.

Q: Can LegalShield help with contract disputes?

A: Yes, LegalShield provides assistance with contract disputes, including legal advice and

document review to help resolve issues effectively.

Q: Are LegalShield services available in all states?

A: LegalShield operates in all 50 states and Canada, providing services tailored to the specific legal requirements of each jurisdiction.

Q: How does LegalShield maintain the quality of its attorneys?

A: LegalShield has a rigorous selection process for its attorneys, ensuring that only qualified and experienced legal professionals are part of their network.

Q: What should I do if I have a legal emergency?

A: In case of a legal emergency, members should contact LegalShield immediately to seek guidance. They can provide urgent legal advice and support as needed.

legalshield for business: Direct Selling Sara L. Cochran, Anne T. Coughlan, Victoria L. Crittenden, William F. Crittenden, Linda K. Ferrell, O.C. Ferrell, W. Alan Luce, Robert A. Peterson, 2021-09-14 The Power of Direct Selling. Direct selling is not an industry per se nor is it merely a go-to-market business model and channel to reach consumers. It is bigger than any of this – direct selling is people. The ability for people with entrepreneurial spirit to build a successful business, whether it be from the ground up or by representing a company's product, is at the heart of direct selling and it is people who made (and continue to make) direct selling the successful marketplace that it is today. The direct selling marketplace is comprised of mission-driven and socially responsible companies offering a wide variety of product and services, and the list of direct selling companies is abundant with entrepreneurs who built their businesses by utilizing an independent salesforce channel to market and sell their products or services directly to consumers. Possibly one of the most prominent of these entrepreneurs is Mary Kay Ash, a legend as a glass-ceiling breaker and a woman who built a very successful business with a go-to-market strategy of direct selling. Unlike Mary Kay Ash, however, not all aspiring business owners are willing/able to invest their savings and time on a start-up business. These micro-entrepreneurs desire to have the economic and social benefits of managing their own businesses but do not want the startup costs and demands associated with traditional business planning. As such, becoming a direct selling distributor offers a low-risk, low-cost pathway to micro-entrepreneurship. The traditional barriers to small business ownership are removed when a micro-entrepreneur builds a direct selling business that is backed by established brands. These established brands, several of which are featured in this book, offer the micro-entrepreneurs quality products, business training, and technological resources to achieve a self-determined metric of success. Framed within the context of entrepreneurship and an historical overview of the long-term sustainability of this business model, this book is intended for practitioners who want to read about the breadth and depth of direct selling. Importantly, this book provides considerable depth in terms of three particular issues associated with direct selling: Compensation, Ethics & compliance, and Global reach. For scholars, this book is built on a strong foundation of valid and reliable research endeavors. The authors have published research on direct selling in high quality, reputable and peer-reviewed academic and practitioner journals. Thus, this book can add foundationally to the research efforts of academics who are conducting research in a wide variety of topics (such as sales, women empowerment, business strategy, ethics, distribution models, gig economy, and global entry – to name a few), as well as to members of the press who want reliable and valid content upon which to build their stories. The book's content is also particularly informative for policymakers at the local, state, national, and international levels. For students, reading this book will offer a variety of insights, particularly related to the intricacies of channel selection and design. Direct Selling: A Global and Social Business Model is a collective project from eight academics and practitioners who have dedicated much of their careers to understanding direct selling as both a go-to-market strategy and a channel of distribution and to capturing the people who are the foundation of direct selling. The pages of this book bring together a wealth of research and knowledge that can inform a broad spectrum of constituents about the economic and social benefits of direct selling, while also providing detail and clarity on key issues

related to direct selling as a sustainable business model.

legalshield for business: Legal Guide for Starting & Running a Small Business Stephen Fishman, 2023-05-09 The all-in-one business law book Whether you're just starting a small business, or your business is already up and running, legal questions come up on an almost daily basis. Ignoring them can threaten your enterprise—but hiring a lawyer to help with routine issues can devastate the bottom line. The Legal Guide for Starting & Running a Small Business has helped more than a quarter million entrepreneurs and business owners master the basics, including how to: raise start-up money decide between an LLC or other business structure save on business taxes get licenses and permits choose the right insurance negotiate contracts and leases avoid problems if you're buying a franchise hire and manage employees and independent contractors attract and keep customers (and get paid on time), and limit your liability and protect your personal assets. Whether you're a sole proprietor or an LLC or corporation, a one-person business operating out of your home, or a larger company with staff, this book will help you start and run a successful business.

legalshield for business: Move to Millions Dr. Darnielle Jervey Harmon, 2023-11-03 Ready to break through the six-figure plateau? Discover an actionable strategy to cross over the million-dollar milestone with grace and ease. Honorary PhD and award-winning Inc. 5000 CEO Dr. Darnielle Jervey Harmon has used her seven-figure coaching enterprise to help hundreds of her clients leverage the Move to Millions® Method and move closer to and beyond the million-dollar mark. In Move to Millions, she shares her paradigm-shifting truths to give business owners the confidence and step-by-step techniques to advance beyond the messy middle and defy the statistics plaguing most small businesses. Part memoir and part methodology, Move to Millions helps entrepreneurs simplify their processes to multiply profits, by breaking down complex topics and illustrating their worth through raw personal anecdotes. Dr. Harmon puts in the work so business owners can be empowered, entertained, and equipped to leave the headaches behind and enjoy everything that truly matters, without compromising on their values in the process.

legalshield for business: The Business of Personal Training Mark A. Nutting, 2018-02-13 Running a personal training business is not easy. From marketing and sales to budgets, staffing, and clientele issues there is much to consider. Getting it right takes time—time that you would probably rather spend improving your clients' fitness and wellness. The Business of Personal Training walks you through the business-based side of personal training while teaching you the valuable skills you'll

need to start, build, and grow your business. Whether you are a personal trainer working for a fitness facility, an independent contractor, or the owner of a personal training business, you will benefit from the practical business guidelines and tools presented in this book. Divided into two main parts, *The Business of Personal Training* will first give you an understanding of the various roles open to you and the expectations in each. The second part will lead you through key business concepts designed to grow your business. You'll learn how to structure your business, plan for startup expenses and financing, and get the right staff in place. You'll find critical information on marketing and promoting the services you offer, effectively selling and generating revenue, driving referral business and customer loyalty, and expanding and diversifying your business. Two appendixes offer sample templates and forms: • Nine business plan templates: cover letter, executive summary, business or company description, market analysis and demographics, competitive analysis, management plan, financial plan, capital required, and marketing plan • Seven personal trainer-client forms: PAR-Q+, personal wellness profile, physician's clearance, informed consent and release, assessment recording form, cleaning checklist, and facility and equipment maintenance log As an added bonus, a companion web resource provides the templates and forms in an electronic format so you can customize them as needed. A third appendix provides a list of business resources. There is no need to be overwhelmed with all that goes into running your personal training business successfully. *The Business of Personal Training* is a comprehensive, digestible, and applicable resource that will take your business to the next level, giving you more time for what's most important. Earn continuing education credits/units! A continuing education course and exam that uses this book is also available. It may be purchased separately or as part of a package that includes all the course materials and exam.

legalshield for business: Legal Guide for Starting & Running a Small Business Fred S. Steingold, David Steingold, 2021-04-27 The all-in-one business law book Whether you're just starting a small business, or your business is already up and running, legal questions crop up on an almost daily basis. Ignoring them can threaten your enterprise—but hiring a lawyer to help with routine issues can devastate the bottom line The Legal Guide for Starting & Running a Small Business has helped more than a quarter million entrepreneurs and business owners master the basics, including how to: raise start-up money decide between an LLC or other business structure save on business taxes get licenses and permits choose the right insurance negotiate contracts and leases avoid problems if you're buying a franchise hire and manage employees and independent contractors attract and keep customers (and get paid on time), and limit your liability and protect your personal assets. This new edition explains how to do all of these things, taking into account coronavirus implications. The 17th edition is completely updated with the latest business tax rules and best practices for running a home-based business.

legalshield for business: Summary of Ken Colwell's Starting a Business QuickStart Guide Everest Media,, 2022-04-26T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Ideas are the beginning of everything, but they are not the end. Everything that has been created by people started out as an idea, but not everything that has been an idea has been created. Execution is the key to making opportunities valuable. #2 Opportunities are an extension of the entrepreneur. They are not just waiting around for an enterprising entrepreneur to come and find them. They are a result of the entrepreneur's unique blend of background, talent, insight, and perspective. #3 The process of finding ways to evolve ideas into opportunities should be a structured and disciplined one. Instead of searching for new ideas or knowledge, focus on solutions to existing problems. The simpler the better. #4 Opportunities exist because different people have access to different information. What is an idea for one entrepreneur may be an opportunity for another who has the resources and the means to execute it.

legalshield for business: LLC Limited Liability Company for Beginners Franklin Henry, 2025-06-17 What's really standing between you and the business you've always dreamed of? For

millions of aspiring entrepreneurs, launching a business brings excitement, ambition, and a vision for freedom. But without the right legal foundation, that dream can quickly turn into a costly and overwhelming nightmare. Forming an LLC, a Limited Liability Company, is one of the smartest ways to protect your personal assets, reduce your tax burden, and build a business that's legally sound from day one. The problem? Most people don't fully understand how to create, manage, and scale an LLC the right way. This comprehensive guide demystifies every aspect of LLC ownership, from initial formation to long-term growth. Whether you're launching a side hustle, starting a small business, or finally turning your passion into a full-time venture, this book offers step-by-step guidance written in plain language, no complicated legal jargon, no expensive attorneys required. Inside, you'll discover how to choose the right business structure for your goals, validate your business idea, and select a name that positions your company for success. You'll learn how to legally form your LLC in any state, obtain your EIN for free, and navigate the often-confusing world of business licenses, permits, and zoning laws. More importantly, this book goes far beyond formation. You'll get actionable insights on how to draft a rock-solid Operating Agreement, set up your business banking and bookkeeping systems, and ensure you never unintentionally pierce your LLC's liability shield. It dives deep into federal and state tax obligations, explains quarterly taxes and 1099s in simple terms, and shows you how to maximize tax deductions while avoiding costly mistakes. As your business grows, the book guides you through hiring employees, outsourcing work, choosing automation tools, and expanding into new markets, all while protecting yourself from personal liability and legal pitfalls. You'll also gain expert-level strategies on insurance, compliance, intellectual property, and risk management to ensure your business remains legally protected as you scale. Whether you're just getting started or looking to optimize an existing LLC, this book delivers a complete blueprint to launch, grow, and safeguard your business with confidence. Packed with expert advice, real-world examples, and practical checklists, it's the trusted resource every entrepreneur needs to turn their LLC into a thriving, protected, and profitable enterprise. Take control of your business future, and build it on a foundation designed to last.

legalshield for business: The Code of Capital Katharina Pistor, 2020-11-03 Capital is the defining feature of modern economies, yet most people have no idea where it actually comes from. What is it, exactly, that transforms mere wealth into an asset that automatically creates more wealth? The Code of Capital explains how capital is created behind closed doors in the offices of private attorneys, and why this little-known fact is one of the biggest reasons for the widening wealth gap between the holders of capital and everybody else. In this revealing book, Katharina Pistor argues that the law selectively codes certain assets, endowing them with the capacity to protect and produce private wealth. With the right legal coding, any object, claim, or idea can be turned into capital - and lawyers are the keepers of the code. Pistor describes how they pick and choose among different legal systems and legal devices for the ones that best serve their clients' needs, and how techniques that were first perfected centuries ago to code landholdings as capital

are being used today to code stocks, bonds, ideas, and even expectations--assets that exist only in law. A powerful new way of thinking about one of the most pernicious problems of our time, The Code of Capital explores the different ways that debt, complex financial products, and other assets are coded to give financial advantage to their holders. This provocative book paints a troubling portrait of the pervasive global nature of the code, the people who shape it, and the governments that enforce it.--Provided by publisher.

legalshield for business: *The Ultimate Survival Guide for Business in Japan (couverture souple)* Philippe Huysveld, 2017-02-26 This book is targeted at business executives of companies: - approaching the Japanese Market, - reviewing their options in terms of Japan Entry Strategy, - already exporting to Japan (Indirect Sales) or, - already established and doing business in Japan (Direct Sales). In this book, we show: - That the Japanese Market is a great market to approach and that, provided the right methodology and marketing mix, there are great opportunities to seize in the long-term for foreign companies. - That it is necessary to get familiar with cross-cultural differences and to understand better your Japanese clients, their country, their culture and their business system. - How to market your products or services in Japan (B2C and B2B Marketing Guidelines). - Which Entry Strategies are available to foreign companies to choose from and guidelines for selection

legalshield for business: No Degree Required Amy Powers, 2022-03-08 Has your work stopped working for you? Are you feeling burned out, stressed out, or left out?
