

lego lord business minifigure

lego lord business minifigure is a highly sought-after collectible that has captured the hearts of fans around the world. As a pivotal character from "The LEGO Movie," Lord Business represents both a formidable antagonist and an iconic figure in the LEGO universe. This article will delve into the origins and significance of the lego lord business minifigure, explore its design and features, and highlight its appeal among collectors. Additionally, we will discuss the impact of this character in the broader context of LEGO's storytelling and marketing. Whether you are a seasoned collector or a casual fan, understanding the intricacies of this minifigure will enhance your appreciation of the LEGO franchise.

- Introduction to the Lego Lord Business Minifigure
- Origins of Lord Business in LEGO
- Design and Features of the Minifigure
- Collectibility and Market Value
- Cultural Impact and Significance
- Conclusion

Origins of Lord Business in LEGO

The lego lord business minifigure originates from "The LEGO Movie," released in 2014. This animated film revolutionized the way LEGO was perceived, combining humor, creativity, and a narrative that resonated with both children and adults. Lord Business, voiced by Will Ferrell, serves as the main antagonist who seeks to impose order on the LEGO universe, symbolizing the struggle between creativity and conformity.

In the context of the movie, Lord Business represents a character who is obsessed with control and perfection. His desire to maintain a rigid structure in his world mirrors the challenges faced by those who prioritize order over imagination. The character's backstory and motivations are explored throughout the film, making him a complex villain who ultimately reveals the importance of creativity and flexibility.

Design and Features of the Minifigure

The design of the lego lord business minifigure is striking and memorable, capturing the essence of the character from the film. This minifigure features a distinctive suit adorned with a tie and a unique hairstyle that resembles a business executive. The minifigure's facial expression conveys a sense of seriousness and determination, making it an accurate representation of Lord Business's personality.

Physical Characteristics

The lego lord business minifigure is crafted from high-quality plastic and features the following notable characteristics:

- **Headpiece:** The head of the minifigure showcases a stern expression with furrowed brows, reflecting the character's authoritative demeanor.
- **Body Print:** The torso is printed with a tailored suit design, complete with a tie, emphasizing his corporate persona.
- **Accessories:** Lord Business often comes with a variety of accessories, including a coffee cup or a scepter, which further enhance his character.
- **Color Palette:** The minifigure primarily uses a palette of dark and bright colors, with a mix of reds, blacks, and whites that reinforce his authoritative presence.

Collectibility and Market Value

The lego lord business minifigure is not just a toy; it is also a valuable collectible. Since its release, the demand for this minifigure has surged among LEGO enthusiasts, especially those who collect figures from "The LEGO Movie." The rarity of certain editions, particularly those that were released in limited quantities or as part of special sets, has contributed to the rising market value.

Factors Influencing Collectibility

Several factors influence the collectibility and market value of the lego lord business minifigure:

- **Rarity:** Limited edition releases or exclusive minifigures tend to have higher market values due to their scarcity.

- **Condition:** The condition of the minifigure, including whether it comes with its original packaging, significantly affects its value.
- **Complete Sets:** Collectors often seek to acquire the entire set of "The LEGO Movie" minifigures, increasing demand for Lord Business specifically.
- **Popularity:** As Lord Business is a fan-favorite character, the interest in acquiring his minifigure remains high among collectors.

Cultural Impact and Significance

The lego lord business minifigure has transcended being merely a toy to become a cultural icon. His character embodies themes of creativity versus control, a narrative that resonates with audiences of all ages. The film's message encourages individuals to embrace their imaginative side while recognizing the importance of teamwork and collaboration.

Moreover, Lord Business has become a symbol of the LEGO brand itself, representing the company's ability to combine storytelling with play. LEGO has successfully leveraged this character in various marketing campaigns, merchandise, and even video games, solidifying his place in popular culture.

Influence on Future LEGO Themes

The character of Lord Business has influenced subsequent LEGO themes and sets, leading to a variety of spin-offs and merchandise that celebrate the creative spirit. His presence in the LEGO universe has helped inspire new narratives that encourage building and imagination, aligning with LEGO's core values.

Conclusion

The lego lord business minifigure is more than just a collectible; it is a representation of the values that LEGO seeks to promote. From its intricate design to its significant cultural impact, this minifigure embodies the spirit of creativity and imagination that LEGO champions. Whether as a character in a beloved film or as a sought-after collectible, the lego lord business minifigure continues to resonate with fans and collectors alike, ensuring its legacy within the LEGO universe for years to come.

Q: What is the significance of the lego lord business minifigure?

A: The lego lord business minifigure represents the main antagonist from "The LEGO Movie," embodying themes of control versus creativity, and has become a cultural icon within the LEGO brand.

Q: How can I determine the value of my lego lord business minifigure?

A: The value can be determined by factors such as rarity, condition, completeness of the set, and current market trends among collectors.

Q: Are there different versions of the lego lord business minifigure?

A: Yes, there are several versions of the lego lord business minifigure, including limited editions and variations that may include different accessories or designs.

Q: Where can I buy a lego lord business minifigure?

A: You can purchase the lego lord business minifigure through various platforms, including online marketplaces, LEGO stores, and specialty toy retailers.

Q: What accessories come with the lego lord business minifigure?

A: The minifigure typically comes with accessories like a coffee cup, a scepter, or other thematic items that enhance its character representation.

Q: Why is the lego lord business minifigure popular among collectors?

A: The popularity stems from its association with a beloved film, its distinctive design, and its representation of a key character within the LEGO universe.

Q: Can the lego lord business minifigure be used in other LEGO sets?

A: Yes, collectors often use the minifigure in various LEGO sets to create

unique scenes, blending it with other characters and themes from the LEGO franchise.

Q: What themes does the character of Lord Business represent?

A: Lord Business represents themes of order, control, and the tension between creativity and conformity, making him a relatable character for audiences.

Q: How does the lego lord business minifigure compare to other LEGO minifigures?

A: The lego lord business minifigure is unique due to its distinctive design, character significance, and the popularity of "The LEGO Movie," setting it apart from other minifigures.

Q: What is the best way to care for a lego lord business minifigure?

A: To care for the minifigure, keep it in a cool, dry place, avoid exposure to direct sunlight, and consider using a display case to protect it from dust and damage.

lego lord business minifigure: Politics for the Love of Fandom Ashley Hinck, 2019-03-13 Politics for the Love of Fandom examines what Ashley Hinck calls “fan-based citizenship”: civic action that blends with and arises from participation in fandom and commitment to a fan-object. Examining cases like Harry Potter fans fighting for fair trade, YouTube fans donating money to charity, and football fans volunteering to mentor local youth, Hinck argues that fan-based citizenship has created new civic practices wherein popular culture may play as large a role in generating social action as traditional political institutions such as the Democratic Party or the Catholic Church. In an increasingly digital world, individuals can easily move among many institutions and groups. They can choose from more people and organizations than ever to inspire their civic actions—even the fandom for children's book series Harry Potter can become a foundation for involvement in political life and social activism. Hinck explores this new kind of engagement and its implications for politics

and citizenships, through case studies that encompass fandoms for sports, YouTube channels, movies, and even toys. She considers the ways in which fan-based social engagement arises organically, from fan communities seeking to change their world as a group, as well as the methods creators use to leverage their fans to take social action. The modern shift to networked, fluid communities, Hinck argues, opens up opportunities for public participation that occurs outside of political parties, houses of worship, and organizations for social action. Fan-based citizenship performances help us understand the future possibilities of public engagement, as fans and creators alike tie the ethical frameworks of fan-objects to desired social goal, such as volunteering for political candidates, mentoring at-risk youth, and promoting environmentally friendly policy. *Politics for the Love of Fandom* examines the communication at the center of these civic actions, exploring how fans, nonprofits, and media companies manage to connect internet-based fandom with public issues.

lego lord business minifigure: We Need to Talk about Family Roberta Garrett, Tracey Jensen, Angie Voela, 2016-08-17 We are the first generation in recent history to not know if our children will have a better life than us. Over the past thirty years, the dream of upward mobility and stable and securely paid employment has dissipated. This collection draws together insights from the disciplines of cultural studies, literary theory, psychoanalysis, psychosocial studies, social policy and sociology, in order to explore the complex and contested status of “the family” under neoliberalism. At one end of the spectrum, the intensification of work and the normalisation of long-hours working culture have undermined the time and energy available for private family life. At the other end, the fantasy of the nuclear family as a potential “haven in a heartless world” is rapidly unravelling, supplanted with a hypercompetitive, neo-traditionalist, mobile, neoliberal family seeking to capitalise on the uneven spread of resources in order to maximise the futures of its own children. As neoliberalism has always been split between socio-economic realities and the expectations of where we “should” be, we are always living with the anxiety of being left behind and the hope that the best is yet to come. The chapters in this collection signal the troubles of the neoliberal family: in particular, the gulf between the practical conditions of family life and the formation of new fantasies. The volume addresses the neoliberal family in a range of contexts: from the domestic, reproductive and bio-political regulation of family life, the representations of the neoliberal family on television and across social media, to the negotiation of family dynamics in maternal memoirs. The work provides a much-needed corrective to the critical emphasis on the macrostructures of the neoliberal world.

lego lord business minifigure: The Big Book of LEGO Facts Simon Hugo, 2023-05-02 An updated edition of the must-have guide to trivia about the LEGO® world, featuring the latest facts and images. Find out everything you ever wanted to know about bricks and minifigures with stacks of LEGO® facts! Did you know that 68,000 LEGO® pieces are created every minute? Or that The LEGO Group is one of the biggest manufacturers of tires in the world? This must-have guide for LEGO fans of every age is crammed full of fascinating LEGO trivia. From the first brick to the latest record-breaking build, discover everything there is to know about the LEGO world. ©2022 The LEGO Group.

lego lord business minifigure: Deconstructing LEGO Jonathan Rey Lee, 2020-09-08 This book investigates a paradox of creative yet scripted play—how LEGO invites players to build ‘freely’ with and within its highly structured, ideologically-laden toy system. First, this book considers theories and methods for deconstructing LEGO as a medium of bricolage, the creative reassembly of already-significant elements. Then, it pieces together readings of numerous LEGO sets, advertisements, videogames, films, and other media that show how LEGO constructs five ideologies of play: construction play, dramatic play, digital play, transmedia play, and attachment play. From suburban traffic patterns to architectural croissants, from feminized mini-doll bodies to toys-to-life stories, from virtual construction to playful fan creations, this book explores how the LEGO medium conveys ideological messages—not by transmitting clear statements but by providing implicit instructions for how to reassemble meanings it had all along.

lego lord business minifigure: *Cultural Studies of LEGO* Rebecca C. Hains, Sharon R. Mazzarella, 2019-11-27 This collection examines LEGO from an array of critical and cultural studies approaches, foregrounding the world-renowned brand's ideological power and influence. Given LEGO's status as the world's largest toy manufacturer and a transnational multimedia conglomerate, *Cultural Studies of Lego: More Than Just Bricks* considers LEGO media's cultural messages; creativity with and within LEGO artifacts; and diversity within the franchise, including gender and race representation. The chapters' in-depth analyses of topics including LEGO films, marketing tactics, play sets, novelizations, and fans offer compelling insights relevant to those interested in the LEGO brand and broader trends in the children's popular culture market alike.

lego lord business minifigure: *Wyldstyle: The Search for the Special (The LEGO Movie)* Anna Holmes, 2014-08-26 The LEGO(R) Movie continues to dazzle and delight children everywhere! Join Wyldstyle on an action-packed adventure in this exciting storybook. Now available in ebook! Kids will love this fun storybook featuring Wyldstyle's incredible LEGO(R) Movie adventure. Plus, this storybook features full-color images from the film. The LEGO Movie is the first-ever full-length theatrical LEGO adventure. lego lord business minifigure: The Michelangelo Project Isabel Wu, 2019-11-18 The Michelangelo Project explores the evolution of work since the First Industrial Revolution to an uncertain digital future of work. Using Michelangelo's story as a narrative framework, readers will learn to build their value-creating skills and lose their fear of dwindling jobs to pursue their careers with confidence and purpose.

lego lord business minifigure: Transgenerational Media Industries Derek Johnson, 2019-11-12 Within corporate media industries, adults produce children's entertainment. Yet children, presumed to exist outside the professional adult world, make their own contributions to it—creating and posting unboxing videos, for example, that provide content for toy marketers. Many adults, meanwhile, avidly consume entertainment products nominally meant for children. Media industries reincorporate this market-disrupting participation into their strategies, even turning to adult consumers to pass fandom to the next generation. Derek Johnson presents an innovative perspective that looks beyond the simple category of "kids' media" to consider how entertainment industry strategies invite producers and consumers alike to cross boundaries between adulthood and childhood, professional and amateur, new media and old. Revealing the social norms, reproductive ideals, and labor hierarchies on which such transformations depend, he identifies the lines of authority and power around which legacy media institutions like television, comics, and toys imagine their futures in a digital age. Johnson proposes that it is not strategies of media production, but of media reproduction, that are most essential in this context. To understand these critical intersections, he investigates transgenerational industry practice in television co-viewing, recruitment of adult comic readers as youth outreach ambassadors, media professionals' identification with childhood, the branded management of adult fans of LEGO, and the labor of child YouTube video creators. These dynamic relationships may appear to disrupt generational and industry boundaries alike. However, by considering who media industries empower when generating the future in these reproductive terms and who they leave out, Johnson ultimately demonstrates how their strategies reinforce existing power structures. This book makes vital contributions to media studies in its fresh approach to the intersections of adulthood and childhood, its attention to the relationship between legacy and digital media industries, and its advancement of dialogue between media production and consumption researchers. It will interest scholars in media industry studies and across media studies more broadly, with particular appeal to those concerned about the current and future reach of media industries into our lives.

lego lord business minifigure: Understanding Film Theory Ruth Doughty, Christine Etherington-Wright, 2017-08-30 This essential core textbook provides an approachable and extensive introduction to film theory, written by two highly experienced senior lecturers. Bringing a fresh, contemporary and accessible approach to what is often perceived to be a challenging and old-fashioned area of film studies that requires time and effort to grasp, the text illustrates why theory is important and demonstrates how it can be applied in a meaningful way. The book's sixteen chapters are clear and comprehensive and provide an insight into the main areas of debate, using clear definitions and explaining complex ideas succinctly. The ideal entry point for any student studying film, the book is designed for use on courses on film theory on undergraduate and postgraduate degree programmes within film, cinema, media and cultural studies. New to this Edition: - An expanded introduction, plus a new chapter looking at Adaptation - Contemporary case studies exploring popular and topical films, such as *The Hunger Games* (2012), *Blue is the Warmest Colour* (2013) and *The Lego Movie* (2014) - An expanded introduction, plus a new chapter looking at Adaptation - Additional genre-based case study on the British Gangster film - Additional actor-based case study on Ryan Gosling - A greater focus throughout on the relevance of film theory to students undertaking practical film degrees and units

lego lord business minifigure: LEGO Studies Mark Wolf, 2014-11-13 Since the Automatic Binding Bricks that LEGO produced in 1949, and the LEGO System of Play that began with the release of Town Plan No. 1 (1955), LEGO bricks have gone on to become a global phenomenon, and the favorite building toy of children, as well as many an AFOL (Adult Fan of LEGO). LEGO has also

become a medium into which a wide number of media franchises, including Star Wars, Harry Potter, Pirates of the Caribbean, Batman, Superman, Lord of the Rings, and others, have adapted their characters, vehicles, props, and settings. The LEGO Group itself has become a multimedia empire, including LEGO books, movies, television shows, video games, board games, comic books, theme parks, magazines, and even MMORPGs. *LEGO Studies: Examining the Building Blocks of a Transmedial Phenomenon* is the first collection to examine LEGO as both a medium into which other franchises can be adapted and a transmedial franchise of its own. Although each essay looks at a particular aspect of the LEGO phenomenon, topics such as adaptation, representation, paratexts, franchises, and interactivity intersect throughout these essays, proposing that the study of LEGO as a medium and a media empire is a rich vein barely touched upon in Media Studies.

lego lord business minifigure: The Crafty Animator Caroline Ruddell, Paul Ward, 2019-04-03 This collection is a study of the value of craft as it can be understood within the study and practice of animation. The book reconsiders the position of craft, which is often understood as inferior to 'art', with a particular focus on questions of labour in animation production and gendered practices. The notion of craft has been widely investigated in a number of areas including art, design and textiles, but despite the fact that a wide range of animators use craft-based techniques, the value of craft has not been interrogated in this context until now. Seeking to address such a gap in the literature, this collection considers the concept of craft through a range of varying case studies. Chapters include studies on experimental animation, computer animation, trauma and memory, children's animation and silhouette animation among others. The Crafty Animator also goes some way to exploring the relationship craft has with the digital in the context of animation production. Through these varied discussions, this book problematizes simplistic notions about the value of certain methods and techniques, working to create a dialogue between craft and animation.

lego lord business minifigure: UniKitty: A Cuckoo Adventure (The LEGO Movie) Samantha Brooke, 2014-08-26 The LEGO(R) Movie continues to dazzle and delight children everywhere! Join UniKitty on her wild and wacky adventure through Cloud Cuckoo Land in this exciting storybook. Now available in ebook! Kids will adore this fun storybook featuring UniKitty's incredible LEGO(R) Movie adventure. Plus, this book features full-color images from the film. The LEGO Movie is the first-ever full-length theatrical LEGO adventure. It follows the story of Emmet (Chris Pratt), an average LEGO minifigure who is mistaken as the only person who can save the world. He is drafted into a fellowship of strangers on an epic quest to stop the evil tyrant Lord Business (Will Ferrell) from gluing the universe together.

lego lord business minifigure: Ordinary Michael Horton, 2014-10-07 Radical. Crazy. Transformative and restless. Every word we read these days seems to suggest there's a "next-best-thing," if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be "ordinary." Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There's nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What's needed is not another program or a fresh approach to spiritual growth; it's a renewed appreciation for the commonplace. Far from a call to low expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, Ordinary is not a call to do less; it's an invitation to experience the elusive joy of the ordinary Christian life.
