

risky business filming locations

risky business filming locations have become iconic in their own right, drawing fans of the classic 1983 film to explore the sites that shaped its narrative. Directed by Paul Brickman and featuring a breakout performance by Tom Cruise, "Risky Business" not only captivated audiences with its story of adolescent freedom and rebellion but also showcased various locations that contributed to its memorable scenes. This article will delve into the key filming locations of "Risky Business," exploring their significance, characteristics, and the cultural impact they have held over the years. We will also discuss how these locations have changed since filming and their appeal to fans today.

- Overview of Risky Business
- Main Filming Locations
- Significance of Each Location
- Changes Over Time
- Fan Pilgrimages and Cultural Impact

Overview of Risky Business

"Risky Business" is a coming-of-age film that follows the story of Joel Goodson, a high school student played by Tom Cruise, who is left home alone while his parents are away. In a series of events that lead to unexpected consequences, Joel engages in a reckless escapade involving a call girl named Lana, leading to a rollercoaster of adventures. The film is renowned for its portrayal of suburban life, youthful rebellion, and the quest for identity, all encapsulated within the vibrant setting of Chicago in the early 1980s. The film's success not only solidified Tom Cruise's career but also left a lasting impact on pop culture and cinema.

Main Filming Locations

Filming for "Risky Business" took place primarily in the Chicago area, with several key locations that stand out in the film. Each site plays a significant role in the narrative and is beloved by fans. Here are some of the most important filming locations:

- Joel's House
- Lake Michigan
- The Chicago River

- North Side Chicago
- Wrigley Field

Joel's House

One of the most recognizable locations from "Risky Business" is Joel's family home, which serves as the backdrop for many pivotal scenes. Situated in the affluent suburb of Highland Park, Illinois, the house is a classic representation of suburban architecture. Its spacious interiors and well-manicured lawns are emblematic of the lifestyle that Joel's family is striving to maintain. The house is where Joel encounters the thrill of freedom and the consequences of his actions, making it a critical element of the storytelling.

Lake Michigan

Lake Michigan plays a significant role in the film, especially during the iconic scenes where Joel and Lana enjoy a carefree moment by the water. The picturesque views and serene setting offer a stark contrast to the chaos of Joel's life. The scenes filmed along the lakeshore highlight the beauty of Chicago and serve as a metaphor for the freedom that Joel yearns for. The lake's presence in the film has made it a popular photo spot for fans seeking to recreate their favorite moments.

The Chicago River

The Chicago River is another key filming location that adds to the film's aesthetic. Some memorable scenes take place near the river, showcasing the city's stunning architecture and vibrant urban landscape. The river symbolizes the transition from the safety of suburban life to the unpredictability of adult experiences. Fans often visit the river to appreciate the iconic views that were captured in the film, further enhancing its cultural significance.

North Side Chicago

The North Side of Chicago provided various urban backdrops for "Risky Business," encapsulating the essence of the city during the early 1980s. The bustling streets and lively atmosphere reflect the excitement and danger that Joel navigates throughout the film. Locations such as bars and clubs featured in the movie highlight the nightlife that Joel explores, contrasting with his sheltered upbringing. This area remains a point of interest for film enthusiasts who wish to experience the vibrant setting that contributed to the film's narrative.

Wrigley Field

Wrigley Field, one of the most famous baseball parks in the United States, also makes an appearance in "Risky Business." Although its role is brief, the stadium serves as a cultural landmark that grounds the film in Chicago's rich sports history. The inclusion of Wrigley Field adds a layer of authenticity and connects the film to the city's identity, making it a cherished spot for fans who appreciate both baseball and cinema.

Significance of Each Location

Each filming location in "Risky Business" carries its own significance, not only in relation to the plot but also in terms of the cultural narrative of the 1980s. The suburban setting of Joel's house reflects the aspirations and pressures of the American middle class, while the urban locations symbolize the allure of risk and rebellion. The interplay between these spaces illustrates the journey of self-discovery that Joel undergoes throughout the film.

Changes Over Time

Since the release of "Risky Business," many of the filming locations have undergone significant changes. Some have been renovated, while others have become commercial spaces or have been repurposed. For example, Joel's house remains a private residence, but its exterior has been modified over the years. Meanwhile, the surrounding neighborhoods have evolved, reflecting the changing dynamics of suburban Chicago. Despite these changes, the essence of the locations continues to resonate with fans, who appreciate the nostalgia and history associated with the film.

Fan Pilgrimages and Cultural Impact

The filming locations of "Risky Business" have attracted a dedicated following of fans who embark on pilgrimages to experience the sites firsthand. Tours highlighting these locations have emerged, allowing enthusiasts to explore the city's cinematic history. The film's legacy has made these spots cultural landmarks, contributing to the ongoing dialogue about the film's themes of freedom, risk, and the transition into adulthood. The enduring popularity of "Risky Business" ensures that these locations will remain significant for years to come.

Q: What is the significance of Joel's house in Risky Business?

A: Joel's house serves as a symbol of the suburban American dream and the pressures of maintaining that lifestyle. It is where many pivotal moments occur, illustrating Joel's journey from innocence to experience.

Q: Are the filming locations still accessible to fans?

A: Most filming locations are accessible, though some may be private residences or have undergone changes. Fans often visit these sites to take photos and recreate memorable scenes.

Q: How has the Chicago landscape changed since the film's release?

A: Since 1983, many neighborhoods in Chicago have undergone significant development. Some filming locations have been renovated or repurposed, reflecting the city's growth and evolution.

Q: What impact did Risky Business have on pop culture?

A: "Risky Business" has had a lasting impact on pop culture, influencing fashion, music, and film. Its themes of youthful rebellion and self-discovery resonate with audiences, making it a timeless classic.

Q: Where can I find tours of the Risky Business filming locations?

A: Various companies offer tours of filming locations in Chicago, including those from "Risky Business." These tours provide fans with an opportunity to explore the sites in depth.

Q: Did Tom Cruise's performance in Risky Business launch his career?

A: Yes, Tom Cruise's performance in "Risky Business" was pivotal in launching his career. The film showcased his talent and charisma, leading to numerous leading roles in subsequent films.

Q: What other films were shot in Chicago during the 1980s?

A: Chicago was a popular filming location in the 1980s for several films, including "The Blues Brothers," "Ferris Bueller's Day Off," and "The Untouchables," all showcasing the city's unique architecture and culture.

Q: How can I recreate scenes from Risky Business?

A: Fans often recreate scenes by visiting filming locations and dressing in 1980s fashion. Social media platforms provide an avenue to share these recreations with fellow enthusiasts.

Q: What themes does **Risky Business** explore?

A: "Risky Business" explores themes of adolescence, freedom, risk-taking, and the transition into adulthood, reflecting the complexities of growing up in a suburban environment.

Q: Is there a legacy associated with the filming locations of **Risky Business**?

A: Yes, the filming locations have become cultural landmarks that represent the film's significance in pop culture, attracting fans and sparking discussions about its themes and impact over the years.

risky business filming locations: *Risky Business* William D. Romanowski, 2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century. Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship. Prior to Saturday Night Fever rock music had a limited role in the motion picture business. That movie's success, and the success of its soundtrack, began to change the silver screen. In 1983, with Flashdance, the situation drastically evolved and by 1984, ten soundtracks, many in the pop/rock genre, were certified platinum. Choosing which rock scores to discuss in this book was a challenging task. The authors made selections from seminal films such as The Graduate, Easy Rider, American Grafitti, Saturday Night Fever, Help!, and Dirty Dancing. However, many productions of the period are significant not because of their success, but because of their box office and record store failures. *Risky Business* chronicles the interaction of two major mediums of mass culture in the latter twentieth century. This book is essential for those interested in communications, popular culture, and social change.

risky business filming locations: Film and Television Locations Doug Gelbert, 2024-10-09 It is often said that the greater Los Angeles area is the largest movie set in the world. Film and television series filming sites are, however, located all over the United States. This guidebook documents over 1500 locations where 1,106 movies and 48 television series have been filmed. Arranged by state and then alphabetically by movie title, each entry includes the year of release, the two main stars, a plot line and a description of the location. Filming sites located in Los Angeles are excluded. All sites are accessible to the public. The indexes make it possible to quickly locate a favorite star, favorite movie or favorite location.

risky business filming locations: *Secret North Shore-Chicago: A Guide to the Weird, Wonderful, and Obscure* Ellen Shubart, 2023-09-15 Driving north from Chicago opens up the wonderland known as the North Shore, a string of remarkable suburban areas, each with its own story and yet all bound together by rail lines, highways, and a similar background. While most of the area is known for its tree-lined streets, large, single-family homes, and quaint downtowns, hidden

along the way are unusual sites and spots that elicit responses like, "Wow, I didn't know that was there." Glimpse the exquisite beauty of Louis Comfort Tiffany's windows. Bask in the natural beauty of Lake Michigan, then learn about the site of one of the worst marine disasters in that same lake. Know about the nation's largest train robbery? You will now. Explore the locations of a Native American Potawatomi settlement, a now-decommissioned US Army base originally designed to "protect" Chicago from labor unrest, and a newly risen neighborhood retrieved from land formerly housing a US Naval Air Station. Discover the story of the ghost who haunts one town's city hall or find the home of the man who "truly" invented the telephone—and it wasn't Alexander Graham Bell. Hop in the car, grab a lunch of famous hot dogs, pancakes, or burgers, and start your journey with Secret North Shore-Chicago to discover the different, the weird, and the obscure. Enjoy the ride.

risky business filming locations: Vacation on Location, Midwest Joey Green, 2017-05-01 If you've ever wanted to step into your favorite movie, *Vacation on Location* is the perfect guidebook for you. Author Joey Green gives readers detailed scene-by-scene addresses and maps to visit sites in the Midwest where the most popular films of all time were shot. You will also learn where to see famous props, like the original Bluesmobile, two miniature flying monkeys from *The Wizard of Oz*, and Ralphie's Red Ryder Carbine Action Two-Hundred Shot Range Model Air Rifle—safely behind glass in a museum (so you don't shoot your eye out). With this book as your guide, you can turn these excursions into full-scale vacations or quirky side trips to recreate a scene, starring you.

risky business filming locations: Murder on Location Cathy Pegau, 2017-03-01 In the Alaska Territory, suffragette Charlotte Brody is a newspaper reporter in the frontier town of Cordova. She's a woman ahead of her time living on the rugged edge of civilization—but right now the most dangerous element she faces may come from sunny California . . . An expedition has arrived in the frigid wilderness to shoot *North to Fortune*—an epic motion picture featuring authentic footage of majestic peaks, vast glaciers, homesteaders, and Alaska Natives. But the film's fortunes begin to go south as a local Native group grows angry at how they're portrayed in the movie, fights break out, and cast and crew are beset by accidents and assaults. Finally, production is halted when the inebriated director falls into a crevasse—and dies of exposure. Soon Michael Brody—the town coroner and Charlotte's brother—starts to suspect that Mother Nature was not responsible for Stanley Welsh's death. Charlotte, who's been writing about all the Hollywood glamor, is suddenly covering a cold-blooded crime story—and as springtime storms keep the suspects snowed in, she has to make sure the truth doesn't get buried . . .

risky business filming locations: Lonely Planet Chicago Lonely Planet,

risky business filming locations: On Location in Cuba Ann Marie Stock, 2009-05-15 The 1990s were a time of dramatic transformation for Cuba. With the collapse of its Cold War relationship with the Soviet Union, the island nation plummeted into an era of scarcity and uncertainty known as the Special Period, a time from which it emerged only slowly in the new century. *On Location in Cuba* views these pivotal decades through the lens of cinema. Ann Marie Stock conducted hundreds of interviews and conversations in Cuba to examine individual artists' lives and creative output—including film, video, and audiovisual art. She explores the impact of the Cold War's end, the economic crisis that ensued, and the decentralization of the state's political, economic, and cultural apparatus. Stock focuses on what she calls Street Filmmaking—the production of emerging audiovisual artists who work outside the state film industry—to examine the island's transformation and changing notions of Cuban identity. Employing entrepreneurial approaches to producing art and to negotiating the exigencies of globalization, this younger generation of filmmakers offers fresh perspectives on what it means to be Cuban in an increasingly complex and connected world.

risky business filming locations: e-Pedia: Game of Thrones (season 6) Wikipedia Contributors, 2017-02-22 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series *Game of Thrones* premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50-60 minutes, largely of original content not found in

George R. R. Martin's A Song of Ice and Fire series. Some material is adapted from the upcoming sixth novel The Winds of Winter and the fourth and fifth novels, A Feast for Crows and A Dance with Dragons. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. This book does not contain illustrations. e-Pedia (an imprint of e-artnow) charges for the convenience service of formatting these e-books for your eReader. We donate a part of our net income after taxes to the Wikimedia Foundation from the sales of all books based on Wikipedia content.

risky business filming locations: *Sexual Pedagogies* C. Nelson, M. Martin, 2004-01-02
Understandings of sexuality and sex education have changed dramatically, and in this collection, the authors explore the various texts that were used to teach, to entertain, to sanction and to form a sexual standard for a nation. According to Nelson and Martin, these include a puberty education, sermons on abstinence, medical writings promoting sexual fulfillment, Hollywood comedies about sexual coming of age and picture books validating homosexuality. The essays included here are designed to illustrate the many responses that Anglophone culture has had to such texts for over a century.

risky business filming locations: *Popular Music and the New Auteur* Arved Ashby, 2013-12 MTV utterly changed the movies. Since music television arrived some 30 years ago, music videos have introduced filmmakers to a new creative vocabulary: speeds of events changed, and performance and mood came to dominate over traditional narrative storytelling. Popular Music and the New Auteur charts the impact of music videos on seven visionary directors: Martin Scorsese, Sofia Coppola, David Lynch, Wong Kar-Wai, the Coen brothers, Quentin Tarantino, and Wes Anderson. These filmmakers demonstrate a fresh kind of cinematic musicality by writing against pop songs rather than against script, and allowing popular music a determining role in narrative, imagery, and style. Featuring important new theoretical work by some of the most provocative writers in the area today, Popular Music and the New Auteur will be required reading for all who study film music and sound. It will be particularly relevant for readers in popular music studies, and its intervention in the ongoing debate on auteurism will make it necessary reading in film studies.

risky business filming locations: *A Concise Handbook of Movie Industry Economics* Charles C. Moul, 2005-03-14 This short handbook collects essays on all aspects of the motion picture industry by leading authorities in political economy, economics, accounting, finance, and marketing. In addition to offering the reader a perspective on what is known and what has been accomplished, it includes both new findings on a variety of topics and directions for additional research. Topics include estimation of theatrical and ancillary demand, profitability studies, the resolution of evident paradoxes in studio executive behavior, the interaction of the industry and government, the impacts of the most recent changes in accounting standards, and the role and importance of participation contracts. New results include findings on the true nature of the seasonality of theatrical demand, the predictive power of surveys based upon trailers, the impact of the Academy Awards, the effectiveness of prior history measures to gauge cast members and directors, and the substitutability of movies across different genres.

risky business filming locations: *Along the Way* Martin Sheen, Emilio Estevez, 2012-05-08
In this remarkable dual memoir, film legend Martin Sheen and accomplished actor/filmmaker Emilio Estevez recount their lives as father and son. In alternating chapters—and in voices that are as eloquent as they are different—they tell stories spanning more than fifty years of family history, and reflect on their journeys into two different kinds of faith. At twenty-one, still a struggling actor living hand to mouth, Martin and his wife, Janet, welcomed their firstborn, Emilio, an experience of profound joy for the young couple, who soon had three more children: Ramon, Charlie, and Renée. As Martin's career moved from stage to screen, the family moved from New York City to Malibu, while traveling together to film locations around the world, from Mexico for Catch-22 to Colorado for

Badlands to the Philippines for the legendary Apocalypse Now shoot. As the firstborn, Emilio had a special relationship with Martin: They often mirrored each other's passions and sometimes clashed in their differences. After Martin and Emilio traveled together to India for the movie Gandhi, each felt the beginnings of a spiritual awakening that soon led Martin back to his Catholic roots, and eventually led both men to Spain, from where Martin's father had emigrated to the United States. Along the famed Camino de Santiago pilgrimage path, Emilio directed Martin in their acclaimed film, *The Way*, bringing three generations of Estevez men together in the region of Spain where Martin's father was born, and near where Emilio's own son had moved to marry and live. With vivid, behind-the-scenes anecdotes of this multitalented father's and son's work with other notable actors and directors, *Along the Way* is a striking, stirring, funny story—a family saga that readers will recognize as universal in its rebellions and regrets, aspirations and triumphs. Strikingly candid, searchingly honest, this heartfelt portrait reveals two strong-minded, admirable men of many important roles, perhaps the greatest of which are as fathers and sons.

risky business filming locations: Engaging Film Tim Cresswell, Deborah Dixon, 2002 Engaging Film is a creative, interdisciplinary volume that explores the engagements among film, space, and identity and features a section on the use of films in the classroom as a critical pedagogical tool. Focusing on anti-essentialist themes in films and film production, this book examines how social and spatial identities are produced (or dissolved) in films and how mobility is used to create different experiences of time and space. From popular movies such as *Pulp Fiction*, *Bulworth*, *Terminator 2*, and *The Crying Game* to home movies and avant-garde films, the analyses and teaching methods in this collection will engage students and researchers in film and media studies, cultural geography, social theory, and cultural studies.

risky business filming locations: Harry Dean Stanton Joseph B. Atkins, 2020-11-12 The first biography of the man *Vanity Fair* described as "the philosopher poet of character acting." After a series of minor parts in forgettable westerns, Harry Dean Stanton gradually began to get film roles that showcased his laid-back acting style, appearing in *Cool Hand Luke*, *Kelly's Heroes*, *The Godfather: Part II*, and *Alien*. He became a headliner in the eighties?starring in Wim Wenders's moving *Paris, Texas* and Alex Cox's *Repo Man*?but it was his extraordinary skill as a character actor that established him as a revered cult figure and kept him in demand throughout his career. Here, Joseph B. Atkins unwinds Stanton's enigmatic persona, shedding light on his early life in West Irvine, Kentucky, and exploring his difficult relationship with his Baptist parents, his service in the Navy, and the events that inspired him to drop out of college and pursue acting. Atkins also chronicles Stanton's early years in California, describing how he honed his craft at the renowned Pasadena Playhouse before breaking into television and movies. In addition to examining his acclaimed body of work, Atkins explores Harry Dean Stanton as a Hollywood legend, following his years rooming with Jack Nicholson, partying with David Crosby and Mama Cass, jogging with Bob Dylan, and playing poker with John Huston. Stanton is often remembered for his crowd-pleasing roles in movies like *Pretty in Pink* or *Escape from New York*, but this impassioned biography illuminates the entirety of his incredible sixty-year career, drawing on interviews with the actor's friends, family, and colleagues.

risky business filming locations: Tom Cruise Ruth O'Donnell, 2017-06-30 Tom Cruise is a Hollywood superstar like no other. World famous since his debut in the 1980s, he remains among

the highest paid actors. Why has his persona resonated so powerfully with millions of viewers? Using psychoanalytic theory, *Tom Cruise: Performing Masculinity in Post Vietnam Hollywood* demonstrates how his star persona sublimates anxieties about masculinity. Amid Reagan-era military jingoism and concern over declining industrial labour, he represented a new model of American masculinity based on white-collar upward mobility. Spanning blockbuster films such as *Risky Business* (1983), *Jerry Maguire* (1996) and the *Mission: Impossible* series (1996 - 2011), this book illustrates how his characters exemplify entrepreneurialism, charisma, technological gadgetry and verbal acuity to redefine male success. His newly emotive type - 'help me help you' - also successfully overcomes interpersonal conflicts with patriarchal authority and senior women in the workplace, and navigates race relations. The first scholarly study of Tom Cruise's celebrity, this book surveys his entire career and builds on Richard Dyer's 'star theory.' It develops the core dynamic of his star persona, a mix of projected character traits and 'real life' trivia or gossip, and establishes that his box office success reflects his persona's ability to work through the psychodynamic preoccupations of his films. This exceptional appeal evolved, at times characterised by complicity with 1980s materialistic hedonism (Taps, 1981), male spectacle (Magnolia, 1999), or his use of martial technology (*War of the Worlds*, 2005), and their attendant psychic meanings. Recent shifts in American culture, however, in tandem with Tom Cruise's growing evangelism for the Church of Scientology, may be threatening his appeal. Ultimately, this book offers a picture of how stars reflect the values and crises of their societies, and fills a substantial gap in scholarship on celebrity studies, critical cultural analysis, masculinity studies, and film theory.

risky business filming locations: *Teen Film* Catherine Driscoll, 2011-06-01 What makes a film a teen film? And why, when it represents such powerful and enduring ideas about youth and adolescence, is teen film usually viewed as culturally insignificant? Teen film is usually discussed as a representation of the changing American teenager, highlighting the institutions of high school and the nuclear family, and experiments in sexual development and identity formation. But not every film featuring these components is a teen film and not every teen film is American. Arguing that teen film is always a story about becoming a citizen and a subject, *Teen Film* presents a new history of the genre, surveys the existing body of scholarship, and introduces key critical tools for discussing teen film. Surveying a wide range of films including *The Wild One*, *Heathers*, *Akira* and *Donnie Darko*, the book's central focus is on what kind of adolescence teen film represents, and on teen film's capacity to produce new and influential images of adolescence.

risky business filming locations: *The Worldwide Guide to Movie Locations* Tony Reeves, 2001 For all those fans who wonder where their favorite movies were filmed or what it would be like to visit the sites, this book is the ultimate resource. It features information on blockbuster, cult, and art house favorites from *Saturday Night Fever* to *Men in Black*, from *Belle du Jour* to *Ben Hur*. The entries for individual films include brief descriptions of key scenes shot at the location, travel details, photographs, film stills, behind-the-scenes information, and insights as to what these places are really like. Also included are full-color features on major sites of special interest—Vertigo's San Francisco, Woody Allen's Manhattan, and a world *Star Wars* tour, among others—along with more obscure locations that have become sought-after travel destinations simply because of their connection to the movies.
