

turbotax business vs turbotax home and business

turbotax business vs turbotax home and business is a critical comparison for small business owners and self-employed individuals seeking the right tax preparation software. Both products are designed to simplify the tax filing process, but they cater to different needs and complexities of tax situations. Understanding the distinctions between TurboTax Business and TurboTax Home and Business is essential to making an informed decision that can save time, money, and reduce stress during tax season. This article will delve into the features, benefits, pricing, and user experiences of both versions to provide a comprehensive overview. Additionally, we will explore who should choose which version based on their specific needs.

Overview of TurboTax Business

TurboTax Business is specifically tailored for small businesses, corporations, and partnerships. It provides comprehensive tools for filing taxes for various business structures, including LLCs, S corporations, C corporations, and partnerships. The software streamlines the process of preparing your business taxes by offering a guided experience that focuses on business-related deductions and credits.

Key Features of TurboTax Business

TurboTax Business offers a variety of features that cater to business owners. These include:

- **Comprehensive Business Forms:** Access to all necessary forms for corporations, partnerships, and LLCs.
- **Deduction Finder:** An intelligent tool that identifies potential deductions specific to your business type.
- **Multi-State Filing:** Ability to file taxes in multiple states, accommodating businesses operating in different locations.
- **Expert Guidance:** Access to tax professionals for additional advice and support throughout the filing process.

This software is particularly beneficial for those who own a business entity, as it handles the complexities of business taxes with ease.

Overview of TurboTax Home and Business

TurboTax Home and Business is designed primarily for self-employed individuals and freelancers. It combines features suitable for both personal and business tax situations, allowing users to file their personal income taxes while also managing their self-employment income and expenses effectively.

Key Features of TurboTax Home and Business

TurboTax Home and Business includes a range of features that cater to self-employed users, including:

- **Self-Employment Income Reporting:** Tools to report income from freelance work and side gigs.
- **Expense Tracking:** Ability to track business expenses throughout the year and maximize deductions.
- **Personal Tax Benefits:** Access to personal tax deductions and credits alongside business-related tax benefits.
- **Guided Experience:** Step-by-step guidance to ensure accurate and complete tax filings.

This version is ideal for individuals who need to file both personal and business taxes in a streamlined

manner.

Key Differences Between TurboTax Business and TurboTax Home and Business

Understanding the differences between TurboTax Business and TurboTax Home and Business is crucial for selecting the right software for your needs. Here are the primary distinctions:

- **Target Audience:** TurboTax Business caters to business entities like corporations and partnerships, while TurboTax Home and Business is designed for self-employed individuals and freelancers.
- **Complexity of Forms:** TurboTax Business provides access to more complex business tax forms suitable for corporations and partnerships, whereas TurboTax Home and Business focuses on simpler forms for individual tax filers.
- **Support for Business Structures:** TurboTax Business supports multiple business structures, including multi-member LLCs and S corporations, while TurboTax Home and Business primarily supports sole proprietorships and self-employed individuals.

Features Comparison

When comparing the features of TurboTax Business and TurboTax Home and Business, it is essential to consider what each user needs from the software. Here's a detailed look:

- **Tax Forms:** TurboTax Business includes forms for partnerships and corporations; TurboTax Home and Business has forms for personal and self-employed income.
- **Deductions:** TurboTax Business focuses on business deductions; TurboTax Home and Business highlights both personal and business deductions.
- **Guided Assistance:** Both versions offer guided assistance, but TurboTax Business has more complex scenarios for business tax situations.

Who Should Use TurboTax Business?

TurboTax Business is ideal for business owners who operate as corporations, partnerships, or multi-member LLCs. It is best suited for individuals who need comprehensive support for their business taxes and have more complex tax situations. Users who require access to advanced tax forms and detailed reporting features will find this version beneficial.

Who Should Use TurboTax Home and Business?

TurboTax Home and Business is perfect for freelancers, independent contractors, and self-employed individuals. If your tax situation involves managing personal income alongside self-employment income, this version will provide the necessary tools to simplify that process. It is also suitable for individuals who need to maximize deductions from both personal and business expenses.

Pricing Structure

Pricing for TurboTax Business and TurboTax Home and Business can vary each tax season, but generally:

- **TurboTax Business:** Typically priced higher due to its extensive features for business entities.
- **TurboTax Home and Business:** Generally more affordable, catering to individuals filing personal and self-employment taxes.

Both versions may offer additional features for an added cost, such as expert review or live support options.

User Experience and Support

User experience for both TurboTax Business and TurboTax Home and Business is designed to be intuitive. TurboTax offers a user-friendly interface with easy navigation. Additionally, both versions provide customer support options, including chat, phone support, and access to tax professionals. TurboTax also offers a comprehensive help center with articles and FAQs to assist users throughout the filing process.

Conclusion

In summary, the choice between TurboTax Business and TurboTax Home and Business ultimately depends on your specific tax situation. TurboTax Business is tailored for corporations and partnerships, offering extensive features for business tax filings. On the other hand, TurboTax Home and Business serves self-

employed individuals, providing the necessary tools to manage both personal and business taxes effectively. Understanding these differences will help you choose the right product for a smoother tax filing experience.

FAQs

Q: What is the primary difference between TurboTax Business and TurboTax Home and Business?

A: The primary difference lies in their target audience; TurboTax Business is designed for corporations and partnerships, while TurboTax Home and Business is for self-employed individuals and freelancers.

Q: Can TurboTax Business handle multi-state filings?

A: Yes, TurboTax Business supports multi-state filings, making it suitable for businesses operating in various states.

Q: Is TurboTax Home and Business suitable for freelancers?

A: Yes, TurboTax Home and Business is specifically designed for freelancers and individuals with self-employment income.

Q: Are there any additional fees for using TurboTax's live support?

A: Yes, opting for live support or expert review may incur additional fees beyond the base software price.

Q: Which version of TurboTax is more affordable?

A: TurboTax Home and Business is generally more affordable than TurboTax Business, making it a better option for individuals rather than entities.

Q: Does TurboTax provide guidance for maximizing deductions?

A: Yes, both TurboTax Business and TurboTax Home and Business offer tools and guidance to help users identify and maximize potential deductions relevant to their tax situations.

Q: Can I switch between TurboTax Business and TurboTax Home and Business in the same year?

A: It's not possible to switch between the two versions for the same tax year, as each is designed for different types of tax filings.

Q: What support options does TurboTax offer for its products?

A: TurboTax offers various support options, including online chat, phone support, and access to tax professionals, along with a comprehensive help center filled with resources.

Q: How do I choose between TurboTax Business and TurboTax Home and Business?

A: Choose TurboTax Business if you operate a corporation or partnership. Opt for TurboTax Home and Business if you are self-employed or a freelancer needing to file personal and business taxes together.

turbotax business vs turbotax home and business: Turbotax 2018: Learning the Basics Dale Michelson, Timely and accurate filing and payment of taxes is an important role for all taxpayers. In an effort to improve this process, tax service software have become a popular feature during tax season; varying in what they offer and attempting to cater to every need of the taxpayer. Among the more renowned tax service software is TurboTax. This software was first created by Michael Chipman and dates back to the mid-1980s. The software is designed to offer a number of features to enhance the convenience of preparing and filing the 2018 returns. Among the features that users of the 2018 software will be able to enjoy is its one hundred percent accuracy guarantee, its maximum refund guarantee as well as the ability to import a still image of content for use in the returns. New to the software is the new debt-to-income ratio calculator, credit score calculator, timely e-filing, guaranteed audit support, personalized on-call service with trained tax experts, and the ability to auto-import the full W-2 form.
