

when business is so good meme

when business is so good meme has emerged as a popular cultural phenomenon that reflects the humorous side of success in the business world. This meme typically portrays the overwhelming joy and excitement that comes when business activities reach an unexpectedly high level. Often featuring relatable characters or situations, these memes resonate not only with entrepreneurs but also with anyone who has ever experienced a sudden surge in work or demand. In this article, we will delve into the origins and development of the "when business is so good" meme, explore its various iterations, and discuss its impact on social media and business culture. Additionally, we will examine how businesses can leverage this meme for marketing purposes and the balance between humor and professionalism in branding.

- Introduction to the Meme
- Origins of the "When Business is So Good" Meme
- Variations and Popular Formats
- Impact on Social Media and Business Culture
- Using the Meme for Marketing
- Balancing Humor and Professionalism
- Conclusion

Origins of the "When Business is So Good" Meme

The "when business is so good" meme has its roots in the broader category of reaction memes that have gained traction in the digital age. Initially, it began as a simple expression of joy, with images or GIFs depicting characters celebrating success or feeling overwhelmed by demand. This meme taps into the universal experience of feeling overjoyed during peak business times, making it relatable to a wide audience, including small business owners, freelancers, and corporate employees.

One of the earliest instances of this meme can be traced back to 2015, when various social media platforms, particularly Twitter and Facebook, began showcasing humorous takes on the everyday challenges faced by professionals. As memes evolved, the format became more defined, often featuring exaggerated facial expressions, popular movie scenes, or even animated GIFs that perfectly encapsulate the feeling of being overwhelmed by success.

Variations and Popular Formats

As the "when business is so good" meme gained popularity, several variations emerged, each bringing a unique twist to the original concept. These variations often rely on different cultural references, images, and humor styles to appeal to diverse audiences.

Common Formats

Some of the most popular formats of the meme include:

- **Character Reactions:** Memes featuring well-known characters, such as those from animated series or blockbuster films, expressing joy or disbelief at their sudden success.
- **Before and After Scenarios:** Illustrations showing a person's initial struggle followed by a triumphant moment when business booms.
- **Animated GIFs:** Short clips capturing spontaneous reactions to business successes, often shared for their comedic timing.
- **Text Memes:** Simple text-based memes that humorously describe scenarios where individuals are overwhelmed with work or success.

Each format brings its own flavor, allowing users to express the sentiment of being busy but happy in a way that resonates with their audience. The flexibility of the meme format has contributed to its widespread use across various social media platforms.

Impact on Social Media and Business Culture

The impact of the "when business is so good" meme on social media has been significant. It has fostered a sense of community among entrepreneurs and professionals who share similar experiences. By portraying the sometimes chaotic nature of success, these memes help to normalize the feelings of stress and joy that come with running a business.

Cultural Significance

From a cultural standpoint, the meme serves several important functions:

- **Relatability:** Many individuals can relate to the pressures of success, making the meme a

common ground for shared experiences.

- **Encouragement:** The humorous take can inspire others to persevere through challenging times, reminding them that success is often within reach.
- **Engagement:** Businesses and influencers leverage these memes to engage their audiences, creating a more personable brand image.

Furthermore, the meme has influenced how businesses communicate their achievements. Rather than solely focusing on metrics and statistics, many organizations now emphasize the emotional journey of success, often utilizing humor to make their messaging more relatable.

Using the Meme for Marketing

Businesses looking to capitalize on the popularity of the "when business is so good" meme can do so in various ways. By incorporating humor into their marketing strategies, organizations can create relatable content that resonates with potential customers.

Strategies for Effective Marketing

Some strategies include:

- **Social Media Campaigns:** Create campaigns that feature the meme, encouraging followers to share their own experiences of business success.
- **Brand Storytelling:** Use the meme to highlight real stories from your business, showcasing how you navigated periods of high demand.
- **Interactive Content:** Engage your audience with polls or challenges that invite them to share their own "when business is so good" moments.

By integrating these strategies, businesses can enhance their brand presence and connect more deeply with their audience. The lighthearted nature of the meme allows companies to showcase their personality, making them more approachable and memorable.

Balancing Humor and Professionalism

While humor can be an effective tool for engagement, it is essential to maintain professionalism. Businesses must carefully consider their brand image and audience when employing memes in their

marketing efforts.

Considerations for Brands

To strike the right balance, brands should:

- **Know Your Audience:** Understand the preferences and sensitivities of your target audience to ensure the humor resonates positively.
- **Stay On-Brand:** Ensure that the humor aligns with your brand's values and image to maintain credibility.
- **Avoid Controversy:** Steer clear of humor that could be misinterpreted or deemed offensive, as this can damage your brand's reputation.

By following these guidelines, businesses can effectively utilize the "when business is so good" meme while fostering a positive and professional image.

Conclusion

The "when business is so good" meme encapsulates the joy and chaos of experiencing success in the business world. As it continues to evolve, its impact on social media and business culture grows, providing a lighthearted lens through which individuals can share their experiences. By leveraging this meme for marketing purposes, businesses can cultivate a relatable brand image while engaging their audiences. Ultimately, the key lies in balancing humor with professionalism, ensuring that the messaging remains consistent and respectful. As the meme culture continues to thrive, understanding its nuances will be vital for businesses looking to connect with their audience effectively.

Q: What does the "when business is so good" meme typically depict?

A: The "when business is so good" meme typically depicts characters or situations expressing joy or overwhelm due to a surge in business or demand. It captures the emotional highs and humorous challenges that come with success.

Q: How can businesses use this meme for marketing?

A: Businesses can use the meme for marketing by creating social media campaigns, showcasing relatable business stories, and engaging their audience through interactive content that invites them to share their own success experiences.

Q: What are some popular formats of the meme?

A: Popular formats of the meme include character reactions, before-and-after scenarios, animated GIFs, and text-based memes that humorously describe overwhelming business moments.

Q: Why is relatability important in the meme's appeal?

A: Relatability is crucial because it fosters a sense of community among individuals who share similar experiences, making the meme resonate with a wide audience, including entrepreneurs and professionals.

Q: How does the meme impact business culture?

A: The meme impacts business culture by normalizing the stress and joy associated with success, encouraging individuals to share their experiences and fostering a supportive community.

Q: What should brands consider when using humor in marketing?

A: Brands should consider their audience, ensure humor aligns with their brand values, and avoid potentially controversial or offensive content to maintain professionalism and credibility.

Q: Can the meme be used in professional settings?

A: Yes, the meme can be used in professional settings, provided it is aligned with the company's image and resonates well with the audience, contributing to a relatable and engaging communication style.

Q: What are the risks of using memes in marketing?

A: The risks include potential misinterpretation, offending the audience, or damaging brand reputation if the humor does not align with the brand's values or audience sensibilities.

Q: How can businesses measure the effectiveness of using memes in their marketing strategy?

A: Businesses can measure effectiveness through engagement metrics, such as likes, shares, comments, and overall reach, as well as analyzing feedback and sentiment from their audience regarding the content.

when business is so good meme: Meme Selling Malik Jordan, 2020-03-28 My name is Malik Jordan. I am the author of this book and this will probably be the most honest book introduction/description that you have ever read. Meme Selling: How To Earn More Than \$100 Making Memes in 5 Simple Steps Censored is quite frankly nothing but a short book showing people how to go from a beginner level meme creator to a professional meme creator that earns money making memes for people online. Most authors overpromise and under deliver when they write their book introduction. That is not what I am about to do. In this introduction I will tell you how to earn more than \$100 making memes in 5 simple steps. My advice will be practical and straight to the point. Let's Be Honest Book introductions are basically a form of marketing to get people to buy the book. In this book introduction I am going to be very transparent with you. I'll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me. Did I write this introduction to market it to you and to get book sales? The answer is yes, but I do not want just anyone to buy this book. I want this book to be bought by people who are serious about earning money from making great memes. This Book Is Cheap! For just the low price of \$2.99 you can learn how to earn more than \$100 making memes in 5 simple steps. According to CollegeBoard.com, the national average for college textbooks is \$1,137 per year. You purchasing this book will be an inexpensive investment in your future and if you practice the 5 SIMPLE steps in this book it will pay for itself. 3 Reasons Why This Book Is So Cheap The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials. Millennials are the poorest generation so far. That's why I made this book cheap when I self-published it. The second reason this book is so cheap is because it is SUPER short. Usually when you hear advice that is straight to the point it is short. The truth is usually short, straight to the point, and simple, just like this book. The third reason why this book is so cheap is because it didn't take a lot of money to write and self-publish this book in the first place. I don't owe a book publishing company money so I'm not about to charge you over \$20 for a book like this. What You Are Being Sold Let's address the elephant in the room. I'm not selling you the perfect book because the perfect book doesn't exist, no matter how much work I put into it or hire someone else to put into it. I'm selling you a book with practical, easy to understand steps on how to earn more than \$100 making memes. Also, this book contains proof that I was able to earn more than \$100 making memes just so that you know that all of this is indeed possible to do. QUICK DISCLAIMER Before I get into the 5 steps that will be taught to you, I want to let you know a few things. This is not a scam. No, the steps will not be easy, but they are not hard either. The 5 steps are SIMPLE. If you aren't satisfied you can get your money back. Usually, when people do research on how to create an extra stream of income, they come across things like affiliate marketing and making YouTube videos. This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income. Can I Earn More Than \$100 Making Memes? I know what you're probably thinking and the answer is yes. You can earn more than \$100 making memes. I have done it before. There is no limit to how much money you can earn making memes. What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST \$100 dollars making memes. As long as you have a talent for making memes and self-efficacy you will be able to earn more than \$100 making memes. QUICK SUMMARY STEP ONE - MAKE GREAT MEMES. STEP TWO - BUILD CREDIBILITY THROUGH CONTENT MARKETING. STEP THREE - EARN MORE THAN \$100 BY STARTING A BUSINESS. STEP FOUR - COLLECT YOUR REVENUE AND GET PAID. STEP FIVE - TAKE EVERYTHING YOU HAVE LEARNED AND TURN IT INTO A BOOK THAT YOU CAN SELF PUBLISH ON AMAZON.COM ACT NOW! Do you or do you not want to know how to earn more than \$100 making memes? Are you already experienced in creating funny memes regularly for free and

would like to know how to earn money doing it? If you answered yes to these 2 questions above then do yourself a huge favor and buy this inexpensive book. This book can be yours today for just \$2.99. You can't find a brand new college textbook being sold for \$2.99, but you can own this one for \$2.99 right now. If you want 5 practical pieces of advice that will help you create an extra stream of income making memes, this is the book you need to be buying right now. Most authors would charge 2 to 3 times more than \$2.99. This book is practically a steal. Act now! Buy Meme Selling: How To Earn More Than \$100 Making Memes in 5 Simple Steps Censored for \$2.99, today. when business is so good meme: Living on a Meme Richard Telofski, 2012 Living on a Meme - How Anti-Corporate Activists Bend the Truth, and You, to Get What They Want is about the NGOs and activist groups that engage corporations adversarially and how they use meme to further their anti-corporate agendas. What's meme? Say the word as meeeeeeem. The dictionary says that a meme is an idea that spreads from one person to another. And thanks to today's Internet, memes get started, spread, and believed in a flash, whether they are true or not, making them formidable tools for groups that damage company reputations. Here in his fifth book, author Richard Telofski takes an in-depth look at anti-corporate NGOs and activist groups that use memes cleverly to compete with the image of the companies they target. These groups unabashedly use unchallenged memes to bribe people to their side of their anti-corporate argument. Bribe? Yes. By leveraging a meme, these groups bribe people with something, a way to feel better about themselves, often with scant or no support of the meme. Through their meme-mangling, adversarial NGOs and activists can impose undeserved damage on corporate reputations, costing market share, revenue, and jobs, maybe one of them yours. These organizations are truly competitors, not only to the individual corporations that they target, but also to the economic system in general. Living on a Meme is compiled from a selection of articles published on Richard's Web site, Telofski.com, between August 1, 2009 through August 3, 2010. But, many of these writings are more essay than article. Within the essays in this book, you'll find insights, theories, as well as specific facts and analysis on how certain NGOs and activist groups operate online and offline to sap companies of their vital reputation. By reading this book, you'll discover how these irregular competitors make use of existing cultural memes, true or not, and how they contribute to those memes, strengthening them and contributing to the degradation of a company's image. Don't worry. This book isn't just a repackaging of blog postings. You're going to get more than that. At the end of each chapter you will find bonus Take-Aways. Those Take-Aways are critical analyses of the essays in the chapter, pointing out for you how what was just discussed relates to an NGO's or activist's reliance of living on a meme or their hope that

YOU are living on THEIR meme for them. You'll also find in this book 23 exclusive essays that appear only in this book. So, start your journey now into the understanding of how anti-corporate NGOs and activists bend the truth, and the beliefs of people, to get what they want.

when business is so good meme: Seriously, So Good Carissa Stanton, 2024-04-16 INSTANT NEW YORK TIMES BESTSELLER • Delicious, satisfying recipes that are good for your health, heart, and mind by the beloved blogger and creator of Brocc Your Body. Self-proclaimed SoCal beach girl Carissa Stanton first earned her nickname Brocc, not because of an obsession with broccoli (though she thinks it's a damn good veggie), but because she hosted weekly girl's nights with her friends who loved to cook, eat—and move their bodies. With Justin Timberlake's "Rock Your Body" in mind, she combined her love of food and created @BroccYourBody to start sharing her favorite recipes on Instagram. Now, Carissa shares with her hundreds of thousands of followers how cooking for yourself after a busy day of work can be just as exciting as relaxing with friends over cocktails and apps. Seriously, So Good reflects her philosophy of feeling good about what she's cooking and eating by making smart choices without depriving herself of carbs or a splash of cream here and there. She wants to remove the anxiety around food by helping us all feel more confident in and out of the kitchen. She shares her recipes and balanced outlook to motivate others to experience a stress-free cooking approach while enjoying mouth-watering meals alone or with loved ones. The 100 flavor-bomb dishes, which are approachable, nourishing, and always fun, include all-time favorites such as her viral Greek-Style Lemon Chicken Soup, a better-for-you take on fast food with her "Fried" Chicken Sandwich with Special Sauce, and more like: Pan-Fried Brie with Pistachios and Rosemary Hot Honey Sun-Dried Tomato and Feta Turkey Burgers with Jalapeño Tzatziki Brown Butter Lemon Halibut with Asparagus and Olive Oil Whipped Potatoes Chicken Pot Pie Soup with Flaky Biscuits Spicy Rosé Spritz Flourless Espresso Brownies Carissa describes her recipes as healthy, but not too healthy because health isn't just about being able to run a marathon or eating "clean." It's about living your life to the fullest.

An accompanying Companion Website (www.routledge.com/cw/shaw) features video tutorials, a student showcase, and more.

when business is so good meme: Wanting Luke Burgis, 2021-06-01 * Financial Times Business Book of the Month * Next Big Idea Club Nominee * One of Bloomberg's 52 New Books That Top Business Leaders Are Recommending * Aleo Review of Books 2022 Book of the Year * A groundbreaking exploration of why we want what we want, and a toolkit for freeing ourselves from chasing unfulfilling desires. Gravity affects every aspect of our physical being, but there's a psychological force just as powerful—yet almost nobody has heard of it. It's responsible for bringing groups of people together and pulling them apart, making certain goals attractive to some and not to others, and fueling cycles of anxiety and conflict. In Wanting, Luke Burgis draws on the work of French polymath René Girard to bring this hidden force to light and reveals how it shapes our lives and societies. According to Girard, humans don't desire anything independently. Human desire is mimetic—we imitate what other people want. This affects the way we choose partners, friends, careers, clothes, and vacation destinations. Mimetic desire is responsible for the formation of our very identities. It explains the enduring relevancy of Shakespeare's plays, why Peter Thiel decided to be the first investor in Facebook, and why our world is growing more divided as it becomes more connected. Wanting also shows that conflict does not arise because of our differences—it comes from our sameness. Because we learn to want what other people want, we often end up competing for the same things. Ignoring our large similarities, we cling to our perceived differences. Drawing

on his experience as an entrepreneur, teacher, and student of classical philosophy and theology, Burgis shares tactics that help turn blind wanting into intentional wanting--not by trying to rid ourselves of desire, but by desiring differently. It's possible to be more in control of the things we want, to achieve more independence from trends and bubbles, and to find more meaning in our work and lives. The future will be shaped by our desires. Wanting shows us how to desire a better one.

when business is so good meme: The Magazine of Wall Street and Business Analyst, 1922

when business is so good meme: Modern Distributed Tracing in .NET Liudmila Molkova, Sergey Kanzhelev, 2023-06-30 Instrument .NET apps using OpenTelemetry and explore logs and .NET diagnostic tools to debug, monitor, and analyze the performance of complex systems in the cloud Purchase of the print or Kindle book includes a free PDF eBook Key Features Get a clear understanding of complex systems using .NET and OpenTelemetry Adopt a systematic approach toward performance analysis and debugging Explore instrumentation techniques for common distributed patterns Book Description As distributed systems become more complex and dynamic, their observability needs to grow to aid the development of holistic solutions for performance or usage analysis and debugging. Distributed tracing brings structure, correlation, causation, and consistency to your telemetry, thus allowing you to answer arbitrary questions about your system and creating a foundation for observability vendors to build visualizations and analytics. Modern Distributed Tracing in .NET is your comprehensive guide to observability that focuses on tracing and performance analysis using a combination of telemetry signals and diagnostic tools. You'll begin by learning how to instrument your apps automatically as well as manually in a vendor-neutral way. Next, you'll explore how to produce useful traces and metrics for typical cloud patterns and get insights into your system and investigate functional, configurational, and performance issues. The book is filled with instrumentation examples that help you grasp how to enrich auto-generated telemetry or produce your own to get the level of detail your system needs, along with controlling your costs with sampling, aggregation, and verbosity. By the end of this book, you'll be ready to adopt and leverage tracing and other observability signals and tools and tailor them to your needs as your system evolves. What you will learn Understand the core concepts of distributed tracing and observability Auto-instrument .NET applications with OpenTelemetry Manually instrument common scenarios with traces and metrics Systematically debug issues and analyze the performance Keep performance overhead and telemetry volume under control Adopt and evolve observability in your organization Who this book is for This book is for software developers, architects, and systems operators running .NET services who want to use modern observability tools and standards and take a holistic approach to performance analysis and end-to-end debugging. Software testers and support engineers will also find this book useful. Basic knowledge of the C# programming language and .NET platform is assumed to grasp the examples of manual instrumentation, but it is not necessary.

when business is so good meme: The Great Beanie Baby Bubble Zac Bissonnette, 2015-03-03 "Fascinating, strange, sad, funny, and entirely engrossing, The Great Beanie Baby Bubble is a smart, engaging book that's as much about the odd saga of these plush toys as it is about the nature of obsession and desire." —SUSAN ORLEAN, author of Rin Tin Tin New York Times bestselling author Zac Bissonnette explores what happened when a \$5 stuffed animal took over America and turned a college dropout into a billionaire. Now a major motion picture starring Elizabeth Banks and Zach Galifianakis, The Great Beanie Baby Bubble tells the story of the most extraordinary craze of the 1990s. In the history of consumer crazes, nothing compares to Beanie Babies. With no advertising or big-box distribution, creator Ty Warner – an eccentric college dropout – became a billionaire in just three years. But the end of the fad was just as swift and extremely devastating, with rare Beanie Babies deemed worthless as quickly as they'd once been deemed priceless. Bissonnette explains how and why the Beanie Baby craze rose and fell, and explores the rise of ecommerce and eBay. Through first-ever interviews with former Ty Inc. employees, Warner's sister, and the two ex-girlfriends who were by his side as he became the richest man in the history of toys, The Great Beanie Baby Bubble tells the inspiring yet tragic story of one of America's most

enigmatic self-made tycoons. Perfect for collectors, investors, and fans of marketing and business books, *The Great Beanie Baby Bubble* explores the mass hysteria that captivated America.

when business is so good meme: *The Business of Enlightenment* Robert DARNTON, Robert Darnton, 2009-06-30 A major achievement of American scholarship and in the first rank of those which have been transforming our view of French history during the last twenty years. --New York Review of Books A great book about an even greater book is a rare event in publishing. Robert Darnton's history of the *Encyclopédie* is such an occasion. The author explores some fascinating territory in the French genre of *histoire du livre*, and at the same time he tracks the diffusion of Enlightenment ideas. He is concerned with the form of the thought of the great philosophes as it materialized into books and with the way books were made and distributed in the business of publishing. This is cultural history on a broad scale, a history of the process of civilization. In tracing the publishing story of Diderot's *Encyclopédie*, Darnton uses new sources--the papers of eighteenth-century publishers--that allow him to respond firmly to a set of problems long vexing historians. He shows how the material basis of literature and the technology of its production affected the substance and diffusion of ideas. He fully explores the workings of the literary market place, including the roles of publishers, book dealers, traveling salesmen, and other intermediaries in cultural communication. How publishing functioned as a business, and how it fit into the political as well as the economic systems of prerevolutionary Europe are set forth. The making of books touched on this vast range of activities because books were products of artisanal labor, objects of economic exchange, vehicles of ideas, and elements in political and religious conflict. The ways ideas traveled in early modern Europe, the level of penetration of Enlightenment ideas in the society of the Old Regime, and the connections between the Enlightenment and the French Revolution are brilliantly treated by Darnton. In doing so he unearths a double paradox. It was the upper orders in society rather than the industrial bourgeoisie or the lower classes that first shook off archaic beliefs and took up Enlightenment ideas. And the state, which initially had suppressed those ideas, ultimately came to favor them. Yet at this high point in the diffusion and legitimation of the Enlightenment, the French Revolution erupted, destroying the social and political order in which the Enlightenment had flourished. Never again will the contours of the Enlightenment be drawn without reference to this work. Darnton has written an indispensable book for historians of modern Europe.

when business is so good meme: *Industry Forward and Technology Transformation in Business and Entrepreneurship* Mohd Nor Hakim Yusoff, 2023-07-31 This book, bringing together selected papers from the 10th International Conference on Entrepreneurship, Business and Technology (InCEBT) on the overarching theme of 'Industry Forward and Technology Transformation in Business and Entrepreneurship', provides the audience some preliminary understanding of the current and emerging trends in entrepreneurship and business activities. This includes the usage of information and digital technology in business, competition in a digital economy, its challenges and opportunities, and transformation of business and entrepreneurship for the forward industry.

when business is so good meme: *The Motor World* , 1915

when business is so good meme: *Business Culture Design (englische Ausgabe)* Simon Sagmeister, 2018-05-09 Although culture is what gives companies the ability to survive, it is often addressed only after problems have emerged. While it is true that corporate culture cannot be put into numbers, it can be visualized and modeled using the author's Culture Map. The values underlying all corporate cultures are represented in seven colors which combine to form individual patterns. The Culture Map can be used as a basis for successful change and innovation processes, mergers, and integrations. When managers and employees see where they are trying to go, it enables them to take the appropriate decisions and actions. This is the perfect (work-)book for those who want to know what makes their organization tick and who want to actively sculpt its success. Carina Kontio, *Handelsblatt* An extensive introduction to the topic of corporate culture with vivid case studies and graphics. Very attractive design and great visual transfer. *acquisa*

when business is so good meme: *ISSE 2011 Securing Electronic Business Processes* Norbert

Pohlmann, Helmut Reimer, Wolfgang Schneider, 2019-06-07 This book presents the most interesting talks given at ISSE 2011 - the forum for the inter-disciplinary discussion of how to adequately secure electronic business processes. The topics include: - Cloud Computing & Enterprise Security Services - Awareness, Education, Privacy & Trustworthiness - Smart Grids, Mobile & Wireless Security - Security Management, Identity & Access Management - eID & eGovernment - Device & Network Security Adequate information security is one of the basic requirements of all electronic business processes. It is crucial for effective solutions that the possibilities offered by security technology can be integrated with the commercial requirements of the applications. The reader may expect state-of-the-art: best papers of the Conference ISSE 2011.

when business is so good meme: Mother Jones Magazine , 1992-01 Mother Jones is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues.

when business is so good meme: Into Hell I Rode Ii Atwood, 2011-04-01 In his revealing and frank autobiography, David G. Atwood, II takes us into a world of government corruption, back-stabbing politicians and an all too familiar tour of the criminal justice system. Persecuted by a corrupt sheriff's department for exposing a cabal of local corruption that reached into the upper echelon of international politics; prosecuted and sent to federal prison for a crime he didn't commit; and discriminated against for being gay, David leads us on a journey through the life of a prisoner that only an insider could tell and captivates us with a story of courage that will inspire everyone who reads it. Whether revealing the drug connections that for years have padded the pockets of the local cops and exposing how government-sanctioned drug deals in Vicksburg, Mississippi helped illegally fund the Nicaraguan Contras in the 1980's, David leaves no hole's barred as he takes aim at those who would misuse their political power for personal gain.
