

women rocking business

women rocking business have become a powerful force in today's economy, reshaping industries and breaking glass ceilings across the globe. The rise of female entrepreneurs and leaders in various sectors illustrates not only their capabilities but also the necessity of their contributions in the business landscape. This article will explore the key factors that contribute to the success of women in business, highlight inspiring stories and statistics, and provide insights into the challenges they face. We will also discuss strategies for supporting women's entrepreneurship and leadership, paving the way for future generations.

The following sections will delve into these topics, offering a comprehensive overview of women rocking business today.

- Introduction to Women in Business
- Statistics on Women Entrepreneurs
- Challenges Faced by Women in Business
- Strategies for Success
- Inspiring Stories of Women Leaders
- The Importance of Support Networks
- Future Trends in Women's Business Leadership

Introduction to Women in Business

The role of women in business has evolved significantly over the past few decades. Initially, women were often relegated to supportive roles or were limited in their career advancement opportunities. However, as societal norms have shifted and educational opportunities have expanded, more women are stepping into leadership positions and launching their own ventures. This transformation is not merely a trend; it is a fundamental change in how businesses operate and thrive. Today, women are making remarkable strides in diverse industries, from technology to finance, and their influence is indelible.

The Evolution of Women's Roles in Business

Historically, women's participation in the workforce was constrained by

various factors, including societal expectations and limited access to education. Over time, movements advocating for gender equality have played a pivotal role in changing perceptions. The introduction of policies supporting women's rights in education and the workplace has empowered women to pursue careers and entrepreneurship. As a result, women now represent a significant portion of the workforce, contributing to economic growth and innovation.

Statistics on Women Entrepreneurs

The statistics surrounding women entrepreneurs are both inspiring and encouraging. According to recent studies, women-owned businesses are growing at an unprecedented rate. In fact, women entrepreneurs are starting businesses at a rate that outpaces their male counterparts. These statistics underscore the vital role women play in the economy.

Key Statistics

Here are some key statistics that highlight the impact of women in business:

- Women own approximately 42% of all businesses in the United States.
- Female entrepreneurs have created over 9 million jobs in the U.S. alone.
- The global female entrepreneurship rate is estimated at 10%.
- Businesses owned by women generate \$1.7 trillion in revenue annually.

These numbers illustrate the significant economic contributions and potential of women business owners. They highlight a growing trend that is crucial for economic recovery and innovation.

Challenges Faced by Women in Business

Despite the impressive strides made by women in business, they still encounter numerous challenges that can hinder their success. Understanding these obstacles is essential for creating a more equitable business environment.

Common Challenges

Women in business face various hurdles, including:

- **Access to Funding:** Women entrepreneurs often struggle to secure financing for their ventures, facing biases from traditional funding

sources.

- **Work-Life Balance:** Balancing professional responsibilities with personal life remains a challenge, particularly for those with caregiving duties.
- **Networking Opportunities:** Women may have fewer networking opportunities compared to their male counterparts, limiting their access to mentorship and capital.
- **Stereotypes and Bias:** Gender bias in the workplace can lead to discrimination and unequal treatment in professional settings.

Addressing these challenges is critical for fostering a more inclusive business environment where women can thrive.

Strategies for Success

To overcome the challenges faced by women in business, several strategies can be implemented. These strategies not only empower women but also promote a more inclusive business ecosystem.

Empowering Women Entrepreneurs

Some effective strategies include:

- **Access to Education:** Providing entrepreneurship training and business education can equip women with the necessary skills to succeed.
- **Mentorship Programs:** Establishing mentorship opportunities can connect aspiring female entrepreneurs with experienced leaders in their fields.
- **Supportive Policies:** Advocating for policies that promote gender equality in the workplace can create a more favorable environment for women.
- **Networking Events:** Organizing networking events specifically for women can help build connections and open doors to new opportunities.

Implementing these strategies can significantly enhance the prospects of women in business.

Inspiring Stories of Women Leaders

Many women have made remarkable contributions to business and society, serving as role models for future generations. Their stories of perseverance

and success can inspire and motivate others to pursue their entrepreneurial dreams.

Notable Women in Business

Some inspiring stories include:

- **Indra Nooyi:** Former CEO of PepsiCo, Nooyi transformed the company with her strategic vision and commitment to sustainability.
- **Oprah Winfrey:** A media mogul and philanthropist, Winfrey built a media empire and became a powerful advocate for women's rights and education.
- **Mary Barra:** The first female CEO of General Motors, Barra has led the company through significant transformations in the automotive industry.

These women exemplify the potential for success and leadership that women can achieve in business.

The Importance of Support Networks

Support networks play a crucial role in the success of women in business. These networks provide resources, mentorship, and encouragement, helping women navigate the complexities of entrepreneurship and corporate leadership.

Building Effective Networks

Creating and maintaining supportive networks can involve:

- **Joining Professional Organizations:** Organizations focused on women in business can offer valuable resources and connections.
- **Creating Peer Support Groups:** Establishing groups where women can share experiences and advice can foster collaboration and empowerment.
- **Engaging in Community Initiatives:** Participating in community programs can help women connect with like-minded individuals and broaden their support systems.

By fostering these networks, women can empower each other and create a stronger business community.

Future Trends in Women's Business Leadership

The future looks promising for women in business, with several trends indicating continued growth and influence. As society increasingly recognizes the value of diverse leadership, women's roles in various sectors are expected to expand further.

Emerging Trends

Some key trends that may shape the landscape for women in business include:

- **Increased Funding for Women-Owned Businesses:** Financial institutions are recognizing the importance of supporting women entrepreneurs, leading to more funding opportunities.
- **Focus on Diversity and Inclusion:** Companies are prioritizing diversity in leadership, creating more opportunities for women to rise to top positions.
- **Rise of Remote Work:** The shift to remote work can provide flexibility, allowing more women to enter and succeed in the workforce.

These trends indicate a positive trajectory for women in business, suggesting that their contributions will only continue to grow.

As we reflect on the evolution of women rocking business, it becomes evident that their impact is profound and far-reaching. By understanding the challenges they face and implementing strategies for success, we can create an environment where women not only thrive but also lead the way into the future of entrepreneurship and leadership.

Q: What does it mean to be a woman entrepreneur?

A: A woman entrepreneur is a female business owner who takes on the risks and rewards of starting and running a business. She may operate in various industries and is often characterized by her ability to innovate, lead, and influence change.

Q: How can companies support women in leadership roles?

A: Companies can support women in leadership by implementing diversity initiatives, offering mentorship programs, creating flexible work environments, and ensuring equal opportunities for career advancement.

Q: What are some common barriers to funding for women entrepreneurs?

A: Common barriers include gender bias in funding decisions, limited access to networks that provide funding opportunities, and a lack of collateral or financial history that investors often require.

Q: How do support networks benefit women in business?

A: Support networks provide women with resources, mentorship, and connections that can help them navigate challenges, gain valuable insights, and foster collaboration, ultimately enhancing their chances of success.

Q: What industries are seeing the most growth in female entrepreneurship?

A: Industries such as technology, health care, e-commerce, and sustainable businesses are seeing significant growth in female entrepreneurship, driven by innovation and changing consumer demands.

Q: Why is diversity important in business leadership?

A: Diversity in business leadership leads to varied perspectives, improved decision-making, and enhanced creativity, which can drive better business outcomes and foster a more inclusive workplace culture.

Q: What role does education play in empowering women entrepreneurs?

A: Education equips women with the necessary skills, knowledge, and confidence to start and manage their businesses effectively, enabling them to navigate the complexities of entrepreneurship.

Q: How can women overcome stereotypes in business?

A: Women can overcome stereotypes by demonstrating their expertise and capabilities, building strong professional networks, and advocating for themselves and other women in their industries.

Q: What impact do female role models have on aspiring businesswomen?

A: Female role models provide inspiration, guidance, and a tangible example of success, encouraging aspiring businesswomen to pursue their goals and believe in their potential.

Q: What future trends can we expect for women in business?

A: Future trends may include increased funding opportunities for women-owned businesses, a focus on diversity in leadership, and the continued rise of women in traditionally male-dominated industries.

women rocking business: *Women Rocking Business* Sage Lavine, 2017-09-26 Can a woman like me, with just the spark of an idea, actually start a business and make money? Can I have a meaningful career that fits into my life, instead of fitting my life into the cracks of my work schedule? If you're asking these questions, you've come to the right place —and the answer is a resounding YES! Sage Lavine is the CEO of Women Rocking Business, a consulting and coaching organization that has helped nearly 100,000 aspiring women entrepreneurs around the globe to build businesses that change the world. Her revolutionary approach is based on honoring innate feminine values: we become thriving entrepreneurs by empowering others rather than having power over them, working in a spirit of collaboration rather than competition, and prioritizing contribution rather than gain. In this book, Sage gives you the road map that has guided thousands of her clients —professional women in fields from health care to manufacturing to consulting, from therapists and artists to yoga teachers and real estate agents —to build their own successful and sustainable businesses on their own terms. You'll learn how to: • Identify your gift to the world • Heal your relationship with money • Build a support network of entrepreneurial sisters • Plan winning strategies for marketing, sales, and service • Achieve success by working just 12 days a month (yes, it's true!) • And much more Filled with real-life case studies, integration exercises, and practical advice on every aspect of entrepreneurship, *Women Rocking Business* is an answered prayer for any woman who wants to get a business off the ground or take it to the next level. If you're ready to make the difference you were born to make, Sage is ready to show you the way. You've got this!

women rocking business: *Women Rocking Business* Sage Lavine, 2021-08-03 Women are rocking the world of business, changing the face of commerce, and bringing our talents to the marketplace with fervor, commitment, and passion. Over the last 15 years, women have stepped into entrepreneurship in significantly greater numbers than men, but we're also failing at those

businesses even faster than men. This book is going to change that. Women Rocking Business provides a revolutionary approach to building a business that honors innate feminine values. The book is full of practical how-to's that will help women become thriving entrepreneurs from a place of empowering others rather than powering over them, a place of collaboration rather than competition and contribution rather than greed. Sage Lavine has seen firsthand through working with thousands of emerging female entrepreneurs that when women learn about marketing and entrepreneurship through this lens, they are better positioned to implement effective strategies and create success. Sage is the CEO of Women Rocking Business, a consulting and coaching organization that has touched and inspired over 75,000 aspiring women entrepreneurs around the globe to build businesses that change the world. In this practical guidebook, she lays out a specific plan for building a business that honors work-life balance to a degree readers may not have thought possible (or practical). They will discover how, by working just 12 days a month or less, they can have a career that both supports them financially and fits into their lives, rather than having to settle for a life that fits around an overwhelming work schedule. It's a new day and the opportunity for women is great. This book will be an answered prayer for women who hope to unleash their life's potential and make their mark upon the world.

women rocking business: *The Inner Goddess Revolution* Lyn Thurman, 2015-03-27 Unlock your inner goddess and revolutionise your world. The Inner Goddess Revolution is a guide to reconnecting with your divine essence, your inner goddess, and taking life from ordinary to magical. It's an awakening of the spirit, and a reminder of the unlimited potential each and every one of us has inside.

women rocking business: Empowering Women Louise Hay, 2019-04-02 Women have struggled for a long time to have more dominion over their own lives. Louise L. Hay, best-selling author of *You Can Heal Your Life*, *The Power Is Within You*, and *Life: Reflections on Your Journey*, shows you how to become a strong and powerful being. She emphasizes that no matter what your past was like, you can learn to empower yourself and rise to the top. Some of the points Louise makes are: · Developing self-worth and self-esteem are the most powerful tools women can have; · A modern woman has the whole world in front of her—she can rise as high as her belief in herself; · Joy and happiness are always within you; · You do not have to feel incomplete without a man by your side; and · Your most important relationship is with yourself.

women rocking business: Do Less Kate Northrup, 2019-04-02 A practical and spiritual guide for working moms to learn how to have more by doing less. This is a book for working women and mothers who are ready to release the culturally inherited belief that their worth is equal to their productivity, and instead create a personal and professional life that's based on presence, meaning, and joy. As opposed to focusing on fitting it all in, time management, and leaning in, as so many books geared at ambitious women do, this book embraces the notion that through doing less women can have--and be--more. The addiction to busyness and the obsession with always trying to do more leads women, especially working mothers, to feel like they're always failing their families, their careers, their spouses, and themselves. This book will give women the permission and tools to change the way they approach their lives and allow them to embrace living in tune with the cyclical nature of the feminine, cutting out the extraneous busyness from their lives so they have more satisfaction and joy, and letting themselves be more often instead of doing all the time. *Do Less* offers the reader a series of 14 experiments to try to see what would happen if she did less in one specific way. So, rather than approaching doing less as an entire life overhaul (which is overwhelming in and of itself), this book gives the reader bite-sized steps to try incorporating over 2 weeks!

women rocking business: New Mom, New Job Megan Day, 2020-09-01 *New Mom, New Job* is the career-change guide for women who are amazing at what they do, but now have kids to consider in their quest for a life they love. Megan Day, a certified career coach and mom of two, is a wise and trusted friend guiding women throughout *New Mom, New Job* on what their next step is. Within *New Mom, New Job* she takes women through the process she has used with dozens of her clients.

Throughout its pages, women learn: The truth about why they have been second-guessing themselves so much The reason why most women go back to their old jobs The difference between not being ready to go back to work and being scared How to identify if the job they have now is the right one for them What a transition plan is and how to create one that is easy to follow and commit to

women rocking business: Every Day, I'm Brave Renee Zukin, 2025-08-08 Transform your relationship with fear and create a brave, joyful life with purpose. Fear is powerful—it takes hold of us in seconds and often refuses to let go, making even the simplest of tasks feel impossible. But your life doesn't have to be rooted in fear. You can be brave and do the inner work to create outer change. Glennon Doyle meets Kay Redfield Jamison in this unflinchingly honest memoir-meets-manifesto for anyone living with anxiety, OCD, or simply the weight of being human. Every Day, I'm Brave offers a raw, lyrical, and unexpectedly empowering portrait of life lived alongside fear—not after it. With compassion, creativity, and zero pretense, Renee Zukin shares her story not as a cure, but as a call to radical bravery: to show up anyway. For anyone yearning for connection, self-acceptance, and the courage to create a life beyond survival, this book is both a balm and a blueprint. In a transformative blend of self-help and memoir, Every Day, I'm Brave guides you out of fear's grip and into a place of acceptance and empowerment. Through intentional reflection questions and tools for managing anxieties, you, too, can design a life filled with more compassion, connection, and courage. This isn't just about managing your mental health—it's about discovering the joy and purpose your life can hold when you are willing to work alongside its challenges. With vulnerable storytelling and a message rooted in resilience, this book invites you to cultivate courage and build a beautiful life even when it feels most difficult.

women rocking business: The Art of Feminine Negotiation Cindy Watson, 2022-08-09 Award-winning author and TEDx speaker Cindy Watson reveals how negotiation skills are a woman's secret weapon. The Art of Feminine Negotiation debunks myths and multi-generational gender conditioning that have stopped women from fully stepping into their power. Uncover the unconscious biases that have limited women from becoming the biggest and best versions of themselves. Learn the key skillsets that mark superior negotiators, explore how women already possess these skills in spades, and master how to start invoking these essential skills with intention in everyday life. Whether looking to negotiate a better relationship with an intimate partner or children, or negotiate the position, money, and respect deserved, The Art of Feminine Negotiation will elevate one's persuasive powers and influence, both personally and professionally. The book addresses both theory and practice and while packed with valuable research and information, it's written in a personal conversational tone that makes it accessible and enticing. With hands-on, practical advice about tactics, strategies, and tools to up anyone's negotiation game, as well as tips on where and when to apply them, readers will come away ready to get what they want and deserve from the boardroom to the bedroom.

women rocking business: Embrace Your Power Louise Hay, 2022-03-29 Now in paperback: From beloved, inspiring teacher Louise Hay, an updated edition of a classic guide to help women own their power and live fully. I am willing to see the magnificence of me. I join the ranks of women healing other women. I am a blessing to the planet. My future is bright and beautiful. When Louise Hay published the first edition of this book more than 20 years ago with the title Empowering Women, her hope was to help all women experience and take ownership of their self-love, self-worth, self-esteem, and rightful, powerful place in the world. Today, her words and wisdom ring as true as ever-and resonate even more deeply with women seeking the best next step on their path. This new paperback edition of her groundbreaking work delves insightfully into every aspect of a woman's life, from relationships to health to sexuality to finances. Louise's words hold up for examination the standards that have traditionally defined and limited women, and they encourage us to consciously shift our internal ground so we can celebrate women's experience in ways both big and small. This book is our invitation to live as fully and freely as we all deserve-and to embody the joyful truth Louise expressed: We are in a period of wonderful evolution now!

women rocking business: Disrupt-Her Miki Agrawal, 2019-01-29 From the co-founder of THINX and hellotushy.com, start-ups collectively valued at more than \$150 million, comes DISRUPT-HER, a rallying cry for women to radically question the status quo. Miki Agrawal has faced patriarchal pushback, fought girl-on-girl hate, ridden the roller coaster of building businesses as a female CEO, and even overcome an attempt to burn her for witchcraft (figuratively). In order to navigate the complicated--at times maddening--struggles of contemporary femininity, we need an unabashed manifesto for the modern woman that inspires us to move past outrage and take positive steps on the personal, professional, and societal levels. This manifesto galvanizes us to action in 13 major areas of our lives with as much fire power as possible. These are the credos we live by, the advice we give to friends, the tenets we instill in our companies and peers on a daily basis. Stories of badass female movers and shakers are shared in this book too to give you an extra jolt of I've got this. It's a whole body F*CK YES to your work, your love, your relationships, and your mission--while doing it all authentically, unapologetically, and with full integrity.

women rocking business: The Lovee Method Sharon Brock, 2021-08-17 The LOVEE Method is a five-step mindfulness tool to cultivate emotional resilience and process difficult emotions, such as anxiety, anger, or depression. The meditation practices of LOVEE (Label, Observe, Value, Embrace, and Equanimity) have been proven by neuroscience research to reduce stress and develop self-compassion and inner strength. In this teaching memoir, health journalist Sharon Brock shares her personal story with breast cancer and how she uses mindfulness meditation to navigate this challenging time. With honesty, courage, and humor, Sharon weaves these practices into her memoir as she reveals the emotional roller coaster one faces when coping with cancer--from the fear of death, to drastic changes in her physical body, to how the illness affects her love life. Her engaging vulnerability makes this book not only a practical guide, but also a comforting source of support for women to feel understood and not alone on this journey. This book is unique in that it highlights the intersection of science and spirituality. Sharon's story serves as evidence that Eastern modalities and Western medicine can work together for optimal healing. With the help of The LOVEE Method, Sharon grew stronger and wiser through her journey, and with this book, she hopes to help other women on this path to experience this same awakening.

women rocking business: Believe! Lisa Nicks-Balthasar, 2021-01-14 Believe! won't ask or teach you to change how you are; it will show you how to live who you are and ultimately discover your soulmate. -Dr. Lee Jampolsky, New York Times bestselling author, Smile For No Good Reason Lisa was living the all-American dream. Married to Keith, her high school sweetheart, born on the same day, soulmates at birth. But after Keith's untimely death plunges the family into despair, a devastating betrayal sends Lisa spiraling into grief and depression, and on an incredible odyssey of self-discovery, sexual and spiritual awakening, and rebirth. Divine signs and miracles fuel Lisa's unwavering quest for true love and inspire her methodology of hope, which culminates at a mystical desert temple at the Burning Man gathering. There, an oracle tells her to share her story with the world, just as she discovers her greatest love ever and the most unimaginable miracle of all. Can we find love again after significant loss? Can we have more than one soulmate? Do miracles exist? The answers are woven throughout this gripping and inspiring memoir that will make you Believe you can still live your greatest life!

women rocking business: Bring Your Whole Self To Work Mike Robbins, 2018-05-01 In today's work environment, the lines between our professional and personal lives are blurred more than ever before. Whatever is happening to us outside of our workplace--whether stressful, painful, or joyful--follows us into work as well. We may think we have to keep these realities under wraps and act as if we "have it all together." But as Mike Robbins explains, we can work better, lead better, and be more engaged and fulfilled if--instead of trying to hide who we are--we show up fully and authentically. Mike, a sought-after motivational speaker and business consultant, has spent more than 15 years researching, writing, and speaking about essential human experiences and high performance in the workplace. His clients have ranged from Google to Citibank, from the U.S. Department of Labor to the San Francisco Giants. From small start-ups in Silicon Valley to

family-owned businesses in the Midwest. From what he's seen and studied over the years, Mike believes that for us to thrive professionally, we must be willing to bring our whole selves to the work that we do. Bringing our whole selves to work means acknowledging that we're all vulnerable, imperfect human beings doing the best we can. It means having the courage to take risks, speak up, have compassion, ask for help, connect with others in a genuine way, and allow ourselves to be truly seen. In this book, Mike outlines five principles we can use to approach our own work in this spirit of openness and humanity, and to help the people we work with feel safe enough to do the same, so that the teams and organizations we're a part of can truly succeed. "This book will offer you insights, ideas, and tools to inspire you to bring all of who you are to the work that you do—regardless of where you work, what kind of work you do, and with whom you do it. And, if you're an owner, leader, or just someone who wants to have influence on those around you—this book will also give you specific techniques for how to build or enhance your team's culture in such a way that encourages others to bring all of who they are to work."

women rocking business: *The Desire Factor* Christy Whitman, 2021-04-20 How to Master Your Energy so You Can Have What You Desire Christy Whitman, transformational leader, founder of the Quantum Success Coaching Academy, and channel for The Divine Council unfolds the precise steps for bringing about the manifestation of any desire. The book is built around 7 Universal Principles for tapping into the divine energy stream that is the source of all things so that you can have more peace, prosperity, and joy. The Desire Factor shows you how to master your energy so you can create a life that you love despite what's going on around you. When you harness the energy of The Desire Factor, you'll understand: How to transform longing into joyful expectancy What alignment feels like and how to achieve it How to use the power of focus to manifest your desires The role that surrender plays in the manifestation process How to cultivate the energy of having, even before your desire has manifested The secret to infusing your external actions with spiritual power How to attract your desires through the power of love Christy Whitman's philosophy is that YOU are the energy master of your own life; you embody healing energy and have the power to improve your circumstances; you direct this unlimited flow of energy wherever you want, allowing you to manifest; it is your Divine Nature to create—and this creation is invigorating! Whitman has applied her principles of energy mastery to train over three thousand life coaches to take their innate gifts and skills and turn them into profitable fulfilling businesses. And now in *The Desire Factor* she provides one of the most current, comprehensive, and easy to apply explorations into the realm of energy, and shows you how, by mastering your energy, you can bring any desire into physical form. Order your copy today.

women rocking business: Unblocked Margaret Lynch Raniere, David Raniere, PhD, 2022-04-12 A practical, step-by-step program for healing the four lower chakras—the empowerment chakras—using EFT/tapping. Noted empowerment coach Margaret Lynch Raniere introduces the hidden power of the four lower “empowerment” chakras—root, sacral, solar plexus, heart—and the groundbreaking healing techniques she created to heal them using Emotional Freedom Technique (EFT), also known as “tapping.” These four chakras are the source of the exact rising empowerment energy you need to feel, speak, and act with confidence, courage, and deeply felt belief in yourself and your value. However, these are the chakras that get blocked with long-buried fears and pain that create self-doubt, procrastination, playing small, and years of trying to prove you're good enough. Healing these lower chakras will help you reclaim your inner power so you can stop proving and start being your most powerful, passionate, and authentic self.

women rocking business: Can a Renewal Movement Be Renewed? Michael Kinnamon, 2014-05-18 Does ecumenism have a future? -- What would it mean to take the next step in ecumenical and interfaith relations -- Is the ecumenical movement a movement for peace? -- What can the churches say together about the church? -- What can the churches say together about the environment? -- Can the tension between unity and justice be overcome? -- Has the ecumenical movement become too political? -- What is the way forward for Catholic-Protestant relations? -- How can the Orthodox help others understand them better? -- How are interfaith relationships as

challenging as they are necessary? -- How can we deal with the tough issues in Jewish-Christian relations? -- Are councils of churches a thing of the past? -- What does it take to be an ecumenical leader? -- What will it take to revitalize the ecumenical movement? -- Why care about Christian unity when there are so many other things to worry about?

women rocking business: Too Beautiful for You Rod Liddle, 2007-12-18 An ambitious fiction debut filled with lust, longing, and moral depravity. The tales in *Too Beautiful for You*, Rod Liddle's dazzling debut, sweep readers into the lives of characters whose sexual frustrations and deviant desires lead them to the very edge of acceptable behavior—and sometimes way beyond. In a mischievous, macabre tale about a man who loses his arm in an accident on the way back from an assignation, Liddle shows just how far a husband will go to hide his infidelity from his wife. Another philandering husband, operating much closer to home, doesn't let fleeting pangs of guilt curtail his hunger for the sexual treats proffered by his mother-in-law. Bizarre happenings are not confined to the sexually adventuresome: one woman notices that her skin is hardening into a sort of insect carapace after she uses a depilatory gel; a suicide bomber is forced to acknowledge his abysmal failure as a terrorist when he tries to blow up a Jewish art gallery with a package of trout; and a man planning to jump out a window finds some of his colleagues all too ready to assist him. Liddle presents his panoply of misfits and miscreants without passing judgment. The passions they harbor and the acts they commit may be shocking and scandalous, but Liddle shows that these hapless men and women are not so very different from the rest of us. Sharp-witted, sexy, and psychologically astute, *Too Beautiful for You* breaks through literary and social taboos with style and humor, reminiscent of the early work of Martin Amis.

women rocking business: Female Founders in der Games- und Medienbranche Sabine Hahn, 2018-10-12 Der Begriff des Unternehmertums war lange Zeit stark männlich konnotiert. Inzwischen stellen Frauen in Deutschland rund ein Drittel der Selbstständigen und immer mehr Frauen können sich eine Selbstständigkeit vorstellen. Allerdings stagniert der Anteil gründender Frauen seit Jahren, sie sind vornehmlich als Einzelunternehmerinnen in spezifischen Branchen tätig und bekommen weniger Gelder von Investoren. In dem nun vorliegenden Buch sollen vor allem die Gründerinnen zu Wort kommen. Ihre individuellen und unterschiedlichen Situationen werden dabei um die Perspektive ausgewählter Experten ergänzt. Im Sinne einer induktiven Forschungslogik soll so die bestehende Literatur im Bereich Existenzgründung und Entrepreneurship um ein weiteres Puzzleteil erweitert werden, im Bemühen, das Thema „Weibliche Existenzgründung“ tiefer zu durchdringen.

women rocking business: What You Will Not Do for Love Wendy Coakley-Thompson, 2006 A failed engagement has led 36-year-old Chaney Braxton from New York to Washington, D.C. Orphaned as a child, and now betrayed by her fiancé, Chaney is through dealing with things that die, leave or wilt. No plants, no pets, no men. Until she meets half-black, half-Korean and wholly hot veterinarian Devin Rhym... Thing is, Devin is 28. And even if Chaney is willing to countenance the possibility of getting back in the water, she isn't sure she wants to do it with a tadpole. On the other hand, though there are older fish around, she can't deny that she wants this one...
