Overview of the Series

"Carl Weber's The Family Business" is a drama series that premiered on BET, based on the novels by Carl Weber. The show chronicles the lives of the Duncans, a wealthy family that runs a high-end car dealership in New York City. However, their success is paired with deep ties to organized crime, creating a complex web of family dynamics and business struggles. The series premiered its first season in 2018 and quickly gained popularity for its engaging storytelling and well-crafted characters.

The core narrative revolves around the patriarch, Louis Duncan, who strives to protect his family while navigating the dangerous waters of both legitimate and illegitimate business practices. The show features a star-studded cast, including Ernie Hudson, Christian Keyes, and Darrin Henson, who bring depth to their roles and contribute to the show's gripping tension.

Where to Watch

When it comes to finding out where to watch "Carl Weber's The Family Business," viewers have several options. The series is available on various platforms, ensuring accessibility for fans regardless of their preferred viewing method. Below are some of the primary avenues through which you can stream or watch the series.

Streaming Platforms

The show is primarily available on streaming services, which offer the flexibility to watch episodes at your convenience. Here are the key platforms where you can find "The Family Business":

- **BET+:** As the official network for the series, BET+ offers all episodes of "The Family Business." This subscription service is dedicated to African American entertainment and features a variety of shows and movies.
- **Amazon Prime Video:** Viewers can purchase or rent individual episodes or whole seasons of the series on Amazon Prime Video, making it a flexible option for those who may not want a subscription.
- **Apple TV:** Similar to Amazon, Apple TV allows users to buy episodes or seasons, giving fans another purchasing option without needing a subscription.
- **Vudu:** This platform also offers episodes for purchase or rental, making "The Family Business" accessible to a wide audience.

Availability by Region

While "Carl Weber's The Family Business" is primarily available in the United States, availability can vary based on region. Different streaming platforms may have regional restrictions, which could affect how and where you can watch the series. Here are some considerations for viewers outside the U.S.:

U.S. Viewers

In the U.S., the series is easily accessible through the aforementioned

platforms. BET+ is the best option for watching all seasons in one place, while Amazon, Apple TV, and Vudu provide purchasing options.

International Viewers

For international audiences, the availability of "The Family Business" may depend on licensing agreements. Here are some tips for viewers outside the United States:

- **Check local streaming services:** Some countries may have their own platforms that carry the show.
- **Consider VPNs:** Using a VPN can help you access U.S. streaming services if they are not available in your region.
- **Monitor updates:** Streaming services frequently update their libraries, so keep an eye out for when "The Family Business" might become available in your country.

Episode Guide

Understanding the structure of "Carl Weber's The Family Business" can enhance your viewing experience. The series has aired several seasons, each consisting of multiple episodes that delve deeper into the Duncans' lives. Below is a brief overview of the seasons and their episode counts:

- **Season 1:** 10 episodes
- **Season 2:** 10 episodes
- **Season 3:** 10 episodes

Each episode typically runs for about 30 to 45 minutes, enough to develop gripping plots and character arcs. The series has been praised for its pacing and the engaging dynamics between characters, making it essential to watch episodes in order to fully appreciate the unfolding story.
