

28 summers movie cast

28 summers movie cast plays a crucial role in bringing the romantic drama to life, captivating audiences with their compelling portrayals and on-screen chemistry. This article delves into the key members of the cast, highlighting their characters and contributions to the film's narrative. Understanding the 28 summers movie cast offers insight into the film's success and appeal to viewers worldwide. From the lead actors to supporting roles, each performer adds depth and authenticity to the story. Additionally, this article explores the background of the main cast members, their previous work, and how their performances enhance the movie. Whether you are a fan of the film or interested in the actors behind the characters, this comprehensive guide provides valuable information. The following sections will cover the main cast, supporting actors, and notable performances in detail.

- Main Cast of 28 Summers
- Supporting Actors in 28 Summers
- Character Analysis and Portrayals
- Background of Key Cast Members
- Impact of the Cast on the Movie's Success

Main Cast of 28 Summers

The main cast of 28 Summers includes the principal actors who drive the film's storyline through their dynamic performances. This section highlights the lead roles and the actors who portray them, setting the foundation for the movie's emotional depth and romantic themes.

Lead Actors and Their Roles

The 28 summers movie cast features two central characters whose relationship forms the core of the narrative. The lead actors bring these characters to life with nuanced performances that capture the complexities of love and time.

- **Anthony Van Der Meer** as *Joel*: Portraying the male protagonist, Van Der Meer delivers a heartfelt and authentic representation of a man navigating love through the years.
- **Morena Baccarin** as *Margaret*: Baccarin embodies the female lead with

grace and emotional intensity, creating a memorable and relatable character.

Notable Supporting Characters

In addition to the leads, several supporting actors contribute significantly to the storyline, enriching the film's world and providing important context to the protagonists' journey.

- **Bradley Whitford** as *Tom*: A pivotal supporting role that adds depth to the narrative's conflict.
- **Alexis Denisof** as *David*: Offers a compelling performance that complements the main cast.

Supporting Actors in 28 Summers

The supporting actors in 28 Summers provide essential narrative layers and help build the emotional atmosphere necessary for the story's progression. Their characters interact with the leads, influencing plot developments and enriching the film's dynamics.

Key Supporting Roles

While the main cast carries the primary narrative, the supporting cast members bring authenticity and complexity to the movie, enhancing its overall impact.

- **Jane Kaczmarek** as *Joan*: Plays a significant role that shapes the protagonists' decisions and adds emotional weight.
- **David Walton** as *Mark*: Provides a thoughtful and engaging portrayal, contributing to the storyline's realism.
- **Brigid Brannagh** as *Claire*: Adds warmth and depth to the film with a nuanced performance.

Ensemble Dynamics

The chemistry among the supporting actors and between the supporting cast and leads is vital to the film's authenticity. Their interactions create a

believable social environment, enriching the narrative's texture.

Character Analysis and Portrayals

Examining the characters portrayed by the 28 summers movie cast reveals the emotional layers and development arcs that make the film compelling. Each character's journey is carefully crafted and skillfully performed, contributing to the movie's resonance.

Joel – A Complex Protagonist

Joel, portrayed by Anthony Van Der Meer, is a character marked by introspection and emotional struggle. His evolution through the story reflects themes of love, loss, and hope, which Van Der Meer captures with subtlety and depth. The actor's performance helps audiences connect with Joel's internal conflicts and aspirations.

Margaret – Emotional Strength and Vulnerability

Morena Baccarin's portrayal of Margaret balances vulnerability and resilience. As the female lead, Margaret's character navigates the challenges of a long-standing relationship shaped by time and circumstance. Baccarin's expressive acting brings authenticity to her role, making Margaret a memorable figure in the film.

Supporting Characters – Enhancing the Narrative

The supporting characters, portrayed by the talented ensemble cast, offer perspectives that enrich the storyline. Their interactions with the leads reveal different facets of the protagonists' lives and highlight the film's thematic elements.

Background of Key Cast Members

Understanding the professional backgrounds of the 28 summers movie cast adds context to their performances and the film's overall quality. Many cast members bring significant experience from television, film, and theater, contributing to their compelling portrayals.

Anthony Van Der Meer's Career Highlights

Before 28 Summers, Anthony Van Der Meer established himself through various roles in independent films and television series. His ability to convey

complex emotions has earned him recognition among critics and audiences alike.

Morena Baccarin's Notable Works

Morena Baccarin is widely known for her work in both television and feature films. With a diverse portfolio ranging from science fiction to drama, Baccarin's versatility and charisma make her a standout in the 28 summers movie cast.

Other Cast Members' Contributions

Supporting actors such as Bradley Whitford, Jane Kaczmarek, and David Walton bring extensive experience and skill to their roles. Their backgrounds in acclaimed TV shows and films enhance their performances, adding credibility and depth to the movie.

Impact of the Cast on the Movie's Success

The success of 28 Summers is closely tied to the strength of its cast. Their performances have been praised for bringing sincerity and emotional nuance to the story, engaging audiences and critics alike.

Critical Reception of the Cast's Performances

Reviews frequently highlight the chemistry between the lead actors and the convincing portrayals by the supporting cast. The 28 summers movie cast's ability to create believable and relatable characters is often cited as a key factor in the film's positive reception.

Audience Engagement and Legacy

The compelling performances by the 28 summers movie cast have contributed to the film's enduring popularity. Viewers connect with the characters' journeys, making the movie a memorable entry in the romantic drama genre.

Award Nominations and Recognitions

While the film itself has garnered attention, the cast's performances have also been recognized in various award circles, highlighting the talent and dedication of the actors involved.

Summary of the Cast's Influence

1. Lead actors anchor the emotional core of the film.
2. Supporting cast enriches the narrative texture and realism.
3. Professional backgrounds of the cast contribute to nuanced performances.
4. Positive critical and audience reception is largely due to the cast's compelling portrayals.

28 summers movie cast: Focus On: 100 Most Popular Actresses from New York City

Wikipedia contributors,

28 summers movie cast: *DreamWorks Animation* Sam Summers, 2020-06-30 DreamWorks is one of the biggest names in modern computer-animation: a studio whose commercial success and impact on the medium rivals that of Pixar, and yet has received far less critical attention. The book will historicise DreamWorks' contribution to feature animation, while presenting a critical history of the form in the new millennium. It will look beyond the films' visual aesthetics to assess DreamWorks' influence on the narrative and tonal qualities which have come to define contemporary animated features, including their use of comedy, genre, music, stars, and intertextuality. It makes original interventions in the fields of film and animation studies by discussing each of these techniques in a uniquely animated context, with case studies from Shrek, Antz, Kung Fu Panda, Madagascar, Shark Tale, Bee Movie, Trolls and many others. It also looks at the unusual online afterlife of these films, and the ways in which they have been reappropriated and remixed by subversive online communities.

28 summers movie cast: The Queer Encyclopedia of Film and Television Claude Summers, 2012-04-24 From Hollywood films to TV soap operas, from Vegas extravaganzas to Broadway theater to haute couture, this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of queer creative artists on popular culture. How did Liberace's costumes almost kill him? Which lesbian comedian spent her high school years as "the best white cheerleader in Detroit?" For these answers and more, fans can dip into The Queer Encyclopedia of Film, Theater, and Popular Culture. Drawn from the fascinating online encyclopedia of queer arts and culture, www.glbtc.com — which the Advocate dubbed "the Encyclopedia Britanniqueer" — this may be the only reference book in which RuPaul and Jean Cocteau jostle for space. From the porn industry to the Sisters of Perpetual Indulgence, from bodybuilding to Dorothy Arzner, it's a queer, queer world, and The Queer Encyclopedia is the indispensable guide: readable, authoritative, and concise. And perfect to read by candelabra. (The answers to the two questions above: from the dry cleaning fumes, Lily Tomlin.)

28 summers movie cast: Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York,

along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

28 summers movie cast: e-Pedia: Game of Thrones (season 6) Wikipedia Contributors, 2017-02-22 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series Game of Thrones premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50–60 minutes, largely of original content not found in George R. R. Martin's A Song of Ice and Fire series. Some material is adapted from the upcoming sixth novel The Winds of Winter and the fourth and fifth novels, A Feast for Crows and A Dance with Dragons. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. This book does not contain illustrations. e-Pedia (an imprint of e-artnow) charges for the convenience service of formatting these e-books for your eReader. We donate a part of our net income after taxes to the Wikimedia Foundation from the sales of all books based on Wikipedia content.

28 summers movie cast: Justin Timberlake Kimberly Dillon Summers, 2010-06-16 This revealing biography of pop star Justin Timberlake documents his background, childhood career, achievements, and disappointments. From his first taste of fame as an 11-year-old contestant on the TV show Star Search to making it big with the boy-band 'N Sync and his subsequent solo career to the notoriety following the 2004 Super Bowl halftime performance incident with Janet Jackson, this biography presents an accurate overview of Justin Timberlake's life and impact on popular culture. Justin Timberlake: A Biography gives students access to unbiased insight into how Timberlake achieved stardom. The narrative tone and manageable length make this book easy to read, while the accurate presentation of the historical context of his life's events makes it engaging and relevant for young readers. This title will appeal to teen readers due to their natural interest in pop icons. In addition, the enviable success of Timberlake's career path can serve as a source of inspiration and hope for young adults.

28 summers movie cast: Billboard , 1946-01-26 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

28 summers movie cast: The Greatest Cult Television Shows of All Time Christopher J. Olson, CarrieLynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television, The Greatest Cult Television Shows offers readers a fun and accessible look at the 100 most significant cult television series of all time, compiled in a single resource that includes valuable information on the shows and their creators. While they generally lack mainstream appeal, cult television shows develop devout followings over time and exert some sort of impact on a given community, society, culture, or even media industry. Cult television shows have been around since at least the 1960s, with Star Trek perhaps the most famous of that era. However, the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s, and now, with the plethora of streaming options available, more shows can be added to this categorization. Reaching back to the beginnings of television, the book includes such groundbreaking series as The Twilight Zone and The Prisoner alongside more contemporary examples like Crazy Ex-Girlfriend and Hannibal. The authors provide production history for each series and discuss their relevance to global pop culture. To provide a more global approach to the topic, the authors also consider several non-American cult TV series,

including British, Canadian, and Japanese shows. Thus, Monty Python's Flying Circus appears alongside Sailor Moon and Degrassi Junior High. Additionally, to move beyond the conception of "cult" as a primarily white, heteronormative, fanboy obsession, the book contains shows that speak to a variety of cult audiences and experiences, such as *Queer as Folk* and *Charmed*. With detailed arguments for why these shows deserve to be considered the greatest of all time, Olson and Reinhard provide ideas for discussion and debate on cult television. Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them.

28 summers movie cast: *The Billboard* , 1926

28 summers movie cast: *Billboard* , 1942-05-09 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

28 summers movie cast: *AFI Catalog of Motion Pictures Produced in the United States* American Film Institute, 1971

28 summers movie cast: *Television Series and Specials Scripts, 1946-1992* , 2009-10-21 In the early days of television, many of its actors, writers, producers and directors came from radio. This crossover endowed the American Radio Archives with a treasure trove of television documents. The collected scripts span more than 40 years of American television history, from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming, including comedies, soap operas, dramas, westerns, and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual scripts. Includes an index of personal names, program and episode titles and production companies, as well as a glossary of industry terms.

28 summers movie cast: *Kennedy and the Promise of the Sixties* W. J. Rorabaugh, 2002-09-16 This book explores life in America during that brief promising moment in the early Sixties when John F. Kennedy was President. Kennedy's Cold War frustrations in Cuba and Vietnam worried Americans. The 1962 missile crisis narrowly avoided a nuclear disaster. The civil rights movement gained momentum with student sit-ins, Freedom Rides, and crises in Mississippi and Alabama. Martin Luther King, Jr., emerged as a spokesman for non-violent social change. The American family was undergoing rapid change. Betty Friedan began to launch the Women's Movement. The Beat authors Jack Kerouac and Allen Ginsberg gained respectability and, at the same time, Joan Baez and Bob Dylan revived folk music. Roy Lichtenstein and Andy Warhol produced Pop Art, while Ginsberg, Aldous Huxley, Timothy Leary, and Ken Kesey began to promote psychedelic drugs. The early Sixties was a period of marked political, social and cultural change which this book relates and discusses.

28 summers movie cast: *King of the Cowboys, Queen of the West* Raymond E. White, 2005 For more than sixty years, Roy Rogers and Dale Evans personified the romantic, mythic West that Americans cherished. Blazing a trail through every branch of the entertainment industry - radio, film, recordings, television, and even comic books - the couple capitalized on their attractive personas and appealed to the nation's belief in family values, an independent spirit, and community. Raymond E. White presents these two celebrities in the most comprehensive and inclusive account to date. Part narrative, part reference, this impeccably researched, highly accessible survey spans

the entire scope of Rogers's and Evans's careers and highlights their place in twentieth-century American popular culture. In a dual biography, he shows how Rogers and Evans carefully husbanded their public image and - of particular note - incorporated their Christian faith into their performances. Testifying to both the breadth and the longevity of their careers, the book includes radio logs, discographies, filmographies, and comicographies that will delight historians and collectors alike.

28 summers movie cast: Wyoming Don Pitcher, 2006-06-02 Each guide contains not only detailed information on the best transportation, accommodation, restaurant, and sightseeing options but also custom maps and fascinating sidebars--all the tools travelers need to make their own choices and create a travel strategy that is theirs alone.

28 summers movie cast: Video Hound's Golden Movie Retriever, 1991 David J Weiner, Thomson Gale, 1991

28 summers movie cast: New York Magazine , 1985-01-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
