

# 2019 apush exam review

**2019 apush exam review** is an essential guide for students preparing to tackle the Advanced Placement United States History exam administered in 2019. This comprehensive review covers key historical periods, thematic concepts, and exam strategies to improve performance and boost confidence. The 2019 APUSH exam tested students on their ability to analyze historical evidence, understand cause and effect, and synthesize information across multiple time periods. Focusing on the exam format, question types, and scoring rubric helps students approach each section effectively. This article provides a detailed overview of the content areas emphasized in the 2019 exam, offering targeted review tips and resources. Whether reviewing political developments, social movements, or economic changes, this guide ensures a thorough preparation. The following table of contents outlines the main topics covered in this 2019 APUSH exam review.

- Exam Format and Structure
- Key Historical Periods Covered
- Important Themes and Concepts
- Question Types and Strategies
- Scoring and Grade Insights
- Effective Study Tips for the 2019 APUSH Exam

## Exam Format and Structure

The 2019 APUSH exam maintained a standardized format designed to assess students' knowledge and analytical skills in U.S. history. The exam was divided into two main sections: multiple-choice and free-response. This format tested a range of competencies including factual recall, document analysis, and essay writing. Understanding the structure helps students allocate their time wisely during the exam.

## Multiple-Choice Section

This section consisted of 55 questions to be answered within 55 minutes. The questions required students to analyze historical texts, images, maps, and data. Emphasis was placed on critical thinking rather than rote memorization. The multiple-choice questions covered all historical periods and themes in the curriculum.

## **Free-Response Section**

The free-response section included three parts: a Document-Based Question (DBQ), a Long Essay Question (LEQ), and a Short Answer Question (SAQ) set. Students had 1 hour and 40 minutes to complete these tasks. The DBQ required synthesis of historical documents with outside knowledge, while the LEQ tested argumentative writing on a specific prompt. SAQs demanded concise responses demonstrating factual understanding.

## **Key Historical Periods Covered**

The 2019 APUSH exam focused on a chronological span from pre-Columbian societies through the early 21st century. Each period tested students' grasp of significant events, trends, and transformations in American history. Reviewing these periods is critical for a comprehensive exam preparation.

### **Colonial America and Revolution (1491–1800)**

This era included exploration, colonization, and the causes and consequences of the American Revolution. Key topics involved interactions between Native Americans and European settlers, the development of colonial governments, and the ideological foundations of independence.

### **Expansion and Reform (1800–1877)**

Students needed to understand westward expansion, the evolution of democracy, sectionalism, and the Civil War. Reconstruction's challenges and its impact on American society were also pivotal.

### **Industrialization and the Gilded Age (1877–1900)**

This period emphasized rapid industrial growth, immigration, urbanization, and the rise of corporate power. Social and political reforms responding to these changes were important themes.

### **20th Century to Contemporary America (1900–Present)**

Coverage included both World Wars, the Great Depression, civil rights movements, Cold War dynamics, and post-Cold War developments. Students should be familiar with social, economic, and political shifts shaping modern America.

# **Important Themes and Concepts**

The 2019 APUSH exam encouraged mastery of cross-cutting themes that connect different historical periods. These thematic lenses help organize knowledge and facilitate deeper understanding.

## **American and National Identity**

Questions often explored how American identity evolved through cultural, political, and social changes. Issues of citizenship, national purpose, and cultural expression were central.

## **Politics and Power**

Understanding the development of political institutions, party systems, and voter behavior was essential. The impact of government policies on various groups was frequently examined.

## **Work, Exchange, and Technology**

Economic transformations, labor systems, and technological innovations shaped the American experience and were critical topics for review.

## **Culture and Society**

Social structures, family life, religion, and cultural movements provided insights into the changing fabric of American life.

## **Migration and Settlement**

Patterns of migration, settlement, and the resulting demographic changes were important for understanding societal development.

## **Geography and the Environment**

The relationship between Americans and their environment influenced economic practices and social organization.

## **America in the World**

The country's role in global affairs and its interactions with other nations were key considerations.

# Question Types and Strategies

Familiarity with the types of questions on the 2019 APUSH exam and effective strategies for answering them can significantly improve performance. Each question type demands a specific approach.

## Document-Based Question (DBQ)

Analyze and synthesize provided documents along with outside knowledge to construct a coherent argument. Effective annotation and outlining before writing are recommended.

## Long Essay Question (LEQ)

Develop a clear thesis and support it with specific historical evidence. Structuring the essay logically enhances clarity and persuasiveness.

## Short Answer Questions (SAQs)

Respond directly and succinctly to prompts, often requiring explanation, comparison, or analysis of historical facts.

## Multiple-Choice Questions

Read each question carefully and eliminate incorrect answers. Time management is critical to complete all questions within the allotted time.

1. Review primary sources and analyze their perspectives
2. Create timelines for major events and periods
3. Practice writing thesis statements and outlines
4. Take timed practice exams to build endurance
5. Use flashcards for key terms and dates

## Scoring and Grade Insights

The College Board scores the 2019 APUSH exam on a scale of 1 to 5, with 5 being the highest. Scores reflect students' ability to demonstrate historical thinking, argumentation, and factual knowledge. Understanding the scoring

criteria helps focus preparation efforts.

## **Multiple-Choice Scoring**

Each correct answer increases the raw score, which is then converted to a scaled score. The multiple-choice section accounts for 40% of the exam score.

## **Free-Response Scoring**

Essays and short answers are evaluated on historical accuracy, argument development, evidence use, and writing quality. The free-response section constitutes 60% of the total score.

## **Score Distribution and College Credit**

Many colleges grant credit or advanced placement for scores of 3 or higher. Achieving a top score requires consistent mastery across all exam components.

## **Effective Study Tips for the 2019 APUSH Exam**

Approaching the 2019 APUSH exam with a structured study plan enhances retention and skill development. Employing diverse review methods addresses multiple learning styles.

### **Create a Study Schedule**

Break down content review into manageable segments, allocating time for each historical period and thematic area. Regular revision prevents last-minute cramming.

### **Utilize Practice Tests**

Practice exams familiarize students with question formats and time constraints. Reviewing mistakes helps identify areas needing improvement.

### **Focus on Writing Skills**

Strong essay writing is critical for the free-response section. Practice developing clear theses, organizing arguments, and using evidence effectively.

## **Engage with Study Groups**

Collaborative learning promotes discussion and clarification of complex topics. Peer feedback can enhance understanding and test readiness.

## **Leverage Review Resources**

Use textbooks, review books, and reputable online materials aligned with the APUSH curriculum. Summaries, timelines, and flashcards are particularly useful.

## **Frequently Asked Questions**

### **What are the main topics covered in the 2019 APUSH exam review?**

The 2019 APUSH exam review covers key topics such as American colonization, the Revolutionary War, the Constitution, Civil War and Reconstruction, the Gilded Age, Progressive Era reforms, World Wars, Cold War, and modern American history.

### **How is the 2019 APUSH exam structured?**

The 2019 APUSH exam consists of two sections: Section I with multiple-choice questions and short-answer questions, and Section II with a Document-Based Question (DBQ) and Long Essay Questions (LEQs).

### **What strategies are recommended for answering the DBQ on the 2019 APUSH exam?**

Recommended strategies for the DBQ include analyzing all provided documents, developing a clear thesis, using evidence from the documents and outside knowledge, and organizing the essay with a strong introduction and conclusion.

### **Which time periods should I focus on for the 2019 APUSH exam review?**

Focus on all historical periods from pre-Columbian America through the present, with particular emphasis on Colonial America, the Revolutionary era, Civil War and Reconstruction, Industrialization, the World Wars, and the Cold War era.

## **How important is understanding historical causation for the 2019 APUSH exam?**

Understanding historical causation is crucial as many questions ask students to analyze causes and effects, making it essential for constructing strong arguments and essays on the exam.

## **What are some effective study resources for the 2019 APUSH exam review?**

Effective resources include APUSH review books like Princeton Review and Barron's, online platforms such as Khan Academy, review videos, flashcards, and practicing past exam questions.

## **How should I manage my time during the 2019 APUSH exam?**

Allocate time wisely by spending about 55 minutes on multiple-choice and short-answer questions, 60 minutes on the DBQ, and 40 minutes on the long essay questions to ensure completion and review.

## **What is the best way to approach short-answer questions on the 2019 APUSH exam?**

For short-answer questions, provide concise, direct responses with specific evidence, addressing all parts of the question clearly and accurately.

## **How does the 2019 APUSH exam test historical thinking skills?**

The exam assesses skills like chronological reasoning, comparison, causation, argument development, and synthesis through various question types including essays and document analysis.

## **What changes, if any, were made to the 2019 APUSH exam compared to previous years?**

The 2019 APUSH exam followed the revised format introduced in 2015, emphasizing analytical skills and historical thinking, with no major changes specifically in 2019.

## **Additional Resources**

### **1. *5 Steps to a 5: AP US History 2019***

This comprehensive review book offers a structured approach to mastering the AP US History exam. It includes practice tests, detailed content reviews, and

proven strategies for tackling multiple-choice questions and essays. The 2019 edition is updated with the latest exam format and question types, helping students effectively prepare for exam day.

## 2. *Cracking the AP U.S. History Exam 2019, Premium Edition*

Published by The Princeton Review, this book combines thorough content review with test-taking strategies and practice exams. It breaks down complex historical concepts into manageable sections and provides drills to reinforce key themes. The premium edition also includes online resources for additional practice and review.

## 3. *AP U.S. History Prep Plus 2019-2020*

Designed to help students boost their scores, this guide provides in-depth coverage of American history topics tested on the AP exam. It features practice questions, detailed answer explanations, and tips for writing high-scoring essays. The book also includes online quizzes and flashcards to support active learning.

## 4. *AP U.S. History Crash Course, 3rd Edition*

This concise review book offers a quick yet thorough overview of the most important topics for the APUSH exam. It is ideal for last-minute studying, summarizing key concepts, and highlighting essential dates and events. The 3rd edition is updated to match the 2019 exam content and format.

## 5. *U.S. History for the AP® Course*

Published by the College Board, this textbook serves as an official resource aligned with the APUSH curriculum. It provides detailed content coverage, primary source documents, and practice questions that mirror the exam's style. This resource is excellent for comprehensive exam preparation and deeper understanding of U.S. history.

## 6. *AP U.S. History Review and Study Guide for American Pageant 15th Edition*

This study guide complements the popular "American Pageant" textbook, offering summaries and review materials tailored for the APUSH exam. It includes practice tests, thematic outlines, and essay tips to help students integrate knowledge across periods. The guide is particularly helpful for those using the American Pageant as their main textbook.

## 7. *5 Steps to a 5: AP U.S. History Practice Tests*

Focusing on practice, this book provides multiple full-length exams that simulate the actual APUSH test environment. Each test is followed by detailed answer explanations, helping students identify strengths and weaknesses. It's an ideal resource for honing test-taking skills and timing.

## 8. *AP U.S. History Exam Flashcards*

This set of flashcards offers a portable and efficient way to review key terms, people, events, and concepts for the APUSH exam. Flashcards are organized by historical period and thematic topics, making it easy to focus on areas needing improvement. They are perfect for quick review sessions anytime, anywhere.

## 9. *The American Pageant: A History of the Republic, AP Edition*

While primarily a textbook, the AP Edition of "The American Pageant" is widely used for APUSH exam preparation due to its engaging narrative and thorough coverage. It includes review questions, chapter summaries, and practice quizzes that align with the AP exam framework. Its detailed approach helps students build a strong foundation in U.S. history.

**2019 apush exam review:** ,

**2019 apush exam review:** *Learning in the Fast Lane* Chester E. Finn (Jr.), Andrew E. Scanlan, 2019-09-17 More than three million high-school students take five million Advanced Placement exams each May, yet remarkably little is known about how this sixty-year-old, privately-run program, has become one of U.S. education's greatest successes. From its mid-century origin as a tiny option for privileged kids from posh schools, AP has also emerged as a booster rocket into college for hundreds of thousands of disadvantaged youngsters. It challenges smart kids, affects school ratings, affords rewarding classroom challenges to great teachers, tunes up entire schools, and draws vast support from philanthropists, education reformers and policymakers. AP stands as America's foremost source of college-level academics for high school pupils. Praised for its rigor and integrity, more than 22,000 schools now offer some-or many-of its thirty-eight subjects, from Latin to calculus, art to computer science. But challenges abound today, as AP faces stiffening competition (especially dual credit), curriculum wars, charges of elitism, misgivings by elite schools and universities, and the arduous work of infusing rigor into schools that lack it and academic success into young people unaccustomed to it. In today's polarized climate, can Advanced Placement maintain its lofty standards and overcome the hostility, politics and despair that have sunk so many other bold education ventures? *Advanced Placement: The Unsung Success Story of American Education* is a unique account-richly documented and thoroughly readable-of the AP program in all its strengths and travails, written by two of America's most respected education analysts--

**2019 apush exam review:** *Fear and Schooling* Ronald W. Evans, 2019-09-23 By exploring the tensions, impacts, and origins of major controversies relating to schooling and curricula since the early twentieth century, this insightful text illustrates how fear has played a key role in steering the development of education in the United States. Through rigorous historical investigation, Evans demonstrates how numerous public disputes over specific curricular content have been driven by broader societal hopes and fears. Illustrating how the population's concerns have been historically projected onto American schooling, the text posits educational debate and controversy as a means by which we struggle over changing anxieties and competing visions of the future, and in doing so, limit influence of key progressive initiatives. Episodes examined include the Rugg textbook controversy, the 1950s crisis over progressive education, the MACOS dispute, conservative restoration, culture war battles, and corporate school reform. In examining specific periods of intense controversy, and drawing on previously untapped archival sources, the author identifies patterns and discontinuities and explains the origins, development, and results of each case. Ultimately, this volume powerfully reveals the danger that fear-based controversies pose to hopes for democratic education. This informative and insightful text will be of interest to graduate and postgraduate students, researchers, and academics in the fields of educational reform, history of education, curriculum studies, and sociology of education.

**2019 apush exam review:** *Cracking the AP English Literature & Composition Exam, 2019 Edition* The Princeton Review, 2018-11-13 EVERYTHING YOU NEED TO HELP SCORE A PERFECT 5.
