

all the pretty horses review

all the pretty horses review offers an in-depth analysis of the 2000 film adaptation of Cormac McCarthy's acclaimed novel. This review explores the movie's narrative, performances, cinematography, and overall impact on Western genre cinema. By examining the film's faithfulness to the source material and its artistic achievements, readers gain a comprehensive understanding of its strengths and weaknesses. The article also delves into the themes and symbolism that permeate the story, providing valuable insight for both fans of the novel and newcomers to the tale. Whether evaluating the direction by Billy Bob Thornton or the atmospheric score, this review covers all critical aspects that shape the film's reception. The discussion concludes by placing the film within the broader context of Western adaptations and literary translations to screen. Below is a detailed table of contents outlining the main areas covered.

- Plot Summary and Narrative Structure
- Cast Performances and Character Analysis
- Direction and Cinematography
- Thematic Elements and Symbolism
- Comparison to Cormac McCarthy's Novel
- Reception and Legacy

Plot Summary and Narrative Structure

The plot of **all the pretty horses review** focuses on the journey of John Grady Cole, a young Texan who embarks on a quest across the border into Mexico seeking a new life. The narrative unfolds as a coming-of-age Western drama that reflects themes of loss, identity, and survival. The film follows a linear progression, tracing the protagonist's experiences on horseback and the relationships he forms along the way.

Core Storyline

The central storyline revolves around John Grady's departure from Texas after his family ranch is sold. His journey is marked by encounters with various characters, romantic interests, and challenges that test his values and resilience. The plot emphasizes the tension between tradition and change in the American West.

Narrative Pacing

The pacing of the film is deliberate, allowing for atmospheric build-up and character development. While some viewers may find the tempo slow, it serves to enhance the contemplative mood and authenticity of the Western setting. This approach aligns with the novel's reflective tone and episodic

structure.

Cast Performances and Character Analysis

all the pretty horses review highlights the performances of the principal cast, whose portrayals bring depth and nuance to the story. The characters are crafted with complexity, reflecting the moral ambiguity and existential struggles that define the narrative.

Matt Damon as John Grady Cole

Matt Damon delivers a restrained yet compelling performance as John Grady Cole. His portrayal captures the character's innocence and determination, conveying emotional subtleties through minimal dialogue. Damon's embodiment of the archetypal Western hero is a key strength of the film.

Supporting Cast

The supporting cast, including Penélope Cruz and Henry Thomas, contribute significantly to the film's dynamic. Cruz's role adds romantic tension and cultural contrast, while Thomas provides a grounding friendship for the protagonist. Their interactions enrich the narrative and highlight themes of loyalty and honor.

- Penélope Cruz as Alejandra
- Henry Thomas as Lacey Rawlins
- Lucas Black as Jimmy Blevins

Direction and Cinematography

The direction by Billy Bob Thornton in **all the pretty horses review** presents a visually evocative interpretation of McCarthy's novel. Thornton's approach emphasizes naturalistic storytelling complemented by sweeping landscapes and intimate character moments.

Visual Style

The cinematography, led by Barry Markowitz, captures the vastness and rugged beauty of the American Southwest and northern Mexico. The film employs wide shots and natural lighting to evoke a sense of place integral to the narrative's mood. The visual composition enhances the film's themes of freedom and isolation.

Directorial Choices

Thornton's directorial style favors subtlety and restraint over action-oriented sequences. This results in a film that prioritizes atmosphere and internal conflict over conventional Western tropes. The deliberate pacing and attention to detail reflect a commitment to authenticity and emotional depth.

Thematic Elements and Symbolism

all the pretty horses review explores several key themes that underpin the film's narrative and aesthetic. These thematic elements contribute to the story's enduring resonance and literary quality.

Coming of Age and Loss

The film portrays John Grady's transition from youth to adulthood, highlighting the losses and disillusionments that accompany this transformation. Themes of innocence lost and the harsh realities of life are central to the character's arc.

Man and Nature

Nature serves as both a backdrop and a symbolic force in the story. The horses themselves represent freedom, beauty, and a connection to the land, while the changing environment reflects broader shifts in culture and society.

Justice and Morality

The narrative grapples with questions of justice, honor, and personal ethics in a lawless frontier. The characters' decisions often involve moral ambiguity, challenging traditional notions of right and wrong within the Western genre.

Comparison to Cormac McCarthy's Novel

One of the primary focuses of **all the pretty horses review** is the film's relationship to its literary source. Adaptation fidelity and interpretive choices are critical for understanding the film's impact and reception.

Faithfulness to the Source Material

The film remains largely faithful to the novel's plot and characterizations, preserving key dialogues and scenes. However, certain narrative elements are condensed or altered for cinematic purposes. These changes affect the story's pacing and thematic emphasis.

Divergences and Adaptation Challenges

Some critics note that the film omits or modifies aspects of the novel's introspective prose and internal monologues. This results in a more visual and externalized storytelling approach, which may limit the depth of psychological insight available in the book.

Reception and Legacy

The reception of **all the pretty horses review** reflects mixed critical and audience responses, influenced by expectations surrounding the novel and the Western genre. The film's legacy continues to be a topic of discussion among cinephiles and literary enthusiasts.

Critical Response

Critics praised the film's cinematography and performances but often cited its slow pacing and deviation from traditional Western action as drawbacks. The film received recognition for its artistic ambition despite commercial underperformance.

Impact on Western Cinema

The film contributes to a modern reevaluation of Westerns, emphasizing mood and character over spectacle. It stands alongside other adaptations of McCarthy's works as part of a trend toward more nuanced and literary Western films.

- Enhanced appreciation for atmospheric storytelling
- Influence on subsequent adaptations of literary Westerns
- Renewed interest in Cormac McCarthy's narratives

Frequently Asked Questions

What is the overall plot of 'All the Pretty Horses' as depicted in the review?

The review highlights 'All the Pretty Horses' as a coming-of-age story following John Grady Cole, a young Texan who journeys to Mexico seeking adventure and a new life after his grandfather's death.

How do critics generally perceive the cinematography in 'All the Pretty Horses' according to reviews?

Critics generally praise the cinematography in 'All the Pretty Horses' for its beautiful depiction of the Mexican landscape, which enhances the film's atmospheric and poetic qualities.

What are common praises mentioned in reviews about the performances of the lead actors?

Reviews commonly praise Matt Damon and Henry Thomas for their strong and authentic performances, which bring depth and emotional resonance to their characters.

Are there any critiques mentioned in reviews regarding the pacing of 'All the Pretty Horses'?

Yes, some reviews point out that the pacing of the film can be slow at times, which might affect viewer engagement, but it is often seen as a deliberate choice to reflect the contemplative tone of the story.

How does 'All the Pretty Horses' compare to the original novel based on reviews?

Many reviews note that while the film captures the novel's mood and themes well, it inevitably condenses certain plot elements, which may disappoint fans expecting a fully detailed adaptation.

What themes from 'All the Pretty Horses' are highlighted in critical reviews?

Critical reviews often highlight themes of youth, loss, love, and the search for identity, emphasizing how the film explores the transition from adolescence to adulthood.

Is 'All the Pretty Horses' recommended for fans of Western genre films according to reviews?

Yes, the film is recommended for Western genre enthusiasts who appreciate a more poetic and introspective take on the genre rather than traditional action-driven Westerns.

How do reviews describe the soundtrack and musical score of 'All the Pretty Horses'?

Reviews frequently commend the soundtrack for complementing the film's mood with a subtle and evocative score that enhances the emotional depth without overpowering the narrative.

What is the critical consensus on the direction by Billy Bob Thornton in 'All the Pretty Horses'?

The critical consensus acknowledges Billy Bob Thornton's direction as thoughtful and sensitive, successfully conveying the novel's tone, though some critics feel the film could have benefited from a more dynamic approach.

Additional Resources

1. The Crossing by Cormac McCarthy

This novel is the second book in McCarthy's "Border Trilogy" and follows a young boy named Billy Parham as he journeys across the U.S.-Mexico border with a captured wolf. Like **All the Pretty Horses**, it explores themes of identity, survival, and the harsh realities of the American West. The prose is lyrical and haunting, capturing the beauty and brutality of the landscape and its people.

2. Blood Meridian by Cormac McCarthy

Considered one of McCarthy's masterpieces, **Blood Meridian** delves into the violent and lawless American frontier in the mid-19th century. The novel's dark and poetic style complements the thematic depth found in **All the Pretty Horses**, focusing on the nature of violence and evil. Its rich historical detail and philosophical undertones make it a gritty, unforgettable read.

3. Peace Like a River by Leif Enger

This novel tells the story of a young boy and his family navigating hardship and miracles in the American Midwest. Like **All the Pretty Horses**, it combines elements of a coming-of-age story with a strong sense of place and spirituality. The narrative is heartfelt, blending hope and sorrow with lyrical prose.

4. *Winter's Bone* by Daniel Woodrell

Set in the rural Ozarks, this gritty novel follows a teenage girl searching for her missing father to save her family from eviction. It shares with **All the Pretty Horses** a vivid portrayal of life in a tough, isolated environment and a strong, determined young protagonist. The book's raw realism and atmospheric setting paint a compelling picture of hardship and resilience.

5. *The Crossing* by Annie Proulx

Not to be confused with McCarthy's novel of the same title, Proulx's **The Crossing** is a collection of short stories that explore rural and Western American life. The stories resonate with themes found in **All the Pretty Horses**, such as nature, rugged individualism, and the complex relationship between people and the land. Proulx's keen eye for detail and character make this a compelling companion read.

6. *Where the Crawdads Sing* by Delia Owens

This novel combines a coming-of-age story with a mysterious murder investigation set in the marshes of North Carolina. Like **All the Pretty Horses**, it features a young protagonist deeply connected to the natural world, exploring themes of isolation and survival. The evocative descriptions of the landscape enhance the emotional depth of the story.

7. *True Grit* by Charles Portis

A classic Western novel about a determined young girl seeking justice with the help of a tough U.S. Marshal, **True Grit** shares with **All the Pretty Horses** a strong sense of adventure and moral complexity. The narrative's humor and vivid characters provide a contrast to McCarthy's more somber tone but remain rooted in the Western tradition.

8. *Stoner* by John Williams

Though not a Western, **Stoner** is a quietly powerful novel about the life of a university professor, exploring themes of perseverance, loss, and the search for meaning. Like **All the Pretty Horses**, it emphasizes character depth and subtle emotional landscapes, making it a profound and moving read.

9. *Desert Solitaire* by Edward Abbey

This nonfiction work offers a passionate, lyrical meditation on life in the American Southwest wilderness. Abbey's reflections on nature, solitude, and environmental preservation echo the reverence for the land found in **All the Pretty Horses**. It's an essential read for those interested in the Western landscape and its cultural significance.

all the pretty horses review: Cormac McCarthy's All the Pretty Horses Stephen Tatum, 2002-01-11 This is part of a new series of guides to contemporary novels. The aim of the series is to give readers accessible and informative introductions to some of the most popular, most acclaimed and most influential novels of recent years - from 'The Remains of the Day' to 'White Teeth'. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question.

all the pretty horses review: Quicklet on All the Pretty Horses by Cormac McCarthy Jenny Monroe, 2011-12-20 About Cormac McCarthy Cormac McCarthy was born Charles McCarthy on July 20, 1933. He is an American novelist and playwright, known for his books, which span the Southern Gothic, Western, and modernist genres. He has written a total of ten novels, and was awarded the Pulitzer prize for his 2006 novel, *The Road*. He also received a National Book Award and National Book Critics Circle Award for *All the Pretty Horses*. *All the Pretty Horses* and *The Road* were both made into major motion picture films, as was his 2005 novel, *No Country for Old Men*, which won four Academy Awards, including Best Picture. Cormac McCarthy has often been compared by modern reviewers to William Faulkner, and was named by literary critic Harold Bloom as one of the four major American novelists of his time. About *All the Pretty Horses* Cormac McCarthy's *All the Pretty Horses*, published in 1992, is his sixth novel and the first part of the Border Trilogy, which also includes *The Crossing* and *Cities of the Plain*. The book is a western genre coming-of-age story set in West Texas and Mexico during the late 1940's. Its romanticism and sacred violence brought the writer much public attention. The novel was a bestseller and was made into a movie in 2000. *All the Pretty Horses* became a New York Times Bestseller, selling 190,000 copies in hardcover within the first six months of publication.

all the pretty horses review: Cormac McCarthy and the Myth of American Exceptionalism John Cant, 2013-01-11 This overview of McCarthy's published work to date, including: the short stories he published as a student, his novels, stage play and TV film script, locates him as a iconoclastic writer, engaged in deconstructing America's vision of itself as a nation with an exceptionalist role in the world. Introductory chapters outline his personal background and the influences on his early years in Tennessee whilst each of his works is dealt with in a separate chapter listed in chronological order of publication.

all the pretty horses review: Contemporary Southern Men Fiction Writers Rosemary M. Canfield Reisman, Suzanne Booker-Canfield, 1998 This carefully annotated bibliography lists sources of criticism for thirty-nine Southern male authors, each of whom has published at least one significant book of fiction between 1970 and 1994.

all the pretty horses review: Perspectives on Cormac McCarthy Edwin T. Arnold, Dianne C. Luce, 2009-10-20 Originally published in 1993, this was the first volume of essays devoted to the works of Cormac McCarthy. Immediately it was recognized as a major contribution to studies of this acclaimed American author. American Literary Scholarship hailed it as "a model of its kind." It has since established itself as an essential source for any McCarthy scholar, student, or serious reader. In 1993, McCarthy had recently published *All the Pretty Horses* (1992), the award-winning first volume of the "Border Trilogy." The second volume, *The Crossing*, appeared in 1994, and the concluding novel, *Cities of the Plain*, in 1998. The completion of the trilogy, one of the most significant artistic achievements in recent American literature, calls for further consideration of McCarthy's career. This revised volume, therefore, contains in addition to the original essays an updated version of Gail Morrison's article on *All the Pretty Horses*, plus two original essays by the editors of *The Crossing* (Luce) and *Cities of the Plain* (Arnold). Except for McCarthy's drama, *The Stonemason* (1994), all the major publications are covered in this collection. Cormac McCarthy is now firmly established as one of the masters of American literature. His first four novels, his screenplay "The Gardener's Son," and his drama *The Stonemason* are all set in the South. Starting with *Blood Meridian* (1985), he moved west to the border country of Texas and Old and New Mexico, to create masterpieces of the western genre. Few writers have so completely and successfully

described such different locales, customs, and people. Yet McCarthy is no regionalist. His work centers on the essential themes of self-determination, faith, courage, and the quest for meaning in an often violent and tragic world. For his readers wishing to know McCarthy's works this collection is both an introduction and an overview.

all the pretty horses review: CliffsNotes on McCarthy's All the Pretty Horses Jeanne Inness, 2016-03-22 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. Geared to what today's students need to know, SparkNotes provides: chapter-by-chapter analysis explanations of key themes, motifs, and symbols a review quiz and essay topics Lively and accessible, these guides are perfect for late-night studying and writing papers.

all the pretty horses review: Cormac McCarthy and Performance Stacey Peebles, 2017-06-06 Cormac McCarthy is renowned as the author of popular and acclaimed novels such as Blood Meridian, All the Pretty Horses, and The Road. Throughout his career, however, McCarthy has also invested deeply in writing for film and theater, an engagement with other forms of storytelling that is often overlooked. He is the author of five screenplays and two plays, and he has been significantly involved with three of the seven film adaptations of his work. In this book, Stacey Peebles offers the first extensive overview of this relatively unknown aspect of McCarthy's writing life, including the ways in which other artists have interpreted his work for the stage and screen. Drawing on many primary sources in McCarthy's recently opened archive, as well as interviews, Peebles covers the 1977 televised film The Gardener's Son; McCarthy's unpublished screenplays from the 1980s that became the foundation for his Border Trilogy novels and No Country for Old Men; various successful and unsuccessful productions of his two plays; and all seven film adaptations of his work, including John Hillcoat's The Road (2009) and the Coen brothers' Oscar-winning No Country for Old Men (2007). Emerging from this narrative is the central importance of tragedy—the rich and varied portrayals of violence and suffering and the human responses to them—in all of McCarthy's work, but especially his writing for theater and film.

all the pretty horses review: New Westers Michael L. Johnson, 1996 These New Westers, Johnson reveals, line-dance and two-step, listen to Garth Brooks and George Strait, drink beer from long-neck bottles, wear clothes ordered from Sheplers, watch rodeo on ESPN, play Wild West arcade games, eat fajitas and tacos in stuccoed Mexican cafes, collect Western art and Native American crafts, and vacation in and move to the West. New Westers rewrite the history and biography of the West. They reimagine the West in Cowboy sagas and poetry, Native American novels, Mexican-American drama, nature writing, revisionist films, eclectic visual artwork, and neo-traditional music. They flock to movies like Thelma and Louise, Unforgiven, and Dances with Wolves, watch mini-series like Lonesome Dove, and read bestsellers like The Crossing and All The Pretty Horses. New Westers are men and women who may or may not have ever hitched up a horse but who crave connection with the West. At the end of a century of urbanization, technological change, and cultural confusion, they seek a more natural home, a fuller and wider sense of place,

and a deeper and more colorful personal identity. They also want to revive the dream of the mythic West - but on different terms. They overrun the Old West and yet strive to preserve it, raising troubling new concerns about the differences between the mythic and the real, between traditional and contemporary cultural influences.

all the pretty horses review: The Best Novels of the Nineties Linda Parent Leshner, 2015-11-17 This reader's guide provides uniquely organized and up-to-date information on the most important and enjoyable contemporary English-language novels. Offering critically substantiated reading recommendations, careful cross-referencing, and extensive indexing, this book is appropriate for both the weekend reader looking for the best new mystery and the full-time graduate student hoping to survey the latest in magical realism. More than 1,000 titles are included, each entry citing major reviews and giving a brief description for each book.

all the pretty horses review: Reading Cormac McCarthy Willard P. Greenwood, 2009-06-08 One of today's most important novelists, Cormac McCarthy is at the peak of a long and productive career. The film adaptation of his *No Country for Old Men* is a major motion picture, and his fiction is widely read in book clubs. This volume looks at his works, characters, themes, and contexts and relates his writings to current events and popular culture. Chapters include sidebars of interesting information, along with questions to stimulate book club discussions and student research. One of today's most important novelists, Cormac McCarthy is at the peak of a long and productive career. He won the Pulitzer Prize for *The Road* in 2007 and the National Book Award for *All the Pretty Horses* in 1992. This book is a guide to his works and their relevance. The volume begins with a look at his life and his use of the novel as a means of expressing his ideas. The book then looks at his works, themes, characters, and contexts. It then discusses his exploration of current events and the presence of his fiction in popular culture. Chapters include sidebars of interesting information and provide questions to stimulate book club discussion and student research.

all the pretty horses review: Late Westerns Lee Clark Mitchell, 2018-12-01 For more than a century the cinematic western has been America's most familiar genre, always teetering on the verge of exhaustion and yet regularly revived in new forms. Why does this outmoded vehicle—with the most narrowly based historical setting of any popular genre—maintain its appeal? In *Late Westerns* Lee Clark Mitchell takes a position against those critics looking to attach “post” to the all-too-familiar genre. For though the frontier disappeared long ago, though men on horseback have become commonplace, and though films of all sorts have always, necessarily, defied generic patterns, the western continues to enthrall audiences. It does so by engaging narrative expectations stamped on our collective consciousness so firmly as to integrate materials that might not seem obviously “western” at all. Through plot cues, narrative reminders, and even cinematic frameworks, recent films shape interpretive understanding by triggering a long-standing familiarity audiences have with the genre. Mitchell's critical analysis reveals how these films engage a thematic and cinematic border-crossing in which their formal innovations and odd plots succeed deconstructively, encouraging by allusion, implication, and citation the evocation of generic meaning from ingredients that otherwise might be interpreted quite differently. Applying genre theory with close cinematic readings, Mitchell posits that the western has essentially been “post” all along.

all the pretty horses review: Cormac McCarthy and the Ghost of Huck Finn Leslie Harper Worthington, 2012-01-09 Mark Twain once wrote, We are nothing but echoes. Despite this pronouncement, Twain's voice continues to reverberate in the 21st century. Twain's *Adventures of Huckleberry Finn* helped define modern American literature, creating The Huck Finn Tradition in contemporary writing. This volume discusses the intertextual connections between Twain's iconic novel and eight works by celebrated American author Cormac McCarthy, including *Suttree*, *The Orchard Keeper*, *Blood Meridian*, *All the Pretty Horses*, *The Crossing*, *Cities of the Plain*, *No Country for Old Men*, and *The Road*. By chronicling the diverse scholarly comparisons between Twain and McCarthy and exploring the echoes of Twain and Huck Finn in McCarthy's writing, this study reveals how McCarthy has not only absorbed Twain's tradition, but transformed it, with consequences that surpass the work of other Twain heirs.

all the pretty horses review: Developing an Outstanding Core Collection Carol Alabaster, 2010-02-26 Carol Alabaster focuses on developing a collection with high-quality materials while saving time and money.

all the pretty horses review: Cormac McCarthy Erik Hage, 2010-03-16 Cormac McCarthy, the author of such works as *Blood Meridian*, *All the Pretty Horses*, *No Country for Old Men*, and *The Road*, is one of America's greatest living writers--an uncompromising examiner of the depths of human depravity, the nature of evil, and the bonds that endure. This companion is intended for both the scholar and lay reader seeking a comprehensive understanding of McCarthy's body of work. Alphabetically ordered entries offer analysis of novels, characters, motifs, allusions, plays, and themes, as well as commentary on events, people and places related to McCarthy scholarship. Most entries include a selected bibliography for further reading. A biographical introduction provides information on the life of this reclusive author, and discussion topics are provided as an aid for instructors.

all the pretty horses review: *Understanding Cormac McCarthy* Steven Frye, 2012-08-27 A roadmap to the dark and mythic topography of McCarthy's fiction Named by Harold Bloom as one of the most significant American novelists of our time, Cormac McCarthy has been honored with the National Book Award and the National Book Critics Circle Award for *All the Pretty Horses*, the James Tait Black Memorial Prize and the Pulitzer Prize for *The Road*, and the coveted MacArthur Fellowship. Steven Frye offers a comprehensive treatment of McCarthy's fiction to date, dealing with the author's aesthetic and thematic concerns, his philosophical and religious influences, and his participation in Western literary traditions. Frye provides extensive readings of each novel, charting the trajectory of McCarthy's development as a writer who invigorates literary culture both past and present through a blend of participation, influence, and aesthetic transformation. *Understanding Cormac McCarthy* explores the early works of the Tennessee period in the context of the romance genre, the southern gothic and grotesque, as well as the carnivalesque. A chapter is devoted to *Blood Meridian*, a novel that marks McCarthy's transition to the West and his full recognition as a major force in American letters. In the final two chapters, Frye explores McCarthy's Border Trilogy and his later works—specifically *No Country for Old Men* and *The Road*—addressing the manner in which McCarthy's preoccupation with violence and human depravity exists alongside a perpetual search for meaning, purpose, and value. Frye provides scholars, students, and general readers alike with a clearly argued foundational examination of McCarthy's novels in their historical and literary contexts as an ideal roadmap illuminating the author's work as it charts the dark and mythic topography of the American frontier.

all the pretty horses review: *The New York Times Index* , 2000

all the pretty horses review: *Delivering the Framework for Teaching English* Michael Ross, Keith West, 2002 Responding to the demands of the Framework for Teaching English, Years 7-9, within the context of the revised National Curriculum, the Level Best series offers a carefully structured and motivating approach to English for Key Stage 3.

all the pretty horses review: *Approaches to Teaching the Works of Cormac McCarthy* Stacey Peebles, Benjamin West, 2021-11-01 Offers pedagogical techniques for teaching Cormac McCarthy's works, including considerations of their depiction of violence and dystopia, distinctive prose style, and relation to film. Contextualizes the works as regional literature of the South and West. Gives syllabus suggestions for high school, undergraduate, and graduate courses in American literature.

all the pretty horses review: *The New Encyclopedia of Southern Culture* M. Thomas Inge, 2014-02-01 Offering a comprehensive view of the South's literary landscape, past and present, this volume of *The New Encyclopedia of Southern Culture* celebrates the region's ever-flourishing literary culture and recognizes the ongoing evolution of the southern literary canon. As new writers draw upon and reshape previous traditions, southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures--a development thoughtfully explored in the essays here. Greatly expanding the content of the

literature section in the original Encyclopedia, this volume includes 31 thematic essays addressing major genres of literature; theoretical categories, such as regionalism, the southern gothic, and agrarianism; and themes in southern writing, such as food, religion, and sexuality. Most striking is the fivefold increase in the number of biographical entries, which introduce southern novelists, playwrights, poets, and critics. Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship.
