Below is a detailed table of contents outlining the main sections covered in this article.

- Overview of American Like Me Full Book
- Key Contributors and Their Stories
- Themes Explored in the Book
- Significance and Impact of the Book
- How to Access and Read American Like Me Full Book

Overview of American Like Me Full Book

The american like me full book is an anthology edited by America Ferrera, featuring a collection of essays from influential voices across various ethnic and cultural backgrounds. The book presents diverse personal narratives that offer insight into the multifaceted American experience. Each essay reflects on the contributors' individual journeys with race, identity, and cultural heritage. The concept behind the book is to illuminate the shared and unique experiences of people who often feel marginalized or underrepresented in mainstream discourse. Through these stories, readers encounter a mosaic of perspectives that challenge stereotypes and foster a deeper understanding of America's evolving identity.

Background and Purpose

The book was created to address the lack of representation and to provide a platform for voices that are frequently overlooked. America Ferrera, known for her advocacy and acting career, curated this collection

to highlight stories that promote empathy and awareness. The essays aim to inspire dialogue and reflection about what it means to be American in a country marked by diversity and social complexity.

Structure and Format

The American Like Me full book is organized into a series of essays, each written by a different contributor. The format allows for a wide range of storytelling styles, including memoir, cultural critique, and personal reflection. This structure provides a comprehensive look at identity through multiple lenses, making the anthology both engaging and educational.

Key Contributors and Their Stories

The contributors to American Like Me full book include actors, activists, writers, and other public figures who share their intimate and often powerful experiences. Each contributor brings a unique voice, enriching the book's collective narrative.

Notable Contributors

Among the notable contributors are individuals who have made significant cultural and social impacts. Their stories range from overcoming adversity to celebrating heritage, illustrating the diverse realities of American life.

- **America Ferrera:** The editor and contributor, sharing her experiences as a Latina navigating Hollywood and identity politics.
- **Lin-Manuel Miranda:** The renowned playwright and actor, reflecting on his Puerto Rican roots and creative journey.
- **Constance Wu:** An actress discussing the challenges and triumphs of Asian American representation.
- **Jose Antonio Vargas:** A journalist and immigration activist sharing his story as an undocumented immigrant.
- **Other Voices:** Additional contributors include authors, musicians, and community leaders who provide a broad spectrum of perspectives.

Impact of Personal Narratives

The personal stories shared in the book serve to humanize complex social issues and encourage readers to reflect on their own identities and biases. By presenting authentic experiences, the contributors foster a greater sense of connection and understanding across cultural divides.

Themes Explored in the Book

The American Like Me full book delves into a variety of themes that resonate deeply within the American social fabric. These themes provide a framework for understanding the diverse experiences of the contributors and the broader societal context.

Identity and Belonging

A central theme is the exploration of identity, particularly how individuals reconcile their cultural heritage with their American identity. Essays examine feelings of belonging, exclusion, and the ongoing negotiation of personal and collective identities.

Race and Representation

The book addresses the realities of racial dynamics in America, including systemic racism, stereotypes, and the fight for representation in media and public life. Contributors discuss the importance of visibility and the challenges faced by marginalized communities.

Cultural Heritage and Legacy

Many essays highlight the significance of cultural heritage and the ways in which traditions and histories shape personal and communal identities. The preservation and celebration of cultural roots emerge as vital components of the American experience.

Social Justice and Advocacy

The anthology also touches on themes of activism and social justice, emphasizing the role of individual and collective efforts in creating a more equitable society. Contributors share their motivations and experiences as advocates for change.

Significance and Impact of the Book

The American Like Me full book holds significant cultural and educational value. It contributes to the ongoing conversation about diversity, inclusion, and equity in America.

Broadening Perspectives

The book enables readers to gain insight into experiences that differ from their own, fostering empathy and awareness. It challenges preconceived notions and encourages a more nuanced understanding of American identity.

Educational Use and Influence

American Like Me is frequently utilized in academic settings to facilitate discussions on race, ethnicity, and identity. Its real-life accounts make it a valuable resource for educators and students alike.

Cultural Relevance

Published during a time of heightened awareness of social issues, the book resonates with contemporary movements advocating for racial justice and representation. Its relevance continues as America grapples with questions of inclusion and equality.

How to Access and Read American Like Me Full Book

For readers interested in exploring the American Like Me full book, several options are available to access this important work.

Purchase Options

The book is available for purchase in various formats, including paperback, hardcover, and eBook. Online retailers and bookstores typically stock the book, making it widely accessible.

Library Availability

Many public and academic libraries carry the book, providing free access to readers. Checking local library catalogs or digital lending platforms can be a convenient way to read the anthology.

Reading Recommendations

When approaching the book, readers may benefit from reflecting on the themes and considering the historical and social contexts of the essays. Group discussions or reading circles can enhance understanding and engagement with the material.

1. Obtain a copy through purchase or library loan.
2. Read essays attentively, noting recurring themes and perspectives.
3. Engage in discussions or educational activities related to the content.
4. Reflect on personal experiences in relation to the narratives presented.

Additional Resources

1. *American Like Me: Reflections on Life Between Cultures*

This book is a collection of essays by various authors, including America Ferrera, exploring the complexities of growing up between cultures in the United States. The contributors share personal stories about identity, family, and the immigrant experience, highlighting the diversity of the American narrative. It offers a heartfelt look at what it means to be American in a multicultural society.

2. *The Namesake* by Jhumpa Lahiri

A novel that follows the life of Gogol Ganguli, the American-born son of Indian immigrants, as he struggles to find his identity between his parents' Bengali heritage and his American upbringing. The story delves into themes of cultural assimilation, family bonds, and the search for self. Lahiri's prose beautifully captures the immigrant experience in America.

3. *Tell Me How It Ends: An Essay in Forty Questions* by Valeria Luiselli

This poignant essay recounts the author's experience working as a translator for undocumented immigrant children in the U.S. Luiselli uses the forty questions she asks the children to explore broader issues of immigration, identity, and humanity. It's a powerful reflection on the challenges faced by immigrant families.

4. *Becoming American: The British Atlantic Colonies, 1690-1763* by Sylvia R. Frey and Betty Wood

This historical work examines the early formation of American identity during the colonial period. It discusses how diverse groups in the British Atlantic colonies contributed to what would become a distinct American culture. The book provides context for understanding the roots of American identity.

5. *The Distance Between Us: A Memoir* by Reyna Grande

Reyna Grande's memoir recounts her childhood in Mexico and her journey to the United States as an

undocumented immigrant. She shares the struggles and sacrifices of her family, highlighting the emotional and physical distance caused by immigration. This memoir offers an intimate perspective on the American immigrant experience.

6. *Dear America: Notes of an Undocumented Citizen* by Jose Antonio Vargas

Pulitzer Prize-winning journalist Jose Antonio Vargas shares his life story as an undocumented immigrant in America. The book addresses issues of immigration policy, identity, and belonging while challenging readers to rethink what it means to be American. Vargas's narrative is both personal and politically charged.

7. *My Beloved World* by Sonia Sotomayor

An inspiring memoir by the first Latina Supreme Court Justice, detailing her upbringing in a Puerto Rican community in the Bronx. Sotomayor discusses her cultural heritage, education, and the obstacles she overcame to reach the highest court in the U.S. Her story is a testament to the American dream through the lens of identity and perseverance.

8. *How the García Girls Lost Their Accents* by Julia Alvarez

This novel tells the story of four sisters who immigrate from the Dominican Republic to the United States and their struggles to adapt while maintaining their cultural identity. Alvarez explores themes of assimilation, family conflict, and the meaning of home. The book offers a nuanced look at bicultural identity.

9. *Walking the Clouds: An Anthology of Indigenous American Writing* edited by Laura Tohe

This anthology features a diverse collection of poetry, stories, and essays by Indigenous writers from across the Americas. It provides insight into Native American identities, histories, and contemporary experiences. The collection enriches the understanding of American identity through indigenous perspectives.

american like me full book: American Like Me America Ferrera, 2018-09-25 INSTANT NEW YORK TIMES BESTSELLER From Academy Award-nominated actress and 2023 SeeHer award recipient America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants,

indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

american like me full book: Japanamerica Roland Kelts, 2024-06-04 Contemporary Japanese pop culture such as anime and manga (Japanese animation and comic books) is Asia's equivalent of the Harry Potter phenomenon--an overseas export that has taken America by storm. While Hollywood struggles to fill seats, Japanese anime releases are increasingly outpacing American movies in number and, more importantly, in the devotion they inspire in their fans. But just as Harry Potter is both universal and very English, anime is also deeply Japanese, making its popularity in the United States totally unexpected. *Japanamerica* is the first book that directly addresses the American experience with the Japanese pop phenomenon, covering everything from Hayao Miyazaki's epics, the burgeoning world of hentai, or violent pornographic anime, and Puffy AmiYumi, whose exploits are broadcast daily on the Cartoon Network, to literary novelist Haruki Murakami, and more. With insights from the artists, critics, readers and fans from both nations, this book is as literate as it is hip, highlighting the shared conflicts as American and Japanese pop cultures dramatically collide in the here and now.

american like me full book: The Travels of the Black Raven Matthew Quaine Thompkins, 2013-12-30 Matthew, a sophomore at Humboldt State University, wants to study abroad. He currently excels in his studies, and he feels it's time to leave the country. He one day runs to the study-abroad office on campus and asks if his school has a program for Japan. Unfortunately, the school has no program to go to the country, but they recommend him to a language program in China. Seeking freedom from boredom, Matthew, a young American college student, decides to embark on the trip of a lifetime to Xi'an. There, he has the task of learning one of the world's most difficult languages, Mandarin Chinese. Xi'an, home to some of China's most notable dynasties, is enriched with culture and beauty. Matthew's goal is to endure this language-intensive program and then flee to Japan. Before he can do this, he has to endure six months of living in Communist China. Matthew has no knowledge of China, and more importantly, he still is in the crossroad of finding his destiny. Born and raised in South Central Los Angeles, Matthew enters China innocent and unprepared. Having a history of poor academics, his goal is to discover the art of studying and learning. Matthew leaves home, unaware of the characters he will meet and the inspiration he will gain. Matthew is in for an eye-opening experience from one of the world's greatest civilizations.

american like me full book: Mexican American Pride Filiberto Cavazos M.D., 2020-11-12 Mexican American Pride By: Filiberto Cavazos M.D. Mexican American Pride details the ideals and

path to strengthening pride in our Mexican American community, pride in its rich culture, and pride in being an upstanding, powerful, and integral part of the fabric of America.

american like me full book: *Nation of Killers: Guns, Violence, White Supremacy: The American Dream Become Delusion* Jack Carney, DSW, 2015-10-05 In recent years, the American dream has been usurped, taking numerous opportunities away from ordinary working-class, middle-class Americans. In *Nation of Killers*, author Jack Carney shares what he believes has gone wrong and what might be done to address and correct it. Carney offers readers information they might not otherwise have, seeking to provoke them into reconsidering some conclusions about this country and its future direction. He argues that violence-rooted in white supremacist ideology has been employed by one percenters and their surrogates to promote the country's nineteenth-century expansion and its modern imperialist adventures and to subjugate those of its citizens who have been politically and economically marginalized since the nation's founding.

american like me full book: *Ignorant Armies* Charles Sam Courtney, 2007 *Ignorant Armies: Tales and Morals of an Alien Empire* combines startling stories from the life of an American diplomat with equally startling opinions about the country he represented abroad for over three decades. Charles Sam Courtney chose his book's title to convey bizarreness, the bizarreness of some of the things that happened to him as well as the bizarreness of contemporary America's behavior toward the rest of the world. In his Forward and in Chapters II, IV and VI he expresses his dismay at what has become of the United States in the post-Cold War era. He depicts the decline of the country from its former status as the world's model nation to its current one as global pariah. He attributes this decline, not to mischievous foreign powers or even to wicked politics at home, but rather to the Americans themselves. He describes how the pervasive culture of consumerism and overweening ignorance of Americans have left them incapable of engaging in the kind of enlightened public discourse a genuine democracy demands. He considers the decline irreparable, and he has come to believe that he has lost his country. After a lifetime of service to America, his loss is personal and painful. In Chapters I, III and V he recounts some personal episodes in his life as a diplomat. He was a hostage to terrorists twice, once in the Near East and once in the United States Senate. On an earlier occasion, as a brand new junior diplomat, he was fired for slugging a journalist. JFK saved his career, but in a heart-rending way. Not long after that Courtney helped his Turkish secretary in Istanbul pursue an illicit affair, with the result that interlocking sexual and political betrayals disrupted the Soviet Union's espionage operations throughout the Near East. A few years later in Calcutta he was encouraged by the CIA, no less, to fall into a Soviet sex trap. He concludes his personal reminiscences by describing his friendship with a man who probably was the KGB station chief in London but who, in 1992, was seeing his world turn upside down. This poignant tale and those preceding it capture the Cold-War world that was. They also foreshadow the world that was to come.

american like me full book: *Journey* James A. Michener, 2014-03-18 One of the premier novelists of the twentieth century, James A. Michener captures a frenzied time when sane men and women risked their very lives in a forbidding Arctic land to win a dazzling and elusive prize: Yukon gold. In 1897, gold fever sweeps the world. The promise of untold riches lures thousands of dreamers from all walks of life on a perilous trek toward fortune, failure—or death. *Journey* is an immersive account of the adventures of four English aristocrats and their Irish servant as they haul across cruel Canadian terrain toward the Klondike gold fields. Vivid and sweeping, featuring Michener's probing insights into the follies and grandeur of the human spirit, this is the kind of novel only he could write. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *Journey* "Stunning . . . Michener at his best."—Houston Chronicle "Michener brings sharply into focus the hardships encountered by those who dreamed of striking it rich."—Associated Press "Michener has amassed a peerless reputation as the heralded dean of the historical tome. . . . *Journey* is a book that envelops the reader in an atmosphere of hazardous escapades."—Richmond Times-Dispatch "Remarkable . . . superb literature."—The Pittsburgh Press

american like me full book: *Leftover Women* Leta Hong Fincher, 2016-07-31 In the early

years of the People's Republic, the Communist Party sought to transform gender relations. Yet those gains have been steadily eroded in China's post-socialist era. Contrary to the image presented by China's media, women in China have experienced a dramatic rollback of rights and gains relative to men. In *Leftover Women*, Leta Hong Fincher exposes shocking levels of structural discrimination against women, and the broader damage this has caused to China's economy, politics, and development.

american like me full book: *Multicultural Psychology* Pamela Balls Organista, Gerardo Marin, Kevin M. Chun, 2018-07-12 Appropriate for both undergraduate and graduate courses, *Multicultural Psychology*, second edition, provides a comprehensive introduction to the field. This research-based and highly applied text aims to increase students' sensitivity, awareness, and knowledge of ethnicity, race, and culture and their influence on human behavior and adjustment. A diverse and highly respected team of authors effortlessly weaves together theory with the latest research on ethnic and racial minority groups. Engaging boxes throughout the chapters also highlight key concepts and findings and their practical applications. New to This Edition: • Expanded discussion on the interactive effects of key social variables on ethnic and racial groups' attitudes, norms, values, and behaviors. • Additional sections on topics such as ethnic disparities in health care quality and access and psychological approaches to reducing racism. New coverage of ethnic and racial minority group members who also share other minority statuses (e.g., sexual and gender minorities) and additional coverage of biculturalism and multicultural and multiracial individuals' identity formation. • Reorganized table of contents to better reflect a developmental learning approach. • Updated content to include recent research in psychology and related fields (e.g., new acculturation models, an ecological model of health behavior, sociocultural issues in sexual identity formation, and other culture-related syndromes). • Revised ancillaries—written by the authors—include an instructor's manual, test bank, MS PowerPoint slides, and a new open access Companion Website

american like me full book: *The Road to Ramallah* Alan W. Horton, 2015-05-18 The Road to Ramallah is treacherous. Even when your guides are your oldest friends. Even when you're trying to do the right thing. Even when your country says it will watch your back as it sends you into harm's way. Cairo-based American businessman Bill Hampton doesn't know why he's being followed, or why mysterious men are stalking his family. He has no enemies. But neither US Embassy diplomats nor the CIA have any reassuring answers. Palestinian factions, Israeli security forces and American spies know Hampton has something much more dangerous than enemies. He has friends. Bill grew up in Palestine, and his boyhood pals are now leaders struggling for the power to make war or peace. The CIA thinks Bill can connect peacemakers on all sides... but if anyone suspects what he's doing, neither Bill nor his friends will survive. The Road to Ramallah is a classic thriller of international intrigue, divided loyalties and dangerous love.

american like me full book: *A Dirt Cheap (and Different) World* Hugh Hosch, 2016-02-02 This book is a collection of some of my own personal adventures during the period of the late 1950s to early 1960s before things began really changing from what was essentially a pre-World War II world. All the stories are true. A very few of them, and some of my accompanying illustrations, have appeared previously, but the overwhelming majority are original for this book. I hope you enjoy them all.

american like me full book: *Ruling the Elite* Tim Horn, 2011-07-16 *RULING the ELITE* uniquely asserts that political Parties have taken control of the government of the United States from the ordinary People and use it to benefit themselves and their supporters. The book reveals these Parties to be the Twenty First Century version of the Ruling Elites who have eternally sought to dominate all ordinary citizens, in all places and at all times. This situation is less about the specific efforts taken to come to this point and more about the basic nature of humankind. The current conditions of concentrated power that reduce the Rights of individuals and the states are the result of the nature of people and were anticipated by America's Founders. The nation's original government allowed ordinary People to flourish at levels unsurpassed in human history. But the United States has changed. The Parties have reduced the separation of powers, ignored other parts

of the Constitution, and expanded government substantially, reducing freedom and opportunity for ordinary Americans. Today, a relatively few in the major political Parties have become a new Ruling Elite that usurps freedom and opportunity from the ordinary People; this is an age old story for the world, but a newer issue in America and in the democracies it has spawned. *RULING the ELITE* details a plan to move the Power from the Parties to the People. It begins with a dedication that reads To ordinary People everywhere who have preceded us and will follow us in the eternal pursuit of Freedom. That dedication recognizes the memorable line that The hounds of Tyranny will always nip at the heels of Liberty. The naturally occurring desire for power and control in a few results in an unending attack on the Freedom of the many ordinary People, both externally and internally, to whatever boundary is erected. While the many focus inwardly and seek happiness and security for their family and friends through their own work, they exist in a world of predatory hounds that seek happiness in pursuing them and acquire security in taking property and control from them. Tyranny is the end game where the property of the many exists for the benefit of the hounds and for the other beasts that enable and support them. *RULING the ELITE* takes a bold look and says what must be said. The rise of democracy created speed bumps on the road to serfdom and the Parties are the agile vehicle of choice for the Tyrants. This book makes the case that the Founders understood both the spirit of domination that possesses some few, and the timeless natures of ordinary People and their Ruling Elite adversary. The Founders were Englishmen living abroad and were prepared for external attack from the Native Americans and French, but not from the royal's use of government in an internal attack on their freedom. They worked hard to develop a system of governance that would resist this sort of internal attack which would come again. The Declaration of Independence, announced their purpose then and is our instruction now: whenever any form of Government becomes destructive of these Ends, Life, Liberty and the Pursuit of Happiness, it is the Right of the People to alter or to abolish it. With this premise in mind, the book strikes out to review the Founding documents against the current activities of the Parties and then to develop a plan for ordinary People to reclaim their Freedom peacefully. All sections of the Documents are put into words and context that an ordinary citizen can understand, and a complete copy of each of the documents is included in the appendices for reference. The proposed plan of action is focused on the next few elections, but there is also a backup plan offered in case this primary plan does not work. An analogy from the author helps clarify the general point that the book makes evident: Mother lions are known for their deep caring about their cubs; political Parties care about The People the way a mother lion cares about its dinner.

american like me full book: *Korean Food 102* Adrienne Mascho, 2020-11-11 The book introduces Korean food from the perspective of an American who has lived in Korea for 10 years. The wonder of Korean food lies not only in its limitless shades of red, but also in that it has the power to amaze, delight and horrify, all at the same time. This book is to make Korean food more approachable, to plant a seed of curiosity within the reader's mind and stoke the fires of interest. *Korean Food 102* features foods from street vendors, cart food, bars, restaurants, franchises and convenience stores, and the appendix introduces tips and know-how useful for foreigners visiting Korea for the first time, including how to count numbers, how to order food, how to use chopsticks, how to take off one's shoes and how to use a wet towel. Next to the name of the food is an icon that indicate if it is spicy (chili icon) or contains meat (meat icon). Foods not containing meat are indicated separately as Stage 1 (contains seafood), Stage 2 (no meat or fish) and Stage 3 (no meat, fish, eggs or cheese). Did you have difficulty introducing Korean food to a foreign friend? You don't need to use fish cake to explain Eomuk anymore. With this book, you can become the master of Korean foods among your friends.

american like me full book: The Replaceability Paradigm Niall Martin, Ilios Willemars, 2024-06-04 The trope of humans being 'replaced' by 'AI' is one of the most familiar examples of the rhetoric of replaceability. Not only have questions about what is unique and what is replaceable gained momentum in digital culture, but notions of 'fungibility' have emerged in many other contexts as well such as ecology, management theory, and, more sinisterly, in racist and conspiracist

thinking. This volume argues that there is a 'replaceability paradigm' at work throughout the culture of modernity, from the European Renaissance, through Freudian psychoanalysis, Chinese science fiction and postcolonial theory, all the way to neural network programs such as Google's DeepDream. This collection will be of interest to anybody engaged with the conceptual architecture of contemporary culture, whether through film, literature, or new digital media.

american like me full book: *Sounding Our Way Home* Susan Miyo Asai, 2024-01-18 A product of twenty-five years of archival and primary research, *Sounding Our Way Home: Japanese American Musicking and the Politics of Identity* narrates the efforts of three generations of Japanese Americans to reach "home" through musicking. Using ethnomusicology as a lens, Susan Miyo Asai examines the musical choices of a population that, historically, is considered outside the racial and ethnic boundaries of American citizenship. Emphasizing the notion of national identity and belonging, the volume provokes a discussion about the challenges of nation-building in a democratic society. Asai addresses the politics of music, interrogating the ways musicking functions as a performance of social, cultural, and political identification for Japanese Americans in the United States. Musicking is an inherently political act at the intersection of music, identity, and politics, particularly if it involves expressing one's ethnicity and/or race. Asai further investigates how Japanese American ethnic identification and cultural practices relate to national belonging. Musicking cultivates a narrative of a shared history and aesthetic between performers and listeners. The discourse situates not only Japanese Americans, but all Asians into the Black/white binary of race relations in the United States. *Sounding Our Way Home* contributes to the ongoing struggle for acceptance and equal representation for people of color in the US. A history of Japanese American musicking across three generations, the book unveils the social and political discrimination that nonwhite immigrants and their offspring continue to face when it comes to finding acceptance in US society and culture.

american like me full book: *The Next New Syrian Girl* Ream Shukairy, 2023-03-14 A Syrian American and Syrian refugee who are at odds must chase a haunting secret that leads them all the way to Jordan in this sharp-witted novel perfect for fans of *I Am Not Your Perfect Mexican Daughter*. Khadija Shami is a Syrian American high school senior raised on boxing and football. Saddled with a monstrous ego and a fierce mother to test it, she dreams of escaping her sheltered life to travel the world with her best friend. Leene Tahir is a Syrian refugee, doing her best to adjust to the wildly unfamiliar society of a suburban Detroit high school while battling panic attacks and family pressures. When their worlds collide the result is catastrophic. To Khadija, Leene embodies the tame, dutiful Syrian ideal she's long rebelled against. And to Leene, Khadija is the strong-willed, closed-off American who makes her doubt her place in the world. But as Khadija digs up Leene's past, a startling and life-changing discovery forces the two of them closer together. As the girls secretly race to unravel the truth, a friendship slowly and hesitantly begins blooming. Doubts are cast aside as they realize they have more in common than they each expected. What they find takes them on a journey all the way to Jordan, challenging what each knows about the other and herself. Fans of Samira Ahmed's *Love, Hate, and Other Filters* and Tahereh Mafi's *A Very Large Expanse Of Sea* will love Khadija and Leene's sharp-witted voices in this dual POV narrative. *The Next New Syrian Girl* is a poignant and timely blend of guilt, nostalgia, devotion, and bad-ass hijabees.

american like me full book: *Stable Condition* Daniel J. Hopkins, 2023-03-23 The Affordable Care Act (ACA), the sweeping health care reform enacted by the Obama Administration in 2010, continues to be a contentious policy at the center of highly polarized political debates. Both before and after the law's passage, political elites on both sides of the issue attempted to sway public opinion through two traditional approaches: messaging and policymaking itself. They operated under the assumption that the public's personal experiences toward the law would make them more favorable. Yet these tried-and-true methods have had limited influence on public attitudes toward the ACA. Public opinion towards the ACA remained stable from 2010 to 2016, with more Americans opposing the law than supporting it. It was only after Donald Trump was elected in 2016 and the prospect of the law being repealed became a reality that public opinion swung in favor of the ACA. If

traditional methods of influencing public opinion had little impact on attitudes towards the ACA, what did? In *Stable Condition*, political scientist Daniel J. Hopkins draws on survey data from 2009 to 2020 to assess how a variety of factors such as personal experience, political messaging, and partisanship did or did not affect public opinion on the ACA. Hopkins finds that although personal experience with the ACA's Medicaid expansion increased favorability among low-income Americans, it did not have a broader overall impact on public opinion. Personal experience with the Health Insurance Marketplace did not increase wider support for the ACA either. Due to the complex nature of the law, users of the Marketplace often did not realize they were benefiting from the ACA. Therefore, perceptions of the Marketplace were shaped by high-profile issues with the enrollment website and opposition to the individual mandate. These experiences ultimately offset one another, resulting in little discernable change in public opinion overall. Hopkins argues that political polarization was also responsible for elite's limited influence and that public opinion on the ACA was largely determined by partisanship and political affiliation. Americans quickly aligned with their party's stance on the law and were resistant to changing their beliefs despite the efforts of political elites. *Stable Condition* is an illuminating examination of the limits of elites' influence and the forces that shaped public opinion about the Affordable Care Act.

american like me full book: Disciplined by Race Ki Joo Choi, 2019-04-04 What does it mean to be Asian American? Should Asian American identity be construed primarily in cultural terms or racial terms? And why should contemporary theology care about such questions? *Disciplined by Race: Theological Ethics and the Problem of Asian American Identity* reveals the critical importance of Asian American experience for contemporary theological debates on race. The book challenges readers to move beyond conventional perceptions of Asian Americans as model minorities and to confront the ways in which Asian Americans are socially restrained by whiteness. Rather than being insulated from the logics of white racism in the modern United States, being Asian American is tragically defined by those logics. Coming to grips with how Asian Americans are disciplined by race reveals the prospects for Asian American self-determination and raises the question of whether resistance to the social demands and allure of whiteness is realistically possible, for Asian Americans and non-Asian Americans alike.

american like me full book: Cranes Among Chickens James J. Ong, 2012-05-03 *Cranes Among Chickens* is a compelling memoir about a Taiwanese family, with tales of immigrants and pioneers, of ambition and rebellion, of three generations spanning one hundred years, two continents, five countries, and three wars. This family saga mirrors a tumultuous period in history as Taiwan transitioned from a 19th century backwater to a 21st century economic powerhouse. These collected stories drawn from diaries, letters, oral accounts, and the authors recollections of his own journey to American citizenship and professional acclaim provide a candid portrait of a remarkable family that has endured great change and overcome numerous challenges.
