

amy tan mother tongue significance

amy tan mother tongue significance is a crucial topic in understanding how language shapes identity, perception, and cultural experience. Amy Tan's essay "Mother Tongue" explores the complexities of language in shaping personal and social identity, particularly emphasizing the challenges and nuances of English as a second language for immigrants. The significance of this essay extends beyond personal narrative, shedding light on broader themes such as linguistic discrimination, cultural heritage, and the power dynamics embedded within language use. This article delves into the key themes and messages of Amy Tan's work, analyzing its impact on readers and its relevance in contemporary discussions about language and identity. The following sections will cover the background of the essay, the role of mother tongue languages, the issue of language and identity, and the societal implications of linguistic diversity.

- Background and Context of Amy Tan's "Mother Tongue"
- The Role of the Mother Tongue in Personal Identity
- Language and Perception: How Language Influences Thought
- Linguistic Discrimination and Societal Challenges
- The Cultural Importance of Preserving Mother Tongue Languages

Background and Context of Amy Tan's "Mother Tongue"

Amy Tan's essay "Mother Tongue" was written to highlight her experiences growing up with a mother who spoke limited English and to challenge the stereotypes associated with non-standard English speakers. The essay reflects on Tan's observations regarding how language affects the way individuals are perceived and treated in society. It draws from her personal experiences as a second-generation Chinese American, illuminating the significance of language as a marker of cultural identity and a tool of communication.

Author's Personal Experience

Amy Tan recounts her mother's "broken" English and how it affected her mother's interactions with the world, especially in professional and social contexts. Tan discusses the duality of her own English proficiency—fluent in academic and professional settings yet deeply connected to the more informal, intimate language she shares with her mother. This duality underscores the

complex dynamics between language, identity, and societal expectations.

Historical and Social Context

The essay also reflects broader historical themes of immigration and assimilation in America, where English proficiency often determines social acceptance and opportunity. Amy Tan's narrative is situated within this context, offering insights into the immigrant experience and the pressures to conform linguistically.

The Role of the Mother Tongue in Personal Identity

The mother tongue is more than just a means of communication; it is a fundamental component of personal and cultural identity. Amy Tan's essay emphasizes how a mother tongue shapes the way individuals think, feel, and relate to their heritage. It serves as a connection to family, history, and community.

Emotional Connection to Language

Tan illustrates how her mother's English, although considered "imperfect" by societal standards, carries emotional depth and authenticity. This connection demonstrates that language is not solely about grammatical accuracy but about conveying meaning and maintaining relationships.

Language as a Cultural Marker

Mother tongue languages often carry cultural nuances, idiomatic expressions, and values that are difficult to translate. For immigrant families, the mother tongue becomes a symbol of cultural preservation amid the pressures of assimilation into a dominant language culture.

Language and Perception: How Language Influences Thought

The significance of Amy Tan's mother tongue discussion extends to the cognitive and social realms, where language influences perception and thought processes. The way individuals are perceived by others is often conditioned by their language use, which impacts their social identity and opportunities.

Language and Thought

Amy Tan's essay touches upon the concept that language shapes thought, a theory supported by linguistic relativity. The mother tongue offers unique perspectives and ways of understanding the world, which can be lost when one adopts a new language.

Social Perceptions Linked to Language Proficiency

The essay highlights how people who speak "broken" or accented English are often unfairly judged as less intelligent or capable. This perception affects social interactions and can limit access to resources and opportunities, revealing the power dynamics embedded in language proficiency.

Linguistic Discrimination and Societal Challenges

Amy Tan's "Mother Tongue" brings attention to linguistic discrimination, where individuals are marginalized based on their language abilities. This section explores the societal challenges faced by non-native English speakers and the impact of such discrimination on identity and inclusion.

Forms of Linguistic Discrimination

- Workplace bias against accented or non-standard English speakers
- Educational challenges due to language barriers
- Social exclusion and stereotyping based on language proficiency
- Legal and institutional obstacles faced by non-native speakers

Consequences of Linguistic Marginalization

Linguistic discrimination can result in diminished self-esteem, limited social mobility, and cultural alienation. Amy Tan's essay advocates for greater understanding and respect toward diverse language backgrounds to combat these negative outcomes.

The Cultural Importance of Preserving Mother Tongue Languages

Preserving mother tongue languages is vital for maintaining cultural diversity and heritage. Amy Tan's work underscores the importance of recognizing and valuing linguistic diversity in a multicultural society.

Benefits of Mother Tongue Preservation

- Maintains cultural traditions and historical knowledge
- Strengthens family bonds and intergenerational communication
- Enhances cognitive abilities through bilingualism or multilingualism
- Promotes inclusivity and respect in diverse communities

Challenges in Preserving Mother Tongue Languages

Globalization and dominant language pressures often threaten the survival of minority languages. Amy Tan's essay serves as a reminder of the necessity to support mother tongue education and cultural expression to sustain linguistic heritage.

Frequently Asked Questions

What is the main theme of Amy Tan's essay 'Mother Tongue'?

The main theme of Amy Tan's essay 'Mother Tongue' is the exploration of language and its impact on identity, communication, and perception, particularly focusing on the author's experiences with her mother's 'limited' English.

Why is 'Mother Tongue' significant in understanding cultural identity?

The essay highlights how language shapes cultural identity and how different forms of English can affect how people are perceived and treated, emphasizing the value of diverse linguistic backgrounds.

How does Amy Tan describe her mother's English in 'Mother Tongue'?

Amy Tan describes her mother's English as 'broken' or 'limited,' not because it lacks intelligence, but because it does not conform to standard American English, which affects how others perceive her mother.

What message does Amy Tan convey about language and intelligence in 'Mother Tongue'?

Tan conveys that language proficiency should not be equated with intelligence. Despite her mother's limited English, she is intelligent and capable, challenging stereotypes associated with non-standard English speakers.

How does 'Mother Tongue' address issues of prejudice and discrimination?

The essay illustrates how people with non-standard English, like Tan's mother, often face prejudice and discrimination, revealing societal biases based on language proficiency.

In what way does 'Mother Tongue' reflect Amy Tan's personal experiences?

The essay is autobiographical, reflecting Tan's experiences growing up with a mother who spoke limited English and how this influenced her own understanding of language and identity.

What role does 'Mother Tongue' play in discussions about bilingualism and multilingualism?

The essay promotes appreciation for bilingualism and multilingualism by showing that different forms of English and other languages carry unique cultural values and should be respected rather than stigmatized.

How can 'Mother Tongue' be used in educational contexts?

'Mother Tongue' can be used to encourage discussions about language diversity, cultural identity, and inclusivity in classrooms, helping students understand the importance of respecting all forms of language.

Additional Resources

1. *The Joy Luck Club* by Amy Tan

This novel explores the complex relationships between Chinese-American daughters and their immigrant mothers. It delves into themes of cultural identity, language barriers, and the significance of mother tongue in shaping personal and familial identity. Amy Tan's storytelling highlights how language influences communication and understanding within multicultural families.

2. *Mother Tongue* by Amy Tan

A powerful essay that reflects on the challenges and beauty of "broken" English and its impact on identity and perception. Tan discusses how language shapes her relationship with her mother and challenges societal stereotypes about intelligence and language proficiency. This work is essential for understanding the significance of mother tongue in personal and cultural contexts.

3. *The Language Instinct* by Steven Pinker

This book offers a scientific perspective on language acquisition and its role in human cognition. Pinker explains how language is an innate instinct and discusses the importance of mother tongue in early development. It provides a broader context for understanding the linguistic themes present in Amy Tan's work.

4. *Balancing Acts: Women, Gender, and Culture in Contemporary Asian American Literature* by Shirley Geok-lin Lim

This collection of essays examines the intersection of gender, culture, and language in Asian American literature. It includes critical analysis of Amy Tan's portrayal of mother tongue and its significance in shaping identity and cultural heritage. The book provides insight into the complexities of bilingualism and cultural negotiation.

5. *Language and Identity in a Dual Language Book* by Susan Gass and Larry Selinker

Focusing on bilingualism and multilingualism, this book explores how individuals navigate multiple languages and cultural identities. It relates to Amy Tan's themes by discussing the role of mother tongue in identity formation and social interaction. The authors highlight the cognitive and emotional aspects of maintaining heritage languages.

6. *The Namesake* by Jhumpa Lahiri

This novel tells the story of a first-generation Indian-American navigating cultural identity and language. Lahiri's exploration of mother tongue significance parallels Amy Tan's themes, showing how language connects individuals to their heritage and influences their sense of self. The book poignantly addresses the immigrant experience and linguistic assimilation.

7. *Language and Cultural Identity* by Nancy Bonvillian

This text investigates how language shapes cultural identity and community belonging. It discusses the importance of mother tongue in maintaining

cultural traditions and personal identity, echoing the ideas presented in Amy Tan's work. The book is useful for understanding the broader implications of language in cultural dynamics.

8. *The Woman Warrior* by Maxine Hong Kingston

Kingston's memoir blends autobiography and folklore to explore the Chinese-American experience. The book emphasizes the role of language and storytelling in preserving cultural identity and addressing generational conflicts. Like Amy Tan, Kingston examines how mother tongue influences perception and self-expression.

9. *Bilingual: Life and Reality* by François Grosjean

This book provides an in-depth look at the experience of bilingual individuals and the impact of managing two languages. Grosjean's insights relate to Amy Tan's reflections on mother tongue, highlighting the challenges and advantages of bilingualism in everyday life. It offers a comprehensive understanding of language's role in identity and communication.

amy tan mother tongue significance: *Wiley AP English Language and Composition* Geraldine Woods, 2013-02-25 Score your highest on exam day Relax. The fact that you're even considering taking the AP English Language & Composition exam means you're smart, hard-working, and ambitious. All you need is to get up to speed on the exam's topics and themes and take a couple of practice tests to get comfortable with its question formats and time limits. That's where Wiley AP English Language & Composition comes in. This user-friendly and completely reliable guide helps you get the most out of any AP English class and reviews all of the topics emphasized on the test. It also provides two full-length practice exams, complete with detailed answer explanations and scoring guides. This powerful prep guide helps you practice and perfect all of the skills you need to get your best possible score. And, as a special bonus, you'll also get a handy primer to help you prepare for the test-taking experience. A detailed overview of the test Subject reviews covering all test topics Practice questions Sample free-response questions with advice for crafting critical essays Strategies and solid test-taking advice Two full-length practice tests with detailed explanations and walk-throughs Supplemented with handy lists of test-taking tips and more, Wiley AP English Language & Composition helps you make exam day a very good day, indeed.

amy tan mother tongue significance: **Amy Tan** Mary Ellen Snodgrass, 2015-01-24 In the mid-1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan's work--once pigeonholed as ethnic literature--resonates with universal themes that cross cultural and ideological boundaries, and prove wildly successful with readers of all stripes. Tender, sincere, complex, honest and uncompromising in its portrayal of Chinese culture and its affect on women, Amy Tan's work earned her both praise and excoriation from critics,

adoration from fans, and a place as one of America's most notable modern writers. This reference work introduces and summarizes Amy Tan's life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures and events, allusions, motifs and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan's family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan's work; a glossary of foreign terms found in her writing; and a list of related writing and research topics. An extensive bibliography and a comprehensive index accompany the text.

amy tan mother tongue significance: Mother Tongue Theologies Darren J. N. Middleton, 2010-01-01 Recognizing that one-third of the world's Christians practice their faith outside Europe and North America, the fourteen essays in *Mother Tongue Theologies* explore how international fiction depicts Christianity's dramatic movement South and East of Jerusalem as well as North and West. Structured by geographical region, this collection captures the many ways in which people around the globe receive Christianity. It also celebrates postcolonial literature's diversity. And it highlights non-Western authors' biblical literacy, addressing how and why locally rooted Christians invoke Scripture in their pursuit of personal as well as social transformation. Featured authors include Fyodor Dostoevsky, Constantine Cavafy, Scott Cairns, Chinua Achebe, Madam Afua Kuma, Earl Lovelace, V. S. Reid, Ernesto Cardenal, Helena Parente Cunha, Arundhati Roy, Mary Martha Sherwood, Marguerite Butler, R. M. Ballantyne, Rudyard Kipling, Nora Okja Keller, Amy Tan, Albert Wendt, and Louise Erdrich. Individual essayists rightly come to different conclusions about Christianity's global character. Some connect missionary work with colonialism as well as cultural imperialism, for example, and yet others accentuate how indigenous cultures amalgamate with Christianity's foreignness to produce mesmerizing, multiple identities. Differences notwithstanding, *Mother Tongue Theologies* delves into the moral and spiritual issues that arise out of the cut and thrust of native responses to Western Christian presence and pressure. Ultimately, this anthology suggests the reward of listening for and to such responses, particularly in literary art, will be a wider and deeper discernment of the merits and demerits of post-Western Christianity, especially for Christians living in the so-called post-Christian West.

amy tan mother tongue significance: The Joy Luck Club - Amy Tan Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2009 With the publication of her first novel in 1989, *The Joy Luck Club* Amy Tan was immediately recognized as a major contemporary novelist. Her work has received a great deal of attention and acclaim from feminist critics, and is very much concerned w

amy tan mother tongue significance: Teaching Young Adult Literature Thomas W. Bean, Judith Dunkerly-Bean, Helen J. Harper, 2013-02-14 *Teaching Young Adult Literature: Developing Students As World Citizens* (by Thomas W. Bean, Judith Dunkerly-Bean, and Helen Harper) is a middle and secondary school methods text that introduces pre-service teachers in teacher credential programs and in-service teachers pursuing a Masters degree in Education to the field of young adult literature for use in contemporary contexts. The text introduces teachers to current research on adolescent life and literacy; the new and expanding genres of young adult literature; teaching approaches and practical strategies for using young adult literature in English and Language Arts secondary classrooms and in Content Area Subjects (e.g. History); and ongoing social, political and pedagogical issues of English and Language Arts classrooms in relation to contemporary young adult literature.

amy tan mother tongue significance: Discourses on Nations and Identities Daniel Syrový, 2021-01-18 The third volume of the collected papers of the ICLA congress *The Many Languages of Comparative Literature* includes contributions that focus on the interplay between concepts of nation, national languages, and individual as well as collective identities. Because all literary communication happens within different kinds of power structures - linguistic, economic, political -, it often results in fascinating forms of hybridity. In the first of four thematic chapters, the papers investigate some of the ways in which discourses can establish modes of thinking, or how discourses

are in turn controlled by active linguistic interventions, whether in the context of the patriarchy, war, colonialism, or political factions. The second thematic block is predominantly concerned with hybridity as an aspect of modern cultural identity, and the cultural and linguistic dimensions of domestic life and in society at large. Closely related, a third series of papers focuses on writers and texts analysed from the vantage points of exile and exophony, as well as theoretical contributions to issues of terminology and what it means to talk about transcultural phenomena. Finally, a group of papers sheds light on more overtly violent power structures, mechanisms of exclusion, Totalitarianism, torture, and censorship, but also resistance to these forms of oppression. In addition to these chapters, the volume also collects a number of thematically related group sections from the ICLA congress, preserving their original context.

amy tan mother tongue significance: Routledge Handbook of Modern Japanese Literature Rachael Hutchinson, Leith Douglas Morton, 2016-06-03 The Routledge Handbook of Modern Japanese Literature provides a comprehensive overview of how we study Japanese literature today. Rather than taking a purely chronological approach to the content, the chapters survey the state of the field through a number of pressing issues and themes, examining the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory. The Handbook examines various modes of literary production (such as fiction, poetry, and critical essays) as distinct forms of expression that nonetheless are closely interrelated. Attention is drawn to the idea of the *bunjin* as a 'person of letters' and a more realistic assessment is provided of how writers have engaged with ideas – not labelled a 'novelist' or 'poet', but a 'writer' who may at one time or another choose to write in various forms. The book provides an overview of major authors and genres by situating them within broader themes that have defined the way writers have produced literature in modern Japan, as well as how those works have been read and understood by different readers in different time periods. The Routledge Handbook of Modern Japanese Literature draws from an international array of established experts in the field as well as promising young researchers. It represents a wide variety of critical approaches, giving the study a broad range of perspectives. This handbook will be of interest to students and scholars of Asian Studies, Literature, Sociology, Critical Theory, and History.

amy tan mother tongue significance: Dreams and Inward Journeys Marjorie Ford, Jon Ford, 2001 A truly unique book in its field, *Dreams and Inward Journeys*, 4/e explores the relationships between self-understanding, reading and writing. Chapters include reflective essays, poems, memory, gender roles, the anti-self, social definitions of self, and the visionary process itself. The emphasis on dreams and the imagination has been proven to excite and motivate students.

amy tan mother tongue significance: Amy Tan Harold Bloom, 2014-05-14 Presents a collection of critical essays about the works of Amy Tan.

amy tan mother tongue significance: Empowering Students Through Multilingual and Content Discourse Finley, Stacie Lynn, Correll, Pamela, Pearman, Cathy, Huffman, Stephanie, 2023-07-25 *Empowering Students Through Multilingual and Content Discourse* is a peer-reviewed research book that challenges the traditional monolingual classroom approach, where the teacher's voice dominates and only the dominant culture's language is considered the path to success. The book aims to empower students by creating classroom spaces where all voices are heard, valued, and empowered. It draws on research from scholars who study discourse and offers insights into how discourse can be used to promote language and literacy development, honor all students' voices, and empower them. This book also provides guidance on culturally and linguistically sustaining discourse practices and encourages educators to incorporate students' home languages and discourse practices in classroom instruction. It challenges educators to move away from centering White English and represent language more responsibly within the classroom. This research is a valuable resource for academic scholars and a useful tool for teachers looking to cultivate student-centered classroom practices. By encouraging discourse among students, educators can create a space where human life holds meaning, and students feel empowered to act and use their voices.

amy tan mother tongue significance: East-West Identities , 2007-10-30 Under the simultaneous influences of globalization and localization, there has emerged a prevalent social formation based on a hybridized culture in which the cultural norms are many and various: boundary transcendence, alternative cultures, cultural hybridity, cultural creativity, connectivity, tolerance, multiculturalism, cosmopolitanism. While the economic forces shaping globalization are powerful and seemingly getting stronger, they are not immutable, nor are their effects predictable or necessarily overwhelming. Contributors to this book are optimistic that the socio-cultural formations of the future, such as cultural hybridity and cosmopolitanism, will be a viable option for constructing new or renewed global communities of migrants around the world. It is on these diasporic communities that the self-definition (the self-identity) and cultural expansion of all migrants depend, and it is with these tools that migrants are best equipped to navigate the raging torrents of globalization in the new millennium of a post-postmodern era. Globalization brings with it a fear, a sense of loss and demise. It also brings with it a new sense of opportunity and hope. It is in this spirit that this book should be read. Contributors: Chan Kwok-bun, Jan W. Walls, David Hayward, Michael E. DeGolyer, Lam Wai-man, Georgette Wang, Emilie Yeh Yueh-yu, Lu Fang, Nan M. Sussman, Rie Ito, Oscar Bulaong Jr., Brian Chan Hok-shing, Millie Creighton, Anthony Y.H. Fung, Ho Wai-chung, Chiou Syuan-Yuan, Chris Wood, Chung Ling, Steve Fore, Todd Joseph Miles Holden, Ashley Tellis, Jeffrey S. Wilkinson, Steven McClung

amy tan mother tongue significance: Growing up with Three Languages Xiao-lei Wang, 2008-11-06 This book is based on an eleven-year observation of two children who were simultaneously exposed to three languages from birth. It tells the story of two parents from different cultural, linguistic, and ethnic-racial backgrounds who joined to raise their two children with their heritage languages outside their native countries. It also tells the children's story and the way they negotiated three cultures and languages and developed a trilingual identity. It sheds light on how parental support contributed to the children's simultaneous acquisition of three languages in an environment where the main input of the two heritage languages came respectively from the father and from the mother. It addresses the challenges and the unique language developmental characteristics of the two children during their trilingual acquisition process.

amy tan mother tongue significance: The Bedford Guide for College Writers with Reader, Research Manual, and Handbook with 2009 MLA and 2010 APA Updates X. J. Kennedy, Dorothy M. Kennedy, Marcia F. Muth, 2010-04 When it was first published twenty years ago, The Bedford Guide for College Writers brought a lively and innovative new approach to the teaching of writing. Since that time, authors X. J. and Dorothy M. Kennedy have won praise for their friendly tone and their view, apparent on every page of the text, that writing is the usually surprising, often rewarding art of thinking while working with language. More recently, experienced teacher and writer Marcia F. Muth joined the author team, adding more practical advice to help all students — even those underprepared for college work — become successful academic writers. While retaining the highly praised Kennedy touch, The Bedford Guide continues to evolve to meet classroom needs. The new edition does even more to build essential academic writing skills, with expanded coverage of audience analysis, source-based writing, argumentation and reasoning, and more.

amy tan mother tongue significance: From Hip-Hop to Hyperlinks Joanna N. Paull, 2009-03-26 From Hip-Hop to Hyperlinks is a text designed to invigorate composition teachers' classroom approaches for getting students to better understand American culture(s). The contributors share their strategies from their classrooms, including such exciting topics as food, comedy, music, technology, and photography. Readers may use this collection in a pragmatic way or as inspiration for developing and revising their current cultural curriculum. In general, these essays trace semester-long course structures to allow readers to see how one assignment leads into the next, often offering student writing samples along the way. There is not another collection out there quite like this one. Ideal for graduate students learning strategies for teaching, new teachers seeking some effective strategies or even seasoned professors looking for new teaching ideas, From

Hip-Hop to Hyperlinks is an exciting addition to any composition instructor's collection of teaching texts.

amy tan mother tongue significance: *The Cambridge Companion to American Fiction After 1945* John N. Duvall, 2012 A comprehensive 2011 guide to the genres, historical contexts, cultural diversity and major authors of American fiction since the Second World War.

amy tan mother tongue significance: Linguistically Diverse Immigrant and Resident Writers Christina Ortmeier-Hooper, Todd Ruecker, 2016-07-15 Spotlighting the challenges and realities faced by linguistically diverse immigrant and resident students in U.S. secondary schools and in their transitions from high school to community colleges and universities, this book looks at programs, interventions, and other factors that help or hinder them as they make this move. Chapters from teachers and scholars working in a variety of contexts build rich understandings of how high school literacy contexts, policies such as the proposed DREAM Act and the Common Core State Standards, bridge programs like Upward Bound, and curricula redesign in first-year college composition courses designed to recognize increasing linguistic diversity of student populations, affect the success of this growing population of students as they move from high school into higher education.

amy tan mother tongue significance: Rethinking Language Education in the Age of Generative AI Zhongfeng Tian, Chaoran Wang, 2025-05-20 Rethinking Language Education in the Age of Generative AI bridges the gap between theory, research, and practice in AI and language education. Through conceptual pieces, empirical studies, and practical applications, this book provides critical insights and implications for reimagining language education in the age of generative AI. The contributors explore a wide range of issues, reflections, and innovations in AI and language education across diverse contexts, including English as a Second Language (ESL), English as a Foreign Language (EFL), foreign language learning, postsecondary pathways programs for international students, and language teacher education programs. Topics examined include critical AI literacy, GenAI-informed second language teaching and assessment, teacher and student perceptions, tool development for language learning, as well as ethical considerations, policies, and guidelines. The book incorporates interdisciplinary perspectives, such as L2/foreign language studies, education, and applied linguistics, as well as global insights from countries like the United States, Canada, South Korea, Thailand, Indonesia, and the Philippines. This book is essential for students and researchers seeking to leverage AI to enhance language teaching and learning in innovative, critical, ethical, and responsible ways.

amy tan mother tongue significance: Translanguaging and Transformative Teaching for Emergent Bilingual Students City University of New York-New York State Initiative on Emergent Bilinguals, 2020-11-26 A critical and accessible text, this book provides a foundation for translanguaging theory and practice with educating emergent bilingual students. The product of the internationally renowned and trailblazing City University of New York-New York State Initiative on Emergent Bilinguals (CUNY-NYSIEB), this book draws on a common vision of translanguaging to present different perspectives of its practice and outcomes in real schools. It tells the story of the collaborative project's positive impact on instruction and assessment in different contexts, and explores the potential for transformation in teacher education. Acknowledging oppressive traditions and obstacles facing language minoritized students, this book provides a pathway for combatting racism, monolingualism, classism and colonialism in the classroom and offers narratives, strategies and pedagogical practices to liberate and engage emergent bilingual students. This book is an essential text for all teacher educators, researchers, scholars, and students in TESOL and bilingual education, as well as educators working with language minoritized students.

amy tan mother tongue significance: *Toward Translingual Realities in Composition* Nancy Bou Ayash, 2019-09-26 *Toward Translingual Realities in Composition* is a multiyear critical ethnographic study of first-year writing programs in Lebanon and Washington State—a country where English is not the sole language of instruction and a state in which English is entirely dominant—to examine the multiple and often contradictory natures, forces, and manifestations of

language ideologies. The book is a practical, useful way of seriously engaging with alternative ways of thinking, doing, and learning academic English literacies. Translingualism work has concentrated on critiquing monolingual and multilingual notions of language, but it is only beginning to examine translingual enactments in writing programs and classrooms. Focusing on language representations and practices at both the macro and micro levels, author Nancy Bou Ayash places the study and teaching of university-level writing in the context of the globalization and pluralization of English(es) and other languages. Individual chapters feature various studies that Bou Ayash brings together to address how students act as agents in marshaling their language practices and resources and shows a deliberate translingual intervention that complicates and enriches students' assumptions about language and writing. Her findings about writing programs, instructors, and students are detailed, multidimensional, and complex. A substantial contribution to growing translingual scholarship in the field of composition studies, *Toward Translingual Realities in Composition* offers insights into how writing teacher-scholars and writing program administrators can more productively intervene in local postmonolingual tensions and contradictions at the level of language representations and practices through actively and persistently reworking the design and enactment of their curricula, pedagogies, assessments, teacher training programs, and campus-wide partnerships.

amy tan mother tongue significance: *A Close Look at Close Reading* Barbara Moss, Diane Lapp, Maria Grant, Kelly Johnson, 2015-05-21 The Common Core State Standards have put close reading in the spotlight as never before. While middle and high school teachers want and need students to connect with, analyze, and learn from both literary and informational texts, many are unsure how to foster the skills students must have in order to develop deep and nuanced understanding of complicated content. Is there a process to follow? How is close reading different from shared reading and other common literacy practices? How do you prepare students to have their ability to analyze complex texts measured by high-stakes assessments? And how do you fit close reading instruction and experiences into an already crowded curriculum? * Text complexity and how to determine if a particular text is right for your learning purposes and your students. * The process and purpose of close reading, with an emphasis on its role in developing the 21st century thinking, speaking, and writing skills essential for academic communication and college and career readiness. * How to plan, teach, and manage close reading sessions across the academic disciplines, including the kinds of questions to ask, texts to use, and supports to provide. * How to assess close reading and help all students—regardless of linguistic, cultural, or academic background—connect deeply with what they read and derive meaning from complex texts. Equipping students with the tools and process of close reading sets them on the road to becoming analytical and critical thinkers—and empowered and independent learners. In this comprehensive resource, you'll find everything you need to start their journey.
