anthony bourdain appetites cover artist: Consumption and the Literary Cookbook

Roxanne Harde, Janet Wesselius, 2020-11-18 Consumption and the Literary Cookbook offers readers the first book-length study of literary cookbooks. Imagining the genre more broadly to include narratives laden with recipes, cookbooks based on cultural productions including films, plays, and television series, and cookbooks that reflected and/or shaped cultural and historical narratives, the contributors draw on the tools of literary and cultural studies to closely read a diverse corpus of cookbooks. By focusing on themes of consumption—gastronomical and rhetorical—the sixteen chapters utilize the recipes and the narratives surrounding them as lenses to study identity, society, history, and culture. The chapters in this book reflect the current popularity of foodie culture as they offer entertaining analyses of cookbooks, the stories they tell, and the stories told about them.

anthony bourdain appetites cover artist: Appetites Anthony Bourdain, Laurie Woolever, 2016-10-25 Written with the no-holds-barred ethos of his beloved series, No Reservations and Parts Unknown, the celebrity chef and culinary explorer's first cookbook in more than ten years—a collection of recipes for the home cook. Anthony Bourdain is a man of many appetites. And for many years, first as a chef, later as a world-traveling chronicler of food and culture on his CNN series Parts Unknown, he has made a profession of understanding the appetites of others. These days, however, if he's cooking, it's for family and friends. Appetites, his first cookbook in more than ten years, boils down forty-plus years of professional cooking and globe-trotting to a tight repertoire of personal favorites—dishes that everyone should (at least in Mr. Bourdain's opinion) know how to

cook. Once the supposed bad boy of cooking, Mr. Bourdain has, in recent years, become the father of a little girl—a role he has embraced with enthusiasm. After years of traveling more than 200 days a year, he now enjoys entertaining at home. Years of prep lists and the hyper-organization necessary for a restaurant kitchen, however, have caused him, in his words, to have morphed into a psychotic, anally retentive, bad-tempered Ina Garten. The result is a home-cooking, home-entertaining cookbook like no other, with personal favorites from his own kitchen and from his travels, translated into an effective battle plan that will help you terrify your guests with your breathtaking efficiency.

anthony bourdain appetites cover artist: The Poetics of Fire Victor M. Valle, 2023-11-15 In *The Poetics of Fire*, Pulitzer prize-winning journalist and Chicano author Victor M. Valle posits the chile as a metaphor for understanding the shared cultural histories of ChicanX and LatinX peoples from preconquest Mesoamerica to twentieth-century New Mexico. Valle uses the chile as a decolonizing lens through which to analyze preconquest Mesoamerican cosmology, early European exploration, and the forced conversion of Native peoples to Catholicism as well as European and Mesoamerican perspectives on food and place. Assembling a rich collection of source material, Valle highlights the fiery fruit's overarching importance as evidenced by the ubiquity of references to the plant over several centuries in literature, art, official documents, and more to offer a new eco-aesthetic reading—a reframing of culinary history from a pluralistic, non-Western perspective.

Doch *Appetites* ist weit mehr als ein Kochbuch. Es ist ein Kunstwerk. Ein Manifest. Eine Reflexion über das (richtige) Leben und ein Schlachtplan für die Küche, der dabei hilft, Gäste mit atemberaubender Effizienz in Schrecken zu versetzen. Die Fotos sind rebellisch, frech, ungeschönt, unkonventionell. Sie zeigen, wie es in einer Küche wirklich zugeht, und zelebrieren Bourdains Bad-Boy-Image auf schaurig-schöne Weise. Die Gerichte schmecken dennoch fantastisch und sollten – in Bourdains Augen – wirklich von jedem gekocht werden können.
