His adventures and exploits have been immortalized in folklore, literature, and television, making him a quintessential character in Western lore. This article explores the remarkable journey of Bat Masterson, highlighting his early years, law enforcement career, influence in Western towns, and his later years as a sports writer and celebrity. Through a detailed examination of his legacy, readers gain insight into the true nature of the Old West and the men who shaped it. The following sections delve into key aspects of Bat Masterson's life and contributions to frontier history.

- Early Life and Background
- Career as a Lawman
- Notable Gunfights and Feuds
- Role in Western Towns
- Transition to Journalism and Later Life
- Legacy and Cultural Impact

Early Life and Background

Bat Masterson was born William Barclay Masterson on November 26, 1853, in Quebec, Canada. His family moved to the United States when he was a child, eventually settling in Kansas. Growing up in the turbulent environment of the American frontier, Masterson developed skills in hunting, marksmanship, and horsemanship. These abilities would later prove essential in his career as a lawman and gambler in the Old West. His early years were marked by exposure to the challenges of frontier life, including conflicts with outlaws and Native American tribes.

Family Origins and Childhood

The Masterson family consisted of several brothers, many of whom gained notoriety in the West. Bat's upbringing in a frontier environment instilled values of toughness and resilience. His father's involvement in the community and the family's move westward provided the context for Bat's eventual immersion into frontier justice and law enforcement.

Education and Early Skills

Despite the rough surroundings, Bat Masterson received some formal education, but much of his learning came from practical experiences. He honed his shooting skills and developed a reputation for being quick on the draw, traits that would define his career. His early exposure to gambling and frontier politics also shaped his later endeavors.

Career as a Lawman

Bat Masterson's reputation as a fearless and effective lawman solidified his place in Old West history. He served in multiple roles, including deputy sheriff, city marshal, and U.S. deputy marshal. His career spanned several frontier towns, where he was instrumental in maintaining order amid lawlessness and violence. Masterson's approach combined firm enforcement with a personal code of honor, earning him respect from both citizens and fellow lawmen.

Deputy Sheriff and City Marshal Roles

Masterson's law enforcement career began in earnest in Dodge City, Kansas, where he worked alongside other famous lawmen like Wyatt Earp. As a deputy sheriff and city marshal, he was involved in numerous arrests and confrontations with outlaws. His presence in Dodge City contributed to the town's reputation as a relatively controlled and safer settlement during a turbulent period.

U.S. Deputy Marshal and Federal Service

Later, Masterson served as a U.S. deputy marshal, expanding his jurisdiction and responsibilities. In this capacity, he pursued criminals across state lines and dealt with more complex legal issues. His federal service underscored his dedication to law enforcement beyond local concerns, reflecting the evolving nature of justice in the Old West.

Notable Gunfights and Feuds

Bat Masterson's career was punctuated by several famous gunfights and personal feuds that contributed to his legendary status. These events demonstrated his skill with firearms, strategic thinking, and ability to navigate the dangerous social dynamics of frontier towns. Each incident added to the lore surrounding his name and the image of the Old West as a land of conflict and bravery.

The Long Branch Saloon Gunfight

One of Masterson's most well-known confrontations occurred at the Long Branch Saloon in Dodge City. This gunfight involved tensions between rival factions and showcased

Masterson's quick reflexes and calm under pressure. The incident solidified his reputation as a man who could handle violent disputes effectively.

Feuds with Outlaws and Rivals

Throughout his career, Masterson faced numerous conflicts with notorious outlaws and personal enemies. These feuds often escalated into violent encounters, but Masterson's skill and courage helped him emerge unscathed. His ability to maintain composure and enforce the law in these volatile situations was a critical factor in his success as a lawman.

Role in Western Towns

Beyond his individual exploits, Bat Masterson played a significant role in the development and stabilization of several Western towns. His work helped establish law and order, which was essential for economic growth and community safety. Masterson's influence extended to shaping the social and political landscape of frontier settlements.

Impact on Dodge City

Dodge City was one of the most notorious cattle towns of the Old West, and Masterson's tenure there was marked by efforts to reduce lawlessness. His presence as a lawman contributed to making Dodge City a symbol of frontier justice. He worked closely with other prominent figures to manage the town's challenges, including conflicts between cowboys, settlers, and outlaws.

Contributions to Other Frontier Towns

In addition to Dodge City, Masterson's career took him to towns such as Las Vegas, New Mexico, and Fort Worth, Texas. In these communities, he continued to uphold law enforcement standards and influence local governance. His ability to adapt to different environments and maintain authority made him a valuable figure in the Old West.

Transition to Journalism and Later Life

After years of law enforcement and gambling, Bat Masterson transitioned into a career in journalism. He became a sports writer and columnist in New York City, covering boxing and other sports. This shift marked a significant change from his frontier life but allowed him to remain in the public eye. His writing reflected his sharp wit and deep understanding of competition and human nature.

Career as a Sports Writer

Masterson wrote for prominent publications, gaining respect as a knowledgeable and engaging sports journalist. His coverage of boxing matches and sports personalities showcased his analytical skills and storytelling ability. This role extended his influence beyond the Old West, introducing his persona to a broader audience.

Final Years and Death

Bat Masterson spent his later years in New York, where he maintained friendships with notable figures and continued his journalistic work. He died in 1921, leaving behind a legacy that bridged the gap between the romanticized Old West and the modern era. His life story remains a testament to the multifaceted nature of frontier individuals.

Legacy and Cultural Impact

The legacy of Bat Masterson in the Old West is enduring, marked by his contributions to law enforcement, frontier society, and popular culture. His life has inspired countless books, films, and television shows that depict the rugged and complex world of the American frontier. Masterson's blend of toughness, intelligence, and adaptability exemplifies the archetype of the Western hero.

Representation in Media

Bat Masterson has been portrayed by various actors in films and television series, often emphasizing his charisma and skill as a lawman. These portrayals have contributed to the popular image of the Old West and helped preserve his story for future generations.

Influence on Western Mythology

Masterson's life and career have influenced the mythology surrounding the American West, blending fact and legend. His story illustrates the challenges and opportunities of frontier life and highlights the evolving nature of justice and society during that period.

Key Aspects of Bat Masterson's Legacy

- Symbol of frontier law and order
- Embodiment of the Old West's complex social dynamics
- Inspiration for Western literature and entertainment
- Example of successful adaptation from frontier life to urban society

bat masterson old west: *Bat Masterson* Robert K. DeArment, 2014-04-14 The colorful figures of the western American frontier, the Indian fighters, the mountain men, the outlaws, and the lawmen, have been romanticized for more than a hundred years by writers who found it easier to invent history than the research it. Bat Masterson was one such character who cast a long shadow across the pages of western history as it has been routinely depicted. A legend in his own time, he was called in a television series produced in the 1960's. A legend he has become—one firmly fixed in the popular imagination. But in his own time W.B. Masterson was a man, a less-than-perfect creature subject to the same temptations and vices as his fellows, albeit one who, through circumstance and inclination, led an exciting life in an exciting time and place. As buffalo hunter, army scout, peace officer, professional gambler, sportsman, promoter, and newspaperman, Masterson's career was stormy and eventful. Surprising to many readers will be the account of Masterson's career after his peace officer days, during his employment as a sports writer and columnist. The gun-toting western peace officer reputed to have killed more men than Billy the Kid (not so, says DeArment) spent his last years happily in New York City, writing for a nationally known newspaper. This book, the product of more than twenty years of research, separates fact from fiction to extricate the story of his life from the legend that has enmeshed it. It is the most complete biography of Bat Masterson ever written.

bat masterson old west: *Bat Masterson* Carl R. Green, William Reynolds Sanford, 1992

Chronicles the life of the Western lawman Bat Masterson, who later became a New York sports writer.

bat masterson old west: Bat Masterson Fred Rosen, 2019-10 BAT MASTERSON - Old West Gunfighter. Writer. American legend. Nearly 100 years since his death, Bat Masterson still holds great influence. Remembered by many for his adventures in America's Old West - buffalo hunter, scout, gunfighter, and even lawman as Dodge City sheriff. Others remember his fame and respect as a sportswriter in New York City later in life. However, Bat Masterson left a legacy that is much more intricate. Masterson loved an underdog. And his real legacy was how he fought for them. After the days of the Old West were over, he laid down his gun and picked up his pen. So great was his writing that he was vastly respected for his opinions on many topics of the day, including politics, war, and crime. But Bat Masterson had a secret. A dangerous secret to have in those days. One that he kept well-hidden his entire life. For if known, he and all those he cared about would be ruined. His reputation and all that he worked for in his life would be in tatters. In *Bat Masterson: The First Dreamer*, Frederic Rosen reveals that secret for the first time ever, and at a pivotal time in America. A time when dangerous government-driven policies can have very negative impacts on our way of life. Making us realize things aren't always as they seem.

bat masterson old west: Gunfighter in Gotham Robert K. DeArment, 2013-02-14 The legend of Bat Masterson as the heroic sheriff of Dodge City, Kansas, began in 1881 when an acquaintance duped a New YorkSun reporter into writing Masterson up as a man-killing gunfighter. That he later moved to New York City to write a widely followed sports column for eighteen years is one of history's great ironies, as Robert K. DeArment relates in this engaging new book. William Barclay "Bat" Masterson spent the first half of his adult life in the West, planting the seeds for his later legend as he moved from Texas to Kansas and then Colorado. In Denver his gambling habit and combative nature drew him to the still-developing sport of prizefighting. Masterson attended almost every important match in the United States from the 1880s to 1921, first as a professional gambler betting on the bouts, and later as a promoter and referee. Ultimately, Bat stumbled into writing about the sport. In *Gunfighter in Gotham*, DeArment tells how Bat Masterson built a second career from a column in the New YorkMorning Telegraph. Bat's articles not only covered sports but also reflected his outspoken opinions on war, crime, politics, and a changing society. As his renown as a boxing expert grew, his opinions were picked up by other newspaper editors and reprinted throughout the country and abroad. He counted President Theodore Roosevelt among his friends and readers. This follow-up to DeArment's definitive biography of the Old West legend narrates the final chapter of Masterson's storied life. Far removed from the sweeping western plains and dusty cowtown streets of his younger days, Bat Masterson, in New York City, became "a ham reporter," as he called himself, "a Broadway guy."

bat masterson old west: Legends of the West Charles River Editors, 2017-02-13 *Includes pictures of important people and places. *Discusses Masterson's most famous shootouts and his friendship with famous Westerners like Wyatt Earp and Buffalo Bill. *Includes a Bibliography for further reading. I have come over a thousand miles to settle this. I know you are heeled [armed]. Now fight! - Bat Masterson Space may be the final frontier, but no frontier has ever captured the American imagination like the Wild West, which still evokes images of dusty cowboys, outlaws, gunfights, gamblers, and barroom brawls over 100 years after the West was settled. A constant fixture in American pop culture, the 19th century American West continues to be vividly and colorful portrayed not just as a place but as a state of mind. In Charles River Editors' *Legends of the West* series, readers can get caught up to speed on the lives of America's most famous frontier figures in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Though he is no longer as well remembered as he once was, one of the most famous and notorious lawmen of the Wild West was Bat Masterson, who drifted around Dodge City and other parts of the West and was associated with legends like Wyatt Earp. Carrying a six-shooter that he called the gun that tamed the West, Masterson was involved in several duels and shootouts, much of which was embellished during the early 20th century when he became a newspaper columnist and was given a

chance to frame anecdotes about the frontier days and talk about colorful characters like Doc Holliday. Like Wyatt Earp, who once served as a lawman under him, Masterson was primarily known as being on the right side of the law, but he wasn't afraid to firmly straddle both sides of it. While tall tales about shootouts were commonplace and believed wholesale throughout the West in the 19th century, few men had as strong a reputation as Bat Masterson, who was known for public shootouts, one of which took place in Dodge City in 1878 that ended with the death of his brother and town marshal, Ed Masterson. Bat also took part in the famous Earp Vendetta Ride near Tombstone, which occurred in the wake of the Shootout at the O.K. Corral. Given the number of times he fought, and the fact that he was shot and injured himself, perhaps Bat Masterson's most remarkable feat was that he managed to survive into the 20th century, something few Western legends of his era (with the exception of Wyatt Earp) accomplished. Thanks to his survival, Masterson was able to parlay his notoriety into opportunities back East, including even being appointed marshal in New York by President Theodore Roosevelt. Through his reputation and his position as a writer, when Masterson died in 1921 at an office desk writing a newspaper column, he was something of a folk hero, and he would go on to be the title character of a critically acclaimed television series in the late 1950s. *Legends of the West: The Life and Legacy of Bat Masterson* chronicles the Western icon's life and examines the myths and legends in an attempt to separate fact from fiction. Along with pictures of important people, places, and events, you will learn about Bat Masterson like you never have before, in no time at all.

bat masterson old west: Famous Gunfighters of the Western Frontier Bat Masterson, 2009-03-26 Bat Masterson's illustrated biographies of legendary gunslingers Wyatt Earp, Doc Holliday, Luke Short, Bill Tilghman, Ben Thompson, and others paint a vivid portrait of the Old West, a world of sharpshooters, cattle rustlers, and Dodge City justice.

bat masterson old west: The American Cowboy Chronicles Old West Myths & Legends Thomas Correa, 2019-12-14 This book is about the real Old West. The research presented here comes from what I've found during my more than forty-five years of researching American history, but especially what I've learned in regards to the other side of the myths and legends of the Old West. In 2010, I started a blog, *The American Cowboy Chronicles*, to share what I've learned and celebrate the virtues of America. My articles on the Old West have never been meant to dispel the myths or attack legends but to simply explain what I've found after taking a hard look, an honest look, an objective look, at the evidence that's available. Since evidence proves or disproves what we've all been told about the Old West by Hollywood and writers who are not objective researchers, this is my attempt at taking a fresh look at Wyatt Earp, Tom Horn, and others. But mostly, this book is about why the American Cowboy became America's quintessential role model. This book looks at why the American Cowboy represents American toughness, independence, and resilience to the rest of the World.

bat masterson old west: Dodge City and the Birth of the Wild West Robert R. Dykstra, Jo Ann Manfra, 2017-07-15 Raised on Gunsmoke, Bat Masterson, and *The Life and Legend of Wyatt Earp*, we know what it means to "get outta Dodge"—to make a hasty escape from a dangerous place, like the Dodge City of Wild West lore. But why, of all the notorious, violent cities of old, did Dodge win this distinction? And what does this tenacious cultural metaphor have to do with the real Dodge City? In a book as much about the making of cultural myths as it is about Dodge City itself, authors Robert Dykstra and Jo Ann Manfra take us back into the history of Dodge to trace the growth of the city and its legend side-by-side. An exploration of murder statistics, court cases, and contemporary accounts reveals the historical Dodge to be neither as violent nor as lawless as legend has it—but every bit as intriguing. In a style that captures the charm and chicanery of storytelling in the Old West, *Dodge City and the Birth of the Wild West* finds a culprit in a local attorney, Harry Gryden, who fed sensational accounts to the national media during the so-called Dodge City War of 1883. Once launched, the legend leads the authors through the cultural landscape of twentieth-century America, as Dodge City became a useful metaphor in more and more television series and movies. Meanwhile, back in the actual Dodge, struggling on a lost frontier, a mirror image of the mythical

city began to emerge, as residents increasingly embraced tourism as an economic necessity. Dodge City and the Birth of the Wild West maps a metaphor for belligerent individualism and social freedom through the cultural imagination, from a historical starting point to its mythical reflection. In this, the book restores both the reality of Dodge and its legend to their rightful place in the continuum of American culture.

bat masterson old west: Gambling Gunfighters of the Old West G. R. Williamson, 2021-01-09 Most of the gamblers of the Old West got their start and reputations by working the circuit of the Mississippi River boats, the railhead cattle towns of Kansas, or the boomtowns that popped up around gold or silver mining. The gunfighter Ben Thompson got his start by running the Bull's Head Saloon with partner Phil Coe in Ellsworth, Kansas. Ben's friend, Bat Masterson, also started his career in the cattle towns of Texas and Kansas. In general, these legendary gamblers were known as legitimate or that they played a fair game without cheating. Truth be told, all of them knew the methods employed by the sharps to clean the pockets of the other players at the table. They had to know these tricks in order to spot a cheater at their table. Did they ever use any of these advantages to increase their odds? Probably so, but the public's perception of these men was that they ran a square game. Hip-Pocket History of the Old West (Series) This compact book that gives concise accounts of odd or little-known facets of the American West. Historically accurate, but told in an easy-to-read format, with just a twist of humor. Informative, yet entertaining, the Hip-Pocket History series provides little nuggets without having to wade through a 400-page book of dry academic ostentatiousness.

bat masterson old west: The Historical Atlas of American Crime Fred Rosen, 2005 Traces the history of crime and punishment from American Colonial times to present day, listing in alphabetical order the states in which the crimes were committed, who committed them and what the punishment was.

bat masterson old west: The Wild West Meets the Big Apple Michael O'Connor, 2016-01-27 What do Bat Masterson, Bill Cody, Butch Cassidy and the Sundance Kid, David Crockett, William Tecumseh Sherman, Mark Twain, Elizabeth Custer, and the Statue of Liberty all have in common? They all spent time in New York City! Each chapter in this fascinating book provides a short biography of a Western hero or celebrity and tells how they made their mark on the city that many considered the media and cultural capital of the time. By tracing their path across the city—from casual visits, media campaigns, and political tours to family ties, shopping sprees, and steady employment—author Michael P. O'Connor aptly demonstrates how New York City influenced the lives and livelihood of many familiar names in the late nineteenth century and early twentieth century. Locations around the city significant to the Westerners, including the Old Bowery Theatre, the Market Exchange, Battery Park, the St. Nicholas Hotel, and St. Patrick's Cathedral, are illustrated through historic images and modern photos accompanied by brief histories. A timeline from 1812 to 1933 highlights the settling of the West alongside a history of New York City. An appendix provides a listing of Alamo defenders who had ties to the city, and a bibliography provides an extensive list of further reading and reference materials. O'Connor's meticulous research and passion for the subject make this an informative and entertaining blend of New York City history and Western lore perfect for both tourists and historians.

bat masterson old west: The Top Ten Historical Locations of the Old West Michael P. O'Connor, 2024-05-24 Wyatt Earp and Tombstone, Wild Bill Hickok and Deadwood, George Custer and the Little Big Horn, Davy Crockett and the Alamo, Bat Masterson and Dodge City; Names and locations forever linked to the legacy and myth of the Old West. Through hundreds of photographs and illustrations, O'Connor delivers a concise, light-hearted yet accurate depiction of a pivotal event in the settlement of the American frontier, and what the location offers today's visitor, with particular attention devoted to surviving structures, including authentic saloons! Whether planning a road trip, or simply interested in America's Old West history and culture, the reader is provided an entertaining, and informative look into the locations that shaped the history and myth of the Wild West.

bat masterson old west: Son of the Old West Nathan Ward, 2023-09-05 An epic narrative of the Old West told through the vivid, outsized life of cowboy, detective, and chronicler Charlie Siringo. No figure in the Old West lived or shaped its history more fully than Charlie Siringo, as Nathan Ward reveals in his colorful portrait of this epic era and one of its primary protagonists. Born in Matagorda, Texas in 1855, Charlie went on his first cattle drive at age twelve and spent two decades living his boyhood dream as a cowboy. As the dangerous, lucrative "beeves" business boomed, Siringo drove longhorn steers north to the burgeoning Midwest Plains states' cattle and railroad towns, inevitably crossing paths with such legendary figures as Billy the Kid, Bat Masterson, and Shanghai Pierce. In his early thirties he joined the Pinkerton Detective Agency's Denver office, using a variety of aliases to investigate violent labor disputes and infiltrate outlaw gangs such as Butch Cassidy's train robbing Wild Bunch. As brave as he was clever, he was often saved by his cowboy training as he traveled to places the law had not yet reached. Siringo's bestselling, landmark 1885 autobiography, *A Texas Cowboy*, helped make the lowly cowboy a heroic symbol of the American West. His later memoir, *A Cowboy Detective*, influenced early hard-boiled crime novelists for whom the detective story was really the cowboy story in an urban setting. Sadly sued into debt by the Pinkertons determined to prevent their sources and methods from being revealed, Siringo eventually sold his beloved New Mexico ranch and moved to Los Angeles, where he advised Hollywood filmmakers, and especially actor William S. Hart, on their early 1920s Westerns, watching the frontier history he had known first-hand turned into romantic legend on the screen. In old age, Charlie Siringo was called "Ulysses of the Wild West" for the long journey he took across the western frontier. *Son of the Old West* brings him and his legendary world vividly to life.

bat masterson old west: Shot All to Hell Nick Vulich, 2018-10-08 Bat Masterson knew better than most of his contemporaries that the majority of what was written about the old west was little more than rattlesnake piss and bat guano. He said, nerve was the quality that marked the great gunfighters. Perhaps more telling is what Masterson suggested was the secret sauce that made the big-name gunfighters so fast. We used to file the notch of the hammer till the trigger would pull 'sweet' which is another way of saying that the blame gun would pretty near go off if you looked at it. But, the real gunfighters did not file the notches off. They carried one gun in their hip-holster, and another swung under the armpit. It let them draw on an adversary while he was waiting for the familiar motion toward the hip. Here are the real stories of 23 outlaws, gunfighters, and lawmen. The truth may surprise you.

bat masterson old west: The Complete Idiot's Guide to the Old West Mike Flanagan, 1999 Little known lore about pioneers, easy to understand explanations of land agreements, fascinating adventures of Native Americans, and photos the people of the ole West.

bat masterson old west: Western Heroes Rick Steber, Through bravery, courage and strength of character these men and women stood head and shoulders above their contemporaries. They are our true Western American Heroes.

bat masterson old west: Love Lessons from the Old West Chris Enss, 2014-01-14 From Calamity Jane's relentless pursuit of Wild Bill Hickok to Emma Walters, who gave it all up for the dashing Bat Masterson—and learned to regret it, these romantic stories from the Old West are still familiar and entertaining to readers today. Meet Agnes Lake Hickok, the intrepid wife of Wild Bill Hickok and learn about the last love letter he sent before being dealt the dead man's hand. Learn the story behind the charming performer Lotta Crabtree's heartaches. And discover the tale of the dashing Kit Carson and his beautiful bride. This collection features the lessons learned by and from the antics of the women who shaped the West.

bat masterson old west: Deadly Dozen Robert K. DeArment, 2012-11-09 For every Wild Bill Hickok or Billy the Kid, there was another western gunfighter just as deadly but not as well known. Robert K. DeArment has earned a reputation as the premier researcher of unknown gunfighters, and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day. Those who think they already know all about Old West gunfighters will be amazed at this new collection. Here are men like Porter Stockton, the Texas terror who bragged that

he had killed eighteen men, and Jim Levy, who killed a man for disparaging his Irish blood, though he was also the only known Jewish gunfighter. These stories span eight decades, from the gold rushes of the 1850s to the 1920s. Telling of gunmen such as Jim Masterson, the brother of Bat Masterson, or the real Whispering Smith—the man behind the fictionalized persona—whose career spanned four decades, DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long. The product of iron-clad research, this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different. Together the Deadly Dozen volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James.

bat masterson old west: On The Trail Of The Old West Winston G Ramsey, 2015-06-30 The Old West may have faded from living memory but the actual locations where the robberies and shoot-outs took place can still be found over one hundred years later. In the pages of On the Trail of the Old West: Then and Now, we glimpse the past through contemporary newspaper reports, illustrated with comparison 'then and now' photographs. Here are towns like Dodge City and Tombstone and the stories of the clashes between lawmen and the badmen, with grim details of lawlessness, violence, and harsh frontier justice meted out by vigilante committees, to recall a timeless era of American history — 'the Wild West!'

bat masterson old west: Famous Gunfighters of the Western Frontier W. B. (Bat) Masterson, 2020-12-31 First published in 1907 as a series of articles in Human Life magazine, Famous Gunfighters of the Western Frontier is the fascinating first-hand account of these famous Americans by Bat Masterson. Born Bartholemew William Barclay Masterson in Canada in 1853, Bat Masterson led an amazing life as a U.S. Army scout, professional gambler, and lawman in the American Old West. He went to find adventure in the frontier as a young man and soon earned distinction as a buffalo hunter. He eventually spent time as the sheriff in Dodge City, Kansas and was involved in several well-known shootouts. It was during these times that Masterson met some of the most important gunslingers in history. These accounts, written decades after Masterson moved back to civilization and worked as a writer and journalist, tell the incredible stories of Wyatt Earp, Doc Holliday, Ben Thompson, Luke Short, and Bill Tilghman. Famous Gunfighters of the Western Frontier remains an important historical document of five famous American gunfighters and a fascinating and entertaining account of the Wild West. This edition is printed on premium acid-free paper.
