bible study free: Galatians Bible Study Free!!! Kathleen Dalton, 2018-03-27 This 10-lesson Bible Study in Galatians shows us that, as Christians, our own sinful nature plays a little trick on us. Our pride starts us to thinking, Well, yes, I need a Savior...yes, I'm a sinner...but I'd rather not feel like such a loser. I'd rather feel like my Savior loved me because I'm so lovable. I will do better in this area, or in that area...or I will do this extra good deed, or that one....and that will make me better in His eyes...I'll be more worthy to be saved. And in so thinking we slide away from the side of the One Who died so that we could be worthy. We begin to listen to another Gospel - the Gospel of works. We begin to love another savior - the one we've made up in our minds. Paul writes to them from a heart of love - reminding them that they are not slaves to works - they are.....Free!!!

bible study free: Free J. Kevin Butcher, 2021-04-06 Are you weary? Trying to follow Jesus and be a “good Christian,” only to hear the voice of shame whisper, try harder? Good Christians are supposedly known for diligently practicing spiritual disciplines like Bible study, prayer, evangelism, and serving God. Disciplines that are expected, through inspired effort, to conquer sin in us and in the world. The tragedy is, so few Christians understand that we aren’t just sinful but wounded. We don’t need a list of disciplines. We need a Healer, a Deliverer to come and set us free. Here is the truth: We have a Healer. His name is Jesus Christ. He loves us. His calls us first to own how desperate we are—for him; and then to accept his invitation to abide in his great love. Kevin Butcher points us toward this healing Jesus, who offers us his all-encompassing love. You will find nothing here about lists and shoulds. Instead, you will discover how to fall in love with Jesus and then how to walk with him—not in drudgery, but freedom—abiding in his love. A love that rescues us from drudgery and shame, surrounding us with joy even in our darkest hour. A love so powerful that it births our worship, obedience, and willingness to surrender all to him. Even when hell is at your doorstep, the love of Jesus will surround you, protect you, empower you, and set you free. Because God’s love isn’t just important to your journey—God’s love is everything.

bible study free: Set Free R. James Lown, 2013 What every believer should know about this beautiful new life. We can be restored from a broken life. We can be personally improved but perfection is not humanly possible. We are called to be healers and workers in faith. Are we healing people with our hands or hurting them? God's most effective signs of His existence are through human beings who allow themselves to be manifested in God. There is a field of harvest waiting to be yielded by believers or will the lost harvest be winnowed like chaff on the threshing floor. Faith needs believers who take action through compassion not hypocrites who masquerade as believers. There are people who are hurting, who need love by encouraging words and helping hands. If we are truly set free as believers those who are in darkness will be drawn to our light and our joy and they will ask us where does our light and joy come from. What will we tell them?

bible study free: Single and Living Free Ed Houston, 2007-10 In his book Single and Living Free: An Inspiring Companion for Your Personal Journey Ed Houston states, "I took my first overseas travel two and a half weeks after the 911 terrorist attacks in America. Everyone was telling me I should not go and that I was crazy. To be honest, it was a struggle at first to prepare for departure, but I felt at peace in my spirit and I followed the safety precautions prescribed by the tour company and I went." Similar to the actions of a terrorist, Houston has discovered how the enemy bullies Christian singles into believing they have to live in bondage and that they cannot enjoy life to the fullest and experience wholeness on another level. As a Christian single, he, too encountered this same bondage and terror but was set free by a profound revelation. This pivotal insight is the foundation for several practical principles shared in Single and Living Free.

bible study free: The People are Holy Graydon F. Snyder, Doreen M. McFarlane, 2005 Using biblical and historical data, this book first describes the biblical and theological basis for worship in the Free Church tradition, then shows how this tradition is expressed in worship at special occasions as well as in traditional services. The People are Holy describes the characteristics of early church worship, then traces how those qualities and practices are realized in the Free Churches. In addition to analyzing all parts of the Sunday worship services, the book includes a consideration of key special services such as baptisms, communions, weddings, installations, healing services, and funerals. In order to demonstrate how preaching functions, the book contains four sermons on key concerns for the Free Church. This book will help members of Free Churches understand why they do what they do when they come together as a faith community. It will help pastors reflect on the theological and biblical basis of how they conduct worship. This is not a how-to book. Based on the faith stance of Free Churches in general, it describes what would be the reasonable application of those principles in worshipping communities. Christians not of a Free Church persuasion can discover in this book what inspires so many Americans and marks the way they worship. Book jacket.
