christa black gifford husband: Heart Made Whole Christa Black Gifford, 2016-06-07 In Heart Made Whole, Christa Black Gifford shares her own stories of loss, betrayal, and personal tragedy, chronicling clear steps to redemption to help those in pain invite the true Healer into the tangled mess of their broken hearts. Gifford reminds readers that pain is not their enemy, however, unhealed pain can become their greatest foe if it's not taken to Jesus. Growing up as a preacher's kid, Gifford had been submerged in Christian culture for decades when she uncovered the truth--that there were broken parts of her heart that weren't on friendly terms with the God who lived inside.

Through disappointments and traumas, she had learned to guard her heart from God, keeping her angry, entrapped, and disconnected. As struggles and hardships continued, she finally learned to run towards her relationship with God when things got hard, instead of running away from Him like she had in the past. The more that she did this--building her heart's capacity for intimacy and deep relationship--the more her heart began to heal from the inside-out. She teaches the reader to access the solution that's already living inside of them--the God who forever made their heart a home. When trials and tragedy hit our lives in a fallen world, our hearts can get smashed to bits, and we end up putting God on trial and blaming Him for the mess. But Christa helps readers understand that they don't have to live controlled by their circumstances--or angry with God. Instead, she provides powerful insight and practical steps to turn the painful fire that comes to destroy us into an unexpected friend that can produce our greatest healing. The condition of the heart determines the condition of life--and the heart can be bound up and healed, producing freedom and abundant life. With personal workbook sections for each chapter Christa helps readers experience steps to turn their pain into the healing and wholeness available to every believer.

christa black gifford husband: Walk It Out Tricia Goyer, 2017-10-01 Women often pack their lives with family, friends, and faithful service, yet still end up feeling empty and unfulfilled. In Walk It Out, Tricia Goyer demonstrates to women that walking out the mandates of Scripture allows God to spark passion and mission within them. Whether believers realize it or not, God intended for them to do what the Bible says: adopt the orphan, take the gospel into all the world, and care for the needy. These are mandates that point believers down the path of true living and eternal life. Sometimes those steps are easy, but many times they require a move outside of what feels safe or secure. When women stop focusing on their own dreams and purposes, and instead focus on God's dreams and purposes, everything changes.

christa black gifford husband: God Loves Ugly Christa Black, 2012-09-04 Whenever Christa Black looked in the mirror, she was waging a war with herself. Her hatred of her face and body drove her, as a young woman, into frantic overachievement, addiction, and an eating disorder that landed her in rehab. A preacher's kid, she'd grown up imagining God as a thou shalt not tyrant. It was only when she miraculously discovered God's unconditional love for her--physical imperfections, moral failings, and all--that she finally began to accept herself. As she tells her story, Christa shares the tools she uses to combat the self-rejection that harms so many people's lives. In this raw testimony, Christa Black takes women on a step-by-step journey of faith and positive belief to reveal that if God loves ugly, then we can too.
