crash course psychology sarah michelle: The Celluloid Couch Leslie Y. Rabkin, 1998-10 In this unique filmography, Leslie Rabkin delves deeply into film's unconscious, producing a valuable reference text concerned with the history of film and its representation of therapy and mental illness. The Celluloid Couch is arranged by decade, with the exception of the earliest period, The Silent Era (from the very beginnings of film to 1920). Each period contains a thoughtful introduction that highlights important films and discusses the intersection of film with history and psychology. Rabkin's overview lays bare patterns in film's representation of mental illness and therapy, and inquires how contemporary stereotypes of psychiatric patients and institutions have been formed from film. Textual examples in the introduction are drawn from magazines and newspapers, as well as numerous readings of particularly important films refracted through the lens of a psychologist. The alphabetical entries are compact and inclusive, containing main titles as well as foreign listings, and detailed information such as cast, length, director, producer, and a brief synopsis of the film's

plot and discussion of the forms of therapy depicted and utilized in the film. An efficient resource for the student of film, psychology, or mass culture, *The Celluloid Couch* makes the huge number of popular films that portray mental illness and therapy accessible.

Questa trasformazione epocale implica dubbi e preoccupazioni, ma anche straordinarie opportunità. Proprio perché la rivoluzione digitale é iniziata da poco abbiamo la possibilità di modellarla in senso positivo, a vantaggio dell'umanità e del pianeta. Ma a condizione di capire meglio di che cosa stiamo parlando. È cruciale comprendere le trasformazioni tecnologiche in atto per disegnarle e gestirle nel modo migliore. Uno dei passaggi oggi fondamentali è quello dell'intelligenza artificiale, della sua natura e delle sue sfide etiche, che Luciano Floridi affronta in questo libro in prospettiva filosofica, offrendo il suo contributo di idee a un quanto mai necessario sforzo collettivo di intelligenza.
