Over the years I have learned from these many women, and, responding to their cries for help, have added TWO NEW CHAPTERS and other small revisions to address their needs. One of the new chapters is called, Servant or Servitude? There is a difference. One is godly, the other devilish. Did we fail to make that distinction clear enough the first time around? Some have indicated such. So we tackled the subject head on. May God continue to bless you as you read and obey the wonderful words of God.

debi pearl books: To Train Up a Child Michael Pearl, Debi Pearl, 2015-05 To Train Up a Child, first published in 1994, began as a letter to a homeschool mother in answer to her question, How did you train your children to be so happy and obedient? Mike did not consider himself to be an author, nor did Debi possess the means or the knowledge to publish a book. They realized that it was a big subject that could not be put into a few pages, so they wrote a book. Friends and neighbors were consulted, gleaning their views and methods of child training. They analyzed how they were influenced by the traditions they inherited from their parents, and they looked at the methods that were unique to their family. Friends and members of their church periodically read and critiqued the manuscript as it grew to book size. Twenty-one years later, To Train Up a Child has sold over 1.2 million copies in twelve languages. TTUAC has been on Amazon's best-seller list several times. This new book has added chapters and several updates. Mike and Debi have received tens of thousands of letters of gratitude and been approached by thousands of young people thanking them for their influence in the way they were raised, their parents having implemented the principles expressed in TTUAC. Mike and Debi are humbled to have played a part in so many young people's lives. There has been no editing to modify their stance on spanking. To the contrary, due to the media attacks, they

have expanded and strengthened their arguments for traditional, biblical child training. There are now more than a million TTUAC books circulating in the United States that will continue to stand for traditional, biblical parenting.

debi pearl books: *Holy Sex* Michael Pearl, 2002 God created his children as sexual opposites, and designed marriage to be the context of erotic pleasure. While the church has been mostly silent on the subject of sex, the world and the devil have attempted to make it their domain. The church

has rightly proclaimed the biblical prohibitions on the misuse of sex, but it has failed to speak out on the godliness of erotic pleasure in the context of marriage. Michael Pearl takes his readers through a refreshing journey of the Biblical texts. Most girls spend plenty of time planning for their wedding, but make no preparation for the weeks and years to follow. It was with good reason God said let the aged women teach the younger. Preparing to Be a Help Meet contains six sweet love stories written by wives sharing their experiences about how God taught them to be the help meets they are today. Girls will be instructed on how young men seek out a wife and what they are looking for in a possible mate. In the last chapter, several men speak up to say what they really appreciate in their wives. debi pearl books: Bible Bullies: How Fundamentalists Got The Good Book So Wrong , 2015 This work explores conformation and presentist biases in continuing accounts of the Ruby McCollum story. This was a 1952 murder trial in which a wealthy African-American wife shot and killed her white, physician and Florida Senator elect lover. The author contends that continuing accounts of the story are being told through the lens of the present, and by authors and filmmakers who bring their own point of view to the story rather than relying on archival information. By re-visiting archival information, the author attempts to confront these versions of revisionist history.
