downloadable bible study guides: I Give Up Bible Study Guide Laura Story, 2019-07-30 Recording artist and bestselling author Laura Story demonstrates the unexpected joy found when we surrender it all to God and simply give up. It's natural to want to be in control. Most of us can't easily accept the idea of giving up that control. But when your need for peace surpasses your desire to be in command of your life, God—who truly uses all things for our good—demonstrates how much we can trust him. The very act of completely surrendering our will to his can become the one act that will change your life forever. In the I Give Up Bible Study Guide (DVD/digital video sold separately), Laura uses a combination of Bible stories and personal experiences to teach you and your group what true surrender is—and what it's not: Surrender does not come naturally to any of us. Surrender is not acquiescing to an enemy who wants to dominate us. Surrender is not My will be done! Surrender makes it impossible for you, and the people around you, to stay the same. Though surrender sometimes flies in the face of our instincts, hopes, and dreams, it's never without benefit as God leads us into his peace that surpasses understanding. As Laura found in her own life, a surrendered life includes the surprise of a truly full and satisfying existence where trust is reasonable, reconciliation possible, and relationships can finally heal. Sessions include: What Is Surrender Anyway? God's Character Matters Giving In and Up Being Transformed The Ripple Effect of Surrender Designed for use with the I Give Up Video Study available on DVD or streaming video, sold separately.

But there are a lot of things that can get in the way of that ultimate priority--from over-working to over-thinking. Many times, our lives get complicated before we know it. Most of us don't willfully choose this; we silently slide into it. downloadable bible study guides: **Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was

able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

downloadable bible study guides: Revelation Bible Study Guide Margaret Feinberg, 2021-01-19 What if God is saving the best for last? Of all the books of the Bible, Revelation is the one that mystifies and unsettles people the most. From numerical signs to monsters, the book of apocalypse in the Bible can be difficult to wrap our minds around, but the message that Revelation really brings is hope. In this six-session video Bible study (DVD/video streaming sold separately), Bible teacher and author Margaret Feinberg digs into John's Revelation to show us how the final book of the Bible reminds us of God's power and promises during times of great suffering and persecution. In this study you will: Uncover the supernatural power of Jesus' names and titles. Be equipped with tactics on how to overcome the wily ways of the enemy. Discover how to triumph through the blood of the lamb and the word of your testimony. Learn that, though life is not always fair, Jesus is NOT finished. John, the author of the book of Revelation, was blessed to see what each of us longs to know, and he gave us a descriptive and poignant expression of the place, the end, and the eternity that God has promised to us. God has indeed saved the best for last, and in Revelation's pages he gives us the one thing we all long for—hope, extravagant hope. Sessions include: Tempted to Give Up on God? Have You Lost Perspective? When Life's Not Fair How to Overcome the Enemy When All Hell Breaks Loose The Promises of Heaven Designed for use with the Revelation: Extravagant Hope Video Study available on DVD or streaming video, sold separately.
