dietrich bonhoeffer life: Life Together Dietrich Bonhoeffer, 2015-11-01 Dietrich Bonhoeffer, one of the most influential Christian martyrs in history, bequeathed to humanity a legacy of theological creativity and spirituality that continues to intrigue people from a variety of backgrounds. Life Together gathers Bonhoeffer's 1938 reflections on the character of Christian community, based on the common life that he and his seminarians experienced at the Finkenwalde Seminary and in the "Brother's House" there. The stimulus for the writing of Life Together was the closing of the preacher's seminary at Finkenwalde by the Nazis. While Bonhoeffer wrote with his own seminary community in mind, he intended Life Together to have a more universal impact, and spoke of a mission and responsibility of the church as a whole. Using the acclaimed DBWE translation, adapted to a more accessible format, this new edition features supplemental material from Victoria J. Barnett and an insightful introduction by Geoffrey B. Kelly to clarify the theological

meaning and social importance of Bonhoeffer's work.

dietrich bonhoeffer life: The Doubled Life of Dietrich Bonhoeffer Diane Reynolds, 2017-02-23 Few twentieth-century theologians have had a bigger impact than Dietrich Bonhoeffer, a man who lived his faith and died at the hands of the Nazis. For Bonhoeffer, the theological was the personal: life and faith were deeply intertwined - and to this day the world is inspired by that witness. Yet the true story of the women in this remarkable man's life has until now been obscured by a conventional narrative that has distorted their role. Using primary sources written by the women in his life, and even including the first ever photo of alleged 'first fiancée' Elisabeth Zinn, this book 'sees' these women fully for the first time. A highly readable but scholarly work of narrative nonfiction, *The Doubled Life* places Bonhoeffer's theology of love and sexuality within the context of his struggles with women, friendship, and the evils of Nazi Germany.

dietrich bonhoeffer life: *Letters and Papers from Prison* Dietrich Bonhoeffer, Isabel Best, John W. de Gruchy, Lisa E. Dahill, 2010-06-01 Despite Dietrich Bonhoeffer's earlier theological achievements and writings, it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945. The materials gathered and selected by his friend Eberhard Bethge in *Letters and Papers from Prison* not only brought Bonhoeffer to a wide and appreciative readership, especially in North America, they also introduced to a broad readership his novel and exciting ideas of religionless Christianity, his open and honest theological appraisal of Christian doctrines, and his sturdy, if sorely tried, faith in face of uncertainty and doubt. This splendid volume, in many ways the capstone of the Dietrich Bonhoeffer Works, is the first unabridged collection of Bonhoeffer's 1943-1945 prison letters and theological writings. Here are over 200 documents that include extensive correspondence with his family and Eberhard Bethge (much of it in English for the first time), as well as his theological notes, and his prison poems. The volume offers an illuminating introduction by editor John de Gruchy and an historical Afterword by the editors of the original German volume: Christian Gremmels, Eberhard Bethge, and Renate Bethge.

dietrich bonhoeffer life: Meditating on the Word Dietrich Bonhoeffer, 1986-01-25 "Daily, quiet reflection on the Word of God as it applies to me becomes for me a point of crystallization for everything that gives interior and exterior order to my life," wrote Dietrich Bonhoeffer to his colleagues at the warfront in the winter of 1942. Now back in print after a decade, this collection of Bonhoeffer's writings, sermons, and letters on meditation-including his unfinished meditation on Psalm 119-reveals his deep love for the Bible as a focus for his prayer life and a support in his courageous political life. "Why do I meditate?" asks Bonhoeffer. "Because I am a Christian. Therefore, every day in which I do not penetrate more deeply into the knowledge of God's Word in Holy Scripture is a lost day for me."

dietrich bonhoeffer life: A Testament to Freedom Dietrich Bonhoeffer, 1990 Dietrich Bonhoeffer was just thirty-nine years old when he was executed by the Nazis in 1945, yet his influence on Christian theology and life has been enormous. A testament to freedom takes readers along a biographical-historical journey that follows Bonhoeffer through the various stages of his life and career, including his final years in the underground resistance against the Nazi government and his subsequent martyrdom. This book features previously untranslated writings, sermons, and selections from his letters spanning his entire pastoral-theological career, including his prison letters

dietrich bonhoeffer life: Bonhoeffer John W. Matthews, 2011 Dietrich Bonhoeffer's life spanned four decades of the early twentieth century and was shaped within the crucible of two European wars and an economic depression. Born in 1906 and raised in an upper middle class German family, he was educated to be a pastor, further trained as a theologian, involved in a plot to assassinate Adolf Hitler, and was finally hanged by the Nazis only days before the end of World War II. His life story is more than one more tragic episode in the history and horrors of the Holocaust. Bonhoeffer's life cannot be simply summarized as only one of trauma and tragedy. His was also a life filled with great blessing, even when requiring great courage and incredible sacrifice. His relationships were life-giving and his experiences were rich. The authenticity of Bonhoeffer's Christian faith and the integrity of his theology continues to inspire people. During that time when most people understandably struggled to protect their own lives, as well as the lives of those they loved, he often ventured by faith into uncertain territory, risking his reputation and life to advocate for others. Rarely does one encounter an individual whose inner convictions and outward actions so consistently and courageously match-up.

dietrich bonhoeffer life: Berlin: 1932 - 1933: Dietrich Bonhoeffer Works, Volume 12 Dietrich Bonhoeffer, 2009 Then came the crisis of 1933. This is Bonhoeffer's own phrase in a letter that documents a turning point in his own life as well as that of the nation. Of Bonhoeffer's own life at this time, his biographer writes, The period of learning and roaming from 1928 until 1931 had come to an end as the young lecturer, age 26, began to teach on a faculty whose theology he did not share and to preach in a church whose self-confidence he regarded as unfounded. Bonhoeffer was becoming part of a society that was moving toward political, social, and economic chaos. Events moved quickly at the onset of 1933 in Berlin. In only one hundred days the path was cleared by the German Parliament and the Nazi Party for the establishment of the fascist dictatorship. These one hundred days, as well as the preceding and succeeding months, are reflected in the materials in this volume: in letters, in sermons, in Bonhoeffer's university teaching, in manifestos and a church confession, and in his proactive engagement in the developing church struggle. The vast majority of these are translated here for the first time.
