- Themes Reflected in Dreams From My Father Quotes
- Impact and Relevance of Dreams From My Father Quotes
- Using Dreams From My Father Quotes for Inspiration

Notable Dreams From My Father Quotes

The memoir "Dreams from My Father" is rich with memorable and thought-provoking quotes that reveal the author's inner reflections and life experiences. These quotes provide a window into the personal and cultural struggles that Barack Obama faced, as well as his hopes and aspirations for the future. Highlighting several key quotes allows for a more focused understanding of the memoir's message.

Exploration of Identity

One of the central themes in "Dreams from My Father" is the exploration of identity, especially regarding race and heritage. Quotes related to this theme often express the challenges of reconciling different cultural backgrounds and the search for a coherent self.

- *"I am the son of a black African father and a white American mother; I am the product of a complex and often contradictory heritage."* This quote encapsulates the duality of the author's identity and the nuanced perspective he brings to discussions of race.
- *"The past isn't dead and buried. It's not even past."* This line reflects on how history and ancestral legacy continue to influence present identity and experiences.

Family and Ancestry

Family relationships and ancestry are core to many dreams from my father quotes. The memoir emphasizes the impact of family history on personal development and the quest for understanding one's roots.

- "*My father's life was a mystery that I was determined to unravel.*" This quote highlights the memoir's narrative of seeking connection with the unknown aspects of one's lineage.
- "*In learning about my father, I was also learning about myself.*" It expresses the intertwined nature of familial discovery and self-awareness.

Hope and Aspiration

Many quotes from the memoir convey a sense of hope and aspiration, both personally and collectively. These lines inspire readers to consider the possibilities of growth and change despite adversity.

- "*Change will not come if we wait for some other person or some other time.*" This quote encourages proactive efforts to shape one's destiny.
- "*Our dreams can only be realized through struggle and sacrifice.*" It acknowledges the challenges inherent in pursuing meaningful goals.

Themes Reflected in Dreams From My Father Quotes

The dreams from my father quotes embody several core themes that resonate with readers from diverse backgrounds. Understanding these themes helps to contextualize the memoir's broader significance and the reasons why these quotes have enduring appeal.

Race and Cultural Identity

Race and cultural identity are primary themes reflected in many of the memoir's quotes. They address the complexities of navigating multiple cultural legacies and the social implications of racial identity in America.

The quotes explore how identity formation involves both internal reflection and external societal influences, highlighting the tension between individual experience and collective history.

Search for Belonging

The quest for belonging is a recurring theme in the dreams from my father quotes. The memoir illustrates the emotional and psychological journey toward finding a community or place where one feels accepted and understood.

This theme is especially relevant to readers grappling with feelings of displacement or cultural hybridity.

Personal Growth and Resilience

Resilience and personal growth emerge as vital themes through the memoir's reflections. The quotes often emphasize the importance of perseverance, self-reflection, and learning from adversity.

They suggest that growth is a continuous process fueled by both introspection and external challenges.

Impact and Relevance of Dreams From My Father Quotes

Dreams from my father quotes have had a significant impact on readers, scholars, and public discourse since the publication of the memoir. Their relevance extends beyond literature into social, political, and cultural conversations.

Influence on Literature and Memoir Writing

The memoir set a new standard in political autobiographies by blending personal narrative with broader social commentary. The quotes from the book have been cited for their eloquence and depth, influencing contemporary memoir writers.

They have contributed to a greater appreciation of memoirs as a form of literary expression that can address complex societal issues.

Social and Political Significance

Many dreams from my father quotes have been used in speeches, educational contexts, and activism to highlight themes of unity, diversity, and social justice. Their articulation of identity and hope resonates in discussions about race relations and community empowerment.

Their ongoing relevance underscores the memoir's role in shaping public understanding of multicultural America.

Educational Use and Interpretation

Educators frequently incorporate these quotes into curricula focused on American history, literature, and social studies. They serve as tools for encouraging critical thinking about race, identity, and historical context.

The quotes facilitate classroom discussions that challenge students to consider multiple perspectives and the complexities of personal and communal narratives.

Using Dreams From My Father Quotes for Inspiration

Dreams from my father quotes offer valuable inspiration for individuals seeking motivation in their personal or professional lives. Their messages of perseverance, self-discovery, and hope can be applied in various contexts.

Personal Reflection and Growth

Many readers find these quotes helpful for personal reflection, providing language to articulate their own experiences with identity and growth. Reflecting on these quotes can foster greater self-awareness and resilience.

Motivation for Social Engagement

The quotes also serve as a call to action for social engagement and community involvement. They inspire individuals to contribute positively to society and to pursue justice and equality.

Incorporating Quotes into Daily Life

Practical ways to incorporate dreams from my father quotes into daily life include:

- Using them as daily affirmations or journaling prompts.
- Sharing them in discussions or presentations to highlight themes of diversity and hope.
- Reflecting on their meanings during challenging moments to gain perspective and motivation.

Frequently Asked Questions

What is the significance of the quote 'Dreams from My Father' in Barack Obama's memoir?

The quote 'Dreams from My Father' symbolizes Barack Obama's exploration of his identity, heritage, and the aspirations passed down from his father, reflecting themes of family, race, and self-discovery.

Can you explain the meaning behind the quote 'I am the son of a black man from Kenya and a white woman from Kansas'?

This quote emphasizes Obama's mixed racial heritage and sets the stage for his journey of understanding his complex identity and the cultural influences that shaped him.

How does the quote 'The past is always a story we tell ourselves' relate to the memoir's themes?

This quote highlights the memoir's exploration of memory and narrative, suggesting that personal history is subjective and shaped by how we interpret and recount our experiences.

What does the quote 'To be a black man in America is to be a man marked by history' mean in the context of the book?

It reflects the memoir's discussion of racial identity and the historical challenges faced by African Americans, acknowledging the impact of history on personal and collective identity.

How does the quote 'I was raised by a single mother who worked hard to provide for me' contribute to the memoir's message?

This quote underscores themes of resilience, family support, and the influence of Obama's mother in shaping his values and determination.

Why is the quote 'We are all children of history' important in 'Dreams from My Father'?

It conveys the idea that individual identities and experiences are deeply connected to historical contexts, emphasizing the importance of understanding history to comprehend oneself.

What role does the quote 'Finding my father meant finding myself' play in the memoir?

This quote encapsulates the memoir's central journey of self-discovery through reconnecting with Obama's paternal heritage and understanding his father's influence on his life.

How does the quote 'Hope is the thing that can set us free' reflect the themes of the book?

It highlights the memoir's optimistic outlook, where hope serves as a driving force for overcoming adversity and striving for a better future.

What is the context of the quote 'I wanted to be a man who could bridge worlds' in the memoir?

This quote expresses Obama's desire to navigate and unite his diverse cultural backgrounds and experiences, bridging racial and social divides.

How do quotes from 'Dreams from My Father' inspire readers about identity and belonging?

The quotes encourage readers to embrace their complex identities, reflect on their heritage, and understand that belonging is a personal and evolving journey shaped by history and experience.

Additional Resources

1. Dreams from My Father: A Story of Race and Inheritance

This memoir by Barack Obama explores his early life, identity, and search for belonging. It delves into his experiences growing up biracial and the impact of his Kenyan heritage. The book offers a profound reflection on family, race, and the American experience.

2. The Power of Dreams: Inspiration from 'Dreams from My Father'

This book draws inspiration from the themes of hope and perseverance found in Obama's memoir. It encourages readers to pursue their dreams despite obstacles and societal challenges. Filled with motivational insights, it highlights the importance of legacy and self-discovery.

3. Finding Identity: Lessons from Dreams and Heritage

Focusing on the quest for personal and cultural identity, this book examines the struggles and triumphs faced by those navigating multiple heritages. It uses quotes and themes from "Dreams from My Father" to emphasize understanding one's roots. The narrative inspires readers to embrace their unique backgrounds.

4. Legacy of Dreams: Embracing Your Past to Build the Future

This title explores how understanding one's family history can empower future growth.

Drawing from Obama's reflections, it discusses the impact of ancestors and heritage on shaping identity. Readers are guided to use their past as a foundation for creating meaningful futures.

5. *Bridging Worlds: Race, Dreams, and Identity in America*

An insightful look into the complexities of race and identity in modern America, this book resonates with themes in "Dreams from My Father." It examines how dreams and aspirations are influenced by cultural and racial backgrounds. The work promotes dialogue and empathy across communities.

6. *Dreams and Determination: Overcoming Obstacles through Self-Reflection*

Inspired by Obama's memoir, this book highlights the role of introspection in achieving personal goals. It encourages readers to confront challenges and biases within themselves to move forward. Practical advice is combined with powerful quotes to motivate resilience.

7. *Roots and Wings: Balancing Heritage and Ambition*

This book discusses the balance between honoring one's roots and pursuing individual ambitions. Using "Dreams from My Father" as a reference, it explores how heritage can be a source of strength. Readers learn to navigate the tension between tradition and progress.

8. *The Journey Within: Personal Growth Through Family Stories*

Focusing on the transformative power of family narratives, this book highlights how stories shape identity and dreams. It relates to Obama's memoir by emphasizing self-awareness and empathy derived from understanding one's lineage. The book offers tools for personal development through reflection.

9. *Hope and Heritage: Building Identity Across Generations*

This title explores the intergenerational transmission of values, dreams, and identity. Inspired by themes in "Dreams from My Father," it discusses how hope is cultivated through family history. Readers are encouraged to honor their heritage while forging their own paths.

dreams from my father quotes: Right Brain/Left Brain President Mary Lou Décosterd, 2010-04-09 This intriguing analysis examines an aspect of President Obama that falls outside of his ethnic background, his political career, or policies: how his unique leadership style comes from his extraordinary ability to use both halves of his brain to maximum potential. Right Brain/Left Brain President: Barack Obama's Uncommon Leadership Ability and How We Can Each Develop It is an inspirational guide to leadership as it should be practiced, conveyed through an up-close look at the man who sets the new leadership bar. Author Mary Lou Décosterd uses her Right Brain/Left Brain

Leadership Model to frame Barack Obama's leadership skill sets. Her book shows that Obama's unique brand of leadership is the result of his extraordinary ability to leverage full-brain potential in the ways he thinks, decides, and acts. *Right Brain/Left Brain President* examines Obama's life and the Obama phenomenon, analyzing how he rose to prominence so quickly and what that teaches us. The president is used as an example of the ten full-spectrum behaviors—the must-have leadership skills—that make one an extraordinary leader. To help readers emulate the Obama model and become the most consummate leaders possible, Décosterd discusses how each of us can learn to lead from both right and left brain abilities.

dreams from my father quotes: *Dreams from My Father* Barack Obama, 2006-04-04 The son of an African father and white American mother discusses his childhood in Hawaii, his struggle to find his identity as an African American, and his life accomplishments.

dreams from my father quotes: *Barack Obama* Burton I. Kaufman, 2022-03-15 In this insightful biography, Burton I. Kaufman explores how the political career of Barack Obama was marked by conservative tendencies that frustrated his progressive supporters and gave the lie to socialist fearmongering on the right. Obama's was a landmark presidency that paradoxically, Kaufman shows, resulted in few, if any, radical shifts in policy. Following his election, President Obama's supporters and detractors anticipated radical reform. As the first African American to serve as president, he reached the White House on a campaign promise of change. But Kaufman finds in Obama clear patterns of classical conservatism of an ideological sort and basic policy-making pragmatism. His commitment to usher in a multiracial, multiethnic, and multicultural society was fundamentally connected to opening up, but not radically altering, the existing free enterprise system. The Affordable Care Act, arguably President Obama's greatest policy achievement, was a distillation of his complex motivations for policy. More conservative than radical, the ACA fitted the expansion of health insurance into the existing system. Similarly, in foreign policy, Obama eschewed the use of force to affect regime change. Yet he kept boots on the ground in the Middle East and supported ballot-box revolts geared toward achieving in foreign countries the same principles of liberalism, free enterprise, and competition that existed in the United States. In estimating the course and impact of Obama's full political life, Kaufman makes clear that both the desire for and fear of change in the American polity affected the popular perception but not the course of action of the forty-fourth US president.

dreams from my father quotes: *The Global Obama* Dinesh Sharma, Uwe P. Gielen, 2013-12-17 *The Global Obama* examines the president's image in five continents and more than twenty countries. It is the first book to look at Barack Obama's presidency and analyze how Obama and America are viewed by publics, governments, and political commentators around world. The author of *Barack Obama in Hawaii and Indonesia: The Making of a Global President* (Top 10 Black History Book) scaled the globe to gather opinions – cultural, historical, and political analyses – about Obama's leadership style. Writers, journalists, psychologists, consultants, and social scientists present their views on Obama's leadership, popularity, and many of the global challenges that still remain unresolved. As a progress report, this is the first book that tries to grasp 'the Obama phenomenon' in totality, as perceived by populations around the world with special focus on America's leadership in the 21st Century.

dreams from my father quotes: *To Begin Your Success in Life* Gary Johnson, Russell Riter, 2014-10-29 As children we all dream of growing up and becoming someone successful. We are born without fear in the grace of God, and we set forth our discoveries with wonder. Along the journey, we encounter bumps in the road and wake up one day wondering, where all the time has gone, and what about that dream we once had when we were younger of achieving success in life. This book is about overcoming obstacles, identifying what is holding you back, and finding a new encouragement to begin, whether it is your first attempt, tenth or twentieth, we are sure you can relate to our story.

dreams from my father quotes: *Thumpin' It* Jacques Berlinerblau,

dreams from my father quotes: *The Obama Question* Gary Dorrien, 2012-02-16 The election of Barack Obama to the presidency in 2008 was hailed by many as a historic event and by some as

the end of the Reagan era in American politics. But conservatives have condemned Obama from the beginning of his presidency, and many progressives charge that Obama has betrayed the causes that he espoused in 2008. This book offers a brilliant critique of Obama's presidency and a powerful case that progressives should not give up on Obama. Gary Dorrien, described by Princeton philosopher Cornel West as the preeminent social ethicist in North America today, argues that Obama is a figure of protean irony and complexity. Obama has been a bitter disappointment in many ways, Dorrien contends, yet Obama also has historic achievements to his credit that are too often discounted. Dorrien emphasizes the importance of Obama's story to his career and devotes chapters to the economic crisis, the health care reform debate, war and foreign policy, banking regulation and the federal budget, and the case for a progressive politics of the common good. Ultimately, Dorrien says, the Obama question is whether or not Obama's presidency will mark the end of the Reagan era—when giant corporations and the wealthy got whatever they wanted, military budgets soared, and American politics was ruled by the fantasy of tax cuts paying for themselves. Dorrien argues that there is still time to redeem the hope of the 2008 election, bringing an end to the Reagan era. The Obama Question will stand as an insightful evaluation of a tumultuous presidency long after the next election has passed.

dreams from my father quotes: Economy, Difference, Empire Gary J. Dorrien, 2010 Sourcing the major traditions of progressive Christian social ethics--social gospel liberalism, Niebuhrian realism, and liberation theology--Gary Dorrien argues for the social-ethical necessity of social justice politics. In carefully reasoned essays, he focuses on three subjects: the ethics and politics of economic justice, racial and gender justice, and antimilitarism, making a constructive case for economic democracy, along with a liberationist understanding of racial and gender justice and an anti-imperial form of liberal internationalism. In Dorrien's view, the three major discourse traditions of progressive Christian social ethics share a fundamental commitment to transform the structures of society in the direction of social justice. His reflections on these topics feature innovative analyses of major figures, such as Walter Rauschenbusch, Reinhold Niebuhr, James Burnham, Norman Thomas, and Michael Harrington, and an extensive engagement with contemporary intellectuals, such as Rosemary R. Ruether, Katie Cannon, Gregory Baum, and Cornel West. Dorrien also weaves his personal experiences into his narrative, especially his involvement in social justice movements. He includes a special chapter on the 2008 presidential campaign and the historic candidacy of Barack Obama.

dreams from my father quotes: Obama and the Biracial Factor Andrew J Jolivet, 2012-02-01 Since the election in 2008 of Barack Obama to the Presidency of the United States there have been a plethora of books, films, and articles about the role of race in the election of the first person of color to the White House. None of these works though delves into the intricacies of Mr. Obama's biracial background and what it means. Obama and the Biracial Factor is the first book to explore the significance of mixed-race identity as a key factor in the election of President Obama and examines the sociological and political relationship between race, power, and public policy in the United States with an emphasis on public discourse and ethnic representation in his election . Jolivet and his co-authors bring biracial identity and multiraciality to forefront of our understanding of racial projects since his election. Additionally the authors assert the salience of mixed-race identity in U.S. policy and the on-going impact of the media and popular culture on the development, implementation, and interpretation of government policy and ethnic relations in the U.S. and globally. Obama and the Biracial Factor speaks to a wide array of academic disciplines ranging from political science and public policy to sociology and ethnic studies.

dreams from my father quotes: A Darkly Radiant Vision Gary Dorrien, 2023-07-25 The third and final volume in the first comprehensive history of Black social Christianity, by the “greatest theological ethicist of the twenty-first century” (Michael Eric Dyson) The Black social gospel is a tradition of unsurpassed and ongoing importance in American life, argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity. This concluding volume, an interpretation of the tradition since the early 1970s, follows Dorrien’s award-winning The New

Abolition: W. E. B. Du Bois and the Black Social Gospel and Breaking White Supremacy: Martin Luther King Jr. and the Black Social Gospel. Beginning in the shadow of Martin Luther King Jr., Dorrien examines the past fifty years of this intellectual and activist tradition, interpreting its politics, theology, ethics, social criticism, and social justice organizing. He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology, womanist theology, antiracist politics, LGBTQ+ theory, cultural criticism, progressive religion, broad-based interfaith organizing, and global solidarity politics. A Darkly Radiant Vision features in-depth discussions of Andrew Young, Jesse Jackson, Samuel DeWitt Proctor, Gayraud Wilmore, James Cone, Cornel West, Katie Geneva Cannon, Stacey Floyd-Thomas, Traci Blackmon, William J. Barber II, Raphael G. Warnock, and many others.

dreams from my father quotes: Faith Beyond Belief Margaret Placentra Johnston, 2012-09-25 Faith Beyond Belief gives a much-needed voice to the “good” people who have left their church but whose spirituality continues to mature. Johnston uses first-person stories as well as known spiritual authorities in describing various stages of religious growth. Some of these real-life accounts are by nonbelievers; others are by those among the growing numbers of the “spiritual but not religious.” All are thoughtful people with too much integrity to live what they consider a lie. The stories of the nonbelievers—including an ex-Catholic, a former Mormon, and a clandestine Muslim apostate who left his community after the attacks of 9/11—show how complete confidence in human reason can lead away from literal religious interpretation. But, while that step is a necessary one on the spiritual path, it is only intermediate. Her second set of stories are of people at the “mystic” level who can tolerate paradox and see truth and reality as multidimensional. Johnston’s book will help doubters to see things in a new light as well as those who are struggling to clarify their own spiritual vision. It also points beyond the atheist/believer controversy wrecking such divisive havoc in our culture today.

dreams from my father quotes: The Reinvention of Populist Rhetoric in The Digital Age Mark Rolfe, 2016-11-23 This highly original work considers the rhetoric of political actors and commentators who identify digital media as the means to a new era of politics and democracy. Placing this rhetoric in a historical and intellectual context, it provides a compelling explanation of the reinvention and thematic recurrence of democratic discourse. The author investigates the populist sources of rhetoric used by digital politics enthusiasts as outsiders inaugurating new eras of democracy with digital media, such as Barack Obama and Julian Assange, and explores the generations of rhetorical and political history behind them. The book places their rhetoric in the context of the permanent tensions between insiders and outsiders, between the political class and the populace, which are inherent to representative democracy. Through a theoretical and conceptual research that is historically grounded and comparative, it offers rhetorical analysis of candidates for the 2016 presidential election and discusses digital democracy, particularly discussing their origins in American populism and their influence on other countries through Americanization. Uniquely, it offers a sceptical assessment of epochal claims and a historical-rhetorical account of two of the defining figures of twentieth-century politics to date, and reveals how modern rhetoric is grounded in an older form of anti-politics and mobilises tropes that are as old as representative democracy itself.

dreams from my father quotes: Michelle Obama 2024 Joel Gilbert, 2022-07-21 Michelle Obama is not who she pretends to be. In Michelle Obama 2024, filmmaker Joel Gilbert does a deep dive into the life of the most popular woman in America and reveals one game-changing detail after another. Gilbert’s investigative journey takes him from Chicago to Princeton to Washington to Martha’s Vineyard and beyond. Along the way, he discovers that Michelle has created a cynical, highly effective, false narrative of her life story based largely on gender and race. In Chicago, Gilbert chronicles how Michelle has repeatedly run from the Black community or sold it out, much as her father did when he served as a precinct captain for the Daley Machine. Gilbert then exposes Michelle Obama’s “I hate politics” disclaimer as strategic cover for her intense lifelong political advocacy as he deconstructs Michelle’s bestselling autobiography, Becoming. As the best-loved

Democrat, Michelle has been preparing to run for President since 2016 by following the same formula as Barack did before her. This includes writing an autobiography, giving the keynote speech at the Democrat Convention, and heading up a voter registration organization. Gilbert also unveils Michelle's psychological dark side and explains how her deep feelings of inadequacy drive her to run for the presidency. Gilbert ultimately reveals the real Michelle Obama, one very few Americans know or understand, but that all must be wary of as she seeks the highest office in the land. If she wins in 2024, Gilbert predicts, Michelle will take orders from global elites—and chaos will follow as surely as night follows day.

dreams from my father quotes: *The Teleological Discourse of Barack Obama* Richard W. Leeman, 2012-05-11 *The Teleological Discourse of Barack Obama*, by Richard Leeman, provides an in-depth analysis of President Barack Obama's speeches and writings to explain the power of the 44th president's speaking. This book argues that, from his earliest writings through his latest presidential speeches, Obama has described the world through a teleological lens. Teleology is the philosophy of discovering in the essential nature of humans or countries the telos, or ideal, towards which one should progress. Obama consistently portrays freedom and equality as essential to human nature and the American spirit. Understanding his discourse as teleological helps explain the inspirational and philosophical nature of his rhetoric, as well as his famous patience, perceiving progress where others become frustrated. Teleological discourse is ancient, with its roots in philosophies such as Aristotle's Nicomachean Ethics and Christian theology, and its handprints evident in Lincoln's Gettysburg Address. In order to discover the roots of Obama's teleological perspective, Leeman also examines the speeches of presidents Franklin Roosevelt, John F. Kennedy, and Ronald Reagan, as well as the civil rights discourse of Martin Luther King, Jr., Frederick Douglass, and W. E. B. Du Bois. Although the roots of his teleological discourse run deep, President Obama's particular use of the philosophy is very modern. *The Teleological Discourse of Barack Obama* is an essential contribution to the study of American politics and political rhetoric. Watch the author discuss the book [here](#).

dreams from my father quotes: *Barack Obama and the Politics of Redemption* Stanley A. Renshon, 2012-03-15 Every new president raises many questions in the public mind. Because Barack Obama was a relative newcomer to the national political scene, he raised more questions than most. Would he prove to be a pragmatic centrist or would his politics of hope ultimately flounder on the rocky shoals of America's deep political divisions? What of his leadership style? How would the uncommonly calm character he demonstrated on the campaign trail shape Obama's political style as commander-in-chief? Based on extensive biographical, psychological, and political research and analysis, noted political psychologist Stanley Renshon follows Obama's presidency through the first two years. He digs into the question of who is the real Obama and assesses the advantages and limitations that he brings to the presidency. These questions cannot be answered without recourse to psychological analysis. And they cannot be answered without psychological knowledge of presidential leadership and the presidency itself. Renshon explains that Obama's ambition has been fueled by a desire for redemption—his own, that of his parents, and ultimately for the country he now leads, which has enormous consequences for his choices as president of a politically divided America.

dreams from my father quotes: *Heaven: My Father's House* Anne Graham Lotz, 2005-05-01 Combining the apostle John's glorious description of Heaven from Revelation with heart-touching reflections on her own father's charming mountain home, Anne Graham Lotz weaves a tapestry of truth through this presentation that will take away your fear of death and fill you with hope for the future. Jesus promised us, In My Father's house are many rooms...I am going there to prepare a place for you. Amid the turbulence of today's terror-besieged world, we cling to the hope of a heavenly home where we will be welcomed into eternal peace and safety. Anne affirms that Heaven is the home of your dreams: a home of lasting value that's fully paid for and filled with family, where you will be wanted and welcomed. Best of all, Heaven is a home you are invited to claim as your own.

dreams from my father quotes: The iPINIONS Journal Anthony Livingston Hall, 2015-03-20 Anthony L. Hall takes aim at the global events of 2014 with a unique and refreshing perspective. For example, on: Media broadcasting terrorist propaganda as breaking news We live in a Twitter age of such promiscuous, indiscriminate and surreal media practices that it seems perfectly normal for our own media to be helping the enemy perpetrate psychological warfare against us. What else explains the media shielding us from the epithets of racists, but bombarding us with the taunts of terrorists? Snowboarder Shaun White failing to medal at Sochi Olympics Frankly, I think its fair to say that never before in Olympic history has an athlete so hyped to win gold failed to even win bronze. Only authoritarian regimes can govern Arab countries Show me an Arab country governed by a democratically elected government and Ill show you one that is an ungovernable mess. Feminist call for liberated women to ditch high heels Its a reflection of the addictive high women get on heels that, when theyre barefoot (or wearing tennis shoes), they invariably perch themselves on the balls of their feet to simulate those missing high heels. Have you noticed this? Putinization of Russia Putins propaganda has done such a terrific job of convincing Russians that Westerners are undermining their culture at home and threatening the safety of fellow Russians abroad, the credibility of his presidency now depends on backing up his neo-Stalinist words with avenging military action. Police in U.S. killing unarmed Black men If I hear another political or civic leader calling for a conversation on race, Im going to puke. Because nothing will do more to curb deadly encounters between the police and young Black men than requiring the former to attach cameras to their bulletproof vests and prevailing upon the latter to obey police orders.

dreams from my father quotes: The Turing Machinists M.E. Reid, 2016-06-27 At seventeen, Del's world seems to be falling apart. He's managed his Asperger's well, has a solid group of friends in his special needs class at school, and even manages to get by among people who don't understand his brand of communication. But his parents are splitting up, and Del is certain he can save his family. To do it, he decides he needs to live out his father's dream of musical stardom. He gets together with some of his friends and they form The Turing Machinists, an all-Asperger's rock band. But they'll need help - and Del seeks that help in the form of his neighbour, a reclusive rock legend who would rather have nothing to do with the music scene.

dreams from my father quotes: Look Up! Images in the Classroom Gwendolyn J. Cooke PhD, 2013-12-13 Too often, the children of the poor do not perceive highly accomplished men and women as realistic role models for themselves. By examining profiles of African American elected officials and other role models in the curriculum presented in Look Up! Images in the Classroom, students may be encouraged to enlarge their visions and embrace the fact that anything the mind can conceive and believe can be achieved. Author Gwendolyn J. Cooke shares the details of Look Up!, a motivational intervention strategy designed to instill pride and foster high academic achievement and socially responsible behavior. It accentuates the positive outcomes of the Voting Rights Act of 1965 and the civil rights movement. The program exposes economically disadvantaged African American children to appropriate role models through photographic images and selected biographical information of elected officials at each level of government. Lesson plans, hands-on activities, and coordinating website references are included to enhance the students learning experiences to show that success is possible through hard work, perseverance, creativity, and clear planning.

dreams from my father quotes: Obama - President & Kahuna? Erich J. Kreutzer , This book is no political book. It explains in its first part the ancient Polynesian traditions of Huna and its Seven Principles, Ho'oponopono, Ohana, Talk-Story and Dragon-Dreaming and shows how to use them in our modern times. In its second part it raises the question if President Obama, can be seen as a Kahuna, an expert in his field. Not only because of his Hawaiian descent, but also because of using - consciously or unconsciously - many elements of the Polynesian traditions in his speeches and books. Kreutzer has analyzed Obama's books and more than forty speeches by Barack Obama. He relates the results to the Seven Huna-Principles, Ho'oponopono, Ohana, Dragon-Dreaming and other Polynesian elements and shows that Barack Obama embodies a new type of leader. The book

illustrates that words and messages, stripped bare of political meanings and brought into right context, are timeless and can better our lives, families, communities and our entire world – if we only would listen.
