Core Elements of Prophetic Training

Effective prophetic training encompasses several key components that ensure a comprehensive learning experience. These elements address both the spiritual and practical aspects of prophecy, enabling trainees to develop a balanced and informed approach. Biblical Foundations of Prophecy

Understanding the scriptural basis for prophecy is essential in prophetic training. The manual explores key biblical passages that highlight the purpose and function of prophecy in the lives of believers. It explains prophetic gifts as described in the Old and New Testaments, emphasizing their role in revealing God's will and encouraging faith. free prophetic training manual: Young Invaders Course Femi Reis, 2022-09-07 Invade, Conquer, Occupy! A close look at the church today might leave the average observer with more questions than answers, but for those who see with the eyes of faith, God is raising an army with whom He will advance His Kingdom in unprecedented ways. A good proportion of the Body are no longer content with business as usual, and are beginning to seek the reality that God's Word presents. Many of these hungry souls are young people who were born in church, and their quest for reality has driven them in diverse directions, much to their own hurt. However, God acknowledges the hunger of their hearts and seeks to gather them into an army of young invaders that would advance Light in the midst of darkness and present to the world a Kingdom that is set to override all. From the commissioning of the church in the Book of Acts, it has always been clear that God has a frontline role for young people in the advancement of His Kingdom in this end-time. "And it shall come to pass in the last days," saith God, "I will pour out of my Spirit upon all flesh: your sons and your daughters shall prophesy, your young men shall see visions, and your old men shall dream dreams" (Acts 2:17). The first group of people God singled out that would walk in the manifestations of the outpouring of His Spirit are "your sons and daughters". God is out to enlist young boys and girls—teenagers and youths—for an end-time showdown that would never leave the church and the world the same. This course is a training to bring young hearts into battle formation for Kingdom takeover. This is not a nice regular Sunday school manual but a battle school curriculum to help raise an invading army of teenagers and youths who would escape the distractions of their time and engage in intentional Kingdom advancement with one clear goal in mind: Invade, Conquer, Occupy!
