**henry emily true identity speech: Experiencing Ways Through Words** Emily Abdeni-Holman, 2025-09-29 We tend to think of ourselves using language. What if we thought instead about language working on us, or about language as something we experience rather than make use of? This book explores the generative capacities of language, suggesting that we need to pay much greater attention to the meaning-making capabilities, and political and moral implications, of more intangible aspects of language: atmosphere, mood, texture, the mode-of-being a use of language carries — and not only carries, but gives off, sends into both its reader and writer. Advancing an interpretation of language as fundamentally attitudinal and creative, *Experiencing Ways Through Words* explores literature in the light of such thinking, claiming that properties we tend to sideline as 'aesthetic' are profoundly constitutive of a text's capacity for significance.

**henry emily true identity speech: Going Low** Finbarr Curtis, 2022-07-05 Liberalism puts its trust in civil discourse and rational argument. Today, its opponents enthusiastically flout these norms, making a show of defying so-called political correctness. In the Trump era and beyond, right-wing figures delight in sheer offensiveness. What is at stake in breaking the rules of civility to "own the libs"? *Going Low* examines how the offensive style of contemporary politics challenges liberal democratic institutions. Considering the rise of illiberal politics and debates about the limits of free speech, Finbarr Curtis draws on the insights of religious studies to rethink provocation and transgression. He argues that the spectacle of brazenly violating taboos is a show of dominance over a supposedly censorious liberalism. Profaning liberal pieties is the ultimate form of "winning." Curtis contends that deliberate offensiveness dovetails with the privatization of public goods: both represent the refusal to accommodate the sensibilities of others in a diverse society. *Going Low* offers a series of essays that recast recent controversies, including Trump's reality-TV presidency, white evangelical complaints of liberal bigotry, bakers who refuse to bake cakes for LGBTQ weddings, and hostility toward the activism of athletes and college students. Together, these essays shed new light on contemporary political discourse and reveal why illiberalism has turned to profane politics for a profane age.

**henry emily true identity speech: *Feminism and Dialogics: Charlotte Perkins, Meridel Le Sueur, Mikhail M. Bakhtin*** Carolina Núñez Puente, 2011-11-28 Aquest llibre proposa una lectura feminista dialògica de Charlotte Perkins Gilman, Meridel Le Sueur i Mikhail Bakhtin. La primera part està dedicada al relat curt, considerat un dels aspectes oblidats per Bakhtin. El gènere sexual ('gender'), un altre dels seus oblits, és la base fonamental d'aquesta investigació. Un dels arguments que l'autora defensa és que els híbrids artístics de Gilman i Le Sueur fan impossible que se les confine dins d'un sol gènere literari o sexual. En la segona part s'estudia com la saga deconstructivista de Gilman com el bildungsroman feminista de Le Sueur serveixen per a corregir i expandir la teoria bakhtiniana. Entre altres molts aspectes, els personatges femenins estudiats encarnen el subjecte parlant femení. La tercera part avalua les comunitats de dones creades per la ficció de Le Sueur i Gilman i el seu llegat per a les teories feministes i bakhtinianes. El treball (in)conclou proposant un avanç de la 'dialogia feminista' a una 'pràctica dialògica del feminisme', on totes les perspectives feministes apareixen com a gèneres literaris/veus en un diàleg dialògic.
