guideposts scripture: Gospel Conversations Robert W. Kellemen, 2015-09-01 How does a person learn to counsel others with the truth of God's Word? Bob Kellemen believes that the best way to learn counseling is by doing it—by giving and receiving biblical counseling in the context of real, raw Christian community. *Gospel Conversations* explores the four compass-points of biblical counseling: Sustaining: "It's Normal to Hurt." Healing: "It's Possible to Hope." Reconciling: "It's Horrible to Sin, but Wonderful to Be Forgiveness." Guiding: "It's Supernatural to Mature." These four compass points combine to equip readers to develop twenty-two ministry relational competencies—the "how to" of caring like Christ. This book serves as a practical training manual that can be used for lab and small group interaction. *Gospel Conversations* is the second volume in The Equipping Biblical Counselors Series, a comprehensive relational training curriculum for the local church that provides a model for equipping God's people to change lives with Christ's changeless truth. This two-volume series weaves together comprehensive biblical insight with compassionate Christian engagement.

guideposts scripture: Rightly Dividing the Word of Truth C. L. Chapman, 2010-10-28 The Bible is the word of God. In *Rightly Dividing the Word of Truth*, author C.L. Chapman helps Christians understand and embrace the life messages and lessons contained in the Bible. Delivering timely information, this guide is divided into two books. The first book, *On Defense*, discusses how to discern the difference between sound Biblical information and erroneous misinformation. It illustrates both the errors and the intended misinformation about the Bible and its contents and demonstrates how to deal with both the misinformation and those who spread it. The second book, *Reaching Forth*, explains how to glean the basic information needed to grow, mature, and profit spiritually from the Bible and its message in order to become both victorious and fruitful in the Lord. Chapman teaches that the Bible does not need decoding; it only needs to be understood and its message embraced. It is the word of God that produces life, health, peace, victory, prosperity, deliverance, and abundant blessings for believers even in these tumultuous end-times.
