Watch *Iggy Peck* in the Netflix television series *Ada Twist, Scientist!* "Read it at bedtime (it's a quick read!), chuckle with your children, and send them to dreamland." —American Institute of Architects Some kids sculpt sandcastles. Some make mud pies. Some construct great block towers. But none are better at building than *Iggy Peck*, who once erected a life-size replica of the Great Sphinx on his front lawn! It's too bad that few people appreciate *Iggy's* talent—certainly not his second-grade teacher, Miss Lila Greer. It looks as if *Iggy* will have to trade in his T-square for a box of crayons . . . until a fateful field trip proves just how useful a master builder can be. A story told in verse, this is a book that shows the power of education and science. *Iggy Peck* is a child who once "built a great tower—in only an hour—with nothing but diapers and glue." The structured rhymes and lively illustrations fit the architectural theme, and the text uses absorbing details of *Iggy's* world to bring the tale to life. Each of *Iggy's* classmates has their own unique quality, implying the variety of personalities and potentials to be appreciated in any group of children. Young readers will love their time spent with *Iggy Peck*. They'll love the story, colorful illustrations, and also learn about the passion and practicality of science (STEM). iggy peck architect author: **Sofia Valdez, Future Prez** Andrea Beaty, 2019-11-05 The newest picture book from the creators of Iggy Peck, Architect; Rosie Revere, Engineer; and Ada Twist, Scientist stars Sofia Valdez, a community leader who stands up for what she believes in! Every morning, Abuelo walks Sofia to school . . . until one day, when Abuelo hurts his ankle at a local landfill and he can no longer do so. Sofia misses her Abuelo and wonders what she can do about the dangerous Mount Trashmore. Then she gets an idea—the town can turn the slimy mess into a park! She brainstorms and plans and finally works up the courage to go to City Hall—only to be told by a clerk that she can't build a park because she's just a kid! Sofia is down but not out, and she sets out to prove what one kid can do. Collect them all! Add these other STEM favorites from #1 New York Times bestselling team Andrea Beaty and David Roberts to your family library today! iggy peck architect author: **Aaron Slater's Big Project Book for Astonishing Artists** Andrea Beaty, 2022-10-25 An inspiring, hands-on book about art, creativity, and how we see the world--featuring the newest Questioner, Aaron Slater! Make art of all sorts in this project book from the team behind the bestselling Questioners series. Aaron Slater shows readers how art is everywhere in our world--from the famous paintings and photographs that we know so well to places you may not think as much about, like on stamps or coins--and encourages them to make art of their own based on what they see. Activities will help to spark creativity, encourage curiosity, and show some of the traits most important to being an artist: being observant, being persistent, and being flexible. From coloring pages to drawing prompts to instructions on how to make your very own puppet show and so much more, this project book encourages and uplifts the youngest artists and the creators of tomorrow.
