khadija prophet muhammad book: Khadija Daughter of Khuwaylid Wife of Prophet Muhammad Yasin Al-Jibouri et al., 2016-06-21 Very little has been written about Lady Khadija daughter of Khuwaylid, the first wife of Prophet Muhammed; therefore, the author thinks that a book like this is needed not only by the Islamic library, but by the cultural library of the world. Khadija's impact on the lives of people went far beyond her time and will always continue. This tri-lingual book contains a beautiful love story. A woman falls in love, so she composes romantic poems expressing her feelings, defying the male chauvinism of the time. If you enjoy romance, read this book. If you enjoy history, this is your book, and if you prefer biography, this is surely a biography book that takes you back to the time when the Prophet of Islam was 25 years old, that is, to A.D. 570, and its events take place in the trade metropolis of Mecca, Hijaz, describing the ways of life there and then, narrating the details of the Prophet's first and happiest marriage. It even describes to you wedding traditions at the time many of which are still alive. Another woman is discussed in this book, the most famous of the Prophet's wives, namely Aisha daughter of Abu Bakr. You will read how she led an army spurred by hatred and blind ambition in order to win the crown for her loved nephew, Abdullah ibn al-Zubayr, a relative of her husband, the Prophet of Islam. That was the Battle of the Camel of A.D. 656. It was then that Muslims killed Muslims, a shame that continues and apparently will always continue fueled by blind prejudices, intolerance and close-mindedness. This book is the story of two women: of one who loved and another who hated...

khadija prophet muhammad book: The Weekly Khutbah Volume 1: 2013-2014 Saiyan Islam, 2016-02-06 Every week Friday comes and for us Muslims, Friday is very crucial in the sense we have our Jummah prayers. Along with the Jummah prayers we have our weekly sermons. What happens is that most of us tend to forget the sermons delivered by the Imams. So I thought of this system of writing down all the sermons so that the knowledge we gain gets preserved. Furthermore the sisters who are mostly unable to attend the Jummah prayer in many countries do not get the

chance to learn from the weekly sermons. The males can easily record their learning and teach the women at their home. All the sermons are from the Imams from the Masjids I attend weekly and the Hadiths mentioned are from their own sermons. Sometimes the Imams may tend to refer to weak Hadiths, I have tried my best to classify them as much as possible. May Allah have mercy upon us all and may we get guided to the Straight Path, Ameen.

khadija prophet muhammad book: Islam and Society Riaz Hassan, 2013-06-01 The central focus of this volume is to explore and highlight the nexus between the ideology of Islam and social and cultural milieus with the aim of reconceptualising the sacred as a socially constructed reality and not a transcendental supernatural phenomenon. From this perspective, human agency and society become the main focus for shaping, perpetuating and institutionalising religious beliefs, ideas and practices, opening up space for empirical and sociological analyses of religious phenomena. The seven essays in this volume seek to explore and examine some of the key debates in contemporary sociology of Islam. The topics explored are: social factors in the origins of Islam; social theory and Muslim society; Islam and politics in South Asia; Muslim piety; anti-Semitism; the social foundations of Muhammad's prophetic mission, with a special reference to Arab historical memory and the role of his first wife Khadija bint Khuwaylid; and the barriers to social inclusion of Australian Muslims in Australian society.
