khadijah fatima barkatulla biography: Noble Women of Faith Shahada Sharelle Haqq, 2012-04-16 Islamic tradition praises Asiyah, Mary, Khadijah, and Fatimah as the four women who showed monumental examples of excellence in faith. While Mary, the mother of Jesus, is the only woman mentioned by name in the Qur'an, the other three are mentioned in the sayings of the Prophet Muhammad, peace be upon him. Asiyah was the wife of Pharaoh and she was the one who protected Moses in the palace from the wrath of her furious husband. Mary is the epitome of purity and submission, who was miraculously blessed with Jesus, and she stood firm against all kinds of slanders and accusations. Khadijah was the first believer to the Prophet Muhammad. She spent all her fortune in her husband's cause, including her life. Fatimah, the Prophet's daughter, is the person through whom the Prophet's generation still continues. This book depicts the lives of these four remarkable women of the human history.

khadijah fatima barkatulla biography: **TRAGEDY OF FATIMA DAUGHTER OF PROPHET MUHAMMED** Yasin T. al-Jibouri, 2013-10-24 Fatima, daughter of the Prophet of Islam, did not enjoy this life for long and passed away only few days after the demise of her father. She was not sick; rather, grief and sorrow snatched his soul away. This book sheds light on certain historic circumstances as well as on the individuals who were bitter enemies of her husband, Ali ibn Abu Talib, and who were jealous of his merits and accomplishments. The author wrote this book initially in response to another written by someone who cast doubts about certain very serious and shameful facts which the author of this book details. He cites numerous references (more than three hundred and fifty) written by historians and biographers from both branches of the Islamic faith and throughout the Islamic history. One who reads this book with an open mind will conclude that Fatima died prematurely, and that, ironically, those who were responsible for her early death have since the very first Islamic century been glorified by the vast majority of the Muslims, that even the whereabouts of her grave remain unknown, something which she herself desired and planned. Who were those people? Why did they disrespect the "Head of the Women of the World," the mother of the two masters of the youths of Paradise and wife of the Prophet's right hand, the people who even confiscated her inheritance from her revered father? This book answers all these questions and many more.

Words on her life, with its examples of affection, kindness and effectiveness in challenges, may serve as a hedge against fundamentalism.

khadijah fatima barkatulla biography: *Fatimah* Ali Syariati, 2008-07-01 Suatu ketika, Rasulullah Saw. sedang bersujud dalam shalat di depan Ka'bah. Kaum Quraisy berniat menghina beliau. Mereka menumpahkan amat banyak kotoran unta ke punggung Rasulullah sehingga beliau sesak napas dan tak bisa bangkit. Mereka pun tertawa terpingkal-pingkal. Mendengar kabar itu, Fatimah Az-Zahra, yang saat itu masih seorang gadis kecil, segera berlari mencari ayahnya. Tanpa gentar dia menghampiri orang-orang Quraisy itu dan menghardik mereka. Ajaib, mereka merasa malu dan perlahan menyingkir. Fatimah membersihkan kotoran unta dari pundak ayahnya sambil menangis. Rasulullah menghiburnya, Jangan menangis, wahai anakku. Sesungguhnya, Allah melindungi ayahmu. [Mizan, Qanita, Referensi, Inspirasi]

khadijah fatima barkatulla biography: Fatima Bint Muhammad Omer Yilmaz, 2016-03-07 Fatima was the youngest daughter of Prophet Muhammad, peace and blessings be upon him, and his most beloved. He referred to her as being a part of himself. From a young age until his death she never left his side, learning everything she could from him, taking care of him and even protecting him from his enemies. This book summarizes her life for young readers. Many words can be used to describe Fatima; honorable, intelligent, beautiful, charitable, honest, loving, caring, yet none does justice to this unique character. She resembled her father in both looks and mannerisms and was said to be the person closest to him. Fatima dedicated her life to Islam and, together with her husband, Ali ibn Abi Talib, she was the perfect mother and teacher for her children who included Hasan and Husayn who continued the lineage of the blessed Prophet. Ranked alongside Khadija, Mary and Asiya as one of the four most important women in Islam, Fatima, who was promised a place in Paradise and who will be by her father's side on Judgment Day is an inspiration for all Muslims for all time. This book gives an insight into her life and character.

khadijah fatima barkatulla biography: Khadija Daughter of Khuwaylid Wife of Prophet Muhammad Yasin al-Jibouri et al., 2016-06-16 Very little has been written about Lady Khadija daughter of Khuwaylid, the first wife of Prophet Muhammed; therefore, the author thinks that a book like this is needed not only by the Islamic library, but by the cultural library of the world. Khadija's impact on the lives of people went far beyond her time and will always continue. This tri-lingual book contains a beautiful love story. A woman falls in love, so she composes romantic poems expressing her feelings, defying the male chauvinism of the time. If you enjoy romance, read this book. If you enjoy history, this is your book, and if you prefer biography, this is surely a biography book that takes you back to the time when the Prophet of Islam was 25 years old, that is, to A.D. 570, and its events take place in the trade metropolis of Mecca, Hijaz, describing the ways of life there and then, narrating the details of the Prophet's first and happiest marriage. It even describes to you wedding traditions at the time many of which are still alive. Another woman is discussed in this book, the most famous of the Prophet's wives, namely Aisha daughter of Abu Bakr. You will read how she led an army spurred by hatred and blind ambition in order to win the crown for her loved nephew, Abdullah ibn al-Zubayr, a relative of her husband, the Prophet of Islam. That was the Battle of the Camel of A.D. 656. It was then that Muslims killed Muslims, a shame that continues and apparently will always continue fueled by blind prejudices, intolerance and close-mindedness. This book is the

story of two women: of one who loved and another who hated..
