Understanding Les Feldick's Approach to Biblical Revelation

Les Feldick's approach to biblical revelation is characterized by a systematic and verse-by-verse examination of Scripture. He emphasized the importance of context and the original meaning of biblical texts, aiming to eliminate confusion caused by misinterpretation or doctrinal bias. His teachings often focused on the dispensational framework, highlighting the distinctions between God's dealings with Israel and the Church. This method allowed believers to see the Bible as a cohesive narrative rather than a collection of isolated verses.

Verse-by-Verse Teaching Method

One of the hallmarks of les feldick revelation is his verse-by-verse teaching method. This technique involves going through entire books of the Bible in order, which helps followers understand the flow and progression of biblical themes. By doing so, Feldick avoided selective scripture use and encouraged a holistic reading of the Bible.

Emphasis on Context and Dispensationalism

Feldick's revelation strongly emphasized the dispensational approach, which divides biblical history

into distinct periods or dispensations. This perspective clarifies the differences between God's promises to Israel and His plan for the Church, preventing theological confusion. His insistence on context ensures that scripture is interpreted according to its original audience and purpose.

Salvation by Grace Through Faith

Another significant theme is the doctrine of salvation by grace through faith alone. Feldick emphasized that human efforts or adherence to the law cannot earn salvation; it is a gift from God. les feldick revelation: Thy Kingdom Come Jerry Huerta, Marsue Huerta, 2018-12-28

Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist's house and its perception of recapitulation in the book of Revelation, which does not disturb the historicist's view that the papacy is the Antichrist. Under this new interpretation, John's use of recapitulation was modest as compared with the traditionalist's view. The new view correlates the prophecies and illustrations of the seven seals with our modern-day market-driven society, the prophetic era of the Laodicean church, the autumnal festivals, and the "the time of the end" in Daniel 8:17. The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant's rise to prominence and their termination of the churches' influence in our modern-day commerce is incendiary. Moreover, the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative. As is the case of all such correlations

that come to light through progressive revelation, they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness (Revelation 1:3).

les feldick revelation: Isaiah Marlene Hales Holley, 2021-11-19 Most importantly, you need to know that Satan has deceived us and blinded us. When you study scriptures, ask who is talking and to whom are they talking to. Know that there are seven dispensations of time. What is law in one may not be law in another. Do not be afraid of Isaiah! Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross (Col. 2:15). When Jesus died on the cross, he set the gospel of the Jews aside until his Second Coming. When Jesus appeared to Saul on the road to Damascus, he changed his name to Paul and sent him to the Gentiles with the gospel of grace. We follow the apostle Paul because he is following the Lord Jesus Christ. The Apostle Paul is for us in this dispensation of grace. We must study Paul's epistles diligently. The gospel of Jesus Christ is his death, burial, and resurrection. God wants us to find his truth. I pray for all humanity to know God.

les feldick revelation: Lost and Found: My Journey to a Saved Soul Michelle Marie Damico, 2016-08-02 Have you ever wondered if there is more to life than we can see? Are there really other dimensions within our world? If so, who or what resides there? Do angels and demons truly exist? If so, where are they, and how do they function in our world? What does the Bible say about angels and demons? Is there a biblical mystery that has been overlooked? *Lost and Found-My Journey to a Saved Soul* will answer these questions and more through uncovering one of the mysteries that has been hidden since the fall of mankind. This mystery is broken down through God given biblical revelation regarding the unseen world. This mystery became a living reality when Michelle Damico and her husband, Chris Damico, entered into the unseen realm on a forty-day journey. They had experienced firsthand what it was like to function within another dimension, also known as the spirit world. It was through, unknowingly, opening a door into forms of witchcraft that entered them into the spirit realm, being led to a shaman and tricked into a ritual that they believed was a marital ceremony. This led to her mother being spiritually attacked, therefore, triggering a subarachnoid hemorrhage and her mother's near-death experience; Michelle's husband's possession and cry to be institutionalized; and her children being attacked by spirits that desired to possess their soul. Their home was overpowered with evil and deep darkness, and there was nobody they could turn to but Jesus. All glory and honor to our Lord and Savior Jesus Christ for delivering us out of the darkness and into his marvelous light. Giving thanks to the Father, who has qualified us to share in the inheritance of the saints (God's people) in the Light. For He has rescued us and has drawn us to Himself from the dominion of darkness, and has transferred us to the kingdom of His beloved Son, in whom we have redemption [because of His sacrifice, resulting in] the forgiveness of our sins [and the cancellation of sins' penalty]. He is the exact living image [the essential

manifestation] of the unseen God [the visible representation of the invisible], the firstborn [the preeminent one, the sovereign, and the originator] of all creation. -Colossians 1:12-15 (AMP)

les feldick revelation: The book of Revelation As It Is Gerard Meerstadt, 2019-02-20 The key to understanding the book of Revelation is enclosed in its title. It is a revelation! It reveals things that were unknown, makes them plain and understandable. Consequently, it is not to be regarded as a mystery that needs to be solved, a book with a hidden meaning, that requires experienced scholars to unravel it. Quite the opposite! It presents itself as the solution to the riddle, revealing how all the major prophesies of the Bible will find their fulfilment, while documenting what happens to our world in its transition to the next stage in human history. It contains exactly what Jesus Christ wants to reveal to us, on a 'need to know' basis. Is he capable of revealing something? Does he require other people to explain to us what he actually meant? Of course not! So let us do something very unusual and try to understand the book of Revelation just as it is! We are all students of the word, not teachers. Jesus is our teacher in this case. Everything we pretend to know might hold us back from discovering something really new to us.

les feldick revelation: Illuminating Revelation Kelvin McKisic, 2008-08 God has revealed Himself in the Word of God as well as in the world around us. And that is what makes the book of Revelation so amazing; that God has revealed the plan for the end of an age, a plan that spells out what will happen to mankind when we refuse to accept the wonderful gift of salvation that God has offered through the death and resurrection of His Son Christ Jesus. The book of Revelation is the only book that gives a blessing to those that read it, and so it was with this purpose that I set out to illuminate what God has already revealed. And in so doing I tried not to be too technical, but at the same time provide enough information for the reader to grasp what is at stake for their eternal state. Rev. Kelvin McKisic (B.TH. Reed Christian College) is the Assistant Pastor of a small Baptist church in Los Angeles, Ca where he shares the pastoral duties caring for the youth of the church. He is an Electrical Engineer by education, a Software Developer by chance, and a born-again Christian by the hand of God. Rev. McKisic has been serving the needs of the pastor at True Light Baptist church for more than five years doing all that God calls him to do. Rev. McKisic is a father of three and a loving husband who realizes the need for prayer in maintaining the family unit. He is a man of God who knows that it is God who is to receive all of the glory.

les feldick revelation: The Book of Revelation from Alpha to Omega Roy Martin, 2011-04 The Book of Revelation From Alpha to Omega is like no other book you have ever read. It is a book that will take you through the full spectrum of your emotions. It will make you want to love, hate, fight, and cry—all at the same time. It reveals the 'people side' of the book in the Bible that we call Revelations. Contrary to what you might believe about God, he is people oriented. People are the only creatures that God made in his own image. So it stands to reason that people are dear to God's heart. The Book of Revelation From Alpha to Omega is primarily about people. It is about those things that God desires to do for people. It is about those things that people will have to deal with if they ignore what God is offering them. It is about those things that have happened, will happen, and are now happening to all nations, tribes, and tongues. It is about the mark of the beast—who the beast is, what the mark is, and the purpose for the mark. It is about the war being fought in the

arena of commerce, a war about which God is trying to warn us in order for us to be prepared. It is like a trumpet calling people to prepare for battle, which destined to be awesome, the likes of which the world has never seen heretofore. The author of The Book of Revelation From Alpha to Omega realizes that some will disagree with what he has written. He respects your rights to disagree, but he does not offer a refund of the purchase price if you disagree with what he has written.

les feldick revelation: Revelation Jeff Ferguson, 2021-11-03 Social injustice, social distancing and masks, the coronavirus pandemic, earthquakes, wars, and rumors of wars--is this really the end-times? When thinking about the book of Revelation, death and destruction, lawlessness and chaos seem to be the focus of most people.
