His background and approach have made his teachings accessible to a broad audience seeking practical Bible study tools.

Scope of New Testament Coverage

The les feldick new testament teachings cover critical books such as Romans, Galatians, Ephesians,

and Hebrews. These Pauline Epistles are central to his explanation of grace and the believer's position in Christ. Feldick also addresses the Gospels, but with emphasis on the unique role of Jesus' earthly ministry in God's overall plan.

Key Themes in Les Feldick's New Testament Study

The teachings of Les Feldick on the New Testament revolve around several key themes that underscore the theological framework he promotes. These themes help students grasp the distinctive message conveyed in the New Testament Scriptures.

The Doctrine of Grace

One of the most prominent themes in Feldick's New Testament teachings is the doctrine of grace. He stresses that salvation and the Christian life are governed by grace rather than works of the Law. This theme is especially evident in his studies of Romans and Galatians, where Paul's message about justification by faith and freedom from the Law is central.

The Distinction Between Law and Grace

Les Feldick carefully differentiates between the Old Covenant Law and the New Covenant of grace. His teachings highlight how the New Testament reveals a new relationship between God and believers, one that is not based on adherence to the Law but on faith in Christ's finished work.

The Believer's Identity in Christ

Another important theme is the believer's position and identity in Christ. Feldick teaches that the New Testament unveils the spiritual blessings and authority believers have through their union with Jesus. This includes freedom from condemnation and access to God's promises.

- Justification by faith alone
- Sanctification as a process under grace
- The role of the Holy Spirit in the believer's life
- Understanding the Church as the Body of Christ

Les Feldick's Teaching Methodology

Les Feldick's approach to teaching the New Testament is marked by clarity, systematic study, and practical application. His methodology is designed to help students not only understand Scripture

intellectually but also apply biblical truths to their lives.

Verse-by-Verse Exposition

One hallmark of Feldick's teaching style is his verse-by-verse exposition of New Testament books. This method allows for detailed analysis and prevents the misinterpretation that can occur when verses are taken out of context.

Use of Scripture to Interpret Scripture

Feldick consistently employs cross-referencing within the Bible, encouraging students to compare Scripture with Scripture. This hermeneutical principle is essential to his teaching, ensuring that interpretations align with the broader biblical narrative.

Emphasis on Rightly Dividing the Word

A foundational concept in Feldick's method is the principle of rightly dividing the Word of truth, drawn from 2 Timothy 2:15. This involves understanding the distinctions between different dispensations, covenants, and contexts within the Bible to avoid confusion and doctrinal error.

Comparison with Traditional New Testament Interpretations

Les Feldick's New Testament teachings offer a distinctive perspective compared to many traditional interpretations. His focus on grace and dispensational distinctions sets his work apart within evangelical Bible teaching circles.

Contrast with Legalistic Approaches

Feldick's teachings challenge legalistic approaches that emphasize Law-keeping as a means of righteousness. Instead, he points to the sufficiency of Christ's sacrifice and the believer's complete acceptance by faith, contrasting with traditions that stress works.

Dispensational vs. Covenant Theology

While many traditional interpretations align with covenant theology, Feldick's teachings are grounded in dispensationalism. This theological framework highlights the differences between God's dealings with Israel and the Church, a distinction that plays a critical role in his reading of the New Testament.

Practical Differences in Application

The practical result of Feldick's approach is a clear understanding of the believer's freedom and responsibilities under grace. This often leads to a more joyous and empowered Christian experience, distinct from teachings that emphasize obligation and rule-keeping.

les feldick new testament: The Narrow Gate L. Abbott, 2025-07-22 Do all good people go to heaven? Some religions indicate that our eternity is based on our good works. Although being a good person is important, it is not the deciding factor according to the Bible. The Bible says God's requirement for entering heaven is being 100 percent perfect and sinless. The reality is no one has ever lived a perfect, sinless life, except Jesus. How was He able to do that? Jesus is a member of the triune Godhead (Father, Son, and Holy Spirit). This is not three gods; it is one God with three identities, similar to how people on earth are able to be a parent, a child, a spouse, etc. without being different people. God is holy and cannot abide with sin. Recognizing that people do sin, God's infinite love determined a solution to enable people to fellowship with God while living on earth and forever in heaven. God's solution is that Jesus (God the Son) left the glory of heaven; was born as a human child; lived a sinless life; and offered Himself as a perfect sacrifice to pay the penalty for all mankind's sins, for all time. That sacrifice involved Jesus's death on a Roman cross, burial, and His resurrection in three days. Jesus was fully human, but also fully God, as evidenced by His miracles, His fulfillment of Old Testament prophecies, and His sinless life. He demonstrated that love of God and love of others are the most important components of mankind's relationship with God and people. God's only stipulation is that we must believe in Jesus and ask Him to become our Lord and Savior. Without accepting the gift of Jesus's atoning blood to wash away our sins, the alternative is an eternity separated from God. This book explores why the Bible can be believed as a source of truth and discusses the evidence of Jesus being the Son of God and the reality of God's love for all people.

les feldick new testament: Thy Kingdom Come Jerry Huerta, Marsue Huerta, 2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist's house and its perception of recapitulation in the book of Revelation, which does not disturb the historicist's view that the papacy is the Antichrist. Under this new interpretation, John's use of recapitulation was modest as compared with the traditionalist's view. The new view correlates the prophecies and illustrations of the seven seals with our modern-day market-driven society, the prophetic era of the Laodicean church, the autumnal festivals, and the "the time of the end" in Daniel 8:17. The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant's rise to prominence and their termination of the churches' influence in our modern-day commerce is incendiary. Moreover, the correspondence pertaining to autumnal festivals regarding the final judgment and the

apocalyptic horsemen of the seven seals is no less provocative. As is the case of all such correlations that come to light through progressive revelation, they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness (Revelation 1:3).

les feldick new testament: An Old Man Thinking for the First Time James Kalm Fitzgerald, 2024-05-22 A seed was dropped by a man that did not know he was sowing seeds. A certain seed sprouted a philosophy plant which was noticed by a passerby. The passerby, a lost soul, picked and consumed the plant which awakened a decade's old and long forgotten planned quest. That quest was locked away in the mind of the lost soul in a closet of things once planned but long since forgotten. In that closet on a bookshelf was a book the lost soul had once thought to read, "The Holy Bible." Covered in scarlet webs this book now stood out as a quest that must be taken. The lost soul removed the book from the forgotten things in the closet of his mind and moved it from the mind to his hands. The Book was consumed. The old man would start "thinking" differently. This "thinking" it seemed to the "old man" would be useless unless this "thinking" might be shared. No experience in writing, but nevertheless compelled to go fishing for men with words.

les feldick new testament: "Churchism in the Church Age" Bill Young, 2018-09-26 Since 70 AD, our so-called Christian forefathers have set us on a course that has only led us further and further away from understanding of the Words from heaven by promoting a false religion known as The Church Age, which I refer to as Churchism. This Church Age did not begin until about 325 AD and it dominated the Christian thinking for some 1,200 years before the Protestants broke away from it about five hundred years ago. It was the Catholic Church who created the Church Age and the world has been drawn into believing in this ghost religion that was never real or legitimate. It was not created from reading and understanding the Words from heaven. So then faith cometh by hearing, and hearing by the word of God (Rom. 10:17, 18). Searching the Words from heaven is our duty to God as well as to ourselves and he will bless who he will bless with understanding. But there are many who will not be so blessed, Unto you (Jesus's disciples) it is given to know the mystery of the kingdom of God: but unto them that are without, all things are done in parables (Mark 4:11). The Church-Age believers are those who are without and for 1,700 years they have remained without, yet the world continues to accept their words as Gospel. There are two ways to know God, one is to see, with an open mind, his Creation in the world and universe, to be attentive to its magnificent diversity and harmony and the other is through his Words that he has written for us. The early American Indian only had the first way of knowing God until the new settlers came to America and introduced Churchism's church salvation. Now both the Indian as well as all the civilized earth have been following a religion which became the worlds' greatest deception and hoax.

les feldick new testament: A Non-Fiction Trilogy Tom Sawyer, 2019-06-27 Book I is a new physics hypothesis. From a silly na?ve idea, it began paralleling current physics in many intriguing ways. Are these all just co-incidences? From polarized particles, to unexpectedly matching the periodic table, to what energy is, and an ether that dilates rather than illogical space-time. Could this be the long sought after simpler explanation of physics? Book II is theological writings, and a new interpretation of Daniel and Revelation in the Bible. The author claims it to be much more complete as to matching clues given in these mysterious books, and much more relevant to actual history than the current Rapture/Anti-Christ interpretation that is so well known. Book III is primarily about the urgent problem of overpopulation. Both books II and III are interspersed with traditional conservative thoughts on politics, social order, economics and government, including the distillation of logical ideas on good government down to a few simple principles.

les feldick new testament: MEMOS FROM GOD AT 3AM RLH Anonomiss, 2025-05-22 The best way to understand why HIS book should be read is this=EPHESIANS 4=12TO16.To prepare GOD'S people for works of service, so that the body of CHRIST; may be built up until we all reach unity to the faith and to the knowledge of the son of GOD and become mature attaining to the whole measure of the fullness of CHRIST. Then we will no longer be infants; tossed back and fourth by the waves, and blown hear and there by every wind of teaching and by cunning and craftiness of men in their deceitful scheming . Instead speaking the truth in love we will in all things, grow up into HIM who is the head that is CHRIST. From HIM the whole body, joined and held together by every supporting ligament, grows and builds it self up in love as each part does it's own work.. This the whole purpose of HIS book.
