In glittering prose, Momaday recalls stories passed down through generations, illuminating the earth as a sacrosanct place of wonder and abundance. At once a celebration and a warning, *Earth Keeper* is an impassioned defense of all that our endangered planet stands to lose. — *Esquire* A magnificent testament to the earth, from Pulitzer Prize-winning novelist and poet N. Scott Momaday. One of the most distinguished voices in American letters, N. Scott Momaday has devoted much of his life to celebrating and preserving Native American culture, especially its oral tradition. A member of the Kiowa tribe, Momaday was born in Lawton, Oklahoma and grew up on Navajo, Apache, and Pueblo reservations throughout the Southwest. It is a part of the earth he knows well and loves deeply. In *Earth Keeper*, he reflects on his native ground and its influence on his people. n scott momaday: *The Journey of Tai-me* N. Scott Momaday, 2011-10-16 Tai-me is a traditional medicine bundle used by the Kiowa in their Sun Dance. The bundle has been handed down from

generation to generation, through the nineteenth century and into the twentieth. N. Scott Momaday made this discovery when he began his journey to learn about the Kiowa and his paternal lineage. Following the death of his beloved Kiowa grandmother, Aho, in 1963 Momaday set out on his quest to learn and document the Kiowa heritage, stories, and folklore. His Kiowa-speaking father, artist Al Momaday, served as translator when Scott visited tribal elders to ask about their memories and stories. Scott gathered these stories into *The Journey of Tai-me*. Originally published only in a limited edition in 1967, *The Journey of Tai-me* is recognized as the basis from which Momaday's more popular *The Way to Rainy Mountain* grew. When compiling *The Way to Rainy Mountain*, published by the University of New Mexico Press, Momaday added his own memories and some poems.

n scott momaday: *Ancient Child* N. Scott Momaday, 1990-09-12 In his first novel since the Pulitzer Prize-winning *House Made of Dawn*, N. Scott Momaday shapes the ancient Kiowa myth of a boy who turned into a bear into a timeless American classic. *The Ancient Child* juxtaposes Indian lore and Wild West legend into a hypnotic, often lyrical contemporary novel--the story of Locke Setman, known as Set, a Native American raised far from the reservation by his adoptive father. Set feels a strange aching in his soul and, returning to tribal lands for the funeral of his grandmother, is drawn irresistibly to the fabled bear-boy. When he meets Grey, a beautiful young medicine woman with a visionary gift, his world is turned upside down. Here is a magical saga of one man's tormented search for his identity--a quintessential American novel, and a great one.

When you read these poems, you will learn to hear deeply the sound a soul makes as it sings about the mystery of dreaming and becoming." — Joy Harjo, Mvskoke Nation, U.S. Poet Laureate Pulitzer Prize winner and celebrated American master N. Scott Momaday returns with a radiant collection of more than 200 new and selected poems rooted in Native American oral tradition. One of the most important and unique voices in American letters, distinguished poet, novelist, artist, teacher, and storyteller N. Scott Momaday was born into the Kiowa tribe and grew up on Indian reservations in the Southwest. The customs and traditions that influenced his upbringing—most notably the Native American oral tradition—are the centerpiece of his work. This luminous collection demonstrates Momaday's mastery and love of language and the matters closest to his heart. To Momaday, words are sacred; language is power. Spanning nearly fifty years, the poems gathered here illuminate the human condition, Momaday's connection to his Kiowa roots, and his spiritual relationship to the American landscape. The title poem, "The Death of Sitting Bear" is a celebration of heritage and a memorial to the great Kiowa warrior and chief. "I feel his presence close by in my blood and imagination," Momaday writes, "and I sing him an honor song." Here, too, are meditations on mortality, love, and loss, as well as reflections on the incomparable and holy landscape of the Southwest. *The Death of Sitting Bear* evokes the essence of human experience and speaks to us all.

n scott momaday: **Again the Far Morning** N. Scott Momaday, 2011-04-16 Although highly regarded as a writer of fiction, nonfiction, and drama, N. Scott Momaday considers himself primarily a poet. This first book of his poems to be published in over a decade, *Again the Far Morning*

comprises a varied selection of new work along with the best from his four earlier books of poems: *Angle of Geese* (1974), *The Gourd Dancer* (1976), *In the Presence of the Sun* (1992), and *In the Bear's House* (1999). To read Momaday's poems from the last forty years is to understand that his focus on Kiowa traditions and other American Indian myths is further evidence of his spectacular formal accomplishments. His early syllabic verse, his sonnets, and his mastery of iambic pentameter are echoed in more recent work, and prose poetry has been part of his oeuvre from the beginning. The new work includes the elegies and meditations on mortality that we expect from a writer whose career has been as long as Momaday's, but it also includes light verse and sprightly translations of Kiowa songs.
