most painful death ever: #iamholly Mike Massé, 2014-06-03 Freedom from 'Christian slavery' Radical grace, radical love, radical life Mike Massé loved God and lived to reach the lost. He was admired for his commitment to the gospel and his passion for ministry. But for many years he harbored a private sense of unworthiness and inadequacy, striving to be good enough--until a grace conversion liberated him from the chains of expectation and requirement. Only as he came to recognize his true position in Christ did he find the power to love God and others as he desired--from the safe place of total acceptance. Challenging conventional wisdom, traditional thinking, and religious attitudes as he shares his experiences, Massé explains how you can find the same freedom to be who God has always said you are. With honesty, humor, and heart-felt conviction, he celebrates the liberty to be found in the radical truth between legalism and license. Mike Massé has been in ministry for almost 20 years. Part of the pastoral staff at River of Life Christian Fellowship in Tolland, Conn., he also oversees the youth movement, The Rising, with his wife, Becca. They are the parents of Micah, Josiah Talon, and a third on the way.

most painful death ever: Behold... the Man! Charles R. Swindoll, 2004-04-05 The truthful Man . . . falsely accused. The innocent Man . . . illegally tried and wrongly convicted. The gentle Man . . . who suffered punishment few could imagine, much less endure. The murdered Man . . . who forgave His own merciless killers. The divine Man . . . who died as a common criminal. The willing

Man . . . who gave His life for others. The ordinary Man . . . who was, in fact, the extraordinary Son of God. The pathway Jesus took to the cross of Calvary is commonly called the Passion. This sorrowful path weaved through soul-wrenching prayers and illicit deals made in shadowy darkness. It descended into corrupted courts bereft of justice and circled by prejudiced rulers stripped of power. On this pathway of His passion, Jesus paused for a torturous scourging and plodded on doggedly to a horrific death on a hillside called the Skull. But why? In this incredible, historically accurate account, you will come face to face with Jesus-the Man of Sorrows. If you're honest, you'll find the amazing answer to why . . . and you'll change. When you stop long enough to look, to think, to imagine, and to truly Behold the Man, you'll never be the same again. Chuck Swindoll leads us through a detailed examination of the events surrounding Jesus as he follows the winding pathway of his passion to the cross. This story-based investigation of the last week of Jesus's life-from the Last Supper to his death-focuses on Why? And in his Epilogue to this powerful, insightful book, Swindoll clearly explains to the unchurched and non-Christian reader why Jesus was willing to walk this sacrificial path to die-he did it for them. Releasing simultaneously with Mel Gibson's stirring movie *The Passion of The Christ*, Swindoll's book provides Christians an excellent evangelistic follow-up tool to give to their unchurched or non-Christian friends and families who see the film. As Chuck said after a private viewing of the movie, You'll never be the same again. And Behold . . . the Man will help ensure that fact.

most painful death ever: *The Darkness and the Dawn* Charles R. Swindoll, 2006-01-29 Why did it please God that His Son was brutalized? Why does a loving God allow us to hurt so deeply? What made Jesus' death any different from thousands who died just as He did? Darkness covered the earth that day. The sun fled. From noon until three, the darkness of death hovered over the hill where the Son of God was dying. As Christians, we know the story well?the nails in His hands, the thorns on His head, the gambling soldiers, the taunting thieves. Charles Swindoll invites us to return with me to those epochal days when our Lord walked into the awful darkness?which He did not deserve?only to arise into the sunlit dawn of triumph, providing us a victory from which we shall never know defeat. Go with him and you will find that, as only he can, Dr. Swindoll uncovers new meaning in the Cross and the Resurrection for those who face death and darkness today. His fresh perspectives on these core events of faith can help you see beyond the darkness to the new light of dawn.

most painful death ever: The Unshakeable Truth Dr. Steven Catalano, 2019-10-28 The Unshakable Truth is a nondenominational Christian guide to inner peace, based on true biblical facts. A system of cross-referencing is used to quote multiple scriptures to provide the believer with the truth in God's instruction from His written Word. With divine inspiration, I clarify all the confusion to the questions asked: Was Jesus Christ the Son of God? Is there really the Trinity? Is there only one God? As Christians today, are we expected to live under the Ten Commandments or abide in the blood covenant of Jesus Christ crucified? Do Christians of today live by sight or faith? What does it mean to live in faith, love, and blood and fear? Is there really a history and message of the cross, or is it just a shocking holy thing? I have answered these questions and more, through biblical facts and revelation from God. I can tell you that God does have a prescribed order for Christian living today and that God spoke to Jesus and that there is only one God and none like God.
