

peace diet website

peace diet website platforms serve as invaluable resources for individuals seeking to adopt a lifestyle centered on health, sustainability, and ethical eating habits. These websites offer comprehensive information about the Peace Diet philosophy, which emphasizes plant-based nutrition, environmental responsibility, and compassionate living. By exploring various articles, recipes, and research studies, users can gain a deeper understanding of how dietary choices impact personal well-being and global peace efforts. In addition to promoting nutritional guidance, peace diet websites often highlight the interconnectedness between food, social justice, and ecological preservation. This article delves into the key features of peace diet websites, their benefits, and how they support individuals in making informed dietary decisions. The following sections will cover the origins of the Peace Diet, nutritional principles, practical applications, and the broader social and environmental implications.

- The Origins of the Peace Diet
- Nutritional Principles of the Peace Diet
- Features of Peace Diet Websites
- Benefits of Using a Peace Diet Website
- Implementing the Peace Diet in Daily Life
- Social and Environmental Impact

The Origins of the Peace Diet

The Peace Diet concept traces its roots back to early philosophical and ethical discussions about the relationship between humans, animals, and the environment. It was popularized in the 20th century as a holistic approach to diet that advocates nonviolence and compassion toward all living beings. Historically, proponents of the Peace Diet have emphasized vegetarianism or veganism as central components, grounded in the belief that reducing harm to animals promotes peace not only on an individual level but in society at large. The philosophy integrates ideas from pacifism, environmentalism, and health sciences to create a comprehensive framework for ethical eating.

Philosophical Foundations

The Peace Diet is deeply influenced by ethical teachings that prioritize nonviolence, respect for life, and interconnectedness. This dietary approach aligns with principles found in various religious and secular pacifist traditions, advocating that food choices reflect one's commitment to peace. The emphasis is on minimizing suffering and promoting harmony by avoiding foods that contribute to cruelty or environmental degradation.

Historical Development

Over the decades, the Peace Diet has evolved alongside growing awareness of animal rights and environmental sustainability. Early advocates like M.K. Gandhi and later authors and activists expanded the concept to include modern nutritional science and ecological concerns. This historical progression has helped shape contemporary peace diet websites, which combine traditional ethical arguments with up-to-date research and practical advice.

Nutritional Principles of the Peace Diet

The Peace Diet emphasizes whole, plant-based foods that provide balanced nutrition without relying on animal products. It focuses on nutrient-dense vegetables, fruits, grains, legumes, nuts, and seeds to fulfill dietary needs while supporting health and vitality. These nutritional principles are designed to optimize physical well-being and reduce the risk of chronic diseases commonly associated with animal-based diets.

Plant-Based Nutrition

Central to the Peace Diet is the consumption of plant-based foods rich in fiber, vitamins, minerals, and antioxidants. This approach ensures an ample intake of essential nutrients while minimizing saturated fat and cholesterol. Plant-based nutrition is associated with lower incidences of heart disease, diabetes, and certain cancers, making it an evidence-based choice for long-term health.

Balanced Macronutrients

The diet encourages a balance of carbohydrates, proteins, and healthy fats derived from plants. Legumes and grains provide complete protein sources, while nuts and seeds contribute essential fatty acids. This balance supports energy needs and bodily functions without compromising ethical standards.

Supplementation and Considerations

While the Peace Diet is largely plant-based, certain nutrients like vitamin B12 may require supplementation. Peace diet websites often provide guidance on maintaining nutritional adequacy through fortified foods or supplements, ensuring users stay informed about dietary best practices.

Features of Peace Diet Websites

Peace diet websites typically offer a broad range of resources designed to educate, inspire, and support users in adopting and maintaining the Peace Diet lifestyle. These platforms combine scientific information, ethical discussions, practical tools, and community engagement features.

Educational Content

Most peace diet websites provide detailed articles, research summaries, and expert opinions on nutrition, ethics, and sustainability. This content helps users understand the rationale behind the diet and stay updated on related health and environmental topics.

Recipes and Meal Plans

Practical implementation is facilitated through diverse plant-based recipes and customizable meal plans. These resources cater to different tastes, dietary restrictions, and cultural preferences, making the Peace Diet accessible and enjoyable.

Community and Support

Many peace diet websites include forums, social media groups, or newsletters that foster a supportive community atmosphere. This peer support encourages accountability, shares success stories, and provides motivation for ongoing adherence to the diet.

Tools and Resources

Additional features often include shopping guides, nutritional calculators, and tips for dining out or traveling while following the Peace Diet principles. These practical tools enhance user experience and ease the transition to ethical eating.

Benefits of Using a Peace Diet Website

Utilizing a dedicated peace diet website offers numerous advantages for individuals committed to ethical and health-conscious eating. These platforms consolidate information and resources, simplifying the process of dietary change.

- **Comprehensive Guidance:** Access to scientifically backed nutrition and ethical information.
- **Convenience:** Ready-to-use meal plans and recipes tailored to the Peace Diet.
- **Community Support:** Engagement with like-minded individuals for encouragement.
- **Updated Information:** Regular content updates reflecting current research and trends.
- **Practical Tools:** Resources that assist with grocery shopping, cooking, and lifestyle integration.

Implementing the Peace Diet in Daily Life

Adopting the Peace Diet involves intentional changes to shopping habits, meal preparation, and lifestyle choices. Peace diet websites offer step-by-step guidance to facilitate this transition.

Meal Planning and Preparation

Effective meal planning is essential for maintaining a balanced Peace Diet. Websites provide structured plans, grocery lists, and cooking tutorials that simplify meal preparation and ensure nutritional adequacy.

Shopping Strategies

Guidance on selecting sustainable and ethical food products helps users make informed decisions at the grocery store. Emphasis is placed on organic, locally grown, and minimally processed foods to align with Peace Diet values.

Overcoming Common Challenges

Peace diet websites address typical obstacles such as social dining, cravings, and nutrient concerns by offering practical advice and alternative solutions. This support increases adherence and long-term success.

Social and Environmental Impact

The Peace Diet extends beyond individual health, encompassing broader social justice and environmental sustainability goals. Peace diet websites highlight these impacts to encourage conscientious food choices.

Reducing Environmental Footprint

Plant-based diets significantly lower greenhouse gas emissions, water usage, and land consumption compared to animal-based diets. Peace diet websites provide data and strategies to minimize ecological impact through dietary choices.

Promoting Animal Welfare

Ethical considerations center on preventing animal suffering by avoiding products derived from factory farming and exploitation. The Peace Diet advocates compassionate alternatives that respect animal rights.

Advancing Social Justice

Food justice issues such as equitable access to healthy food and fair labor practices are integral to the Peace Diet philosophy. Peace diet websites often discuss these topics to raise awareness and inspire collective action.

Frequently Asked Questions

What is the Peace Diet website about?

The Peace Diet website focuses on promoting a plant-based, ethical diet that supports personal health, animal welfare, and environmental sustainability.

Who founded the Peace Diet website?

The Peace Diet website is inspired by the work of Dr. Catherine Fraser, a nutritionist and animal rights advocate who popularized the concept of the Peace Diet.

Does the Peace Diet website offer recipes?

Yes, the Peace Diet website provides a variety of plant-based recipes that align with the principles of ethical eating and sustainability.

Is the Peace Diet website suitable for beginners?

Absolutely. The Peace Diet website includes resources and guides that help beginners transition to a plant-based, cruelty-free diet.

Can I find nutritional information on the Peace Diet website?

Yes, the website offers detailed nutritional information and advice to ensure a balanced and healthy diet while following Peace Diet principles.

Does the Peace Diet website address environmental concerns?

Yes, the Peace Diet website emphasizes the environmental benefits of adopting a plant-based diet, such as reducing carbon footprint and conserving natural resources.

Are there community features on the Peace Diet website?

Many Peace Diet websites include forums, blogs, or social media links to connect like-minded individuals and support each other in ethical eating habits.

Does the Peace Diet website recommend supplements?

The Peace Diet website may provide guidance on supplements like vitamin B12, which is often recommended for those following a strict plant-based diet.

How can I start following the Peace Diet through the website?

The Peace Diet website typically offers starter guides, meal plans, and tips

to help users gradually adopt a plant-based and ethically conscious diet.

Additional Resources

1. The Peace Diet: Feeding the Body, Healing the Earth

This seminal book explores the profound connection between dietary choices and global peace. It advocates for a plant-based diet as a means to promote personal health, environmental sustainability, and social harmony. The author combines nutritional science with ethical considerations, encouraging readers to embrace compassion through their food habits.

2. Eating for Peace: Nourishing the Body and Soul

This book delves into how mindful eating practices can cultivate inner peace and contribute to a more peaceful world. It offers practical guidance on incorporating whole, plant-based foods into daily meals while emphasizing the spiritual and emotional benefits of conscious consumption. Readers are guided toward a holistic approach to diet and well-being.

3. Compassionate Cuisine: Recipes for a Peaceful Planet

Focusing on delicious, cruelty-free recipes, this cookbook supports the philosophy of the peace diet by promoting plant-based meals that reduce harm to animals and the environment. Each recipe is accompanied by insights into the ethical and ecological impact of food choices, inspiring readers to make compassionate decisions in the kitchen.

4. Seeds of Peace: Growing a Sustainable Diet

This book highlights the importance of sustainable agriculture and locally sourced plant foods as foundations for a peace-promoting diet. It combines gardening tips, seasonal recipes, and discussions on food justice to empower readers to take part in creating a fairer and healthier food system.

5. Peace Through Plant Power: A Guide to Vegan Living

A comprehensive guide to adopting and thriving on a vegan diet, this book connects the dots between animal welfare, environmental health, and global peace. It addresses common concerns and misperceptions about veganism, providing nutrition advice, meal plans, and motivational stories to support lifestyle change.

6. Mindful Eating for a Peaceful Mind and Planet

This book integrates mindfulness techniques with dietary choices to foster calm, clarity, and compassion. It encourages readers to slow down, savor their food, and make conscious decisions that benefit both personal health and the world at large. Practical exercises and reflections help deepen the reader's connection to their meals.

7. Harmony on Your Plate: The Ethics of Peaceful Eating

Exploring the ethical dimensions of food, this book challenges readers to consider the broader impact of their dietary habits. It discusses issues such as animal rights, environmental degradation, and social inequities, making a compelling case for a diet rooted in peace and justice.

8. The Peaceful Palate: Balancing Nutrition and Nonviolence

This book offers a balanced approach to nutrition that aligns with principles of nonviolence and respect for all living beings. It provides science-based information on plant-based nutrition and practical tips for integrating peaceful eating habits into busy lifestyles.

9. From Conflict to Cuisine: How Food Can Foster Peace

Examining the role of food in cultural exchange and conflict resolution, this book illustrates how shared meals and culinary traditions can bridge divides. It presents stories and strategies for using food as a tool for building understanding, cooperation, and peace in diverse communities.

peace diet website: The World Peace Diet Will Tuttle, 2007 Incorporating systems theory, teachings from mythology and religions, and the human sciences, The World Peace Diet presents the outlines of a more empowering understanding of our world, based on a comprehension of the far-reaching implications of our food choices and the worldview those choices reflect and mandate. The author offers a set of universal principles for all people of conscience, from any religious tradition, that they can follow to reconnect with what we are eating, what was required to get it on our plate, and what happens after it leaves our plates.

peace diet website: Peace Diet Terry Shintani, 2014 Reverse disease, aging and obesity by eating for peace of body, mind, and spirit. According to the Peace Plate. Thousands have lost weight effortlessly while eating more food because their body is a Peace. Others have found a surprising peace of mind. Still others have found that many of their medications become unnecessary by following this scientifically based program along with its 8 enhancements of optimizing physical, mental, emotional and spiritual aspects of health. Along with optimizing exposure to earth, air, fire and water. This book is written by award-winning Harvard-trained nutritionist and physician Dr. Terry Shintani with Foreword by world-reknowned Dr. T. Colin Campbell, author of the China Study.

peace diet website: Vegan Paradise; A New Worldview To Save Our Bodies, Minds, and Souls--and Life on Earth Shakti Marquis, 2010-08-07 In this compelling book, C. Shakti Marquis explores not only the latest health research about animal products, but also looks at the latest ethical, environmental, psychological and ecospiritual reasons people are choosing veganism. She relates the philosophical shift in our dietary choices to the larger paradigm shift necessarily underway in our society to deal with the current ethical, economic, psychospiritual and health crises. Psychologically we were designed to want to live in harmony with, and care for, animals (here termed faunaphilia). She shows how our minds, our bodies and our natural food system were logically and beautifully designed to work together to create a lifestyle in which plants, animals, and people live harmoniously. The book discusses this new philosophy, which she terms the Vegan Paradise Paradigm. It also includes questions and activities, vegan deep ecology exercises, starter recipes and information on converting to the vegan lifestyle.

peace diet website: The Sustainability Secret Kip Andersen, Keegan Kuhn, 2016-07-12 This companion to the documentary Cowspiracy explores the devastating environmental impacts of animal agriculture—and new paths to sustainability. The 2014 documentary Cowspiracy presented alarming truths about the effects of animal agriculture on the planet. One of the leading causes of deforestation, greenhouse gas production, water use, species extinction, ocean dead-zones, and a host of other ills, animal agriculture is a major threat to the future of all species, and one of the environmental industry's best-kept secrets. The Sustainability Secret expands upon Cowspiracy in every way. In this updated volume, the film's co-creators reveal shocking new facts and interview

the leaders of businesses, environmental organizations, and political groups about the disastrous effects of animal agriculture. Extended transcripts, updated statistics, tips on becoming vegan, and comprehensive reading lists provide an in-depth overview of this planetary crisis and demonstrate effective ways to offset the damage.

peace diet website: What the Health Kip Andersen, Keegan Kuhn, Eunice Wong, 2018-12-18 The definitive, stand-alone companion book to the acclaimed documentary—now with 50 plant-based recipes and full-color photos to help you start changing your health for the better There's something terribly broken in our industrial food, medical, and pharmaceutical systems. What's going wrong? Can we really avoid the leading causes of death just by changing our diet? Kip Andersen and Keegan Kuhn, creators of the revolutionary What the Health and the award-winning Cowspiracy documentaries, take readers on a science-based tour of the hazards posed by consuming animal products—and what happens when we stop. What the Health will guide you on an adventure through this maze of misinformation with the same fresh, engaging approach that made the documentary so popular. Journey with Andersen and Kuhn as they crisscross the country, talking to doctors, dietitians, public health advocates, whistle-blowers, and world-class athletes, to uncover the truth behind the food we eat. With the help of writer Eunice Wong, they empower eaters with knowledge about the lethal entwining of the food, medical, and pharmaceutical industries, and about the corporate web that confuses the public and keeps Americans chronically—and profitably—ill. Plus, discover 50 recipes to help you reclaim your life and health, including: Creamy Mac PB&J Smoothie Winter Lentil and Pomegranate Salad Mom's Ultimate Vegan Chili Black Bean Fudgy Brownies Baked Apple Crumble with Coconut Cream If the film was a peephole, then the book knocks down the whole door, featuring expanded interviews, extensive research, and new personal narratives. There's a health revolution brewing. What the Health is your invitation to join.

peace diet website: Peep Show for Children Only Dave Warwak, 2008-05-07 Peep Show For Children Only exposes real life behind the scenes dramas documenting the struggle to maintain the status quo. The author, Dave Warwak chronicles his trials and pursuits to teach humane education to his middle school art students against his principal's orders. Complete with actual documentation of State of Illinois courtroom proceedings, Warwak presents compelling arguments about the human condition as he draws open the curtain hiding society's ills. Just as Scopes changed the landscape of education with his Monkey Trials some 80 years ago, Warwak has come forward in present day with striking revelations about our current failing educational system and offers clear no-nonsense solutions that chill one to the bone. Foreword by Dr T Colin Campbell PhD & Dr Will Tuttle PhD <http://peepshowforchildrenonly.com>

peace diet website: Mistress Ginger Cooks! Mistress Ginger, 2014-07-07 This is not the typical culinary compilation! Foodies of every persuasion will be enticed by Mistress Ginger and her follies in the kitchen. Here is a saucy showgirl who knows that anyone can make and enjoy fabulous vegan food whether it's a longtime vegan who wears a bunch of kale as a badge of honor or a self-described carnivore who doesn't know a radish from a rutabaga. Filled with practical tips for eating better amid a hustle-and-bustle life with recipes that will please anyone, Mistress Ginger Cooks! presents a veritable plant-based paradise for busy people who want to be healthier. Guided by the irrepressible and irresistible Mistress Ginger, readers will learn simple, everyday dishes bursting with flavor as well as a few more elaborate recipes for extra-special occasions. From tips on planning balanced meals to putting together knock-out themed menus, the kitchen has never been so much fun. Par-tay Pate, French Kissed Toast, Blueberry Stud Muffins, Bodacious Tortelloni, Flaming Stir-Fry, and Titillating Tapenade are a few of the recipes Ginger whips up. Best of all, the book features her bawdy, good-natured humor, as well as gorgeous color photos of the Mistress herself, throughout.

peace diet website: The Loving Diet Jessica Flanigan, 2016-11-15 In The Loving Diet, Jessica has taken a topic that is typically handled in very clinical way, and has treated it with care and compassion. The way we think, feel, and believe our lives to be is so often at the core of what it becomes. Of course healing from autoimmune disease is a multi-faceted approach, with nutrition and

lifestyle as key factors, but Jessica takes it further. In this book, you'll learn that finding peace with your situation and loving what is are pivotal elements to that healing--Back cover.

peace diet website: Advocates for Animals Lori B. Girshick, 2017-09-15 With over 65 percent of households having a pet, and Americans spending over \$60 billion on them each year, it's a proven statistic that Americans love animals. Public opinions consistently show we favor compassion for all animals. Animal welfare, rights, and protection is one of the most popular issue areas to which individual donors give, and is an area in which people working with rescue and nonprofit organizations are extremely passionate. In *Advocates for Animals*, Lori Girshick not only provides a better understanding of the laws surrounding animal rights but looks at the nonprofit organizations and people who are making a huge difference in today's growing animal protection community. These volunteers and organizations fill the gap in what laws, policies, practices, and services do not address for animal rights/protection. Through the personal reflections of 204 individuals who volunteer or work with animals in a wide range of circumstances we learn about their paths to involvement, what they do, what they hope to achieve, and how this has impacted their lives. Many experts speak of the importance of protecting the rights of animals, and without human support, many animals face abuse, neglect, and suffering. *Advocates for Animals* invites you to join these efforts, enriching your own lives and living compassion in action toward animals.

peace diet website: Peace Through Entrepreneurship Steven R. Koltai, 2016-08-30 Joblessness is the root cause of the global unrest threatening American security. Fostering entrepreneurship is the remedy. The combined weight of American diplomacy and military power cannot end unrest and extremism in the Middle East and other troubled regions of the world, Steven Koltai argues. Koltai says an alternative approach would work: investing in entrepreneurship and reaping the benefits of the jobs created through entrepreneurial startups. From 9/11 and the Arab Spring to the self-proclaimed Islamic caliphate, instability and terror breed where young people cannot find jobs. Koltai marshals evidence to show that joblessness—not religious or cultural conflict—is the root cause of the unrest that vexes American foreign policy and threatens international security. Drawing on Koltai's stint as senior adviser for Entrepreneurship in Secretary Hillary Clinton's State Department, and his thirty-year career as a successful entrepreneur and business executive, *Peace through Entrepreneurship* argues for the significant elevation of entrepreneurship in the service of foreign policy; not rural microfinance or mercantile trading but the scalable stuff of Silicon Valley and Sam Walton, generating the vast majority of new jobs in economies large and small. *Peace through Entrepreneurship* offers a nonmilitary, long-term solution at a time of disillusionment with Washington's "big development" approach to unstable and underdeveloped parts of the world—and when the new normal is fear of terrorist attacks against Western targets, beheadings in Syria, and jihad. Extremism will not be resolved by a war on terror. The answer, Koltai shows, is stimulating entrepreneurial economic opportunities for the virtually limitless supply of desperate, unemployed young men and women leading lives of endless economic frustration.

peace diet website: The Lucky Ones Jenny Brown, 2012-08-02 Jonathan Safran Foer meets Jeffrey Moussaieff Mason in a poignant, provocative memoir of survival, compassion, and awakening to the reality of our food system. Jenny Brown was just ten years old when she lost a leg to bone cancer. Throughout the ordeal, her constant companion was a cat named Boogie. Years later, she would make the connection between her feline friend and the farm animals she ate, acknowledging that most of America's domesticated animals live on industrialized farms, and are viewed as mere production units. Raised in a conservative Southern Baptist family in Kentucky, Brown had been taught to avoid asking questions. But she found her calling and the courage to speak out. She left a flourishing career as a film and television producer after going undercover and exposing horrific animal abuse in Texas stockyards. Bringing to life this exhilarating transformation, *The Lucky Ones* introduces readers to Brown's crowning achievement, the renowned Woodstock Farm Animal Sanctuary she established with her husband in 2004. With a cast of unforgettable survivors, including a fugitive slaughterhouse cow named Kayli; Albie, the three-legged goat; and Quincy, an Easter duckling found abandoned in New York City, *The Lucky Ones* reveals shocking statistics

about the prevalence of animal abuse throughout America's agribusinesses. Blending wry humor with unflinching honesty, Brown brings a compelling new voice to the healthy-living movement—and to the vulnerable, voiceless creatures among us.

peace diet website: The Vegan Transformation Angela L. Crawford, PhD, 2025-04-22 Many of us long to create healing and transformation in our lives—to thrive in mind, body, and spirit. We desire vibrant health and vitality that allows us to engage in life fully. And we seek meaning and connection in a world that feels increasingly disconnected. Through revealing surveys and interviews with vegans, psychologist Dr. Angela L. Crawford discovered seven core transformations that create richer, more meaningful lives. Wherever you are on your own journey—whether you are curious about the benefits of eating more plants or are already vegan and want to experience greater impact and joy—The Vegan Transformation is an invaluable roadmap. From research findings that illuminate the path to wellbeing, to inspiring stories of transformation, to exercises and meditations that support your journey, this book is a faithful companion in forging your own compassionate, healthy, and purposeful life.

peace diet website: The Lifelong Activist Hillary Rettig, 2006 Part I Managing Your Mission 1 --Part II Managing Your Time 69 --Part III Managing Your Fears 133 --Part IV Managing Your Relationship with Self 235 --Part V Managing Your Relationship with Others 263.

peace diet website: Healing the Vegan Way Mark Reinfeld, 2016-07-12 According to increasing evidence, plant-based diets are better for the health of both people and the planet, leading to a dietary revolution. But with all the conflicting nutritional theories out there, how do you decide which foods are truly best for you? With contributions from leading medical professionals like Dr. Michael Klaper, Dr. Michael Greger, and Dr. Joel Kahn, Healing the Vegan Way demonstrates a Clear and Simple path through the latest medical research on different approaches. With practical tips for plant-based living, 200 simple whole-food recipes, health-supportive cleanses, menu plans, and more, Healing the Vegan Way helps you maximize benefits for both body and mind.

peace diet website: Parents Ask, Experts Answer Tina Nocera, 2014-09-01 Parents often assume that other parents have it all figured out, that other parents have all the answers. But, all parents face complex problems that cannot be solved with a one-size-fits all answer. Tina Nocera, founder of Parental Wisdom and author of Parents Ask, Experts Answer, believes that a parent knows his own child best and is the expert on that child. In Parents Ask, Experts Answer, Nocera brings together a panel of thirty-five child-development experts to offer advice on some of the most challenging issues that parents face. By presenting multiple solutions to each issue, parents are empowered to choose a realistic solution that is right for their family.

peace diet website: Vegan Bite by Bite ,

peace diet website: The Peace Approach Alok Tripathi, 2023-06-06 We all want happiness in life. However, true happiness is hard to find and seems to be elusive. The happiness we get is fragile, temporary, stimuli-driven, and fully dependent on externalities. It vanishes as soon as the external stimuli vanish. But our soul yearns for happiness that is lasting and profound. Ancient wisdom suggests that happiness is indeed a superficial virtue. Numerous scriptures, philosophers, saints, and thought leaders have pointed out that there exists an enduring form of happiness. This form is inner peace. Peace is the happiness of the soul. Our soul seeks peace. It can blossom, glow, and remain happy only if there is peace within. This book in your hands today is the culmination of ten years of contemplation, experimentation, and research on peace and happiness. It encompasses experiences from the author's own life journey and the journey of many others. There are thirty-one practices given in this book to bring lasting peace and happiness. They are called 'The Peace Approaches'. If you adopt some of these Peace Approaches, no matter how distressing the external environment is, or howsoever anxious you feel within, you will be able to feel inner calm and happiness that is profound and enduring.

peace diet website: Chiropractic Peace William P. McDonald, 2009-09-04 Chiropractic Peace marks the beginning of the end for infighting between mixers (broad-scope) and straights (focused-scope). The three refreshing essays by Drs. Reed Phillips, Ashley Cleveland, and Gerry

Clum introduce chiropractic leaders, students, faculty and practitioners to a new, less contentious, dialogue on the political, sociological, philosophical and historical issues of our profession. After years of polemical argumentation, reading Chiropractic Peace is like getting a new pair of glasses or a much-needed spinal adjustment. Uplifting relief! Instead of seeking peace by trying to hammer out compromises, which many do not find successful in the end, the three writers utilize the concept of pluralism to construct a big tent which will accommodate all ethical chiropractors who adhere to basic chiropractic principles. The three contributors bring a much-needed respectful tone to the discourse. And in an important turn for the profession, each writer acknowledges that all of the camps focused-scope, middle-scope, and broad-scope are committed to ethical and skillful practice.

peace diet website: Animals Are Us Victoria Thompson, 2023-02-03 'This book will save lives—human and animals.' Victoria Thompson is a passionate advocate for the protection of animals from great harm. She movingly describes our appalling failures in this regard and praises those who press for the enlightened awareness and humane treatment of animals. She believes profoundly that we must not continue to think of animals as just resources to exploit—for animals too have a right to live naturally. And she gives us solutions for a kinder world. 'Victoria's book is a real ground-breaker and may well become the new bible for those seeking to save our fellow species from immense suffering and even extinction.' Irina Dunn
