In this booklet taken from Life-study of Luke, Witness Lee considers Luke 8:1-21. "In 8:1-21 three matters are covered: the Man-Savior being ministered to by women (vv. 1-3), the Man-Savior teaching with parables (vv. 4-18), and the Man-Savior identifying His real relatives

(vv. 19-21). If we consider 7:36—8:21 as a unit, we shall see that as those who have had their sins forgiven, we should follow the Lord, minister to Him, grow in life, and shine as lamps. Eventually, as such ones, we become the genuine relatives of the Man-Savior.”

parable of the sower audiobook: Sanctified and Consecrated for Spiritual Ministry

Zacharias Tanee Fomum, 2015-12-30 God has done everything He had to do for the sanctification of the believer. In this book, Professor Fomum, delves into the believer's responsibility to do what he must do in order to practically experience sanctification. It is up to the believer to take all necessary steps to make evident the new quality of life that God is showing him. Sanctified and Consecrated for Spiritual Ministry shows you step by step how to place at the disposal of the Lord a pure and available vessel (that is, yourself), which he can use in His service, at His discretion, anywhere, anytime and for any purpose. If you are not sanctified, you don't have the kind of quality vessel that God needs to be consecrated to Him. If you are sanctified, but are not consecrated, God can't use you for astounding and outstanding spiritual ministry. The content of this book is therefore fundamental for all those who are called to a narrow walk with God and to spiritual ministry for Him. This book, if strictly applied, will make you an effective and useful minister in the hands of the Lord.
