

rebirth spiritual

rebirth spiritual is a profound concept found in many religious, philosophical, and metaphysical traditions around the world. It refers to the process of renewal, transformation, or awakening that transcends physical existence, often symbolizing a new beginning for the soul or consciousness. This spiritual rebirth can imply reincarnation, enlightenment, or a deep inner change that leads to personal growth and liberation.

Understanding rebirth spiritual involves exploring its interpretations across various cultures, its significance in spiritual practice, and how it can impact an individual's life and worldview. This article delves into the multifaceted nature of spiritual rebirth, examining its roots, manifestations, and practical applications in contemporary spirituality. The following sections will provide a comprehensive overview, helping readers grasp the essence and relevance of rebirth spiritual in both historical and modern contexts.

- Understanding the Concept of Rebirth Spiritual
- Rebirth Spiritual in Major World Religions
- The Process and Symbolism of Spiritual Rebirth
- Practical Implications of Experiencing Spiritual Rebirth
- Spiritual Rebirth and Personal Transformation

Understanding the Concept of Rebirth Spiritual

The idea of rebirth spiritual centers on the notion that the self or soul undergoes a renewal or a fresh start beyond physical life. It is often associated with cycles of life, death, and new life, suggesting that spiritual growth is a continuous process. This concept is not limited to literal reincarnation but can also represent a metaphorical awakening or profound inner change. In many traditions, rebirth spiritual is connected to the shedding of old habits, beliefs, or attachments that no longer serve an individual's higher purpose.

Philosophical Foundations of Spiritual Rebirth

Philosophically, rebirth spiritual challenges the idea of a static identity by proposing that the essence of a person evolves through different states or lives. This evolution is driven by karmic laws or spiritual lessons that guide the soul toward greater wisdom and purity. The cyclical nature of existence implied in rebirth encourages individuals to view life as a journey of continuous improvement rather than a singular, finite experience.

Psychological Perspectives on Rebirth

From a psychological standpoint, spiritual rebirth can be understood as a process of deep personal transformation. It may involve overcoming trauma, breaking free from limiting beliefs, or adopting a new worldview that aligns with one's authentic self. This inner rebirth fosters resilience, greater self-awareness, and emotional healing, contributing to overall well-being.

Rebirth Spiritual in Major World Religions

Rebirth spiritual is a foundational element in many religious systems, each interpreting and expressing the concept according to its doctrines and cultural context. Understanding these perspectives highlights the diversity and commonality of spiritual rebirth across humanity.

Hinduism and Reincarnation

In Hinduism, rebirth spiritual is central to the doctrine of samsara, the cycle of birth, death, and rebirth. The soul (atman) is eternal and migrates from one body to another based on karma accumulated in past lives. Liberation (moksha) is the ultimate goal, representing freedom from this cycle and union with the divine.

Buddhism and the Cycle of Rebirth

Buddhism also embraces the concept of rebirth spiritual but emphasizes the impermanence of the self (anatta). Rebirth is conditioned by karma, and the cycle continues until one attains enlightenment (nirvana), ending suffering and the cycle of existence. This perspective focuses on mindfulness and ethical living as means to spiritual awakening.

Christianity and Spiritual Rebirth

While Christianity does not teach reincarnation, it strongly emphasizes spiritual rebirth through the concept of being "born again." This rebirth spiritual refers to a transformative experience of accepting faith, leading to a renewed relationship with God and a changed life characterized by grace and redemption.

Other Religious Traditions

Various indigenous and mystical traditions also embrace forms of spiritual rebirth. For instance, certain Native American beliefs include rites of passage that symbolize death and rebirth, facilitating connection with spiritual realms. Similarly, Sufi mysticism often describes spiritual rebirth as a process of purification

and union with the divine essence.

The Process and Symbolism of Spiritual Rebirth

Spiritual rebirth is often depicted through symbols, rituals, and metaphors that illustrate transformation and renewal. Understanding these symbolic elements can deepen the appreciation of what rebirth spiritual entails and how it manifests in personal and communal contexts.

Common Symbols of Rebirth Spiritual

Symbols such as the phoenix rising from ashes, the lotus flower emerging from muddy waters, and the butterfly metamorphosis are widely used to represent rebirth spiritual. These images convey themes of renewal, purity, and transcendence beyond previous limitations or hardships.

Rituals Associated with Spiritual Rebirth

Many spiritual traditions incorporate specific rituals to mark or facilitate rebirth spiritual. Baptism in Christianity symbolizes cleansing and new life, while meditation and chanting in Eastern traditions aim to awaken the inner self and initiate spiritual renewal. These practices serve as external expressions of internal transformation.

Stages of Spiritual Rebirth

The process of spiritual rebirth often follows identifiable stages, which may include:

- Awareness of the need for change or awakening
- Detachment from old patterns or beliefs
- Inner struggle or purification
- Emergence of new spiritual insight or identity
- Integration of transformation into daily life

Practical Implications of Experiencing Spiritual Rebirth

Experiencing rebirth spiritual can have profound effects on an individual's lifestyle, values, and relationships. It often leads to a reevaluation of priorities and a commitment to personal and spiritual growth.

Changes in Perspective and Behavior

Following spiritual rebirth, individuals frequently report greater compassion, forgiveness, and a sense of purpose. This shift can result in healthier relationships, ethical living, and increased service to others. The renewed perspective encourages alignment with universal principles and a focus on meaningful goals.

Impact on Mental and Emotional Health

Spiritual rebirth can foster resilience against stress and adversity by providing a deeper sense of connection and hope. It often alleviates feelings of emptiness or despair, replacing them with peace and clarity. Such transformations contribute positively to mental and emotional well-being.

Challenges and Integration

While spiritual rebirth is enriching, it may also present challenges, such as social alienation or internal conflict. Integrating new spiritual insights into everyday life requires patience, support, and ongoing practice. Awareness of these challenges helps individuals navigate their spiritual journey effectively.

Spiritual Rebirth and Personal Transformation

Rebirth spiritual is intrinsically linked to the broader concept of personal transformation. It signifies not just a change in belief but a fundamental shift in identity and consciousness, opening pathways to higher awareness and fulfillment.

The Role of Spiritual Practices

Practices such as meditation, prayer, mindfulness, and contemplation are instrumental in facilitating spiritual rebirth. These activities help individuals connect with their inner self, cultivate awareness, and sustain the transformative process over time.

Integration into Daily Life

Personal transformation through spiritual rebirth is most effective when integrated into everyday actions and decisions. This integration promotes authenticity, balance, and harmony, influencing all aspects of life including work, relationships, and community involvement.

Long-Term Benefits of Spiritual Rebirth

The long-term benefits of rebirth spiritual include enhanced spiritual maturity, continuous growth, and a profound sense of inner peace. Individuals who embrace this transformation often serve as sources of inspiration and guidance within their communities, embodying the principles of renewal and awakening.

Frequently Asked Questions

What does 'rebirth' mean in a spiritual context?

In a spiritual context, rebirth refers to the process of being born again or experiencing a profound transformation of the soul, often involving renewal, awakening, or enlightenment.

How is spiritual rebirth different from physical rebirth?

Spiritual rebirth is an inner transformation of the mind, spirit, or soul, often related to awakening or renewal, whereas physical rebirth refers to being born again in a biological sense.

Which religions or spiritual traditions emphasize the concept of rebirth?

Religions such as Hinduism, Buddhism, and certain New Age spiritual practices emphasize rebirth, often linked to karma, reincarnation, and spiritual progression.

Can spiritual rebirth happen spontaneously or is it a gradual process?

Spiritual rebirth can occur both spontaneously, as a sudden awakening or realization, or gradually through ongoing spiritual practice, self-reflection, and personal growth.

What are common signs or experiences indicating spiritual rebirth?

Common signs include a deep sense of inner peace, clarity, detachment from past negative patterns, increased compassion, and a feeling of connection to a higher purpose or consciousness.

How can one facilitate or encourage spiritual rebirth?

Practices such as meditation, prayer, mindfulness, self-inquiry, and engaging with spiritual teachings can facilitate spiritual rebirth by fostering inner awareness and transformation.

Is spiritual rebirth related to the concept of enlightenment?

Yes, spiritual rebirth is often considered a step toward enlightenment, representing a profound inner change that aligns an individual closer to spiritual truth and ultimate realization.

Additional Resources

1. *The Power of Now: A Guide to Spiritual Enlightenment*

This transformative book by Eckhart Tolle explores the concept of living fully in the present moment. It guides readers through the process of shedding past identities and embracing spiritual rebirth through mindfulness and presence. The text emphasizes awakening from ego-driven consciousness to achieve inner peace and enlightenment.

2. *Autobiography of a Yogi*

Paramahansa Yogananda's spiritual classic chronicles his journey from childhood to spiritual realization and rebirth. Through vivid storytelling, the book introduces readers to the teachings of yoga, meditation, and the soul's eternal nature. It serves as an inspirational roadmap for those seeking spiritual awakening and renewal.

3. *Journey of Souls: Case Studies of Life Between Lives*

In this compelling work, Dr. Michael Newton presents detailed case studies from his hypnotherapy practice that reveal the soul's journey after death and before rebirth. The book offers profound insights into the spiritual dimensions of existence, emphasizing the soul's growth and transformation across lifetimes.

4. *Waking Up: A Guide to Spirituality Without Religion*

Sam Harris explores the nature of consciousness and spiritual awakening from a secular perspective. This book invites readers to experience rebirth through mindfulness and meditation, free from traditional religious frameworks. It encourages a direct encounter with reality that leads to profound inner transformation.

5. *The Untethered Soul: The Journey Beyond Yourself*

Michael A. Singer's bestseller delves into the process of freeing oneself from habitual thoughts and emotions that limit spiritual growth. It guides readers toward a form of spiritual rebirth by opening the heart and mind to the limitless nature of consciousness. The book is a practical manual for achieving lasting inner freedom.

6. *Rebirthing in the New Age*

This book examines the practice of rebirthing breathwork as a tool for healing and spiritual renewal. It explains how conscious breathing techniques can release emotional blockages and facilitate a profound rebirth experience. The text blends practical guidance with spiritual philosophy to support personal transformation.

7. *Siddhartha*

Hermann Hesse's classic novel tells the story of Siddhartha, a man's quest for enlightenment and spiritual rebirth. Through his trials and experiences, Siddhartha discovers the unity of life and the path to inner peace. The book beautifully captures the essence of spiritual transformation and self-discovery.

8. *Many Lives, Many Masters*

Dr. Brian Weiss recounts his encounters with a patient who, under hypnosis, recalls past lives and spiritual lessons. The book reveals the soul's journey through multiple incarnations and the healing power of understanding one's spiritual history. It offers hope for rebirth and growth beyond physical existence.

9. *The Book of Awakening: Having the Life You Want by Being Present to the Life You Have*

Mark Nepo's daily reflections encourage readers to embrace each moment as an opportunity for spiritual rebirth. The book blends poetry, philosophy, and practical wisdom to inspire a deeper connection with life. It is a gentle guide to awakening the spirit and living with renewed purpose.

rebirth spiritual: SPIRITUAL GROWTH Dr. K P Sam, 2021-01-01 The book, Spiritual Growth - Inevitable Truths, brings to light the fact that true spirituality is to accept and follow the biblical insights of spirituality. It reveals the basic principle of God's Word that in order to experience God's presence, one must uphold moral values. It also includes the call to form a counter culture to Spiritual growth which is identifying daily with the character of Christ that is in line with God's expectation based on God's Word. The 12 chapters of this book portrays the beautification of spirituality to discipleship and a holistic view of man's ultimate goal i.e. eternity.

rebirth spiritual: The 'Spiritual Death' of Jesus William Atkinson, 2009-03-16 The teaching of Kenyon, Hagin and Copeland that Jesus 'died spiritually' (JDS) is important because of the influence of these men, not least on Pentecostalism. This title states that adoption of JDS by Pentecostalism would be damaging in several respects, and thus draw the latter away from its moorings in traditional Christianity.

rebirth spiritual: Renewal Theology John Rodman Williams, 1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, Renewal Theology represents the first exhaustive, balanced articulation of charismatic theology. Renewal Theology discusses: Book One--God, the World, and Redemption -

Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: - an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.

rebirth spiritual: The 'Ism' Dilemma George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving themselves spiritually, and by improving the quality of their relationships with others

rebirth spiritual: Spiritual Care in Nursing Practice Kristen L. Mauk, Nola A. Schmidt, 2004 Focusing on spirituality as an inherent component of effective nursing care, this text presents an unbiased view of the nature of human spirituality apart from religion. The text offers a unique interdisciplinary and inter-religious perspective—representing a range of Eastern and Western religious traditions—while addressing lifespan considerations and belief systems within the nursing process framework. Readable, interactive chapters apply the content clinically and highlight timely research on spirituality and health. Each chapter includes case studies, critical thinking questions, and personal reflection questions. Website references are also included.

rebirth spiritual: The ABC's of CREATIVITY, TALENT, and SPIRITUALITY Natalie F. Vishnyakova, 2011-08-30 TALENT, and SPIRITUALITY. Practical Psychology of Children's Potential Self-development" by Natalie F. Vishnyakova Associate Professor of Psychology, The Doctor of the Psychological science. Practical Psychology of Children's Potential SelfdevelopmentBook Brings Creative and Fun Description to Self-Help Potential, Practical Psychological of Children and Youyh Potential Self-development. "The ABC's of CREATIVITY, TALENT, and SPIRITUALITY" is a helpful Psychology manual that allows its readers to test their levels of activities and discover their full potential as creative, intellectual, social and spiritual beings. With useful suggestions on how to evaluate the reader's personality traits, author Natalie F. Vishnyakova's work is the epitome of equipping the Children and average man with self-empowering advice and words of encouragement.

rebirth spiritual: The Spirituality of the Holy Grail Peter L. Fritsch, 2022-02-25 The Spirituality of the Holy Grail utilizes the mythology of the search for the Holy Grail as an outline for talking about the nature of the human soul, how it functions, how it is wounded, how it can heal. Peter L. Fritsch shows the reader how to recognize evil, and deal with its reality, without succumbing to non-Christian duality, or simplistic black and white thinking.

rebirth spiritual: *Why Evil Rules—If God Is...* Anslie H. Abraham, 2011-04-13 In this book, I have consciously deliberated on the predominant question of the problem of evil and, with the help of the World Scriptures and with sound reasoning I have tried to solve this age old mystery. We are in the New Millennium. Currently, many great social transformations are taking place in our world. Most likely, these changes will help us find the true path for self-realization leading us all back to God. Therefore, I am sure this book would be of tremendous value to readers. Generally, process of

regeneration is slow, it may last the whole millennium, nevertheless, it is imminent. The fact that the above said kingdom of God or “peace on earth” is the most desired objective of history, is the evidence of its being, not only non-mythical, but a realistic aspiration of God and man. Jesus, in the above Bible verse prompts us to recognize the seasons of our age.

rebirth spiritual: Don't Call It a Comeback (Foreword by D. A. Carson) Kevin DeYoung, 2011-01-06 Recent cultural interest in evangelicalism has led to considerable confusion about what the term actually means. Many young Christians are tempted to discard the label altogether. But evangelicalism is not merely a political movement in decline or a sociological phenomenon on the rise, as it has sometimes been portrayed. It is, in fact, a helpful theological profile that manifests itself in beliefs, ethics, and church life. DeYoung and other key twenty- and thirty-something evangelical Christian leaders present *Don't Call It a Comeback: The Same Evangelical Faith for a New Day* to assert the stability, relevance, and necessity of Christian orthodoxy today. This book introduces young, new, and under-disciplined Christians to the most essential and basic issues of faith in general and of evangelicalism in particular. Kevin DeYoung and contributors like Russell Moore, Darrin Patrick, Justin Taylor, Thabiti Anyabwile, and Tim Challies examine what evangelical Christianity is and does within the broad categories of history, theology, and practice. They demonstrate that evangelicalism is still biblically and historically rooted and remains the same framework for faith that we need today.

rebirth spiritual: The Man and Woman Manifesto Christopher Alan Anderson, 2017-05-04 In *The Man and Woman Manifesto: What We Believe!*, the author gives an accounting of what this paradigm shift into man and woman balance is about, both individually and for the world at large. We are at a turning point in the conscious evolution of mankind on planet earth. We all feel the change, and turbulence, although we are not sure of which way to turn. We are being offered an empty sexual progressivism through L,G,B,T,Q, as well as an existential threat in Islamic radicalism. In the meantime, our own Constitutional system of governance with its Christian roots seems to comprise a history--what is the way forward? These are not easy questions. This is not an easy book. But if you can capture its essence your life will forevermore have purpose. This writing will forevermore change your life as well as the world at large. Keywords: Metaphysics, Spiritual, Sexual, Love, Man, Woman, Balance, Freedom, Life, Eternal

rebirth spiritual: Evangelism That Decolonizes the Soul Abel Tendekayi Muzorewa, 2005-12-01

rebirth spiritual: Full Preterism--Ignored but Fulfilled William John Rankine Taylor, 2025-05-22 What if the end of the world isn't in our future—but in our past? In this provocative exploration of eschatology, *Full Preterism—Ignored but Fulfilled* challenges conventional interpretations of prophecy and invites readers to consider a groundbreaking perspective: that the events foretold in Scripture, including the second coming of Christ, have already been fulfilled. Divided into three compelling sections, the book journeys through the historical and theological roots of full preterism, provides fresh interpretations of key prophecies, and explores the profound implications for living in a post-apocalyptic age. More than a theological argument, this book is a call to reimagine faith in the light of fulfilled prophecy. How does life change when people stop waiting for an apocalypse and embrace the here and now as the age of God's completed promises? Whether the reader is a curious seeker, a devoted believer, or a skeptic of traditional eschatology, *Full Preterism—Ignored but Fulfilled* offers a fresh lens through which to view the Bible, history, and the ultimate trajectory of humanity. Prepare to see the past—and the present—like never before.

rebirth spiritual: The Holy Spirit and the Renewal of All Things T David Beck, 2010-03-25 This book sets out to change the starting point for theological conversation about the work of the Holy Spirit. Protestant theologians have associated the Spirit's work almost entirely with believers and/or the church. The Spirit's role is to apply Christ's atoning work to God's people. In contrast, early Christian reflection saw the Spirit's main role as bringing about the eschatological rule of God, which reaches beyond individuals or even the church and extends to all creation. This volume explores the shape pneumatology takes when we develop the theology of the Holy Spirit within an eschatological framework that has a universal scope and an unlimited history. When we do so, we

find that pneumatology deriving from questions about what the Spirit does for us needs to give way to pneumatology that derives from questions about how the Spirit can draw us into the saving history of the triune God.

rebirth spiritual: All the Joy You Can Stand Debrena Jackson Gandy, 2001-06-19 Bestselling author, keynote speaker, success coach, and seminar leader Debrena Jackson Gandy has helped thousands of women access their inner power and live more joyfully and boldly. In her national bestseller, *All the Joy You Can Stand: 101 Sacred Power Principles for Making Joy Real in Your Life*, she reveals the steps that will help you undergo the transformation of a lifetime. This engaging, thought-provoking book shows you how to: * Discover your sacred self and renew your spirit * Unblock your joy and learn to go with the Flow * Free your creative genius and make use of your natural gifts and talents * Cultivate your intuition, self-expression, and boldness * Be a Sensuous Woman, a Spiritual Gardener, and the Architect of Your Life Filled with personal experiences and insightful stories from readers, friends, and seminar participants, this uplifting get-real guide is a must-read for women who want to develop their spiritual strength and tap into their divine potential. Discover how to have a life of joy, peace, power, and ease.

rebirth spiritual: *The Holy Spirit* Ivan M. Satyavrata, 2012-02-14 It is impossible to love God and at the same time be dispassionate about the study of God. Deep devotion to Jesus and an all-consuming desire to see his glory fill the earth should fuel the passion of anyone who ventures to write about God and help illuminate other people's understanding of God and his ways. Few themes call for as much of a blending of mind and heart as that of the Holy Spirit. The global spread of Pentecostal Christianity, often in context of urban poverty, has attracted much attention. The movement highlights a hunger for the experience of God in our world and provides millions of poor believers with hope for social transformation. Yet spiritual experience needs a fully biblical understanding of the Holy Spirit with which its claims can be properly assessed. Ivan Satyavrata provides an introduction to the Bible's teaching on vital issues and questions, many of which have been, and continue to be, a source of confusion and controversy amongst Christians. Combining scholarly enquiry with accessibility, his deep theological reflections and passion for unity will contribute to constructive dialogue and appeal to a wide readership.

rebirth spiritual: *Dancehall In/Securities* Patricia Noxolo, 'H' Patten, Sonjah Stanley Niaah, 2022-03-23 This book focuses on how in/security works in and through Jamaican dancehall, and on the insights that Jamaican dancehall offers for the global study of in/security. This collection draws together a multi-disciplinary range of key scholars in in/security and dancehall. Scholars from the University of the West Indies' Institute of Caribbean Studies and Reggae Studies Unit, as well as independent dancehall and dance practitioners from Kingston, and writers from the UK, US and continental Europe offer their differently situated perspectives on dancehall, its histories, spatial patterning, professional status and aesthetics. The study brings together critical security studies with dancehall studies and will be of great interest to students, scholars and practitioners in theatre, dance and performance studies, sociology, cultural geography, anthropology, postcolonial studies, diaspora studies, musicology and gender studies.

rebirth spiritual: The Lord is the Spirit Andrew K Gabriel, 2012-05-31 The Lord is the Spirit (2 Cor 3:17) . . . and yet one might be excused for thinking otherwise when reading studies on God's attributes - omnipotence, omniscience, omnipresence, immutability, impassibility, and the like. Although Christians throughout the ages have defended the deity of the Holy Spirit, theologians have not adequately taken the doctrine of the Holy Spirit into account when formulating a theology of the divine attributes. The resulting understandings of God fall short of being fully Trinitarian. Gabriel builds on contemporary Trinitarian theology by advocating for the integration of insights from pneumatology into the doctrine of God's attributes. Three case studies are presented: impassibility, immutability, and omnipotence. Gabriel writes from an evangelical and Pentecostal vantage point as he engages in ecumenical dialogue with a wide spectrum of historical and contemporary theological voices.

rebirth spiritual: *The Christian Advocate* , 1927

rebirth spiritual: Dancing Through Life Dr. Sujit Paul, 2025-09-26 Dr. Paul's commitment extends beyond individual success; he is deeply dedicated to creating a better world, one transformed life at a time. His teachings are infused with core values, ethical principles, and a profound respect for all. His YouTube channel is your gateway to experience his transformative power first-hand. Ready to transform your life into the extraordinary? Subscribe now and step into the world of Dr. Sujit Paul – your partner in creating a brighter, more fulfilling future!

rebirth spiritual: Religion, Spirituality and Healthcare Peter Roche de Coppens, 2007-05-16 The present work constitutes the most important work written by Dr. Roche de Coppens during his long career as an author. In it he has brought together his deepest and longest lasting interests, religion, spirituality and healthcare, in a new theoretical perspective that sheds much light on each of these disciplines and which relates them in an evolutionary perspective. Many of the conflicts, oppositions, paradoxes, and contradictions that pitted various approaches within each field and between these fields are now explained and integrated. Thus allopathy, psychosomatic, integrative, and spiritual medicine can now be reconciled as can religion, spirituality, rationalism, materialism, and the New Age. The key is the level of consciousness and being of the involved person. It is only at the 5th level of consciousness and being that one can reconcile these and bring one in addition to the others rather than having to choose between one or the other.
