sofia coppola archive signed copy: Sofia Coppola and Generation X (So Far) Robert C. Sickels, 2024-08-19 While the work of Sofia Coppola is sometimes dismissed as being stereotypically feminine and placing more focus on spectacle over substance, Sofia Coppola and Generation X (So Far): Anxious and Effervescent draws attention to common characteristics present in Coppola's films to present an authorial signature and aesthetic that are both familiar yet evocative of Generation X's

perception in the public consciousness. In analyzing Coppola's films from *The Virgin Suicides* (1999) to *Priscilla* (2023), this book argues that her filmography acts as a reflection of her generation's evolving mindset and self-image from its initial rise to prominence during the late 1980s to its current sentiment of discomfort with its fading influence.

sofia coppola archive signed copy: *Sofia Coppola* Hannah Strong, 2022-05-17 An illustrated critical survey of Academy Award-winning writer and director Sofia Coppola's career, covering everything from her groundbreaking music videos through her latest films In the two decades since her first feature film was released, Sofia Coppola has created a tonally diverse, meticulously crafted, and unapologetically hyperfeminine aesthetic across a wide range of multimedia work. Her films explore untenable relationships and the euphoria and heartbreak these entail, and Coppola develops these themes deftly and with discernment across her movies and music videos. From *The Virgin Suicides* and *Marie Antoinette* to *Lost in Translation* and *The Beguiled*, Coppola's award-nominated filmography is also unique in how its consistent visual aesthetic is informed by and in conversation with contemporary fine art and photography. Sofia Coppola offers a rich and intimate look at the overarching stylistic and thematic components of Coppola's work. In addition to critical essays about Coppola's filmography, the book will include interviews with some of her closest collaborators, including musician Jean-Benoît Dunckel and costume designer Nancy Steiner, along with a foreword by Italian filmmaker Alice Rohrwacher. It engages with her creative output while celebrating her talent as an imagemaker and storyteller. Along the way, readers meet again a cast of characters mired in the ennui of missed connections: loneliness, frustrated creativity, rebellious adolescence, and the double-edged knife of celebrity, all captured by the emotional, intimate power of the female gaze.

sofia coppola archive signed copy: Cubism and the Trompe l'Oeil Tradition Emily Braun, Elizabeth Cowling, 2022-10-17 The age-old tradition of pictorial illusionism known as trompe l'oeil ("deceive the eye") employs visual tricks that confound the viewer's perception of reality and fiction, truth and falsehood. This radically new take on Cubism shows how Pablo Picasso, Georges Braque, and Juan Gris both parodied and paid homage to classic trompe l'oeil themes and motifs. The authors connect Cubist works to trompe l'oeil specialists of earlier centuries by juxtaposing more than one hundred Cubist paintings, drawings, and collages with related compositions by old masters. The informed and engaging texts trace the changing status of trompe l'oeil over the centuries, reveal Braque's training in artisanal trompe l'oeil techniques as an integral part of his Cubist practice, examine the material used in Gris's collages, and discuss the previously unstudied trompe l'oeil iconography within Cubist still lifes.

De Cocteau a Kubrick y a los autores más actuales: cómo adoptan los gigantes de la dirección cinematográfica un estilo que les ha hecho únicos en el panorama del cine mundial y qué principios básicos siguen en la elección de sus temas y, lo más importante, por qué su cine nos interesa tanto. 50 directores excepcionales, entre ellos: Ingmar Bergman, Jane Campion, David Lynch, Ava DuVernay, Mia Hansen-Løve, Barry Jenkins, Agnès Varda, Jean-Luc Godard, Kathryn Bigelow y Guillermo del Toro. Este libro es una loa a profesionales llenos de talento del último siglo y el breve tramo del presente. Todos ellos son contadores de historias, responsables de su montaje y creadores de imágenes, si bien su estilo, sus recursos y su método son siempre únicos y personales; la tan heterogénea naturaleza del cine como medio de expresión significa que muy rara vez dos directores coincidan en sus objetivos. ¿Qué hace que cada una de estas personas sea un director o una directora excepcionales?
