

# tammi terrell husband

**tammi terrell husband** is a subject of interest for many fans and music historians who admire the legacy of this iconic Motown singer. Known for her powerful duets with Marvin Gaye and her soulful voice, Tammi Terrell's personal life, especially her relationships, have often been overshadowed by her tragic early death. This article delves into details about Tammi Terrell's husband, exploring her marital status, significant relationships, and the impact her personal life had on her career and legacy. Additionally, the article covers her life journey, including her rise to fame, health struggles, and lasting influence in the music industry. By understanding more about Tammi Terrell's husband and personal life, readers can gain a fuller picture of the woman behind the music. The following sections will provide an in-depth look at these aspects.

- Who Was Tammi Terrell?
- Tammi Terrell's Marital Status
- Significant Relationships in Tammi Terrell's Life
- The Impact of Personal Life on Her Career
- Legacy and Remembering Tammi Terrell

## Who Was Tammi Terrell?

Tammi Terrell was an American singer best known for her Motown duets with Marvin Gaye. Born Thomasina Winifred Montgomery in 1945, she rose to fame in the 1960s with a string of hit songs and a distinctive voice that captivated audiences worldwide. Her career, though tragically short, left an indelible mark on soul music and Motown's golden era. Tammi Terrell's talent was evident early on, and she worked hard to establish herself as a solo artist before pairing with Marvin Gaye for some of the most memorable duets in music history.

## Tammi Terrell's Marital Status

Many fans and researchers often inquire about the details of Tammi Terrell's husband or whether she was married at all. The truth is that Tammi Terrell was not married during her lifetime. There is no public record or credible source confirming that she had a husband or was legally wed. Her personal life was relatively private, and the focus remained largely on her career and health struggles. Despite rumors and speculation, Tammi Terrell did not have a husband in the sense of a legally recognized spouse.

## **Reasons for Limited Information on Marital Status**

Several factors contribute to the limited information about Tammi Terrell's marital status. Firstly, her career was cut short due to health problems, which shifted public attention away from her personal relationships. Secondly, the media coverage at the time was more focused on her professional achievements and collaborations rather than her private affairs. Lastly, Tammi Terrell herself maintained a degree of privacy about her personal life, resulting in scarce documentation of any significant romantic relationships leading to marriage.

## **Significant Relationships in Tammi Terrell's Life**

While Tammi Terrell did not have a husband, she did have important relationships throughout her life that influenced both her personally and professionally. Among these, her close friendship and working relationship with Marvin Gaye stand out prominently. Their chemistry in duets was unparalleled, and their bond extended beyond the studio.

### **Relationship with Marvin Gaye**

Marvin Gaye and Tammi Terrell formed one of Motown's most iconic duos. Their partnership produced timeless hits such as "Ain't No Mountain High Enough" and "You're All I Need to Get By." Although often rumored to be romantically involved, their relationship was primarily professional and deeply respectful. Marvin Gaye cared for Tammi Terrell during her health struggles, reflecting a strong emotional connection, but there is no verified evidence that they were ever married or involved romantically in the traditional sense.

### **Other Personal Relationships**

Information about other romantic relationships in Tammi Terrell's life is limited. She was known to be close to family and friends who supported her through her illness and career challenges. However, no other relationships have been documented or confirmed to have resulted in marriage or long-term partnerships. The focus remains on her musical collaborations and the impact of her illness on her personal life.

## **The Impact of Personal Life on Her Career**

Tammi Terrell's personal life, including her health and relationships, had a significant impact on her career trajectory. Diagnosed with a brain tumor in the late 1960s, her health deteriorated rapidly, which limited her ability to perform and record music. This tragedy overshadowed much of her potential for a longer career and affected how much time she could devote to personal relationships.

## Health Challenges and Career Interruptions

Terrell's brain tumor diagnosis led to multiple hospitalizations and surgeries, forcing her to withdraw from the public eye. These health issues directly influenced the course of her professional life and limited her opportunities for touring and recording. Despite her illness, she continued to inspire fans and musicians with her resilience and talent.

## Support System During Illness

Throughout her health challenges, Tammi Terrell was supported by close friends, family, and colleagues. Marvin Gaye, in particular, showed immense care and concern for her well-being. This support system was crucial during her difficult times, although it did not involve a husband or spouse figure.

## Legacy and Remembering Tammi Terrell

Tammi Terrell's legacy remains vibrant despite her short life and career. She is remembered as one of Motown's brightest stars, whose voice and artistry continue to influence generations of musicians. Her story, including the absence of a husband and the focus on her career and health, paints a picture of a talented artist whose personal life was marked by privacy and resilience.

## Influence on Music and Culture

Her duets with Marvin Gaye set a high standard for vocal partnerships, and her solo work showcased her unique talent. Tammi Terrell's influence extends beyond music; she symbolizes the strength and vulnerability of artists facing personal struggles.

## Tributes and Honors

- Posthumous awards recognizing her contributions to soul and Motown music
- Documentaries and biographies highlighting her life and career
- Musical tributes by contemporary artists inspired by her work
- Inclusion in Motown's historical retrospectives and exhibits

**tammi terrell husband:** *The Supremes* Mark Ribowsky, 2009 Biographer of Phil Spector (He's a Rebel), among others, Ribowsky takes a dishy, insider look at Berry Gordy's making of the Supremes, with some nasty swipes at Diana Ross while elevating Flo Ballard as the trio's martyr. In his detailed look at how Berry engineered his Motown empire, thanks to his smart sisters and a lot of luck and fortuitous pairing of talent, Ribowsky nicely intersperses some hindsight reflections by the main players, such as the brothers Brian and Eddie Holland of the legendary songwriting team with Lamont Dozier, with comparative accounts by Mary Wilson, Ross and others in order to sift the truth from the legend. While the author constantly snipes at Ross for her popping eyes and naked ambition, it was largely her single-minded drive that garnered attention to the trio's early incarnation as the Primettes, and her high girl-woman singing voice that established the Supremes' distinctive sound. Moreover, Ross's influence on Gordy (and his faith in her future solo stardom) motivated him to keep pushing the group into the limelight, in spite of other girl groups that had a bigger top hit following, such as Martha Reeves and the Vandellas. In this engaging, vivacious account, Ribowsky energetically and thoroughly underscores the Supremes' significance as one of the first crossover successes. And naturally, Francis will also share his tips for staying stylish and having fun - whatever

your age!

**tammi terrell husband:** Encyclopedia of Great Popular Song Recordings Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day, from Scott Joplin to Kanye West, from Stephen Foster to Coldplay, The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth. Approximately 1,000 key song recordings from 1889 to the present are explored in full, unveiling the stories behind the songs, the recordings, the performers, and the songwriters. Beginning the journey in the era of Victorian parlor balladry, brass bands, and ragtime with the advent of the record industry, readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s. The odyssey continues through the Swing Era of the 1930s; rhythm & blues, bluegrass, and bebop in the 1940s; the rock & roll revolution of the 1950s; modern soul, the British invasion, and the folk-rock movement of the 1960s; and finally into the modern era through the musical streams of disco, punk, grunge, hip-hop, and contemporary dance-pop. Sullivan, however, also takes critical detours by extending the coverage to genres neglected in pop music histories, from ethnic and world music, the gospel recording of both black and white artists, and lesser-known traditional folk tunes that reach back hundreds of years. This book is ideal for anyone who truly loves popular music in all of its glorious variety, and anyone wishing to learn more about the roots of virtually all the music we hear today. Popular music fans, as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting.

**tammi terrell husband:** *Detroit 67* Stuart Cosgrove, 2019-12-20 First in the award-winning soul music trilogy—featuring Motown artists Diana Ross & the Supremes, Smokey Robinson, Marvin Gaye, and others. *Detroit 67* is a dramatic account of twelve remarkable months in the Motor City during the year that changed everything ( Sunday Mail). It takes you on a turbulent journey through the drama and chaos that ripped through the city in 1967 and tore it apart in personal, political, and interracial disputes. It is the story of Motown, the breakup of the Supremes, and the damaging clashes at the heart of the most successful African American music label ever. Set against a backdrop of urban riots, escalating war in Vietnam, and police corruption, the book weaves its way through a year when soul music came of age and the underground counterculture flourished. LSD arrived in the city with hallucinogenic power, and local guitar band MC5—self-styled holy barbarians of rock—went to war with mainstream America. A summer of street-level rebellion turned Detroit into one of the most notorious cities on earth, known for its unique creativity, its unpredictability, and self-lacerating crime rates. The year 1967 ended in social meltdown, rancor, and intense legal warfare as the complex threads that held Detroit together finally unraveled. A whole-hearted evocation of people and places, *Detroit 67* is a tale set at a fulcrum of American social and cultural history ( Independent).

**tammi terrell husband:** *Ebony* , 1988-12 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

**tammi terrell husband:** *A Very Inconvenient Scandal* Jacquelyn Mitchard, 2023-11-14 From #1 New York Times bestselling author Jacquelyn Mitchard comes a page-turning family drama that explores the emotional consequences of loyalty, deception and jealousy. Stunned by her recently widowed father's reckless behavior, a young woman must learn to navigate a new world—where the people she should trust the most have become strangers she cannot trust at all. Frankie Attleboro returns home to Cape Cod with thrilling news. She's met the love of her life, and they're getting married with a baby on the way. That's the moment her father makes his own jaw-dropping announcement: at sixty, he's getting married as well, to Frankie's best friend, Ariel, who is also pregnant, and due soon. As Frankie and Ariel struggle to adjust to their new relationship, Ariel's estranged mother, Carlotta, returns after a decade-long absence. She claims to be a changed

woman—but is she really? And where has she been all these years? Frankie is suspicious, and as Carlotta's unpredictable behavior intensifies, Frankie must untangle the threads of the past to protect Ariel's future—and her own. The characters and relationships are all smartly drawn, and the narrative is shot through with plenty of humor and scandal. Mitchard fans will lap this up.—Publishers Weekly

**tammi terrell husband:** *Icons of R&B and Soul* Bob Gulla, 2007-12-30 Drawn from a mosaic of influences, including folk, gospel, and blues, R&B represents both everything that came before and nothing that was heard before. This is the music that bridged the gap between audiences and helped, at the very height of racism in America, to dismantle racial barriers. So much of today's music is derived directly from the highly influential and critically important sounds of R&B that without it we would have never known the classic soul of the late '50s and '60s, the glory days of the genre. Similarly, rock n' roll as seen through the eyes of Bill Haley and Elvis Presley would have never evolved without the foundation laid by their R&B predecessors. Through substantial entries on the chief architects and innovators, *Icons of R&B and Soul* offers a vibrant overview of the music's impact in American culture and how it reflected contemporary society's politics, trends, and social issues. Numerous sidebars highlight Motown, prominent record labels, hit songs, related singers and songwriters, key events, and significant aspects of the music industry. Also included is a list of important print and Web resources, as well as a list of selected recordings. An essential reference for high school and public libraries, this encyclopedia will help students explore the historical and cultural framework of R&B and soul music through the musicians who have come to define the genre. Among the featured: -Ray Charles -Little Richard -Fats Domino & New Orleans R&B -Ruth Brown -Sam Cooke -Etta James -James Brown -Aretha Franklin -The Supremes -Otis Redding -Ike & Tina Turner -Curtis Mayfield -Berry Gordy -Stevie Wonder -Marvin Gaye -Smokey Robinson -The Temptations -Prince

Her husband is determined to protect her. Who do they both need protection from?

**tammi terrell husband:** *Motown Encyclopedia* Graham Betts, 2014-06-02 Motown means different things to different people. The mere mention of perhaps the most iconic record label in history is often enough to invoke memories and mental images of Marvin Gaye, Diana Ross, Stevie Wonder, The Temptations, The Jackson 5, The Supremes and numerous others. With each group

recalled, there is an accompanying piece of music of the mind, from Baby Love, My Girl, Signed Sealed Delivered, I Heard It Through The Grapevine, ABC and Tears Of A Clown and countless more. Quite often, you can ask people what kind of music they like and they will simply answer 'Motown', and both they, and you, know exactly what is meant. Or rather, what is implied. The Motown they are invariably thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly, dance orientated hits, most of which were written and produced by the trio of Brian Holland, Lamont Dozier and Eddie Holland. This period is referred to, naturally enough, as the Golden Era, when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world. The kind of music that had them Dancing In the Street from Los Angeles to London, Miami to Munich and San Francisco to Sydney. It was the kind of music that attracted scores of imitators; some good, some not so good. The kind of music that appealed to the public and presidents alike, and still does. It was that Motown that this book was intended to be about. However, when you start digging deeper into the Motown story, you realise that throughout its life (which, for the purposes of this book, is its formation in 1959 through to its sale in 1988) it was constantly trying other musical genres, looking to grab hits out of jazz, country, pop, rock, middle of the road and whatever else might be happening at the time. Of course it wasn't particularly successful at some of the other genres, although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth, the group, and focus instead on the total sales achieved on Rare Earth, the label. This book, therefore, contains biographies of all 684 artists who had releases on Motown and their various imprints, as well as biographies of 16 musicians, 23 producers, 19 writers and 13 executives. There are also details of the 50 or so labels that Motown owned, licensed to or licensed from. All nine films and the 17 soundtracks are also featured. Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries, with 222 singles, 84 albums and five EPs being featured. Finally, there are 36 other entries, covering such topics as the Hollywood Walk of Fame, the Motortown Revues, Grammy Awards and the most played Motown songs on radio. The 1,178 entries cover every aspect of Motown and more - of the link between Granny in The Beverly Hillbillies and Wonder Woman, of the artists from Abbey Tavern Singers to Zulema, and the hits from ABC to You Really Got A Hold On Me. The Motown Encyclopedia is the story of Motown Records; Yesterday, Today, Forever.

**tammi terrell husband:** The Life of James Brown Geoff Brown, 2009-11-11 This is the definitive biography of this extraordinary and controversial superstar, written by Geoff Brown, a former editor of Black Music magazine. For three decades James Brown dominated the changing face of post-war popular black music. Others were as inspirational in the short term, and several of his successors have been bigger pop stars, but none matched Brown's independent authority, sustained influence or commercial longevity. But while another generation danced to the pulse of James Brown, at the end of the eighties the man himself was back in a southern US jail, a country mile or so from where he was incarcerated in his teens. between the two internments is the compelling story of a man who, by reaching from his roots and striving determinedly for himself, came to represent in music and personal power the post-war emancipation of black America. Illustrated with many rare photographs and includes a comprehensive discography.

**tammi terrell husband:** Dreams to Remember: Otis Redding, Stax Records, and the Transformation of Southern Soul Mark Ribowsky, 2015-06-01 A Kirkus Reviews Best Book of the Year (Nonfiction) Finalist for the Marfield Prize, National Award for Arts Writing "Evokes the fire of Redding.... Ribowsky tells the story with nonstop energy, while always probing for the larger social and musical pictures." —New York Times Book Review When he died in one of rock's string of tragic plane crashes, Otis Redding was only twenty-six, yet already the avatar of a new kind of soul music. The beating heart of Memphis-based Stax Records, he had risen to fame belting out gospel-flecked

blues in stage performances that seemed to ignite not only a room but an entire generation. If Berry Gordy's black-owned kingdom in Motown showed the way in soul music, Redding made his own way, going where not even his two role models who had preceded him out of Macon, Georgia—Little Richard and James Brown—had gone. Now, in this transformative work, New York Times Notable Book author Mark Ribowsky contextualizes his subject's short career within the larger cultural and social movements of the era, tracing the crooner's rise from preacher's son to a preacher of three-minute soul sermons. And what a quick rise it was. At the tender age of twenty-one, Redding needed only a single unscheduled performance to earn a record deal, his voice so utterly unique (Atlantic) that it catapulted him on a path to stardom and turned a Memphis theater-turned-studio into a music mecca. Soon he was playing at sold-out venues across the world, from Finsbury Park in London to his ultimate conquest, the 1967 Monterrey Pop Festival in California, where he finally won over the flower-power crowd. Still, Redding was not always the affable, big-hearted man's man the PR material painted him to be. Based on numerous new interviews and prodigious research, *Dreams to Remember* reintroduces an incredibly talented yet impulsive man, one who once even risked his career by shooting a man in the leg. But that temperament masked a deep vulnerability that was only exacerbated by an industry that refused him a Grammy until he was in his grave—even as he shaped the other Stax soul men around him, like Wilson Pickett, Sam and Dave, and Booker T. and The MG's. As a result, this requiem is one of great conquest but also grand tragedy: a soul king of truth, a mortal man with an immortal voice and a pain in his heart. Now he, and the forces that shaped his incomparable sound, are reclaimed, giving us a panoramic of an American original who would come to define an entire era, yet only wanted what all men deserve—a modicum of respect and a place to watch the ships roll in and away again.

**tammi terrell husband: Broken Doors** J.E. Hewitt, 2014-02-04 Broken Doors is the first novel for new author, J.E.Hewitt. This is a story of birth, death, love and redemption. Real-life power couple, Soleste and Cyrus experience a dynamic love that demonstrates support, passion and affections toward music and real estate. Set in Minneapolis, the beauty of the surroundings in the home are made to feel realistic and desired. Trouble shows up on numerous occasions leading to some losses and some unbelievable triumphs. The journey taken by this couple proves as an example that all circumstances can be overcome with a tenacious drive to greatness; until there are no longer any logical answers.

**tammi terrell husband: The New H. N. I. C.** Todd Boyd, 2004-08-04 Challenging conventional wisdom on a range of issues, Todd Boyd examines the debates over use of the N-word and the get money ethos of hip hop moguls like Sean P. Diddy Combs. He also looks at hip hop's impact on a diverse array of figures, from Bill Clinton and Eminem to Jennifer Lopez.

**tammi terrell husband: Amy Winehouse 1983 - 2011** , 2011-08-04 Amy Winehouse's recent death has made the news the world over, and despite her much publicised battle with drink and drugs her passing has left the music world in a state of true shock. At just 27 years of age she sadly joins a list of greats that died before their time, including Janis Joplin, Kurt Cobain and Jim Morrison. As fans gathered outside her Camden house at the weekend to pay tribute to the singer her icon music soared to the top of the charts not only in the UK but the USA and around the world. Never far from the headlines, stories about her tumultuous personal life, wild parties and controversial drug abuse regularly featured in the newspapers. But 2011 was supposed to be the comeback for the troubled singer and she looked to be on her way last Wednesday when she appeared alongside her God daughter Dionne Bromfield. An award-winning singer, Amy Winehouse, had won a host of accolades including two prestigious Ivor Novellos, and an outstanding 5 Grammys in 2008. Blending different music styles including jazz, pop and soul Amy had an army of fans committed to her unique approach to life. This remarkably well-researched biography traces the turbulent life of the tattooed wonder from her childhood pranks, through stage school and early music to the global legend she will be remembered as.
